

## REGISTER FOR WORK: INSTRUCTIONS FOR POSTING AN ON-LINE RESUME IN HIRENET HAWAII

If you are filing for Unemployment Insurance (UI) benefits, you are required to register for work and post an on-line resume in HireNet Hawaii, an internet-based electronic job matching system that will increase your opportunities to get a job. The on-line resume will be viewed by employers and must be posted within 7 days of filing your UI claim.

To post your resume, use the internet, following steps listed below. Internet computers can be found at public libraries or One-Stop Centers. If you need help in posting your resume, call or visit a One-Stop Center, at addresses / phone numbers found on back of the UC-226 (Verification of Registration for Work) form. If you previously filed for UI in Hawaii or looked for work before at a One-Stop Center (State Employment Service or Workforce Development Office), you must first update your records. Call or visit a One-Stop Center to learn how.

**IMPORTANT: AFTER POSTING YOUR ON-LINE RESUME, YOU MUST CALL OR VISIT A ONE-STOP CENTER SO THAT STAFF CAN VERIFY YOUR RESUME AND YOUR UC-226 FORM CAN BE SENT TO THE UI OFFICE. OTHERWISE, UI BENEFITS MAY BE DENIED.**
