**DOH ALERTS CONSUMERS OF NESTLE USA PRODUCT RECALL OF
NESQUIK STRAWBERRY POWDER**

HONOLULU – The Hawai'i State Department of Health (DOH) is alerting consumers of a voluntary recall of Nestlé Nesquik Strawberry Powder (21.8 ounce) that may contain small fragments of aluminum. The product was distributed in Hawai'i and sold recently in local stores. The public is urged to check for the product in their homes, and return or discard it. Retail stores have been alerted and have removed any remaining product from their shelves.

Item	Case Code	Production Code	Consumer Code	Best Before date
Nesquik 21.8 ounce Strawberry Powder	28000-68220	822558801K 822558802K 822558803K 822658801K 822658803K	0 28000 68140 1	August 2010

The production code can be found on the bottom of the consumer unit:

Flavor: Strawberry
Size: 21.8 ounce

Look for
Production Codes
starting with
"8225" and "8226"
ONLY

The DOH has not received any reports of related illness associated with this product recall, and will be checking retail stores this week to ensure the product has been removed from sale.
