4. P.E. Reference No. 02-40-C

5. Description of goods, services, or construction:
Provide six (6) specially-trained handlers for six Federal/TSA explosives detection dogs at Honolulu International Airport.

The specialized services cannot be placed out for bidding as TSA classifies the program information as Security-Sensitive.

6. Scope of work for the contract is revised as follows:
Contract period extended for an additional year (3/16/06 through 3/15/07).

TSA reimburses the State up to $240,500 for program expenses each year.

Original Contract Price: $$440,000.00

Amended Contract Price: $440,000.00

7. Reason: This / These amendment(s) are necessary because:
TSA has informed the Airports Division that the federal government will not be assuming the management of the K9 Program because of budgetary constraints. The explosives detection teams provide an invaluable and a potentially lifesaving service at the airport.
