**Physical or Chemical Hazards**

Contents under pressure. Do not use or store near heat or open flame. Do not store in direct sunlight. Do not smoke while using this product. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting. Incineration of container may cause explosion. Do not use this product in or on electrical equipment due to the possibility of shock hazard.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Shake Well Before Use.**

**Hold Container Upright.**

**Apply in Short Bursts.**

**Use Restrictions**

Apply this product only as specified on this label. Do not contaminate food or feedstuffs. **This product is for Indoor Residential/Non-Residential Use Only.** Do not use in commercial food processing, preparation or storage areas. Do not apply this product in a way that will contact adults, children or pets, either directly or through drift. Only protected handlers may be in the area during application. Do not enter or allow others to enter the treated area until the sprays have dried. Do not allow adults, children

or pets to enter treated areas until vapors, mists and aerosols have dispersed, and the treated area has been thoroughly ventilated. Do not use on humans, domestic animals or pets. Remove pets/birds and cover fish aquariums and ornamental fish ponds before spraying, and turn aquarium systems off.

Do not use in food areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served, such as dining rooms, but excluding areas where food may be prepared or held. Non-food areas are areas such as garbage rooms, lavatories, floor drains (to sewers), entries, vestibules, offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage areas (after bottling or canning). Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, bodies of water or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

Do not apply when food is present. In the home, cover all food processing surfaces and utensils during treatment or thoroughly wash before reuse. Cover or remove exposed food.

**To Kill Flies, Gnats, Mosquitoes and Small Flying Moths:** Close all doors and windows, and direct spray upward into center of room with a slow sweeping motion. Spray 5-10 seconds for average room. Wait 2 hours after application, then open windows, vents and doors for 2 hours. If an odor is still detected, additional ventilation is required. Sweep up and discard fallen insects.

**Storage and Disposal**

**Do not contaminate water, food or feed by storage or disposal.**

**Pesticide Storage:** Store in a cool, dry (preferably locked) place inaccessible to children and pets and away from direct sunlight, windows, flames or other sources of heat or ignition. **Pesticide/Container Disposal:** Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. [This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label.] If partly filled: Call your local solid waste agency for disposal instructions.
