

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed, absorbed through skin or inhaled. Causes moderate eye irritation. Avoid breathing vapor and contact with skin, eyes or clothing. Thoroughly wash with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

First Aid

If Swallowed:

- Immediately call a poison control center or doctor for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If on Skin or Clothing:

- Take off contaminated clothing.
- Immediately rinse skin with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If in Eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- Call a poison control center or doctor for further treatment advice.

If Inhaled:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

For emergency information on this product, call the National Pesticides Information Center at 1-800-858-7378, 6:30 AM to 4:30 PM Pacific Time (PT), 7 days per week. During other times, call the poison control center at 1-800-222-1222.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Physical or Chemical Hazards

Extremely flammable. Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F (54°C) may cause bursting. Protect from direct sunlight. Do not spray close to naked flames or incandescent bodies. Do not smoke during application.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Shake well before use.

Introduction:

This product contains an Insect Growth Regulator (IGR) and insecticide combination for indoor control of bed bugs, fleas and ticks, ensuring six-months of residual effect. This product gives protection against both adult and larval fleas. Methoprene, the IGR, works specifically on pre-adult fleas, preventing them from maturing into biting adults. The performance of pyrethrins and Permethrin are enhanced by the synergist, kill adult ticks, fleas and other insects very quickly and effectively. This product was developed for surface treatments. **Do not spray directly on pets.**

Use Restrictions

- Do not treat pets with this product.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- Remove pets, birds, and cover fish aquariums before spraying.
- Remove or cover exposed food or drinking water before application.
- Avoid contamination of food and feedstuffs. Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces or wash them before use.
- Do not apply directly to animals.
- Do not use in aircraft cabins.
- Do not use in food handling establishments in which food is held, processed, prepared, and/or served. When used in the home, cover or remove all exposed food and cooking utensils and cover all food processing surfaces or wash thoroughly after treatment and before reuse.

Application Directions:

A 1 pound 10.5 ounce (750 ml/750 gm) can treats up to 3,000 square feet of surface area. A noticeable foam will appear during application; this foam helps provide a uniform spray pattern and will dissolve a few minutes after application.

To Kill and Control Bedbugs: Spray directly onto bedbugs and onto areas that may harbor bedbugs such as under beds, box springs, areas where baseboards, walls & carpets come together, night stands, head boards, molding or other areas that may provide harborage. Other areas

KEEP OUT OF REACH OF CHILDREN CAUTION

See side panel for First Aid and additional Precautionary Statements.

Net Weight: 1 lb. 10.5 oz. (26.5 oz.) (750 g)

may include wall voids, cracks and crevices, around doors and windows, closets, false ceilings and storage areas. Reapply after 7 days if reinfestation is heavy or for areas that were possibly missed.

For Flea and Tick Infestations: Hold can upside down, point application tip toward surface to be treated and push button to activate. Apply in a sweeping motion 2-3 feet from the surface area being treated. Apply spray in a uniform pattern to all surfaces infested with fleas and ticks including carpets, rugs, drapery, furniture and around pet sleeping/resting areas. Lightly dampen, but do not saturate, treated surfaces. Thorough coverage provides the best results for flea and tick infestations. Do not reoccupy treated areas until spray has dried. Remove pet's old bedding and replace with clean, fresh bedding after treatment of pet areas. Simultaneously treat pets with a flea and tick control product registered for use on pets prior to allowing reentry into treated areas. Reapply as reinfestation warrants, within 14-21 days, especially to infested areas possibly missed in the original treatment.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.
Pesticide Storage: Store in a cool, dry place, away from heat, sparks and open flame. Keep container closed and out of reach by children and animals. **Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility. **Container Handling:** Non-refillable container; do not reuse or refill this container. Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.
Lot Number located on container.

Warranty Disclaimer

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. **TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

Inherent Risks of Use

The directions for use of this product are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions or the manner of use/application, all of which are beyond the control of the Manufacturer. The buyer/user assumes all such risks.

Limitation of Remedies

To the extent not prohibited by applicable law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
 2. Replacement of amount of product used.
- To the extent not prohibited by applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing; and b) **TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, THE MANUFACTURER WILL NOT BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR INJURIES.**

The terms of this **Warranty Disclaimer** and **Limitation of Remedies** cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this **Warranty Disclaimer** or **Limitation of Remedies** in any manner.
