BACKWOODS

INSECT REPELLENT

STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use only. Do not spray in enclosed areas. Hold can 6-8 inches from skin and clothing while spraying, keeping sprayer pointed away from face. Slightly moisten skin. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. For maximum protection on skin, spread with hand after application. Do not spray directly onto face. Spray on hands first, and then apply sparingly to face, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Frequent reapplication or saturation is unnecessary. Avoid overapplication of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Will not damage nylon, cotton or wool. May damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.

STORAGE AND DISPOSAL

Pesticide Storage: Store the product in a cool, dry place, out of reach of children.

Container Disposal: If empty: Do Not Puncture or Incinerate! Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

First Aid • If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

IF YOU SUSPECT A REACTION TO THIS PRODUCT: Discontinue use. Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

HOTLINE NUMBER: In case of an emergency, call toll-free 1-800-767-9927. • Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

Physical or Chemical Hazards • FLAMMABLE: Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not spray in enclosed areas. Hold container 6-8 inches from skin and clothing while spraying, keeping sprayer pointed away from face. Slightly moisten skin. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Do not spray directly onto face. Spray on hands first, and then apply sparingly to face, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Avoid overapplication of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Will not damage nylon, cotton or wool. Do not apply to synthetic fabrics such as acetate, rayon or spandex. May damage furniture finishes, leather, plastics, painted and varnished surfaces including watch crystals, guns, bows and automobiles. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in a cool, dry place, out of reach of children. **CONTAINER DISPOSAL:** Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. *For outdoor use only.* Do not spray in enclosed areas. Hold can 6-8 inches from skin and clothing while spraying, keeping sprayer pointed away from face. Slightly moisten skin. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. For maximum protection on skin, spread with hand after application. Do not spray directly onto face. Spray on hands first, and then apply sparingly to face, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. For extra protection from ticks, chiggers and fleas, spray along all openings of clothing, such as neckband, waistband, pant and sleeve cuffs, sock tops and other areas where insects may crawl under clothing. Avoid overapplication of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Will not damage nylon, cotton or wool. May damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.

STORAGE AND DISPOSAL

Pesticide Storage: Store the product in a cool, dry place, out of reach of children. **Container Disposal:** If empty: Do Not Puncture or Incinerate! Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

First Aid • IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
