NET CONTENTS: 12 FL OZ (355 ml)

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS AND PUPPIES 10 weeks of age or older. USE ONLY ON CATS AND KITTENS 12 weeks of age or older.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. **FOR TOPICAL USE ONLY. DO NOT INGEST.**

General Precautions and Use Restrictions

- Apply this product only as specified on this label.
- **DO NOT** apply to dogs less than 10 weeks of age or cats less than 12 weeks of age.
- Consult a veterinarian before applying this product on debilitated, aged, pregnant or nursing animals. Certain medicines can interact with pesticides. Consult a veterinarian before using on medicated animals. Sensitivities may occur after using **ANY** pesticide for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Thoroughly wet the animal with warm water. Use Vet-Kem® Ovitrol® X-Tend™ Flea & Tick Shampoo for Dogs and Cats full strength. Do not apply shampoo around the eyes. Apply 1/4 tablespoon* shampoo for each 1 lb of pet's weight. Starting with the head and ears, lather; then continue to work lather in for 3 to 5 minutes to the neck, chest, middle and hindquarters, and finishing legs last (this is an important part of the grooming procedure). Rinse animal thoroughly with warm water. For extremely dirty or scaly animals, remove excess dirt and dust by brushing coat first, then shampoo. For dogs, repeat applications at least 8 days apart. For cats, repeat applications at least 14 days apart and do not apply more than twice per month for control of adult fleas and ticks. Treat animal bedding/quarters with an approved product labeled for that use at the same time that pet is treated with Vet-Kem® Ovitrol® X-Tend™ Flea & Tick Shampoo for Dogs and Cats.

*Do not use food utensils such as tablespoons for food purposes after use with pesticides.

PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS: WARNING

Causes substantial but temporary eye irritation. Avoid contact with skin or clothing. Do not get in eyes or on clothing. Wear protective eyewear (goggles, face shield or safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Wear long-sleeved shirt and long pants, socks, shoes, and gloves. Repeated exposure to Etofenprox can cause skin irritation.

FIRST AID

Call a poison control center or doctor for treatment advice.

If in eyes

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

If on skin or clothing

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-766-7661 for emergency medical treatment information.

STORAGE AND DISPOSAL: Pesticide Storage – Store in a cool, dry (preferably locked) area that is inaccessible to pets and children. **Disposal:** Nonrefillable container. Do not reuse or refill this container. If **empty:** Place in trash or offer for recycling if available. If **partially filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

In case of emergency or for product use information, call 1-800-766-7661.
