Roach, Ant & Spider Killer₂

Kills Cockroaches, Ants**, Carpenter Ants, Crickets, Spiders, Firebrats, Fleas and Scorpions.

STOP READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For indoor residential use only.

Use Green Thumb® Roach, Ant & Spider Killer, as a spot treatment indoors

- Along and behind baseboards
- Around and beneath appliances
- Beneath and behind sinks

Other areas where insects are often found

- In cracks and crevices
- In dark corners of rooms, cabinets and closets
- Around pipes and plumbing
- Around waste containers

HOW TO USE

1. Shake well before each use.
2. Spray insects to kill on contact.
3. For long-lasting control, treat areas where insects are commonly found. Spray surfaces until wet, moving the spray rapidly to prevent excessive wetting and waste of product.

4. When treating for ants**, spray around door and window frames. Also treat other entry points and trails. Kills returning insects for up to six weeks on non-porous surfaces.
5. Spiders and scorpions must be sprayed directly to be killed.

Use Restrictions

NOTE: Point spray away from people, pets and plants. Do not use as a room spray. Surface spray uses are limited to spot treatments only. Broadcast surface applications are prohibited.

Do not allow adults, children or pets to enter the treated area until sprays have dried.

Do not apply this product in a way that will contact adults, children or pets, either directly or through drift. Remove pets and cover aquariums before spraying. Do not allow the spray to contact food or food-contacting surfaces. Thoroughly wash dishes, utensils and countertops with soap and water if they are sprayed with this product.

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Store in cool, dry area away from heat or open flame. Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

First Aid

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

Have the product container with you when calling a Poison Control Center or doctor, or going for treatment.

Note to Physician: Contains petroleum distillates — vomiting may cause aspiration pneumonia.

Physical and Chemical Hazards

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
