**DANGER/PELIGRO**

Read all Precautionary Statements on side panel before use.

**FIRST AID:**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

## algae guard 30

30% Strength

Kills & controls green, black and yellow algae

Non-foaming

**ACTIVE INGREDIENTS:**

Alkyl (60%C <sub>14</sub> , 30%C <sub>16</sub> , 5%C <sub>12</sub> , 5%C <sub>18</sub> ) dimethyl benzyl ammonium chlorides.....	15.0%
Alkyl (68%C <sub>12</sub> , 32%C <sub>14</sub> ) dimethyl ethylbenzyl ammonium chlorides.....	15.0%
OTHER INGREDIENTS:.....	70.0%
TOTAL:.....	100.0%

Net Contents: 38 fl. oz.

### DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### READ ALL PRECAUTIONARY STATEMENTS BEFORE USE.

#### WHY YOU SHOULD USE THIS PRODUCT:

This is a concentrated, non-foaming algaecide product that, when used regularly, will prevent and kill the growth of green, black and yellow algae.

For crystal clear pool water, follow the **hth® 4 step pool care program**: Step 1: Test and adjust pool water balance, Step 2: Sanitize, Step 3: Shock treat your pool at least once a week, and Step 4: Add algaecide regularly.

Download the FREE Test to Swim™ app from your smartphone for expert water analysis, product recommendations, and dosage instructions.

#### HOW TO USE:

**Always apply chemicals separately. Never combine them.**

This product works best when added in several places directly to the pool water with the pump running. Continue to keep the pump running for several hours after addition of algaecide. Wait 15 minutes before entering pool. Pools with heavy growth of algae must be cleaned prior to using this product.

#### OPENING YOUR POOL:

Add this product to pool water at the beginning of the season. Use the following dosage recommendations based upon pool size.

Pool size, gallons	Dosage, fluid ounces
500	0.4 fl. oz.
1,000	0.8 fl. oz.
2,500	2 fl. oz.
5,000	4 fl. oz.
7,500	6 fl. oz.
10,000	8 fl. oz.
15,000	12 fl. oz.
20,000	16 fl. oz.
30,000	24 fl. oz.

#### MAINTENANCE DOSE:

Add 2 fl. oz. of this product per 10,000 gallons of pool water at 3-5 day intervals. If high temperatures prevail or the pool has an unusually heavy use, add maintenance dose more frequently.

Add this product to pool water at 3-5 day intervals. Use the following dosage recommendation based on pool size.

Pool size, gallons	Dosage, fluid ounces
500	0.1 fl. oz.
1,000	0.2 fl. oz.
2,500	0.5 fl. oz.
5,000	1 fl. oz.
7,500	1.5 fl. oz.
10,000	2 fl. oz.
15,000	3 fl. oz.
20,000	4 fl. oz.
30,000	6 fl. oz.

To calculate your pool's capacity, visit [hthpools.com/calculatepool](http://hthpools.com/calculatepool).

**VISIBLE ALGAE:** If the pool has slight visible algae growth, treat with the "Initial Dose." Vacuum pool after 24 hours to remove algae debris. If visible algae are still present or re-appear, repeat this treatment as necessary. When pool is free of visible algae, use the "Maintenance Dose."

**CLOSING YOUR POOL:** When swimming season is over, add an initial dose of this product. This dosage helps control algae growth during the winter months and aids the servicing of the pool before it is returned to use the following summer. Follow recommended hth® pool closing procedure.

#### PRECAUTIONARY STATEMENTS:

##### HAZARD TO HUMANS AND DOMESTIC ANIMALS

**DANGER. Corrosive. Causes irreversible eye damage and skin irritation. Harmful if swallowed or absorbed through the skin.** • Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles, face shield, or safety glasses), rubber gloves, and protective clothing. • Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

• Remove and wash contaminated clothing before reuse.

#### ENVIRONMENTAL HAZARDS:

This pesticide is toxic to fish and aquatic organisms.

#### STORAGE AND DISPOSAL:

Keep this product in its tightly closed container when not in use. Nonrefillable container. Do not reuse or refill this container. Rinse empty container thoroughly with water prior to disposal. Securely wrap in several layers of newspaper and discard in trash or offer for recycling if available.
