

Excellence in Safety Awards – Nominations Sought

The American Society of Safety Engineers (ASSE) – Hawai`i Chapter in partnership with the Hawai`i Occupational Safety and Health Division (HIOSH) is seeking nominations for the Governor’s Excellence in Safety Awards to be awarded at the Governor’s Biennial Pacific-Rim Safety and Health Conference, May 5-7, 2010 at the Hawai`i Convention Center.

If your company has an effective safety and health program and your workplace injury and illness rates are lower than others in your industry, why not get recognition for the hard work you and your employees have already put in. ASSE and HIOSH are looking for local companies that demonstrate the fact that safety pays. Businesses of all sizes and within all industries may apply by contacting:

Joaquin M. Diaz, CSP – Safety Awards Chair
