for Dogs and Puppies 7 Weeks and Older
and 10 lbs. and Under**
READ THE ENTIRE LABEL BEFORE EACH USE**For the Prevention and Treatment of
Flea and Lice Infestations on Dogs**

- Kills fleas on dogs within 12 hours
- Kills fleas before they lay eggs

PRECAUTIONARY STATEMENTS**HAZARDS TO HUMANS:**
 Causes eye irritation. Harmful if swallowed.
Do not get in eyes or on clothing. Avoid contact
with skin. Wash hands thoroughly with soap and
warm water after handling. Keep out of reach of
children. Do not contaminate feed or food.
HAZARDS TO DOMESTIC ANIMALS
For external use only. Do not use on puppies
under seven weeks of age. As with any product,
consult your veterinarian before using this
product on debilitated, aged, pregnant or nursing
animals. Individual sensitivities, while rare, may
occur after using ANY pesticide product for pets.
If signs persist, or become more severe, consult a
veterinarian immediately. If your animal is on
medication, consult your veterinarian before
using this or any other product.

 For consumer questions call 1-800-255-6826.
For medical emergencies call 1-800-422-9874.
FIRST AID
 Have the product container or label with you
when calling a poison control center or doctor,
or going for treatment.
If in eyes:
 Hold eye open and rinse slowly and gently
with water for 15–20 minutes.
Remove contact lenses, if present, after the
first 5 minutes, then continue rinsing eye.
Call a poison control center or doctor for
treatment advice.
If swallowed:
 Call poison control center or doctor immediately
for treatment advice. Have person sip a glass of
water if able to swallow. Do not induce vomiting
unless told to do so by the poison control center
or doctor. Do not give anything by mouth to an
unconscious person.
If on skin or clothing:
 Take off contaminated clothing. Rinse skin
immediately with plenty of water for 15–20
minutes. Call a poison control center or doctor for
treatment advice.
To Physician: Treat the patient symptomatically.**DIRECTIONS FOR USE**
 It is a violation of Federal Law to use this product in
a manner inconsistent with its labeling.
HOW TO APPLY

1. Use only on dogs. Do not use on other animals.
2. Remove one applicator tube from the package.
3. Hold applicator tube in an upright position.
Pull cap off tube.
4. Turn the cap around and place other end of cap
back on tube.
5. Twist cap to break seal, then remove cap from
tube.

6. The dog should be standing for easy
application. Part the hair on the dog's back,
between the shoulder blades, until the skin is
visible. Place the tip of the tube on the skin and
squeeze the tube to *expel the entire contents
directly on the skin.*
*Do not get this product in your pet's eyes or
mouth.*
7. Discard empty tube as described in Storage
and Disposal.
8. In case of severe flea infestation, retreatment
may be necessary earlier than four weeks.
Do not retreat more often than once every
seven days. After flea control is attained, return
to a monthly retreatment schedule.

8. In case of severe flea infestation, retreatment may be necessary earlier than four weeks. Do not retreat more often than once every seven days. After flea control is attained, return to a monthly retreatment schedule.

GENERAL INFORMATION

The successive feeding activity of fleas on pets may elicit a hypersensitivity skin disorder known as flea allergy dermatitis (FAD). Treatment of dogs with Advantage[®] kills fleas and may reduce the incidence of this condition.

Advantage kills fleas on dogs within 12 hours.

Reinfesting fleas are killed within 2 hours with protection against further flea infestation lasting for up to four (4) weeks.

Pre-existing pupae in the environment may continue to emerge for six (6) weeks or longer depending upon the climatic conditions.

Larval flea stages in the pet's surroundings are killed following contact with an Advantage treated pet.

Advantage is waterproof and remains effective following a shampoo treatment, swimming or after exposure to rain or sunlight. Monthly treatments are required for optimal control and prevention of fleas.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry place.

Disposal: Nonrefillable container.

If empty: Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-422-9874 for disposal instructions.

Never place unused product down any indoor or outdoor drain.
