## SWIMMING POOL USE

### WHY YOU SHOULD USE THIS PRODUCT:

This product will prevent the growth of algae for complete pool enjoyment. **HTH® Algae Guard™ Granules** is a key component of the HTH® System. It is convenient and easy to use. For best results, use with other HTH® pool care products. For crystal clear pool water follow our HTH® System.

### DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### How to apply

Add product either directly to pool or through the skimmer while pump is in operation according to the dosage table below.

Dosage Table		
Pool Size, Gallons (round to nearest 5,000 gallons)	Start-Up Dosage Number of Ounces	Closing Dosage Number of Ounces
5,000	3	2
10,000	6	4
15,000	9	6
20,000	12	8

### Start-Up

To prevent visible algae from growing in your pool:

1. Add Start-up Dosage (see table below) of **HTH® Algae Guard™ Granules** to establish level needed to begin protecting your pool.
2. Continue with HTH® sanitizer system treatment.

### Pool Closing

1. Add a Closing dose of **HTH® Algae Guard™ Granules** according to the table below.
2. Follow recommended HTH® pool closing procedure.

### FIRST AID:

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

**IN CASE OF EMERGENCY CALL:**  
1-800-654-6911

### PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

Corrosive. Causes irreversible eye damage. Harmful if swallowed or inhaled. Do not get in eyes or on clothing. Avoid contact with skin. Avoid breathing dust or spray mist. Wear protective goggles. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

**PHYSICAL AND CHEMICAL HAZARDS:**  
Avoid contact with strong oxidizers.

### ENVIRONMENTAL HAZARDS:

This pesticide is toxic to fish and aquatic organisms.

## STORAGE AND DISPOSAL:

Keep this product dry in its tightly closed container when not in use. Store in a cool, dry, well-ventilated area. Keep away from heat or open flame. Nonrefillable container. Do not reuse or refill this container. Rinse empty container thoroughly with water to dissolve all material prior to disposal. Offer for recycling if available. Do not contaminate food or feed by storage or disposal or cleaning of equipment.
