Cypermethrin 0.050%
Other Ingredients 99.900%
100.000%

NET WT 17.5 oz (496.1g)

KEEP OUT OF REACH OF CHILDREN.

CAUTION:

REFER TO BACK PANEL FOR ADDITIONAL PRECAUTIONS.

MANTENER FUERA DEL ALCANCE DE LOS NIÑOS.

CUIDADO:

CONSULTAR OTRAS PRECAUCIONES EN LA PARTE DE ATRAS.

Kills the following insects on contact: Ants, Cockroaches, Crickets, Scorpions, and Silverfish.

Keeps killing German Cockroaches for up to 10 Months on non-porous surfaces.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USE.

GENERAL PRECAUTIONS AND RESTRICTIONS:

For Indoor Residential Use Only

Do not use as a space spray. Do not apply this product in a way that will contact adults, children or pets, either directly or through drift. Do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use. Do not use water based sprays in conduits, motor housing, junction boxes, switch boxes, or other electrical equipment. During any indoor surface application, do not allow dripping or runoff to occur. During any application to ceilings of a structure, cover surface below with plastic shielding or other material. Do not apply this product in any room being used as a living, eating, or recovery area by the elderly or the infirm when they are in the room. Do not exceed maximum application rate of 16 seconds of spraying per each sq. ft. of surface. Remove pets and birds and cover fish aquariums before spraying. Do not apply to humans, pets, plants, or contact food, dishes or utensils. Do not allow children or pets to contact treated surfaces until spray has dried. For residual control of German cockroaches spray non-porous surfaces until coated along baseboards, under sinks, refrigerator, stove, dishwasher, or other places where cockroaches may hide. **CRACK AND CREVICE SPRAY.** Apply spray in small amounts directly into cracks and crevices. Pay special attention to areas such as behind baseboards, connection areas around drains and pipes, behind and beneath sinks, stoves, and plumbing, and other visible cracks and crevices. Spray these areas thoroughly, making certain that spray penetrates well. **CONTACT APPLICATION.** Spray at the rate of one linear foot per second. Contact as many insects as possible with this spray, in addition to thoroughly spraying of all parts of the room suspected of harboring these pests. Pay special attention to hiding places such as beneath sinks, behind and beneath stoves and refrigerators, around garbage cans and cabinets, along the outside of baseboards, door sills, frames and floors, around and on drains, pipes and plumbing, behind bookcases, storage, and other utility installation areas, contacting insects with spray when possible. **Foraging Ants, Southern Fire Ants and Foraging Carpenter Ants:** To kill foraging Ants, including Southern Fire Ants and Black Carpenter Ants spray insects directly and on ant trails. **FOR SPOT TREATMENT:** Spiders (including Black Widow Spiders), Cockroaches, Crickets, Scorpions and Silverfish: Spray areas where these insects are found or may hide, including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves, refrigerators, and cabinets; and around garbage cans, plumbing, and other utility installations. Pests driven out of hiding places should be sprayed directly.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in a cool, dry area. Keep container closed. Always store pesticides in the original container. Store away from food and pet food.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do not puncture or incinerate! Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

FIRST AID / PRIMEROS AUXILIOS

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For information regarding medical emergencies or pesticide incidents, call 1-888-740-8712.

SI SE TRAGA: Llamar inmediatamente a un centro de control de intoxicaciones o a un médico para recibir consejo sobre el tratamiento. No provocar el vómito a menos que el centro de control de intoxicaciones o un médico lo indique. No dar nada por la boca a una persona inconsciente. **SI ENTRA EN CONTACTO CON LA PIEL O LA ROPA:** Quitar la ropa contaminada. Enjuagar la piel inmediatamente con agua abundante durante 15 a 20 minutos. Llamar a un centro de control de intoxicaciones o a un médico para recibir consejo sobre el tratamiento. **SI ENTRA EN CONTACTO CON LOS OJOS:** Sujetar el ojo para mantenerlo abierto y enjuagar lenta y suavemente con agua durante 15 a 20 minutos. Quitar los lentes de contacto, si hay, después de los primeros 5 minutos. Luego seguir enjuagando el ojo. Llamar a un centro de control de intoxicaciones o a un médico para recibir consejo sobre el tratamiento. Tenga el envase o la etiqueta del producto con usted cuando llame a un centro de control de intoxicaciones o médico o vaya a recibir tratamiento. Para obtener información sobre emergencias médicas o incidentes con pesticidas, llame al 1-888-740-8712.

PRECAUTIONARY STATEMENTS / PRECAUCIONES

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

ENVIRONMENTAL HAZARDS This pesticide is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not contaminate water when disposing of aerosol unit, wastewater or rinseate. See Directions for Use for additional precautions and requirement. Do not apply directly to water.

PHYSICAL OR CHEMICAL HAZARDS. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

RIESGOS PARA LAS PERSONAS Y ANIMALES DOMÉSTICOS

CUIDADO. Causa daños si se traga o se absorbe a través de la piel. Causa irritación moderada en los ojos. Evitar el contacto con la piel, los ojos o la ropa. Lavarse muy bien con agua y jabón después de manipular y antes de comer, beber, masticar goma de mascar o consumir tabaco. Quitar la ropa contaminada y lavarla antes de volver a usarla. El contacto con la piel prolongado o frecuente puede causar reacciones alérgicas en algunas personas.

RIESGOS AMBIENTALES Este pesticida es muy tóxico para los organismos acuáticos, incluyendo peces e invertebrados acuáticos. No contaminar el agua cuando se deseché el aerosol, lavar o enjuagar con agua. Ver Instrucciones de uso para conocer otras precauciones y requisitos. No aplicar directamente a agua.

RIESGOS FÍSICOS O QUÍMICOS. Contenido bajo presión. No usar ni guardar cerca de una fuente de calor o una llama. No perforar ni incinerar el envase. La exposición a temperaturas por encima de 130°F puede causar explosión.

For information, call the COMBAT® helpline at 1-800-426-6228.
