

Table of Contents by Annual Performance Report Indicator

Indicator Number	Indicator Title
1	Percent of infants and toddlers with IFSPs who receive the early intervention services on their IFSPs in a timely manner (<u>includes</u> Care Coordination as a service).
2	Percent of infants and toddlers with IFSPs who primarily receive early intervention services in the home or programs for typically developing children.
4a	Percent of families participating in Part C who report that early intervention services have helped the family know their rights.
4b	Percent of families participating in Part C who report that early intervention services have helped the family effectively communicate their children's needs.
4c	Percent of families participating in Part C who report that early intervention services have helped the family help their children develop and learn.
5	Percent of infants and toddlers age birth to 1 on 12/1/06 with IFSPs
6	Percent of infants and toddlers age birth to 3 on 12/1/06 with IFSPs
7	Percent of eligible infants and toddlers with IFSPs for whom an evaluation and assessment and an initial IFSP meeting were held within 45 days from referral.
8a	Percent of all children exiting Part C who received timely transition planning to support the child's transition to preschool and other appropriate community services by their third birthday including IFSPs with transition steps and services.
8b	Percent of all children exiting Part C who are potentially Part B eligible and had a timely transition notice to Part B Preschool special Education.
8c	Percent of all children exiting Part C who had a timely transition conference to Part B Preschool Special Education and other appropriate community services at least 90 days before age 3.

1. Percent of infants and toddlers with IFSPs who receive the early intervention services on their IFSPs in a timely manner.
