

SHAKE WELL BEFORE USING

### 23% DEET

- Repels mosquitoes that may carry West Nile virus
- Hours of effective scented protection from mosquitoes, ticks, black flies, gnats, chiggers, no-see-ums, sand flies, deer flies, fleas, biting flies and other biting insects
- Non-greasy and resists perspiration
- Developed especially for campers, backpackers, fishermen, hunters, golfers, bikers, hikers, joggers, ball players and active outdoor enthusiasts

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

Hold container 6-8 inches from skin or clothing and spray with a slow, sweeping motion. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Do not spray directly on face. If used on the face, spray on hands first, then apply sparingly to face and ears. Do not apply near eyes and mouth. Avoid overapplication. Do not apply over cuts, wounds or irritated skin. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not apply to children's hands.

• For use on outer surfaces of clothing: Spray shirts, pants and hats. For ticks, chiggers and fleas, apply to tops of socks and around openings of outer clothing.

After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

### STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Keep this product in its tightly closed original container when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

**CONTAINER HANDLING:** Do not Puncture or Incinerate! If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

### PRECAUTIONARY STATEMENTS

**Hazards to Humans and Domestic Animals**

**CAUTION.** Harmful if swallowed. Use of this product may cause skin reactions in rare cases. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

### FIRST AID

**IF SWALLOWED:** Immediately call a Poison Control Center or doctor. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

**If you suspect a reaction to this product:** Discontinue use. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container with you when calling a Poison Control Center or doctor, or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-888-880-1181.

### Physical and Chemical Hazards

**FLAMMABLE.** Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

• Do not apply to synthetic fabrics such as acetate, rayon or spandex. Will not damage cotton, wool and nylon. May damage furniture finishes, leather, plastics and painted and varnished surfaces, including watch crystals, guns, bows and automobiles.

**NOTICE:** To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
