

# Hawaii Traveler Tips

# Aloha!

This guide serves to assist visiting travelers with disabilities and health conditions by providing information about the accessibility of Hawaii's airports and transportation systems. Also included is a list of medical supply companies and support services. Please make direct contact with any of the businesses or services in this guide to obtain additional information. This guide is also available on our web site at <http://hawaii.gov/health/dcab>. Information contained in this guide does not serve as an endorsement for these or other businesses or services, and is intended only as a resource.
