Household Flea & Tick Carpet Powder

READ ENTIRE LABEL BEFORE EACH USE.

PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Do not contaminate feed, water or foodstuffs. Do not apply to food processing surfaces or use in food processing areas where food is exposed. Cover fish aquariums before use. Keep children and pets off treated carpet and upholstered furniture during treatment and while powder is still visible on their surfaces.

#### User Safety Recommendations

- User should wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet.
- User should remove clothing immediately if pesticide gets inside. Then wash and put on clean clothing.

#### FIRST AID

- |             |   |
|-------------|---|
| If In Eyes: | <ul style="list-style-type: none"> <li>• Hold eye open and rinse slowly and gently with water for 15 - 20 minutes.</li> <li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li> <li>• Call a poison control center or doctor for treatment advice.</li> </ul> |
|-------------|---|

#### HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-781-4738 for emergency medical treatment information.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Indoor Use Only.

#### Precautions and Restrictions

Do not apply this product in a way that will contact adults, children or pets, either directly or through drift. Applications to pets are prohibited. Do not allow adults, children, or pets to enter the treated area until dusts have settled. Remove or cover exposed food and drinking water before application. Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use. Do not apply more than once a day. Do not apply as a broad carpet treatment. Only spots less than 3 feet by 3 feet per room may be applied with this product. **Shake Container Well Before Using.** One 16 ounce canister contains enough powder to treat 1 to 2 rooms (200-400 square feet). When using this product at a lower rate, allow the powder to remain in place for 24 hours before vacuuming. Apply powder more heavily to areas of flooring or furniture on which pets spend most of their time. **Apply to dry surfaces only. Do not wet powder.**

**Carpets:** Shake powder evenly across surface. Do not apply more than 0.3 oz. of this product per sq. ft. Brush lightly with broom to force powder deep into carpet where fleas and their larvae exist. Wait at least 60 minutes before (lightly) vacuuming to remove visible surface powder. For maximum efficacy, delay vacuuming for up to 24 hours.

**Upholstery:** Remove loose cushions. Sprinkle along creases and into corners. Do not apply more than 0.3 oz. of this product per sq. ft. Use a brush to lightly work powder into folds and creases. Vacuum to remove visible powder on surfaces. Do not use on exposed fabric without first testing on a hidden surface for effects on color (staining) or texture. If powder adheres to a spot, brush out and remove with a vacuum immediately. When emptying vacuum bag after use, wrap contents or disposable bag in several layers of newspaper and discard in trash. Treat pets with a registered flea and tick control product prior to re-entry.

### STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Store in original container in a cool, dry place inaccessible to children and pets.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

This container is sold by weight, not by volume. You can be assured of proper weight even though some settling of contents normally occurs during transportation and handling.
