

SHAKE WELL BEFORE USING

29% DEET

- Repels mosquitoes that may carry West Nile virus
- Hours of effective protection from mosquitoes, ticks, black flies, gnats, chiggers, no-see-ums, sand flies, deer flies, fleas, biting flies and other biting insects
- Non-greasy and resists perspiration
- Developed especially for outdoor activities when effective protection is needed

STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use only.

Hold container 6-8 inches from skin or clothing and spray with a slow, sweeping motion. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Do not spray directly on face. If used on the face, spray on hands first, then apply sparingly to face and ears. Do not apply near eyes and mouth. Avoid overapplication. Do not apply over cuts, wounds or irritated skin. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not apply to children's hands. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local Poison Control Center or doctor. If you go to a doctor, take this product with you.

After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

STORAGE AND DISPOSAL

Pesticide Storage: Store the product in a cool, dry place, out of reach of children.

Container Disposal: Do Not Puncture or Incinerate! If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Harmful if swallowed. Use of this product may cause skin reactions in rare cases. Remove and wash treated clothing before reuse. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container with you when calling a Poison Control Center or doctor, or going for treatment. **HOTLINE NUMBER:** For additional information on this pesticide product (including health concerns, medical emergencies, or going for treatment) you may call 1-888-880-1181.

Physical and Chemical Hazards • FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. • Do not apply to synthetic fabrics such as acetate, rayon or spandex. Will not damage cotton, wool or nylon. May damage furniture finishes, leather, plastics and painted and varnished surfaces, including watch crystals, guns, bows and automobiles.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
