EPA Reg. No. 4-440

EPA Est. No. 4-NY-1

Gallon

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS –**

**CAUTION** – Contact with product may result in transient tingling and reddening of the skin. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling.

**ENVIRONMENTAL HAZARDS** – This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to lakes, streams, rivers or ponds. Do not dump leftover pesticide or rinse water into drains or sewers. This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

**PHYSICAL OR CHEMICAL HAZARDS** – Do not apply this product in or on electrical equipment due to possibility of shock hazards.

**DIRECTIONS FOR USE** – It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**GENERAL INFORMATION** – Hold container upright. Do not spray up into air. Apply to surfaces only as a spot and crack and crevice treatment. Turn sprayer nozzle to "on" position. Hold approximately 12 inches from surface to be sprayed. Squeeze trigger to spray until surface is slightly moist.

Bonide Termite & Carpenter Ant Killer RTU long-lasting action keeps on killing for up to 4 months after you spray. Contact kill gives you immediate results when spraying insects directly, while residual activity kills insects when they return to treated areas. Use caution on fine finishes and fabrics. Test small area first. Shake well before use.

Bonide Termite & Carpenter Ant Killer RTU is intended to be used in and around residences and their immediate surroundings such as (but not limited to): **apartments, atriums, attics, automobiles, basements, bathrooms, boats, cabins, campers, carports, cat sleeping quarters, clothes storage, condominiums, decks, dens, driveways, garages, gazebos, homes, kitchens, lanais, living rooms, parlors, patios, pet sleeping areas, play rooms, porches, recreational vehicles, rooms, solariums, storage areas, sun rooms, utility rooms and verandahs.** Do not use in commercial food handling establishments, restaurants or other places where food is commercially prepared or processed.

**INDOORS:**

**CARPENTER ANTS:** For control, locate and treat nests and surrounding areas. Apply around doors, windows and other places where ants enter premises and where they crawl and hide. Spray into infested wood through existing openings. **ANTS:** Spray around ant trails, doors and windows and other places where ants enter the house.

**OUTDOORS:**

**ANTS:** Spray around ant trails and hills. Spray around nests hidden under steps, brickwork concrete, etc. Break apart accessible nests and spray on and around debris.

**WASPS, MUD DAUBERS, HORNETS, YELLOW JACKETS AND BEES:** Spray nests and other surfaces where bees may rest. Aim spray at nest openings. Applications should be made late in the evening when insects are at rest.

**TERMITES, CARPENTER ANTS AND CARPENTER BEES** – (for localized control only.) Apply Bonide Termite & Carpenter Ant Killer RTU to voids or channels in damaged wood of a structure or to cracks, crevices and spaces in and between wooden portions of a structure or between wood and the foundation, in locations vulnerable to attack such as crawl spaces.

For termites, the purpose of such applications is to kill workers or winged forms, which may be present in the treated areas at the time of application. Not recommended as sole protection against termites. For active infestations, get a professional inspection. Such applications are not a substitute for mechanical alteration, soil treatment or foundation treatment but are merely a supplement. For severe termite infestation, contact a professional pest control operator in your area.

**STORAGE AND DISPOSAL** – **Storage:** Store and transport in an upright position. Store in a cool dry area. **Disposal:** *If empty* - Do not reuse this container. Place in trash or offer for recycling if available. *If partly filled* - Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**Notice:** Buyer assumes all responsibility for safety and use not in accordance with directions.
