Somerset, NJ 08875

An **FPM** Company

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. ADD-2 Mildewcide Additive is a fungicide that prevents mold and mildew for all paints, stains and wallpaper adhesive films. ADD-2 Mildewcide Additive blends easily into all standard Latex type and Oil Base Paint, Coating and Adhesive Formulations. Add contents (10) grams to one (1) gallon of paint or stain. Shake or stir thoroughly, then apply as directed by manufacturer. Surfaces to be painted or papered should be cleaned thoroughly with an appropriate cleaner according to manufacturer instructions. Note that this dispenser provides effective protection for normal painted surfaces. For extremely damp area prone to mildew, two pouches should be used and for New York housing authority specifications 3-4 pouches, depending on the protection needed. Note: Do not use for any paint applications involving direct or indirect food or drinking water contact.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.
CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Do not contaminate water by cleaning of equipment or disposal of wastes.

FIRST AID: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IN CASE OF EMERGENCY, CALL: CHEMTREC 800-424-9300.

ENVIRONMENTAL HAZARDS: Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE AND DISPOSAL: PESTICIDE STORAGE: Store in a cool, dry place in a manner to prevent cross contamination with other pesticide, fertilizers, food and feed. Store in the original container and out of the reach of children, preferably in locked storage area. **PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance. **CONTAINER DISPOSAL:** Do not reuse empty container. **POUCHES** are stable during normal shipping, handling and storage conditions, even when exposed to freezing and may be disposed in approved waste facilities.

WARRANTY: This product will perform as claimed if directions are followed. Directions are as complete as possible but cannot encompass all conditions, applications, techniques, and/or surfaces that are beyond our control. If you have a question check with your dealer or contact ZINSSER Co. Inc., Somerset, NJ. Warranty is limited to replacement or refunded value of product actually used if such product proves defective within two years of manufacture. No other warranty is expressed or implied.
