PRECAUTIONARY STATEMENTS

NET WT. 10 OZ. (283 g)

Johnson
A FAMILY COMPANY

Oust[®]

Air sanitizer II

Kills odor-causing
bacteria in the air

Use **Oust[®] Air Sanitizer II** every day throughout your home to eliminate odors caused by airborne bacteria, to leave your home smelling clean and fresh. Unlike air fresheners that only mask odors temporarily, **Oust[®] Air Sanitizer II** eliminates tough odors such as bathroom, pet odors, and mildew odors.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE EACH USE.

TO TEMPORARILY REDUCE AIRBORNE BACTERIA and eliminate odors in an average room (12'x12'x9'), close all doors, windows, and air vents and spray product upward in center of room for 10 seconds. For maximum effectiveness relative humidity should be between 45% and 70%. Resume normal room ventilation after spray has settled.

STORAGE & DISPOSAL STATEMENTS

STORAGE: Store in a cool, dry place away from fire, sparks, and heated surfaces.

DISPOSAL: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. (DO NOT PUNCTURE!) If recycling is not available, wrap the container and discard in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Avoid contact with food and food utensils. Avoid contact with eyes. Before using product throughout your home, use in one room and wait 24 hours to ensure that no one has any physical reactions to the product.

Asthma and Allergy Sufferers: Consult your physician before using this product in your home.

Before spraying, remove birds. After use, ventilate normally prior to returning birds to treated areas.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL/CHEMICAL HAZARDS: EXTREMELY FLAMMABLE! Keep away from fire, sparks, and heated surfaces. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

ATTENTION: Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. Help stop inhalation abuse.
