Disclosure Abstract: Separate Disclosure Abstract on this condominium project:

Required Not Required - disclosures covered in this report.

NOTE: Golf course and commercial center developments may create conditions of nuisance or hazard to persons and/or property and a purchaser of a unit in the Project assumes all risks associated with being located in the proximity of such developments.

(2) The Condominium Declaration in Section 21 thereof now contains additional disclosures and immunity provisions regarding the proximity of the Project to agricultural operations and to areas used by the Navy to access its munitions storage facilities at Lualualei.

NOTE: Purchasers are buying with full knowledge of the existence of such operations and facilities and the conditions of nuisance and/or hazard which may result therefrom.

(3) The "apartment numbering" plan has been changed. Instead of using a number to identify the building in which an apartment is located, a letter is now used. For example, the apartment formerly identified as "2-105" is now identified as "A-105". What was Building "6" is now Building "E", and all twelve apartments in that apartment are now identified starting with the letter "E" instead of the number "6". This change in the method of apartment numbering is reflected in Exhibits "B" and "C" to this Report.

(4) Exhibit "B" to the Condominium Declaration has been changed to delete "drapes" as part of the original furnishings that will be provided with apartment units.

(5) A provision (paragraph 8.01) has been added to the Condominium Declaration prohibiting the enclosure of lanais.

(6) Technical changes have been made to the Condominium Declaration, the By-Laws and the Rules and Regulations to bring these documents into conformity with guidelines set by the Department of Housing and Urban Development (HUD) for condominium projects eligible for FHA and VA financing.

(7) Part II of the Rules and Regulations has been changed to add a provision (Paragraph 9) prohibiting the use of outside clotheslines which are visible to neighbors or from the street, and by modifying subparagraph 10b. to prevent the placing of recreational equipment on or about parking stalls.

As previously indicated, the Ho'omaka Village Project is a private development but is being developed and marketed in cooperation with the City and County of Honolulu Department of Housing and Community Development. The project is intended to provide affordable housing to certain "owner-occupant" and "gap-group" would-be purchasers. As such, the units are available only to qualified persons.

For additional information and details, see pages 18 and 18a.

Summary of Changes from Earle ollic Reports:

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

No prior reports have been issued by the Commission.

Changes made are as follows:

Since the issuance of the Preliminary Public Report, the site of the Ho'omaka Village Project has been made subject to the provisions of certain documents which may affect the rights of prospective purchasers of units in the Project and will affect the rights of eventual owners of units. These documents are as follows:

(1) Master Declaration of Covenants, Conditions and Restrictions for the Waikele Community, dated December 8, 1990 and recorded as Document No. 1791991. This document contains extensive private conditions and restrictions intended to regulate the development and ongoing maintenance of an overall community known as the "Waikele Community", which includes individual projects such as Ho'omaka Village. All apartment units in Ho'omaka Village are subject to the provisions of this Master Declaration, including provisions requiring homeowners to pay community association assessment fees. Some of the more pertinent provisions of the Master Declaration are specifically mentioned in Section 20 of the Declaration of Condominium Property Regime for Ho'omaka Village, but prospective purchasers are urged to read in full the Master Declaration and the Articles of Incorporation and By-Laws of the Waikele Community Association which are attached.

(2) Declaration of Development Covenants, Conditions and Restrictions executed on December 28, 1990, a Memorandum of which also executed on December 28, 1990 is recorded as Document No. 1791992. This document consists primarily of special requirements governing the development and construction of Ho'omaka Village by the Developer. As the project is completed and apartments are conveyed to individual owners, the apartments will be "released" from the affect of this document. Hence, it is not anticipated that the provisions of this document and the Option Agreement described in (3) below will have any affect on the rights of apartment owners in Ho'omaka Village. It should be noted, however, that a default by the Developer under the terms of this document and the Option Agreement described in (3) below could cause the contract rights of prospective purchasers of units to be defeated and prevent the conveyance of units to them.

(3) Option Agreement and Escrow Instructions dated December 28, 1990, a Memorandum of which also executed on December 28, 1990 is recorded as Document No. 1791995. The terms of this document are primarily directed at the Developer and will be released as the Project is completed and individual apartments are conveyed.

Since the issuance of the Preliminary Public Report certain changes have been to the project documents for Ho'omaka Village as originally proposed. Most of these changes are technical or remedial in nature and are of little or no significance to prospective purchasers. Among those which prospective purchasers should note, however, are the following:

(1) The Condominium Declaration now contains certain provisions regarding a proposed golf course and a proposed commercial center to be developed in the Waikele Community and certain immunity provisions to protect the developers, owners and users of the golf course and commercial center.

GENERAL INFORMATION ON CONDOMINIUMS

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of Hawaii's "Condominium Property Act" (Chapter 514A, Hawaii Revised Statutes) must be followed.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenant) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements. The leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

Common elements are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called limited common elements and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. Some of these actions may significantly impact the quality of life for all apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is vitally important to all apartment owners that the transition from developer to owner control be accomplished in an orderly manner and in a spirit of cooperation.

IV. ADDITIONAL INFORMATION NOT COVERED ABOVE

The Ho'omaka Village Project is being developed and marketed in cooperation with the Department of Housing and Community Development (DHCD) of the City and County of Honolulu (the "City") and is intended to make available affordable housing to would-be purchasers whose incomes do not exceed 140% of the median income (adjusted for family size) for the Honolulu Metropolitan Statistical Area ("Gap Group Income Purchasers"). As a result, apartment units in the Project will be sold at prices below the market value of comparable housing units as determined by DHCD and the Developer, and the units will be made available only to persons who qualify as Gap Group Income Purchasers. In addition, to be eligible to purchase a unit, an applicant for purchase must:

1. Be a U. S. citizen or permanent resident alien;
2. Be a bona fide resident of the State of Hawaii;
3. Be at least 18 years of age;
4. Represent that the applicant intends to become an owner-occupant and agree that the unit will be occupied by the applicant and will not be rented;
5. Represent that the applicant does not own property anywhere which is suitable for dwelling purposes; and
6. Submit personal information, including income tax returns, by which DHCD will evaluate the applicants eligibility to purchase.

A description of the eligibility requirements and the required personal information, representations and agreements are specifically contained in an "Owner-Occupant Affidavit" form and a "Housing Application" form, both of which must be filled-in and executed by all prospective purchasers. These forms, together with an instruction sheet, are attached to this Report as Exhibit "I". PROSPECTIVE PURCHASERS ARE URGED TO REVIEW THESE FORMS BEFORE APPLYING TO PURCHASE A UNIT IN THE PROJECT.

Prospective purchasers should also be aware that because of the advantageous pricing of units and in order to enforce the owner-occupant agreement of the purchaser, each deed to an apartment unit will contain restrictions on the use, occupancy and transfer of the unit and a "buy-back" option in favor of the City which will remain in force for a certain period of time ranging from 2 to 10 years. In essence, the deed restrictions and option provide that during the period of time prescribed in the deed, if the purchaser wishes to resell the unit, or if the purchaser leases or rents the unit, or if the purchaser ceases to use the unit as the purchaser's principal residence, the City will have the option to "buy-back" the unit at a limited price equal to: (i) the original purchase price of the unit, plus (ii) the original cost of improvements to the unit made by the purchaser, plus (iii) interest on the purchaser's original equity in the unit at the rate of seven percent (7%) per annum. The full text of the restrictions and option in favor of the City is attached to this Report as Exhibit "J" and is also contained in the "Specimen Deed" submitted with this Condominium Registration. PROSPECTIVE PURCHASERS ARE URGED TO REVIEW AND CONSIDER WITH CARE THE FULL TEXT OF THE RESTRICTION AND OPTION PROVISIONS SET FORTH IN EXHIBIT "J" AND THE SPECIMEN DEED.

To implement the marketing program, eligible applicants for purchase will be divided into 3 categories, or groups, based on their level of income and family size. Similarly, the apartment units available for purchase will be divided into 3 price range

groups, with price variations for apartments within each group being based on the unit type and location within the Project. In addition, the prescribed period of time during which the above-described deed restrictions on use, occupancy and transfer and the buy-back option in favor of the City will remain in effect will differ for each apartment price range group. The purchaser income level groups and corresponding apartment price range groups and prescribed restriction and buy-back option periods are as follows:

Purchaser:	Group "A"	Group "B"	Group "C"
<u>Family Size</u>	<u>80% of median income and below</u>	<u>120% of median income and below</u>	<u>140% of median income and below</u>
1	\$23,050	\$34,560	\$40,320
2	\$26,350	\$39,600	\$46,200
3	\$29,650	\$44,400	\$51,940
4	\$32,950	\$49,440	\$57,680
5	\$35,000	\$53,400	\$62,300
Apartment Price Range:	\$79-99,000	\$122-148,000	\$154-174,000
Restriction and Buy-Back Option Period:	10 years	5 years	2 years

Subject to availability, an eligible prospective purchaser will be allowed to select and purchase an apartment unit in the price range group which corresponds to the purchaser's income level group or a unit in a higher price range group. However, the prospective purchaser will not be allowed to purchase an apartment in a price range group lower than the purchaser's corresponding income level group. For instance, an eligible purchaser in Group "B" will be allowed to purchase an apartment unit in Group "B" or Group "C" but not a unit in Group "A". PROSPECTIVE PURCHASERS SHOULD UNDERSTAND THAT THERE ARE A CERTAIN NUMBER OF APARTMENT UNITS IN EACH PRICE RANGE GROUP. WHEN ALL UNITS IN A CERTAIN PRICE RANGE GROUP HAVE BEEN SOLD, NO FURTHER UNITS WILL BE AVAILABLE IN THAT PRICE RANGE. A list of the apartment units in the Project indicating unit Type and price range category is attached to this Report as Exhibit "K".

Additionally, the land under development has certain reservations and exceptions, more particularly described in deed dated December 21, 1983, filed as Document No. 1209274, recorded in Liber 17537 at Page 36.

Among other things, the reservations include: "the perpetual right and easement over and upon the premise to discharge, emit or transmit surface water run off, noise, smoke, soot, dust, lights, vapors, odors and other substances and phenomena of every description created by and resulting from the burning of sugar canes and bagasse, milling, generating power, trucking, hauling and other activities incidental to the operation of a sugar cane plantation or alternative energy projects, and the grantees, successor and assigns does hereby waive any and all claims under any law whatsoever against the Grantor."

Purchasers and prospective purchasers should be cognizant of the above mentioned reservations and exceptions, and purchases of units in the project will be made with the existence of these reservations and exceptions.

(NOTE: Those stalls listed as "Visitor" stalls will remain common elements. The other stalls may be transferred between apartments in the manner provided for in the proposed Condominium Declaration, as long as at least one stall is appurtenant to each apartment. The Developer may sell to various purchasers one or more of the additional 25 parking stalls listed as appurtenant to Apartment Z-101 and may also change parking stall assignments as long as at least one parking stall is assigned as a limited common element to each apartment. The parking stall or stalls assigned to an apartment shall be listed in the Apartment Deed from the Developer.)

(b) Each fenced-in yard area is a limited common element appurtenant to the first floor apartment which such yard area adjoins. The outer limit of each such yard area is deemed to be the interior surface of the fence (i.e., the surface facing the apartment) enclosing the area.

(c) Each compartment containing hot waterheaters and located on the exterior of the buildings adjacent to apartments are limited common elements to such ground level apartments and to the second story apartments above them which are served by the waterheaters contained therein.

(d) The concrete pad outside the door of each ground level apartment is a limited common element appurtenant to that apartment. Each stairway and second story landing providing access to a second story apartment is a limited common element appurtenant to that apartment. Those stairways and landings or lanais which serve two second story apartments shall be limited common elements appurtenant to both of the apartments so served, provided that the portion of such second story landing or lanai directly adjacent to the entrance of a second story apartment is a limited common element appurtenant to that apartment only.

(e) Each mailbox bearing the same designation as an apartment is a limited common element to that apartment.

All costs and expenses pertaining to limited common elements are to be charged to the apartment or apartments to which the limited common element appertains pursuant to the proposed Condominium Declaration and Section 514A-15(a) of the Horizontal Property Act. If a limited common element is appurtenant to two or more apartments, such costs and expenses shall be charged to both. Thus, if a limited common element is appurtenant to two apartments, one-half of such costs and expenses will be charged to each apartment; provided, however, that as permitted in the proposed Condominium Declaration, the Board of Directors of the Association may assess certain of such costs and expenses in proportion to the common interest appurtenant to each of the apartments involved. Apartment owners shall be responsible for the maintenance and repair of their limited common elements.

SUMMARY OF PERTINENT PROVISIONS OF THE SALES CONTRACT

The Sales Contract sets forth the time for and the amount of all payments toward the purchase price and all costs which are the purchaser's obligation. Prior to the issuance of a Final Report, the sales contract operates as a reservation only and may be cancelled by either Developer or Purchaser. A separate written affirmation of the sales contract must be signed by both parties after the final report is issued to convert the reservation into a binding contract. The documents also provide, in effect, that a Purchaser shall be entitled to a refund of his or her funds, and escrow shall make such refund if:

(a) Escrow receives a written request from Developer to return to purchaser the funds of such purchaser then held by Escrow; or

(b) If a purchaser's funds were obtained prior to the issuance of a Final Public Report and a request for refund is made prior to the issuance of the Final Public Report or prior to the time the parties sign a separate written affirmation of the Sales Contract; or

(c) If a purchaser's funds were obtained prior to the issuance of a Final Public Report, and, the purchaser notwithstanding the execution by the parties of a written affirmation of the Sales Contract, exercises his or her right to cancel the Sales Contract at a time prior to the earlier of (1) the conveyance of the apartment to the purchaser, or (2) midnight of the thirtieth (30th) day following the date of delivery of the Final Public Report, provided that the purchaser has not previously waived his or her right to cancel; or

(d) If a purchaser's funds were obtained after the issuance of a Final Public Report and the purchaser exercises his or her right to cancel the Sales Contract at a time prior to the earlier of (1) the conveyance of the apartment to purchaser or (2) midnight of the thirtieth (30th) day following the date of delivery of the Final Public Report, provided, however, that the purchaser has not previously waived his or her right to cancel; or

(e) A purchaser cancels the Sales Contract because there is a material change in the Project which directly, substantially and adversely affects the use or value of (1) such purchaser's apartment or appurtenant limited common elements, or (2) those amenities of the Project available for such purchaser's use, unless the purchaser has waived his or her right of cancellation or deemed to have waived such right.

The Sales Contract contains the Developer's promise to complete the Project no later than two years from the date that a Final Public Report is issued. The 2-year period is subject to extensions of time for the occurrence of events outside of the Developer's control which make performance by the Developer within this period impossible as a matter of Hawaii law.

The Sales Contract also provides that by executing a Sales Contract, the purchaser thereby: (1) warrants that he or she has the ability to pay the purchase price for the apartment either from his or her own funds and/or the proceeds of a loan that the purchaser promises he or she can obtain; (2) acknowledges and agrees that obtaining such

a loan is the purchaser's sole responsibility, even if the Developer has made arrangements with a lender generally to provide financing; and (3) acknowledges and agrees that all mortgage liens and other security interests obtained by the construction lender in connection with a construction loan (as well as any extensions, renewals and modifications of that loan) will be and remain at all times a lien or charge on the Project prior and superior to any and all liens or charges arising from the Sales Contract or any other sale and/or reservation agreement with the purchaser. In addition, the specimen Sales Contract contains provisions which: (1) permit the Developer to keep the purchaser's payment deposits under certain circumstances if the Developer cancels a contract due to purchaser's default; (2) provide for "preclosing" of the Sales Contract; (3) provide the Developer with certain rights to modify the Condominium Documents; (4) provide that all interest earned on purchaser's funds will belong to the Developer; (5) limit warranties the purchaser will receive; (6) limit assignment of the Sales Contract; and (7) cover many other important matters that are not described in this Report.

By executing a Sales Contract, each prospective purchaser will consent and agree to the incremental development of this overall Project and the merger of this Project with other increments and will consent and agree to execute such additional documents and to do such other things necessary therefor. Purchaser's execution of a Sales Contract shall operate as an appointment of the Developer as a purchaser's attorney-in-fact to execute such documents and do such other things as are necessary or convenient for the incremental development of the overall project.

ESCROW AGREEMENT SUMMARY

The Escrow Agent sets forth that the Escrow Agent for the Ho'omaka Village condominium project is Security Title Corporation, as such Security Title Corporation will be responsible for the handling of purchase money for the apartment sales. The Escrow Agreement establishes how the proceeds from the sale of the apartments are placed in trust, as well as the retention and disbursement of this trust fund. According to the Agreement, down payment funds may not be released from escrow for the payment of development and construction costs, even though such use is permitted under Horizontal Property Act.

The Escrow Agreement also sets forth the duties and responsibilities of the Escrow Agent with respect to closing apartment sale transactions. Among other things the Escrow Agent shall be responsible for:

- (a) coordinating with the mortgage lenders of various purchasers, especially those primary institution(s) which have issued commitments to make apartment purchase money loans;
- (b) coordinating with title search and title insurance companies to see that the requisite title searches and title insurance documents are obtained to effect closings;
- (c) coordinating the signing of documents in connection with "pre-closing" and actual "closing";

- (e) handling the disbursement of funds in connection with the closing of apartment sales.

Full Text of Deed Restrictions on Use, Occupancy and
Transfer and "Buy-Back" Option

PROVIDED, HOWEVER, THAT the use, occupancy and transfer of the premises described in Items FIRST and SECOND above (the "Apartment") shall be subject to the following restrictions and reservation of right, to wit:

For a period of _____ (_____) years following the date of this Apartment Deed, if the Grantee wishes to transfer title to the Apartment, or if the Grantee leases or rents the Apartment or a portion thereof, or if the Grantee ceases to use and occupy the Apartment as Grantee's principal residence, the City and County of Honolulu (the "City") by and through its Department of Housing and Community Development ("DHCD") or any department of the City which succeeds to the functions of or replaces DHCD, shall have the right, in the nature of an option, to purchase and acquire the Apartment at a price (the "Option Purchase Price") which shall not exceed the sum of:

(A) The original purchase price of the Apartment paid by the Grantee;

(B) The original cost of any improvements added to the Apartment by the Grantee; and

(C) Simple interest on the Grantee's original equity in the Apartment calculated at the rate of seven percent (7%) per annum from the date the Grantee acquires title to the Apartment to the date of acquisition by the City.

The City may exercise its option and purchase the Apartment either outright, free and clear of any and all mortgage liens on the Apartment, or by transfer subject to any existing mortgage lien(s).

If the City elects to make an outright purchase of the Apartment, the City shall insure that all existing mortgage liens and the indebtedness secured thereby are properly discharged. If the City elects to acquire the Apartment subject to existing liens, the City shall agree to assume and pay the balance of indebtedness secured by any purchase money first mortgage and any other recorded creditor's liens on the Apartment. The amount to be paid to the Grantee in such case shall be the difference between the Option Purchase Price described above and the sum of all indebtedness outstanding and assumed by the City at the time title to the Apartment is acquired.

The foregoing restrictions and the option in favor of the City shall not apply in the case of a partial transfer of title to the Apartment to a surviving Grantee by operation law upon the death of a Grantee who held title to the Apartment in joint tenancy with the surviving Grantee, provided that

the restriction and option shall remain in full force and effect with regard to any subsequent transfer by the surviving Grantee. Similarly, the foregoing restriction and option shall not apply in the case of a transfer of title upon the death of the Grantee by devise or the laws of descent, provided that the restrictions and option shall remain in full force and effect with regard to any subsequent transfer or rental of the Apartment by the devisee(s) or heir(s) at law of the Grantee, unless specifically waived in writing by the City.

The foregoing restrictions and the option in favor of the City shall not apply in the case of a transfer of title to the Apartment by or as a result of a mortgage foreclosure, exercise of a power of sale under a mortgage or a conveyance in lieu of foreclosure after a mortgage foreclosure action has been commenced, and said restriction and option may be forever extinguished by such foreclosure actions provided that the holder of the mortgage, prior to initiating foreclosure or exercising a power of sale under its mortgage, gives DHCD (or its successor or replacement department) ninety (90) days prior written notice of the mortgagor's default and its intention to foreclose or exercise power of sale and names the City as a party defendant in any mortgage foreclosure proceedings.

Any law to the contrary notwithstanding, as long as the foregoing restrictions and the option in favor of the City is in effect at the time foreclosure on the Apartment is initiated or a power of sale is exercised, the City shall be entitled to any and all proceeds of sale remaining after payment of the following: (i) all actual costs and expenses of foreclosure and sale, including sums necessary to discharge recorded creditors' liens and encumbrances; and (ii) the difference, if any, between the Option Purchase Price calculated as of the date that such foreclosure action is initiated or power of sale is exercised and the costs and expenses described in (i), which difference, if any, shall be payable to the Grantee.

Exercise of the foregoing option in favor of the City shall be in the sole and absolute discretion of the City, and nothing herein shall be deemed to require the City to exercise its option or to create the right in any third party to require the City to exercise its option. The prior or simultaneous exercise of an option by the City in the case of a proposed transfer or the unauthorized rental of another apartment in the same Condominium under similar circumstances as a proposed transfer or unauthorized rental of the Apartment conveyed by this Apartment Deed shall not in any way obligate the City to exercise its option to purchase in this case. Moreover, a specific waiver of its option or mere failure by the City to exercise its option in the case of a proposed transfer or the rental of the Apartment shall not extinguish the restrictions and option with regard to a subsequent proposed transfer or the rental of the Apartment, and the restrictions and option will remain in full force and effect with respect to same and shall bind the new owner of the Apartment, unless specifically waived in writing by the City.

In enforcing the foregoing restrictions and option, DHCD (or its successor or replacement department) may adopt and employ such reasonable means and procedures as are necessary to verify that the Apartment is being used and occupied by the Grantee or successor to the Grantee as the principal

residence and that the Apartment or a part thereof is not being leased or rented.

In any event, the foregoing restrictions on the use, occupancy and transfer of the Apartment and the reserved right in favor of the City shall expire of their own accord and be null, void and of no further force and effect, without need of any act or writing by the City, at 12:00 midnight on _____.
