#### **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

#### **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

#### II. CREATION OF THE CONDOMINIUM: **CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

#### 2. <u>Developer:</u>

- [ ] No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.
- [ X ] Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:
- A. Upon completion of the Project, the Developer may amend the Declaration and the Condominium Map (if necessary) to file the "as built" verified statement required by Section 514A-12 of the Condominium Property Act.
- B. Until all of the apartments have been sold, the Developer may amend the Declaration, the Bylaws and/or the Condominium Map to make such amendments as may be required by law, by the Real Estate Commission, by the title insurance company, by a mortgage lender, or by any governmental agency (including the VA, HUD, FNMA and/or FHLMC), provided that no such amendments change the common interest appurtenant to an apartment or substantially change the design, location or size of an apartment.
- C. Until all of the apartments have been sold and the "as built" verified statement is filed, the Developer may amend the Declaration and the Condominium Map to (i) reflect alterations in any apartment which has not been sold; and (ii) reflect minor changes in any apartment or in the common elements which do not affect the physical location, design or size of any apartment which has been sold.
- D. The Developer may, unilaterally or jointly with the owner of an adjoining parcel of land, effect a consolidation and resubdivision of land ("Resubdivision") that will result in a boundary adjustment and reduction in area of the Project land, provided that (i) the Resubdivision does not affect the layout, location and structure of any apartments or other improvements of the Project, (ii) the Resubdivision does not change the common interest appurtenant to any apartment, (iii) the area of the Project land is reduced to approximately 424,036 square feet or 9.7345 acres, and (iv) the Resubdivision is completed before December 1, 1995. When the Resubdivision is completed, the Developer may amend the Declaration and Condominium Map to substitute a new description of the Project land (Exhibit "A") to the Declaration and, if deemed necessary or advisable, to substitute a new site plan as part of the Condominium Map.

|       | If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.   |   |                                    |  |  |  |  |  |  |
|       | Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed. |   |                                    |  |  |  |  |  |  |

|    |          | [ ] There are no limited common elements in this project.   |
|    |          | [X] The limited common elements and the apartments which may use them, as described in the Declaration are:   |
|    |          | [X] described in Exhibit  |

|    |          |   |
|    | 3.       | <u>Common Interest:</u> Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are: |
|    |          | [X] described in ExhibitE   |

|    |          |   |

#### Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

- [ ] There are <u>no blanket liens</u> affecting title to the individual apartments. [See below]
- [X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. Buyer's interest will be affected only if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

#### Type of Lien

The Developer has obtained a construction loan secured by a blanket mortgage lien to which all contracts for the purchase of apartments will be subject and subordinate. The construction mortgage contains provisions for the release of individual apartments upon conveyance. The mortgage is in favor of First Hawaiian Bank securing a total debt of \$20,000,000.00.

Effect on Buyer's Interest and Deposit If Developer Defaults or Lien is Foreclosed Prior to Conveyance

The Buyer's contract will be subject to cancellation and the Buyer may not be able to purchase the apartment, but all deposits made by the Buyer will be refunded.

#### F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Developer's sole warranty will be provided in the form attached to this Public Report as Exhibit G.

#### 2. Appliances:

The Developer makes no warranty as to appliances or other consumer products installed in any apartment or in the common elements. If there are any applicable manufacturer's or dealer's warranties relating to such appliances or other consumer products, the Developer will endeavor to assign and pass on to each apartment owner the benefit of such warranties.

# AFFIDAVIT OF INTENT TO PURCHASE AND RESIDE IN AN OWNER-OCCUPANT DESIGNATED CONDOMINIUM RESIDENTIAL UNIT

| We, the undersigned "owner-occupants," on this day of   | , 19,     | do hereby   |
|---|-----------|-------------|
| declare that it is our intention to purchase and reside in a condominium residential unit des |           |             |
| occupant" in the Highlands at Waikele condominium project ("Project") proposed by             | Schuler H | lomes, Inc. |
| ("Developer").  |           |             |

We understand, affirm, represent and agree by signing this Affidavit that:

- 1. It is our intent to reserve and purchase an owner-occupant designated residential unit ("designated unit") pursuant to section 514A-103 of the Owner-Occupant Law, and upon closing escrow, to reside in the designated unit as our principal residence for 365 consecutive days.
- 2. The term "owner-occupant" as used herein is defined in section 514A-101 of the Owner-Occupant Law as:
  - "...any individual in whose name <u>sole or joint legal title</u> is held in a residential unit which, simultaneous to such ownership, serves as the individual's <u>principal residence</u>, as defined by the state department of taxation, for a period of <u>not less than three hundred and sixty-five consecutive days</u>, provided that the individual retains complete possessory control of the premises of the residential unit during this period. An individual shall <u>not</u> be deemed to have complete possessory control of the premises if the individual <u>rents</u>, leases or assigns the premises for <u>any period of time</u> to any other person in whose name legal title is not held." (Emphasis added).
- 3. We understand that if two or more prospective owner-occupants intend to reside jointly in the same designated unit, only one owner-occupant's name shall be placed on the reservation list for either the chronological system or the lottery system.
- 4. Should we require financing from a financial institution to purchase the designated unit, the financing shall be an owner-occupant mortgage loan. The financial institution is required to take all reasonable steps necessary to determine whether the borrower intends to become an owner-occupant.
- 5. At any time after obtaining adequate financing or a commitment for adequate financing up until the expiration of this Affidavit (365 days after recordation of the instrument conveying the designated unit to us), we shall notify the Real Estate Commission immediately upon any decision to cease being an owner-occupant of the designated unit.
- 6. At closing of escrow, we shall file a claim for and secure an owner-occupant property tax exemption with the appropriate county office for the designated unit.
- 7. We have personally executed this Affidavit and we are all of the prospective owner-occupants for the designated unit. This Affidavit shall not be executed by an attorney-in-fact.
- 8. This Affidavit shall be reaffirmed by us no earlier than our receipt for the Project's Final Public Report and no later than the closing of escrow for the unit. The developer shall cancel our sales contract or reservation if we fail to make the reaffirmation. If the sales contract has become binding pursuant to section 514A-62 of the Condominium Property Act, we may be considered to be in default under our sales contract, and the Developer may exercise the default or other remedies provided for in the sales contract and any other remedies provided by law.

- 9. We shall not sell or offer to sell, lease or offer to lease, rent or offer to rent, assign or offer to assign, convey or otherwise transfer any interest in the designated unit until at least 365 consecutive days have elapsed since the recordation of the instrument conveying title to the designated unit to us. Furthermore, we understand that we have the burden of proving our compliance with the law.
- 10. We understand that it is the affirmative duty of any developer, employee or agent of a developer, and real estate licensee, to report immediately to the Real Estate Commission any person who violates or attempts to violate the Owner-Occupant Law. No developer, employee or agent of a developer, or real estate licensee shall violate or aid any person in violating the Owner-Occupant Law.
- 11. The Real Estate Commission may require verification of our owner-occupant status and if we fail to submit such verification, we may be subject to a fine in an amount equal to the profit made from the sale, assignment or transfer of the designated unit.
- 12. Any false statement in this Affidavit or violation of the Owner-Occupant Law shall subject us to a misdemeanor charge with a fine not to exceed \$2,000, or by imprisonment of up to a year or both. We further understand that if we violate or fail to comply with the Owner-Occupant Law, we shall be subject to a civil penalty of up to \$10,000, or fifty per cent of the net proceeds received or to be received from the sale, lease, rental, assignment or other transfer of the designated unit, whichever is greater.
- 13. When required by context, each pronoun reference shall include all numbers (singular or plural) and each gender shall include all genders.
