To control algae in your swimming pool simply add POOLIFE® AlgaeBan® every three months. Your pool water will sparkle as never before.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**DOSAGE RATES:**

**EVERY THREE MONTHS:** 16 fl oz POOLIFE AlgaeBan per 10,000 gallons pool water (or 500mL per 40,000L) will prevent algae growth in all pool types.

**SEVERE ALGAE TREATMENT:** 32 fl oz POOLIFE AlgaeBan per 10,000 gallons pool water (or 1 Liter per 40,000 L).

**GENERAL DIRECTIONS:**

1. Maintain pool water in the pH range 7.2 to 7.8. Adjust pH to 7.2 for severe algae.
2. Ensure that filtration system is working properly and that filtration cycle is adequate.
3. A regular brushing program will assist in the removal of stubborn algae.
4. Calculate the volume of POOLIFE AlgaeBan required for your pool.
5. Add the product directly to the pool, distributing over as wide an area as possible.
6. While POOLIFE AlgaeBan controls algae it is important that adequate levels of sanitizer (chlorine) be maintained to control bacterial growth.

**PRECAUTIONARY STATEMENTS – HAZARDS TO HUMANS AND DOMESTIC ANIMALS – CAUTION: HARMFUL IF SWALLOWED.**

Wash thoroughly with soap and water after handling. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove contaminated clothing and wash clothing before reuse.

**FIRST AID:**

**IF SWALLOWED:** Call poison control center or doctor immediately for treatment advice. Have

person sip a glass of water if able to swallow. **DO NOT** give anything by mouth to an unconscious person. **DO NOT** induce vomiting unless told to do so by the poison control center or doctor.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor immediately for treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. **HOT LINE NUMBER:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-654-6911 for emergency medical treatment information.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Treated effluent should not be discharged in lakes, ponds or public water.

**STORAGE AND DISPOSAL:** Do not contaminate water, food, or feed by storage and disposal. **Storage:** Store in original, tightly closed container in a cool, dry place out of reach of children. Do not store in direct sunlight.

**If Empty:** Do not reuse this container. Place in trash or offer for recycling if available.

**If Partly Filled:** Call your local solid waste agency or (1-800-654-6911) for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:** The seller of this product **CANNOT** accept any responsibility where the product is not used according to directions and for the manner in which it was intended.
