# Ben's

Full strength repellent for maximum protection against ticks and all types of biting insects. use Ben's Max Formula when the bugs are especially intense or when all-day protection is needed. For complete outdoor protection try Tender's other insect repellents. When bugs strike first, get instant relief with After Bite®.

Active ingredients: DEET 98.11%, other ingredients 1.89%.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label and card. Apply a few drops to your palm and wipe on exposed skin areas. Do not apply over cuts, wounds or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put on the child. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid over-application of this product. Wash hands after applying. After returning indoors, wash treated skin with soap and water. Repeat as needed.

### STORAGE AND DISPOSAL

**Storage:** Store in a cool, dry (preferably locked) storage area inaccessible to children and pets and away from heat or open flame. **Disposal:** Do not puncture or incinerate. **If empty:** Do not reuse this container. Place in trash or, if available offer for recycling. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans and Domestic Animals

**WARNING:** Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Use of this product may cause skin reaction in rare cases. If you suspect a reaction to this product, discontinue use, wash skin and call your local poison control center. If you go to the doctor take this repellent with you.

#### FIRST AID

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center for treatment advice. **If swallowed:** Immediately call a poison control center or doctor for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor, or for going for treatment. **Physical or Chemical Hazards.** Keep off synthetics, plastics, furniture and painted surfaces. May damage leather.
