sparingly around ears. Do not allow children to handle this product, and do not apply to children's hands. When using on children, apply to your own hands and then put it on the child. Do not apply more than 3 times per day to children ages twelve (12) and under. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. Do not use under clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. If used on the face, spray on palm of hands first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not spray in enclosed areas. Frequent reapplication and saturation is unnecessary for effectiveness. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this repellent with you.

Remove protective cap. Hold can at least 12" away, point valve in desired direction and press button to spray. To apply to face, spray on hands and rub on. For ticks and chiggers, also spray shoe tops, socks and around openings in clothing.

STORAGE & DISPOSAL:

PESTICIDE STORAGE: Store this product in a cool, dry (preferably locked) place away from heat or open flame, and in an area that is inaccessible to children and animals.

CONTAINER DISPOSAL: Do Not Puncture or Incinerate! IF EMPTY: Place in trash or offer for recycling if available. IF PARTLY FILLED: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
