*Germicidal Solution*

REVISED OCTOBER 2008

EPA Reg. No 15136-10  
EPA Est.No 15136-CA-01,  
Catalog # 142A-1GL

**Net Contents: 1 Gallon**

Manufactured By  
**MCC**  
Medical Chemical Corporation  
19430 Van Ness Ave.  
Torrance, CA 90501  
1-800-424-9394

**DIRECTIONS FOR USE:**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**FOR DISINFECTION USE FULL STRENGTH:**

Clean instruments thoroughly and rinse. Submerge article in solution for at least 10 minutes. May be used for disinfection of metal or glass instruments and apparatus including equipment and tubing. Do not use with soap or other cleaning agents.

This product is not to be used as a terminal sterilant/high-level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body.

**NOT FOR STERILIZATION** of instruments contaminated with spore bearing pathogens, viral hepatitis, tuberculosis, or rusty instruments. Contaminated instruments and hypodermic needles should always be sterilized by autoclaving. For technical use of hospitals, medical, dental and veterinary professions only.

**PRECAUTIONARY STATEMENTS:  
HAZARDOUS TO HUMANS AND DOMESTIC  
ANIMALS**

**CAUTION:**

Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling.

**FIRST AID  
IF SWALLOWED:**

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.

**FOR LABORATORY USE ONLY**

- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

**IF ON SKIN:**

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**IF IN EYES:**

- Hold eye(s) open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens(es), if present, after the first 5 minutes, then continue rinsing.
- Call poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center, doctor, or when going for treatment. For emergency information concerning this product, call the National Pesticides Information Center (NPIC) at 1-800-858-7378 seven days a week, 6:30 am to 4:30 pm Pacific Time (NPIC Web site [www.npic.orst.edu](http://www.npic.orst.edu))

**STORAGE AND DISPOSAL:  
DO NOT CONTAMINATE WATER, FOOD, OR FEED  
BY STORAGE OR DISPOSAL.**

**CONTAINER DISPOSAL:**

This is not a re-fillable container. Do not re-use empty container (bottle, can, or bucket). Rinse container with water, then wrap container and put in trash.

**PESTICIDE STORAGE:**

Store in dry place at a temperature between 50°F and 120°F.

**PESTICIDE DISPOSAL:**

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Poison or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**NOT FOR THERAPEUTIC USE**
