PetArmor[®] Home Household Spray

contains pyriproxyfen and permethrin creating a dual-action water-based product designed to kill pests and eliminate odors in pet bedding, carpets, rugs, upholstered furniture and other areas frequented by pets. PetArmor[®] Home Household Spray kills fleas, ticks, flea eggs, and larvae. The insect growth regulator pyriproxyfen in PetArmor[®] Home Household Spray will prevent flea eggs from hatching into biting adults for up to 210 days. Also kills ticks, roaches, ants, spiders, lice, crickets, centipedes, waterbugs, silverfish and sowbugs.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes skin irritation and substantial but temporary eye injury. Do not get in eyes, on skin, or on clothing. Wear face shield or goggles. Prolonged or frequently repeated exposure may cause allergic reactions in some individuals. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling.

FIRST AID

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control center or doctor for treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-888-908-TICK (8425) for emergency medical treatment information.

PHYSICAL AND CHEMICAL HAZARDS: Do not use this product in or around electrical equipment due to the possibility of shock hazard. Do not allow product to freeze.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Remove pets, birds and cover fish aquariums before spraying. Do not allow children or pets to contact surface until spray has dried. **HOUSEHOLD TREATMENT:** Thoroughly vacuum all carpeting, upholstered furniture, along baseboards, under furniture and in closets. Seal vacuum bag and dispose of in trash outdoors. Map hard surface floors. Spray all floors and other aforementioned areas thoroughly using a smooth back and forth motion. Provide even treatment but do not soak the areas that you treat. If fleas reappear, repeat treatment or allow the product's residual effect to kill the newly emerged fleas. **KENNELS OR PET SLEEPING QUARTERS:** Apply PetArmor[®] Home Household Spray thoroughly to infested areas including pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door sills, and localized areas of floor and floor covering where fleas, ticks and lice may be present. Old pet bedding should be removed and replaced with fresh bedding after treatment of pet areas. Do not spray surfaces where spotting, staining or discoloration would be objectionable.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. **PESTICIDE STORAGE:** Store in a cool, dry place. Always store pesticides in the original container. Store away from food and pet food. **PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available.

If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
