RO-PEL[®]

Animal & Rodent Repellent

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Product has extremely bitter and unpleasant taste. Avoid breathing spray and tasting. Avoid contact with eyes, skin, and clothing. Applicators and other handlers must wear rubber gloves and protective eyewear (safety glasses or goggles). Discard contaminated food. Wash hands with soap and water before eating, drinking, chewing gum, using tobacco or using the toilet. If on clothing, remove and change into clean clothing. Wash contaminated clothing thoroughly.

FIRST AID

Have product container or label with you when calling a poison control center or doctor, or going for treatment.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or on clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid runoff to water bodies or drainage systems.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GENERAL USE RESTRICTIONS

This product is for use only on outdoor structures and surfaces such as brown bark of trees, fences, poles, decks, planters, siding, garbage cans, and furniture and on seeds and bulbs as directed below. Do not use on edible crops, sugaring maple trees, or indoors.

TO REDUCE CHEWING, GNAWING, LICKING, NIBBLING, AND BITING DAMAGE TO OUTDOOR STRUCTURES AND SURFACES SUCH AS BROWN BARK OF TREES, FENCES, POLES, DECKS, PLANTERS, SIDING, GARBAGE CANS, AND FURNITURE BY TREE SQUIRRELS, DOGS and CATS:

USE RESTRICTIONS:

THIS PRODUCT may damage painted/stained surfaces, fabrics, and plastics; test a small area first to determine suitability for use. Use at full strength; do not dilute or mix this product with any other chemical. Do not use mist blowers or ultra-low volume application equipment to apply this product. Surfaces to be treated must be dry. For treating garbage cans, first remove droppings and clean with water; then spray both the garbage and its container. Do not apply this product on rainy, snowy or windy days, or if precipitation is predicted within the next 24 hours. Do not use this product at temperatures below 32° F or above 90° F.

APPLICATION DIRECTIONS: Using a sprayer capable of delivering a coarse droplet spray (such as a tank sprayer) spray all surfaces to the point of runoff, or treat by painting with a brush. Make a second application in 2-7 days to improve effectiveness. One quart of THIS PRODUCT will treat 250 to 1,000 sq. ft., depending on surface conditions and porosity of items being treated.

TO REDUCE CONSUMPTION AND DAMAGE TO SEEDS OR BULBS BY TREE SQUIRRELS AND VOLES:

USE RESTRICTIONS: THIS PRODUCT should not cause damage to plants. However, first test THIS PRODUCT on a few seeds to determine any effects on germination.

APPLICATION DIRECTIONS: Using rubber gloves, place seeds or bulbs in a plastic or metal container and spray until thoroughly soaked. Allow to dry. Repeat application in areas of high animal pressure. Then plant in normal manner.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in original container, in a dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: *If Partly Filled:* Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

CONTAINER DISPOSAL: *If Empty:* Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

WARRANTY STATEMENT: The proper storage, use and disposal are beyond our control. To the extent consistent with applicable law, seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. To the extent consistent with applicable law, buyer assumes all risks of use and handling of this material especially when such use and handling are contrary to label instructions.
