# *Kills 99.9% of Cold and Flu Viruses\**

Because cold and flu viruses are often spread by hand contact, KLEENEX® Brand has developed a tissue for your whole family.

KLEENEX® Anti-Viral\* tissue has three soft layers, including a moisture-activated middle layer that kills 99.9% of cold and flu viruses\* in the tissue within 15 minutes. This product has not been tested against bacteria, fungi or other viruses. See below for anti-viral\* details.

**Directions for Use:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Use only as a facial tissue.

**\*Virucidal Against:** Rhinoviruses Type 1A and 2 (Rhinoviruses are the leading cause of the common cold); Influenza A and Influenza B (causes of the flu); Respiratory Syncytial Virus (RSV—the leading cause of lower respiratory infection in children).

**Storage and Disposal:** Store in a dry area. Dispose of used tissues promptly. Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available, or discard in trash.
