

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Kills Salmonella enterica, Escherichia coli (E. coli) and Escherichia coli O157:H7 from hard, non-porous restroom and kitchen surfaces: kitchen counters, sealed stone, stovetops, sinks, the outside of microwaves, refrigerators and other similar appliances, walls, countertops, finished hardwood, cabinets, floors, exterior toilet bowl surfaces, trash cans, glazed tile, tubs, sinks, chrome, shower walls, bathrooms, public restrooms, door knobs, faucets, telephone receivers and key pads, hand rails, wall switch plates, door frames, restrooms and urinals.

CLEANING: Wipe surface with towelette, let air dry. No need to rinse. These towelettes will not harm most surfaces. Not recommended on unpainted wood or glass.

DISINFECTION and DEODORIZATION: Wipe surface to be disinfected. Allow surface to remain wet for 10 minutes before use. Let surface dry. A rinse is required for surfaces in direct contact with food. For heavily soiled surfaces, clean before following Disinfection instructions.

Not for personal cleansing. This is not a baby wipe!

BACTERICIDAL ACTIVITY: When used as directed, this product exhibits effective disinfectant activity against the organisms: Salmonella enterica, Escherichia coli (E. coli), Escherichia coli O157:H7.

EFFICACY TESTS HAVE DEMONSTRATED THAT THIS PRODUCT IS AN EFFECTIVE BACTERICIDE IN THE PRESENCE OF ORGANIC SOIL (5% BLOOD SERUM).

TO OPEN PACKAGE: Pop open dispensing tab and remove top by lifting upward. Pull up corner of center towelette, twist to a point and thread through slits in top. DO NOT PUSH FINGER THROUGH SLITS. Replace top and pull towelette at slight angle. The next towelette pops up automatically. Snap tab closed to retain moisture. Do not flush.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Hold eyelids open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing the eye. Call a poison control center or doctor for treatment advice.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in an area inaccessible to children.

CONTAINER STORAGE/DISPOSAL: Wipes: Dispose of towelette in trash after use. Do not flush. Canister: Tightly close lid between uses to retain moisture. Nonrefillable container. Do not reuse or refill this canister. Offer empty canister for recycling if available or discard in trash.
