## ZEPTABS

### AIR CONDITIONING & REFRIGERATION DRAIN PAN TREATMENT

For Air Conditioning Systems From 6 to 15 Tons

**Active Ingredients:**

n-Alkyl (98% C<sub>12</sub>, 2% C<sub>14</sub>) dimethyl l-naphthylmethyl ammonium chloride monohydrate ..... 20%

**Inert Ingredients:**..... 80%

**Total** ..... 100%

EPA Reg No. 51219-3-1270

EPA Est. No. 51219-NY-1

Patent No. 3,754,871

**KEEP OUT OF REACH OF CHILDREN**  
**DANGER**

See Back Panel for Additional Precautionary Statements

**FIRST AID: IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first five minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice. **IF ON SKIN:** Take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. **IF SWALLOWED:** Call a Poison Control Center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

**Note to physician:** Probable mucosal damage may contraindicate use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

6 (1/5 oz.) tablets

Net Wt. 1.2 oz. (34 gr.)

**Transfer from 9625.140**

**PRECAUTIONARY STATEMENTS:  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS.**

**DANGER:** Corrosive. Causes irreversible eye damage and skin irritation. Do not get in eyes or on clothing. Harmful if swallowed. Wear (goggles, face shield or safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

Eliminates or prevents most blockages in drain lines due to the build-up of bacterial slime, rust, scale, sludge, air-borne dust, silt and other solids. Combats stale water odors. When used according to directions, ZEPTABS will inhibit the growth of the following organisms: Thermoactinomyces vulgaris, Pseudomonas effusa, Pseudomonas aeruginosa, Bacillus circulans, Bacillus licheniformis, Bacillus megaterium and Aerobacter aerogenes.

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Remove inner package containing tablets from outer plastic bag. Place the package, holes down and tablets facing up, into drain pan at a point as far from the drain hole as possible. Be sure that the single tablet at one end of the package is farthest from the drain hole. In extremely dirty pans it would be helpful to clean the pan before placing the package. The dirt might block the opening in the bottom of the package and inhibit metering of the ZEPTABS. Use one package for each 2 square feet of drain pan area. Replace pouch when tablets have dissolved.

**STORAGE AND DISPOSAL:** Do not contaminate water, food or feed by storage or disposal. **Pesticide Storage:** Store in a cool dry place inaccessible to children. **Pesticide Disposal:** Pesticide wastes may be hazardous. Improper disposal of excess pesticide is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance. **Container Handling:** Nonrefillable container. Do not reuse or refill this container. Discard pouch in trash after use.
