MERGER OF ADDITIONAL INCREMENTS: The Developer is in the process of subdividing the land on which the project is located. Phase I may be merged with up to four (4) additional increments (at any time up to but not later than December 1, 1989), by the addition of said Phase I to the proposed Phase II which will consist of twenty (20) apartments on approximately 1.343 acres of the subdivided land; the proposed Phase III which will consist of twenty-eight (28) apartments on approximately 2.431 acres of the subdivided land; the proposed Phase IV which will consist of twenty-eight (28) apartments on approximately 1.377 acres of the subdivided land; and the proposed Phase V which will consist of forty (40) apartments on approximately 1.582 acres of the subdivided land. The purpose of the merger provisions, as more fully set forth in Paragraph 18 of the proposed Declaration for Phase I, is to provide for a merger of all phases just as if the phases involved had been developed as one single project. A merger may occur with respect to Phase I with the second and any subsequent phase, or any one of them, at the same or different times and merger with respect to one of said phases shall not affect the right of the Lessor and Developer to merge another phase or phases at a later date subject to all of the provisions of the Declaration for Phase I.

(3) Prior written consent of the Secretary of the U. S. Department of Housing and Urban Development, so long as a contract of mortgage insurance continues in effect with respect to a unit or property located within the project, and during such further period of time as the Secretary of Housing and Urban Development shall be the owner of such unit or holder, or re-insurer of any such mortgage, or during any such time the Secretary is obligated to insure a mortgage on any such unit or property.

PURCHASE MONEY HANDLING. A copy of the Specimen Sales Contract and the executed Escrow Agreement dated June 29, 1984 have been submitted as part of the registration. The Escrow Agreement identifies Security Title Corporation as the Escrow. Upon examination, the Sales Contract and the executed Escrow Agreement are found to be in compliance with Chapter 514A, Hawaii Revised Statutes, as amended. It is incumbent upon the

purchaser and prospective purchaser that he reads with care the Sales Contract and the executed Escrow Agreement.

(d) If a Purchaser's funds were obtained after the issuance of a final public report and purchaser exercises his or her right to cancel prior to the earlier of (1) the conveyance of the apartment to Purchaser or (2) midnight of the thirtieth (30th) day following the date of delivery of the final public report, provided however, that the Purchaser has not previously waived his or her right to cancel; or

(e) Except for any addition, deletions, or modifications resulting from the merger or phasing of the Project as provided for in the Declaration and the Sales Contract, the Purchaser shall have the right to rescind the Sales Contract if there is a material change in the Project which directly, substantially and adversely affects the use or value of (1) such Purchaser's apartment or appurtenant limited common elements, or (2) those amenities of the Project available for such Purchaser's use, unless the Purchaser has waived his or her rights of rescission in writing; or

(f) If the final public report is not issued within one (1) year from the date of issuance of the preliminary public report.

MANAGEMENT AND OPERATIONS: Administration of the project shall be vested in the Association of Owners. Operation of the project shall be conducted for the Association by a responsible corporate Managing Agent who shall be appointed by the Association in accordance with the By-Laws except that the

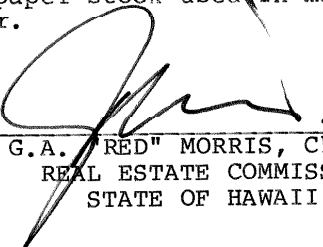

initial Managing Agent shall be appointed by the Developer. Hawaii Management Corporation, whose principal place of business and post office address is 1221 Kapiolani Boulevard, Suite 700, Honolulu, Hawaii 96813, has been named as the initial Managing Agent. Any officer of the Developer is designated as the agent to receive service of process until such time as the Board of Directors of the Association is elected.

STATUS OF PROJECT: Construction of the project commenced on June 26, 1984 and will be completed on or about December 31, 1985.
