**DIRECTIONS
FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for use in home gardens, home indoor houseplants, and home greenhouses.

Read entire label. Use only as directed. Shake well before each use. Thoroughly wet all parts of the plants. Do not wet plants to point of runoff or drip. Repeat treatment in 1-2 weeks if needed. Do not apply more than 20 fl. oz. per 100 square feet per application. May be used on edible crops up to and including day of harvest.

USE RESTRICTIONS

Do not wet plants to point of runoff or drip. Do not allow adults, children or pets to enter the treated area until sprays have dried. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Remove pets, birds, and cover fish aquariums before spraying. Do not apply within 21 days of a sulfur application. Do not use EARTH OPTIONS by RAID™ ROSE & FLOWER INSECT SPRAY when temperatures are above 90°F. Do not apply more than 10 times per season. Do not reapply within 3 days except under extreme pest pressure. Do not apply more than 1 time per day. In case of extreme pest pressure do not reapply within 24 hours. Do not apply directly to or near water, storm drains, or drainage

2.500"

ditches. Do not apply when windy. To prevent product runoff, do not over water treated areas or apply prior to heavy rainfall.

PHYTOTOXICITY: Oil removes the glaucous (blue) bloom from such evergreens as Colorado blue spruce and Koster spruce. Apply carefully to blooms and buds and on oil sensitive plants such as: Chamaecyparis, Cryptomeria, Japanese Holly, Red Cedar and Smoke Tree. If concerned about sensitivity of plants, test by spraying a portion of the plant and wait several days to determine if burn occurs before spraying larger areas.

OUTDOOR USE

For use outdoors on fruit and nut trees (apples, cherries, peaches, pears, nuts); flowering, foliage plants; corn; melons; tomatoes; vegetable (beans, cabbage, cucurbits, peas, potatoes); figs; small fruits (grapes, strawberry, raspberry); citrus; ornamental and shade trees (birch, evergreens, holly, oak).

HOME GREENHOUSE USE

For use in home greenhouses flowering, foliage plants; melons; tomatoes; vegetables (beans, cabbage, cucurbits, peas, potatoes); small fruits (grapes, strawberry, raspberry); houseplants.

00"

INDOOR USE
For use indoors on houseplants.

STORAGE AND DISPOSAL

STORAGE: Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals.

DISPOSAL:
If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.
If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: CAUTION: Avoid contact with skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

USER SAFETY RECOMMENDATIONS:

- Users should wash hands with plenty of soap and water before

Page 4

for print to die tol.

3.000"

...eating, drinking, chewing gum, using tobacco, or using the toilet.

- Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

FIRST AID

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

For additional information on this pesticide product, you may call (800) 558-5252 or the National Pesticide Information Center at (800) 858-7378 for emergency medical treatment information.

COMBUSTIBLE: Do not use or store near heat or open flame.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic organisms including fish and invertebrates. Do not apply directly to water or near water. Drift and runoff may be hazardous to fish in water adjacent to treated areas. Do not contaminate water when disposing of equipment, wash water, or rinsate. See Directions for Use for additional precautions and requirements.
