This pesticide is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Green Light Fire Ant Killer Granules₂ is a ready to use granular insecticide that controls various insects and spiders on lawns, home perimeter, ornamental and flower gardens. Please read the following "Directions For Use" carefully and fully before applying this product.

In New York State, this product may NOT be applied to any grass or turf area (lawns) within 100 feet of a water body (lake, pond, river, stream, wetland, or drainage ditch).

In New York State, do make a single repeat application of Green Light Fire Ant Killer Granules₂ if there are signs of renewed insect activity, but not sooner than two weeks after the first application.

HOME PERIMETER, ORNAMENTAL AND FLOWER GARDENS

Areas to Apply Green Light Fire Ant Killer Granules ₂	Directions	Pests
Perimeters Around Homes (Outdoor treatments around house foundations)	Evenly apply 1.2 to 2.4 pounds over a 1,000 sq. ft. area. Use any hand or power operated gravity or rotary type spreader designed for the application of granular products. Apply when insects first appear and retreat as necessary every 7 days and only if there are signs of renewed insect activity. Thoroughly water the area immediately after application for optimum control of pests.	Surface Feeding Insects including Ants, (Carpenter, Red Harvester, Odorous Pyramid, Pharaoh (Sugar) and Fire Ants*, Foraging Fire Ants), Chiggers, Chinch Bugs, Crickets, Earwigs, and Grasshoppers. * <i>Aids in control.</i>
Outdoor Ornamental and Flower Gardens	Evenly apply 2.4 pounds over a 1,000 sq. ft. area. Thoroughly water the area immediately after application for optimum control of pests. Apply 1 tablespoon** of Green Light Fire Ant Killer Granules ₂ uniformly to the surface of each mound. Best results are obtained if the following are observed: · apply early morning or late evening hours when temperatures are between 65° to 80°F · do not disturb ants · as new mounds appear, treat as soon as possible · thoroughly water the treated area immediately after application.	Argentine Ants, Black Turf Ants, Fleas (including Cat Fleas), Spiders (including Brown Recluse Spiders), and Ticks (including Brown Dog Ticks) Fire Ant Mounds

**Do not re-use utensils such as measuring cups or tablespoons/teaspoons for food purposes if used to measure pesticides.

HOME VEGETABLE GARDENS

How To Apply: One application may be made just before planting or after plant seedlings emerge. Mix the product into the top 4 to 6 inches of soil. For a 500 sq. ft. area, use 5 cups** (1.2 lb.) of Green Light Fire Ant Killer Granules₂.

Vegetables	Number of Days To Wait After Application Before Harvesting	Pests
Broccoli, Brussels Sprouts, Cabbage, Cauliflower, Head Lettuce, Peppers	7 Days	Ants, Cutworms, Crickets, Earwigs, Grasshoppers, Grubs, Seed Maggots, Weevils, and Wireworms
Cucurbit Vegetables which includes: Cucumber, Pumpkin, Summer squash (Cookneck, Scallop, Straightneck, Zucchini), Winter squash (Butternut, Calabaza, Hubbard including Acorn and Spaghetti), Watermelon, Green Peas, Green Beans (Max Beans, Snap Beans)	3 Days	

**Do not re-use utensils such as measuring cups or tablespoons/teaspoons for food purposes if used to measure pesticides.

Home Vegetable Garden Spreader Tips

Spreader*	Spreader Setting when using 5 Cups** (1.2 lb.) of Green Light Fire Ant Killer Granules ₂ for 500 Sq. Ft.	Directions
AccuGreen Drop Spreader	4	Spread the product along the longest length of the garden area. Overlap wheel marks to ensure a uniform spread of product. Shut off the spreader when you have reached the end of the row or stopped.
SpeedyGreen Broadcast Spreader	2	Shut off the spreader anytime you stop. For complete coverage, make each pass about five feet from the previous one, so some overlapping occurs.

*Other spreaders can be used but the settings must be properly calibrated based on the manufacturer's recommendations.

**Do not re-use utensils such as measuring cups or tablespoons/teaspoons for food purposes if used to measure pesticides.

LAWNS

Apply when insect activity or damage is first observed in the lawn (lawn thins and turns brown or moths fly from the grass when you mow). To prevent further damage, treat entire lawn and not just the brown areas of lawn.

Areas to Apply Green Light Fire Ant Killer Granules ₂	Directions	Pests
Lawns	Evenly apply 2.4 pounds over a 1,000 sq. ft. area of lawn. Use any hand or power operated gravity or rotary type spreader designed for the application of granular products. For mole crickets, treat in late spring. Thoroughly water the area immediately after application for optimum control of pests. Apply 1 tablespoon** of Green Light Fire Ant Killer Granules ₂ uniformly to the surface of each mound. Best results are obtained if the following are observed: · apply early morning or late evening hours when temperatures are between 65° to 80°F · do not disturb ants · as new mounds appear, treat as soon as possible · thoroughly water the treated area immediately after application	Ants (including Argentine, Black Turf, Carpenter, Red Harvester, Odorous Pyramid, Pharaoh), Armyworms (including Fall Armyworms), Chiggers, Chinch bugs, Crickets, Earwigs, Fleas (including Cat Fleas), Grasshoppers, Mole Crickets (including Lawn Mole Crickets), Sod Webworms (Lawn Moth), Spiders (including Brown Recluse Spiders), and Ticks (including Brown Dog Ticks). Fire Ant Mounds

**Do not re-use utensils such as measuring cups or tablespoons/teaspoons for food purposes if used to measure pesticides.

Lawn Spreader Tips

Spreader*	1.2/2.4 Pounds Green Light Fire Ant Killer Granules ₂ per 500/1,000 Sq. Ft.	Directions
AccuGreen Drop Spreader	4 to 5	Before application, mow the lawn if the grass is tall enough to touch the bottom of the spreader. First apply two header strips. Operate spreader the longest way of the lawn. Overlap wheel marks to ensure uniform spread of product. Shut off spreader when you have reached the header strips or stopped.
SpeedyGreen Broadcast Spreader	2 to 3	Shut off spreader anytime you stop. For complete coverage make each pass about five feet from the previous one, so some overlapping occurs.

*Other spreaders can be used but the settings must be properly calibrated based on the manufacturer's recommendations.

NOTICE: Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

STORAGE AND DISPOSAL

Prohibitions: Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Keep out of reach of children and animals. Store in original bags/containers only. Store in a cool, dry place and avoid excess heat. Carefully open bags/containers. After partial use replace lids and close tightly. For bags after partial use, reseal open bag by folding top down and securing. **In case of spill, avoid contact.** Isolate area and keep out animals and unprotected persons. Confine spills. Call CHEMTREC at 1-800-424-9300.

Pesticide Container Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

IMPORTANT INFORMATION - READ BEFORE USING PRODUCT

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product should be followed carefully. The Directions for Use of this product reflect the opinion of experts based on field use and tests. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather or crop conditions, presence of other materials or other influencing factors in the use of the product, which are beyond the control of Green Light Company or Seller. Handling, storage, and use of the product by Buyer or User are beyond the control of Green Light Company and Seller. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Green Light Company and Seller harmless for any claims relating to such factors.

Green Light Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of Seller or Green Light Company, and Buyer and User assume the risk of any such use. GREEN LIGHT COMPANY MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

To the extent allowed by law, Green Light Company or Seller shall not be liable for any incidental, consequential or special damages resulting from the use or handling of this product. **THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF GREEN LIGHT COMPANY AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF GREEN LIGHT COMPANY, OR SELLER, THE REPLACEMENT OF THE PRODUCT.**

Green Light Company and Seller offer this product, and Buyer and User accept it, subject to the foregoing conditions of sale and limitations of warranty and of liability, which may not be modified except by written agreement signed by the duly authorized representative of Green Light Company.
