MYCODEX® PLUS ENVIRONMENTAL CONTROL™ AEROSOL HOUSEHOLD SPRAY

- Kills adult and pre-adult fleas utilizing an Insect Growth Regulator (IGR) in conjunction with other ingredients to kill adult fleas and prevent pre-adult fleas from developing into biting adults.
- Reaches the hiding places of the flea: rugs, carpets, drapes, pet bedding, upholstery and furniture.
- Protects the household from a buildup of fleas and reinfestation by providing 210-day residual activity from a single treatment.
- Also kills ticks, roaches, ants, lice, waterbugs, silverfish, crickets, spiders, centipedes and sowbugs.
- When applied in a normal sweeping motion, one aerosol can will cover 500 square feet.
- Home Protection

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
AND DOMESTIC ANIMALS
CAUTION**

May be harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling. Remove pets, birds and cover fish aquariums before spraying.

In the home, food processing surfaces should be covered before treatment or thoroughly washed before use. Do not apply while food processing, preparation or serving are underway.

FIRST AID

IF IN EYES:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
--------------------	---

IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
--------------------------------	---

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-888-241-9545 for emergency medical treatment information.

PHYSICAL AND CHEMICAL HAZARDS:

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. Provide adequate ventilation during use. Do not use in or around electrical equipment due to possibility of shock hazard. Protect from freezing.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not allow children or pets to contact treated surfaces until spray has dried.

INDOORS: Thoroughly vacuum all carpeting, upholstered furniture, drapes, along baseboards, under furniture and in closets. Seal vacuum bag and dispose of in outdoor trash. Spray MYCODEX® PLUS ENVIRONMENTAL CONTROL™ AEROSOL HOUSEHOLD SPRAY from a distance of two to three feet from surface being treated. Apply with a smooth back-and-forth motion to carpets, drapes, rugs, and upholstered furniture. Avoid wetting or saturating carpets or furniture. An evenly applied fine mist spray is sufficient. Do not spray wood furniture, floors or trim as water spotting may occur. Repeat treatment as necessary to eliminate fleas and ticks. Apply directly to exposed insects: roaches, ants, spiders, crickets, centipedes, waterbugs, silverfish and sowbugs.

PET BEDDING: Treat pet bedding and resting places. Apply a uniform spray to nearby cracks and crevices, along baseboards, window and door sills and localized areas where fleas, ticks or lice may be present, as these are primary hiding places for these pests. Removal and replacement of pet bedding after treatment is not necessary.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area out of the reach of children. Protect from freezing.

DISPOSAL: Do not puncture or incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

In case of emergency, or for questions or comments, call 1-888-241-9545.
