ZODIAC Tick Collar for Dogs

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS.

- DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
1. Buckle collar around dog's neck. Fit collar snug enough to prevent placement of the dog's leg or lower jaw through the collar, yet loose enough to be rotated about the neck. Generally, 2 or 3 fingers should fit between the collar and dog's neck.
 2. Leave 2-3 extra inches on the collar for adjustment, cut off excess length, and dispose of in trash.
 3. Check periodically and adjust fit, if necessary, especially when puppies are rapidly growing.
 4. May be used in addition to regular collar. Replace collar when effectiveness diminishes.

WHAT TO EXPECT FOR TICKS:

1. Protection against adult and immature ticks will be achieved within a few days, providing continuous protection for up to 5 months. 2. Adult ticks will be killed over the entire pet. Dead ticks will fall off or may be easily removed. 3. Replace collar every 5 months or sooner if needed.

FOR FLEAS:

1. This ZODIAC® collar is designed to kill adult fleas. 2. Protection against fleas will be achieved within a few days, providing continuous protection for up to 5 months. 3. Replace collar every 5 months or sooner if needed.

STORAGE and DISPOSAL: **Storage:** Store in original unopened container away from children. **Disposal:** Do not reuse container or collar. Dispose of in trash. If collar is temporarily removed, wrap in paper or plastic; do not allow children to have access to collar.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS-CAUTION: Do not get dust or collar in mouth, harmful if swallowed. Do not get dust in eyes, will cause temporary pupillary constriction.* The dust released by this collar is a cholinesterase inhibitor. **NOTICE: This product contains propoxur, a chemical known to the State of California to cause cancer.**

Humans: Do not open package until ready to use. Do not allow children to handle this collar. Dust will form on this collar during storage. Avoid contact with skin or clothing. Wash hands thoroughly with soap and water after handling collar.

Animals: Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant, or nursing dogs. **DO NOT USE ON PUPPIES UNDER 12 WEEKS OF AGE.** Do not use this product on dogs simultaneously or within 30 days before or after treatment with or exposure to cholinesterase inhibiting drugs, pesticides, or chemicals. However, flea and tick collars may be immediately replaced. When collar is first worn, observe neck area every few days for irritation. Remove collar at the first sign of irritation or adverse reaction. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, remove collar and bathe your pet with mild soap and rinse with large amounts of water.

FIRST AID

Call a poison control center or doctor immediately for treatment advice
