Title II, Part D - State Education Technology Grants

Award No.: S386A090011

Award Amount: \$3,209,375

Overview:

Formula grants were provided to states. The primary goal of the Education Technology grants program was to improve student academic achievement through the use of technology in schools. It was also designed to help ensure that every student is technologically literate by the end of the eighth grade, and to encourage the effective integration of technology with teacher training and curriculum development.

Use of Funds:

LEA Activities: \$3,048,906 was allocated to use technology to collect, manage, and analyze data to inform, enhance teaching, and for school improvement.

SEA activities: \$160,469 was allocated for technical assistance and training.

Of the total available, all but \$2.00 was liquidated by December 31, 2011.
