

STOP. READ ENTIRE LABEL BEFORE USE.

### Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### USE RESTRICTIONS

- Apply this product only as specified on this label.
- Do not contaminate food or feedstuffs.
- **THIS PRODUCT IS FOR OUTDOOR RESIDENTIAL USE ONLY.**
- Not for use in outdoor residential misting systems (indoor or outdoor) or outdoor metered release devices.
- This product is not for direct application to pets/companion animals (e.g., dogs, cats, puppies or kittens).
- Do not wet plants to the point of runoff or drip.
- Do not water the treated area to the point of runoff.
- Do not apply when windy. To prevent product runoff, do not overwater the treated area(s). Do not make applications during rain or when rain is expected. Rinse applicator over lawn or garden area only.
- Do not allow adults, children or pets to enter the treated area until sprays have dried.
- Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.
- All outdoor applications, if permitted elsewhere on this label, must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses, if allowed elsewhere on this label: (1) Applications to the side of a building, up to a maximum height of 3 ft above grade; (2) Applications to underside of eaves, soffits, doors or windows permanently protected from rainfall by a covering, overhang, awning, or other structure; (3) Applications around potential pest entry points into buildings, when limited to a surface band not to exceed one inch in width; and (4) Applications made through the use of a coarse, low-pressure spray to only those portions of surfaces that are directly above bare soil, lawn, turf, mulch or other vegetation, as listed on this label, and not over an impervious surface, drainage or other condition that could result in runoff into storm drains, drainage ditches, gutters, or surface waters, in order to control occasional invaders or aggregating pests.
- May be applied on day of harvest.
- Do not apply more than 10 times per season.
- Do not apply within three days except under extreme pest pressure. In case of extreme pest pressure, do not reapply within 24 hours.
- Application of this product is prohibited directly into sewers or drains, or to any area like a gutter where drainage to storm sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow this product to enter any drain during or after application.

**SHAKE BEFORE USING.** Hold can 18-24 inches from foliage being treated. Direct the spray so that upper and lower surfaces are contacted. Use caution on new growth and tender foliage. To kill listed insects, apply to provide thorough coverage of upper and lower leaf surfaces. Repeat treatment weekly or as needed to control infestations. One 16 oz can treats 20 sq ft (5 ft x 4 ft).

This product is ideal for use on most vegetables, herbs, fruits and nuts including: almond, apple, apricot, arugula, asparagus, basil, beans, beet, blackberry, blackeyed peas, blueberry, broccoli, Brussels sprouts, cabbage, cantaloupe, carrot, casaba, cashew, cauliflower, celery, chamomile, cherry, chiroxy, chives, collards, com, cranberry, currant, curry leaf, eggplant, elderberry, endive, garden peas, garlic, grape, grapefruit, honeydew, horseradish, kale, kumquat, lemon, lentils, lettuce, lime, loganberry, loquat, macadamia nut, mango melon, melon, mint, mustard greens, nectarine, onion, orange, paprika, parsley, peach, pear (bitter melon), pepper (including bell, chili), pimentos, plum, potato, pumpkin, radish, raspberry, sage, snap bean, soybeans, spinach, strawberry, summer squash, sweet bay (bayleaf), sweet potato, Swiss chard, tangelo, tangerine, tomato, turnip, walnut, watermelon, yam, zucchini.

### Storage and Disposal

**Pesticide Storage:** Store this product in a cool, dry (preferably locked) place away from heat, open flame, food and pet food in an area that is inaccessible to children and animals. **Pesticide Disposal and Container Handling:** Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

#### Environmental Hazards

This product is toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. See Directions for Use for additional precautions and requirements.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

### Precautionary Statements

#### Hazards to Humans and Domestic Animals

**CAUTION.** Avoid contact with skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Wear long-sleeved shirt, long pants, socks and shoes, and gloves.

#### First Aid

**If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies, or pesticide concerns), you may call 1-800-257-3379, 24 hours per day, 7 days per week.

#### Physical and Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

**NOTICE:** To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions. **Questions or Comments?** Call 1-800-257-3379 or visit our website at [www.gardensafe.com](http://www.gardensafe.com)
