SPECIAL LOCAL NEED 24(C)LABELING

DUPONT™ ESCORT XP HERBICIDE
SPOT TREATMENT FOR CONTROL OF
WILD GINGER
IN THE STATE OF HAWAII

FOR DISTRIBUTION AND USE ONLY WITHIN THE STATE OF HAWAII

DUPONT™ ESCORT® XP HERBICIDE

EPA Reg. No 352-439

SPOT TREATMENT FOR THE CONTROL OF WILD GINGER

EPA SLN No. HI-060004

Active Ingredient: Metsulfuron methyl	
Methyl 2-[[[(4-methoxy-6-methyl-1,3,5-triazin-2-yl)amino]carbonyl]amino]sulfonyl]benzoate	60% (by weight)
Inert Ingredients	40% (by weight)
<hr/>	
TOTAL 100%	

GENERAL INFORMATION:

DuPont™ ESCORT® XP herbicide is a dispersible granule that is mixed in water and applied as a spray. The use of ESCORT® XP under this Special Local Need registration is specific to spot application(s) for control of wild ginger (*Hedygium sp.*) in forests (montane wet forest, mesic forest), forest margins, and other mid to high elevation wildland areas where this plant is invasive.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Target pest: Wild ginger (*Hedygium sp.*).

Application Sites: Forests, forest margins, and access roads and trails.

Application Rate: Apply 0.067 - 0.133 ounces (1.9 - 3.8 grams) of ESCORT® XP per gallon of water (1/2 - 1 gram ESCORT® XP per liter of water) for spot treatments, not to exceed 3 ounces (85 grams) per acre per year within the spot treatment area.

Methods of Application: Spot applications may be made using backpack sprayers, hand-held tanks, spray bottles, or lab squirt applicator bottles. Apply to the leaves, exposed rhizomes, and cut surface or stalks and rhizomes. Avoid run-off or overspray. Care should be taken to avoid overspray onto soil by directing spray at ginger surface rhizomes or foliage only.

ESCORT® XP may be combined with a non-ionic surfactant to improve foliar uptake.

The use of a dye is recommended to track sprayed solution.

Frequency of Applications: Spot applications to limit regrowth may be made on an as-needed basis.

PRECAUTIONS

Do not apply using high volume power sprayers.

Do not apply as a broadcast application.

Do not apply this product through any type of irrigation system.

Avoid spray drift near streams or irrigation ditches.

For product information, call 1-888-6-DUPONT. You may also contact 1-800-441-3637 for emergency medical treatment information.
