

ALGAEFIX®

CONTROLS ALGAE GROWTH

- Keeps marine and reef aquariums clean & clear

WORKS FAST

ACTIVE INGREDIENT:

Poly[oxyethylene(dimethylimino)ethylene
(dimethylimino)ethylene dichloride]:

4.50%
95.50%

OTHER INGREDIENTS:

KEEP OUT OF REACH OF CHILDREN

CAUTION

See back panel for precautionary and first aid statements.

NET 16 FL OZ (473 ml)

Treats up to 4,800 U.S. gallons
(18,144 L) of salt water

GUIDE

Regular Care

Water Problem Solving

BENEFITS API MARINE ALGAEFIX effectively controls these types of saltwater algae: Green algae (*Cladophora*), "Red Slime" (*Oscillatoria / Spirulina major*), "Brown Algae" (*Cyclotella*) in marine aquariums containing live corals, invertebrates and fish. When used in salt water will not harm snails, clams, scallops, shrimp, anemones, sea cucumbers, feather dusters, coralline algae, soft corals, hard corals and other invertebrates. Does not discolor the water or cause foaming. Will not harm marine fish, corals and other invertebrates.

DIRECTIONS FOR USE It is a violation of federal law to use this product in a manner inconsistent with its labeling. Use dosing cap on bottle: add 1 ml (1/15 tsp.) for each 10 U.S. gallons (38 L) or 5 ml (1 tsp.) for each 50 U.S. gallons (190 L) or 50 ml (10 tsp.) for each 500 U.S. gallons (1,890 L) of aquarium water. Repeat dose every 3 days until algae is controlled. Siphon or scrape any dead algae from aquarium. Once algae growth is under control, add one dose per week. Weekly doses will control algae growth and reduce aquarium maintenance.

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. NOTE: This product contains a chemical known to the state of California to cause cancer.

FIRST AID: IF ON SKIN, thoroughly wash with soap and water and remove contaminated clothing. IF IN EYES, hold eye open and gently flush with water for 15 minutes. IF SWALLOWED, call a Poison Control Center or Doctor immediately for treatment advice.

STORAGE AND DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Rinse thoroughly before disposing of empty container. Do not contaminate water or feed by storage or disposal.
