SWIMMING POOL ALGAE PREVENTATIVE

This product is formulated to complement swimming pool water being treated with the BioGuard SoftSwim System. It is effective against the growth of algae. The wetting agent in this product allows it to penetrate small crevices where algae is likely to form. This product is efficient and non-staining when used as directed. This product will not evaporate and its algae fighting abilities actually increase as pool water temperature increases. The residual effectiveness of this product tends to stabilize the total chemical treatment system. This product may foam and therefore should not be used for spa treatment or in pools with attached spas or jetted returns.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read entire label and use strictly in accordance with precautionary statements and directions.

Ensure all pool equipment is working properly. Backwash the filter system following manufacturer's directions. Adjust pH to between 7.2-7.6. Check for metals and if present add a stain and scale inhibitor to prevent staining of pool surface due to metals. When using other products as outlined in directions for this product, always follow directions on those products.

FOR AN INITIAL APPLICATION OR WHEN POOL WATER IS CHANGED:
Pour 32 fluid ounces (4ppm) directly into pool per 25,000 gallons of water.

FOR ROUTINE MAINTENANCE:
For weekly application intervals, use 1 fluid ounce per 5,000 gallons of water (0.5ppm).

For two week application intervals, use 2 fluid ounces per 5,000 gallons of water (1 ppm) every other week.

Following heavy rain showers, add an additional 1 fluid ounce per 5,000 gallons.

TO DETERMINE POOL CAPACITY: Rectangular Pools - Length times width time average depth (in feet) times 7.5 equals gallons. Round and Oval Pools - Long diameter times short diameter times average depth (in feet) times 5.9 equals gallons.

STORAGE AND DISPOSAL: Keep this product in original tightly closed container when not in use. Store in a cool, dry, well ventilated area away from heat or open flame. **CONTAINER DISPOSAL:** Do not reuse container, but place in trash collection. Rinse thoroughly before discarding in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

KEEP OUT OF REACH OF CHILDREN. DANGER: Highly corrosive. Causes skin and eye damage. May be fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or safety glasses and rubber gloves when handling this product. Irritating to nose and throat. Avoid breathing fumes. Remove and wash contaminated clothing before reuse. For skin or eye contact, or if dust/fumes are inhaled, immediately follow first aid instructions on front label panel.

PHYSICAL OR CHEMICAL HAZARDS Do not mix with other chemicals.

ENVIRONMENTAL HAZARDS This pesticide is toxic to fish and aquatic organisms.

NOTE: Buyer assumes all responsibility for safety and use not in accordance with directions.
