## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;**

**CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

- Proposed  
 Recorded - Bureau of Conveyances: Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. \_\_\_\_\_

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]: N/A

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

- Proposed  
 Recorded - Bureau of Conveyances Condo Map No. \_\_\_\_\_  
 Filed - Land Court Condo Map No. \_\_\_\_\_

The Condominium Map has been amended by the following instruments [state name of documents, date and recording/filing information]: N/A

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

- Proposed  
 Recorded - Bureau of Conveyances: Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. \_\_\_\_\_

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]: N/A

- D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:\*

Proposed                       Adopted                       Developer does not plan to adopt House Rules

\* This condominium will be subject to two sets of house rules: (1) the Ke 'Āina Kai Townhomes, Increment 4 House Rules, and (2) the Ke 'Āina Kai House Rules. Both of these house rules are described in Exhibit "A".

E. **Changes to Condominium Documents**

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

a.  No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

Other: Optional Development Permit(s) granted under the Zoning Code as follows: City and County Department of Planning and Permitting (formerly the Department of Land Utilization) Cluster Housing Permit No. 96/CL-1. Certain restrictions imposed under said permit are set forth in a Declaration of Restrictive Covenants (DPP Permit No. 96/CL-1) (see Exhibit "P" for a description of the above document).

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>Yes</u>	_____	_____
Structures	<u>Yes</u>	_____	_____
Lot	<u>Yes</u>	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

**D. Common Elements, Limited Common Elements, Common Interest:**

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "G".

as follows:

2. Limited Common Elements: Limited common elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "H".

as follows:

\*NOTE: Land areas referenced herein are not legally subdivided lots.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "I".

as follows:

E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "J" describes the encumbrances against the title contained in the title report dated as of February 17, 1999 (revised March 3, 1999) and issued by Title Guaranty of Hawaii Incorporated. The land underlying this condominium project (which is described in Section III.B of this public report) is only a portion of the land covered by the above title report, which the Developer is currently subdividing into several smaller lots. Therefore, the encumbrances listed on Exhibit "J" include certain encumbrances that will not affect the apartments in this condominium project once the land is subdivided. The specific encumbrances against title to the land underlying this condominium project will be clarified and disclosed once the underlying land is subdivided.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[ x ] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Type of Lien

Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance

First Mortgage, Security Agreement and Financing Statement recorded as Land Court Document No. 2412968.

Lienholder has option to terminate or uphold sales contract. If sales contract is terminated, All moneys held in escrow will be returned to Buyer pursuant to the Reservation Agreement and Sales Contract.

UCC 1 - Financing Statement recorded as Regular System Document No. 97-150505.

Absolute Assignment of Sales Contracts, Escrow Deposits, Escrow Payments, and Net Sales Proceeds recorded as Regular System Document No. 97-150506.

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

See Exhibit "K"

2. Appliances:

See Exhibit "K"

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

The Developer anticipates construction to start in the beginning of May, 1999 and be completed by the end of September, 1999.

H. **Project Phases:**

The developer [ x ] has [ ] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

1. As stated in Section V.C.1 of this public report, this condominium project is located within the residential project known as Ke 'Āina Kai. Ke 'Āina Kai will consist of several phases, containing both single family homes and townhomes, with each phase to be constructed incrementally.

This condominium project is the fourth increment of townhomes to be developed in Ke 'Āina Kai. The Developer may, but is not required to, merge this increment with other increments of townhomes which have or may in the future be developed in Ke 'Āina Kai.

Buyer should carefully read Section S of the Declaration regarding the Developer's rights to merge this project with other condominium projects.

2. The Developer intends to develop this condominium project on land consisting of approximately 1.051 acres as described in Section III.B of this public report. However, in the event this condominium project is not legally subdivided at the time the Developer records the Declaration in the Land Court, the Developer may submit a larger parcel of land to this condominium project and subsequently withdraw certain portions of said parcel from this condominium project upon subdivision so that this condominium project will consist of only the 1.051 acres as described above.

Buyer should carefully read Section U of the Declaration regarding the Developer's rights to withdraw lands from this project.

**C. Additional Information Not Covered Above**

**1. Ke 'Āina Kai and Ocean Pointe.<sup>1</sup>**

Ke 'Āina Kai. This condominium project is located within the residential project known as Ke 'Āina Kai. Ke 'Āina Kai will consist of several phases, with each phase to be constructed incrementally. The first phase of Ke 'Āina Kai, which is referred to at times as Area IA, will consist of approximately 132 single family homes, 95 townhomes and two private mini-parks. The second phase of Ke 'Āina Kai, which is referred to at times as Area IB, will consist of approximately 160 single family homes, 107 townhomes and one private mini-park. This condominium project is the fourth increment of townhomes to be developed in Ke 'Āina Kai, and the first to be developed in the second phase of Ke 'Āina Kai. Ke 'Āina Kai will incorporate several features of traditional neighborhoods, including a pedestrian friendly network of roadways, service lanes and alleyways, and pedestrian pathways. The garages will be located at the rear of the dwelling units and will be accessible through the private service lanes and alleyways. These lanes and alleyways will also be used for refuse collection, mail delivery and certain utilities.

Ocean Pointe. This condominium project is also a part of the approximately 1,100 acre master-planned community known as Ocean Pointe (formerly known as Ewa Marina). Ocean Pointe is a long range project with development expected to take place over a period of twenty years. The developer of Ocean Pointe is HASEKO (Ewa), Inc., which is an affiliated company of the Developer of this condominium project. Approximately 4,850 residential units (some of which will be considered "affordable" under county standards) are envisioned at Ocean Pointe. These residences will be separated into various distinct, yet integrated neighborhood communities, with tree-lined streets, landscaping, and parks for use by the residents at Ocean Pointe. At the present time, the developer of Ocean Pointe does not plan to mix market-priced homes with "affordable" units, and intends to initially develop apartment units adjacent to Ke 'Āina Kai (near the existing Ewa Beach Shopping Center and elementary school) which will target first-time or entry-level homebuyers and will be sold at prices considered "affordable" under county standards.

The master plan for Ocean Pointe calls for a golf course along the northern boundary of the Ocean Pointe project and a full-service man-made marina surrounded by several retail, commercial and recreational facilities. This marina, if constructed, will serve as a basin in a private storm water drainage system, servicing all of the residences in Ocean Pointe. The master plan, however, is still in the planning stages and is subject to change depending on a variety of factors, including market forces, the economy, and land use permitting requirements. Ownership of an apartment in this condominium project will not constitute an ownership in, or grant the right to use, any privately owned recreational facility within Ocean Pointe, including but not limited to the marina and golf course, if constructed.

All owners of an apartment in this condominium project will be subject to the provisions of the Declaration of Covenants, Conditions, and Restrictions for Ke 'Āina Kai (the "Ke 'Āina Kai Declaration") and the Declaration of Covenants, Conditions, and Restrictions for Ocean Pointe (Residential) (the "Master Declaration") (see Exhibits "Q" and "R" for a description of each document, respectively).<sup>2</sup> All owners will also automatically become members of the Ke 'Āina Kai

---

<sup>1</sup> Nothing stated in this public report shall be construed as a representation or warranty by Developer that any of the above, with the exception of the condominium apartments that are part of this public report, will be developed, or to require the Developer to develop the remainder of Ke 'Āina Kai or Ocean Pointe, or to prohibit Developer from dealing freely with the remaining land, including, without limitation, developing the whole or any part of Ke 'Āina Kai and Ocean Pointe for a purpose inconsistent with the above.

<sup>2</sup> As of the date of this report, the Ke 'Āina Kai Declaration and the Master Declaration only encumber the first phase of Ke 'Āina Kai (i.e. Area IA). Upon subdivision of the second phase of Ke 'Āina Kai (i.e. Area IB), the Developer will annex all or portions of the second phase (which shall include this condominium project) to Ke 'Āina Kai and Ocean

Community Association, Inc. and the Ocean Pointe Residential Community Association, Inc., which are the community associations for Ke 'Āina Kai and Ocean Pointe, respectively. Apartment owners will be responsible for the payment of their respective shares of the expenses incurred by these associations in their maintenance of Ke 'Āina Kai and Ocean Pointe. The monthly fees for the various associations are estimated in the Disclosure Abstract attached as Exhibit "K".

2. Interstate Land Sales Full Disclosure Act. The Developer has advised the Commission that this public report has not been accepted by the Department of Housing and Urban Development under the Interstate Land Sales Full Disclosure Act. As set forth in the specimen sales contract submitted with this public report, the Developer will complete construction of each apartment and have the apartment ready for normal occupancy within a period of two (2) years from the date that the sales contract for that particular apartment is signed; provided, however, that said two (2) year period shall be extended in the event completion is delayed by matters and/or conditions beyond the control of the Developer.

---

Pointe, subjecting such lands to both the Ke 'Āina Kai Declaration and the Master Declaration. The Developer has also reserved rights to withdraw lands from Ke 'Āina Kai and Ocean Pointe (including all or portions of Area IB), and also to develop additional phases within Ke 'Āina Kai as separate projects and merge the separate projects with each other or with Ke 'Āina Kai. For a description of the Developer's reserved rights to annex, as well as to merge and withdraw lands, see Exhibits "Q" and "R" to this public report.

- D. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

#### Description of House Rules

The Project will be subject to the Ke 'Āina Kai Townhomes, Increment 4 House Rules, a proposed draft of which has been submitted to the Real Estate Commission as part of this registration. These house rules govern the use and occupancy of the apartments, common elements and limited common elements of the Project. For example, these house rules contain restrictions regarding the use of the lanais, rear yards and entry areas, as well as restrictions regarding pets, parking, trash disposal and landscaping.

The Project will also be part of the Ke 'Āina Kai subdivision, which includes single family units, townhome apartments, and various common areas (see Section V.C.1 of the public report for a description of the Ke 'Āina Kai subdivision). A separate set of house rules (the "Ke 'Āina Kai House Rules") govern or will govern the entire Ke 'Āina Kai subdivision, a copy of which has been submitted to the Real Estate Commission as part of this registration. The Ke 'Āina Kai House Rules contain restrictions regarding the use and occupancy of all dwelling units (including the apartments), including matters such as the initial landscaping of the rear yards, maintenance of fences, car washing, and boats. In addition, the Ke 'Āina Kai House Rules contain restrictions regarding the use of the common areas, including the service lanes, mini-parks, and pedestrian pathways.

The purpose of both of these house rules is to protect all owners and occupants from annoyance and nuisance created by the improper use of the Project and the Ke 'Āina Kai subdivision, and to protect the reputation and desirability of the Project and the Ke 'Āina Kai subdivision.

All owners, tenants, guests, invitees, licensees and other persons using the Project and their family members must abide by both sets of house rules, and the owners are responsible for the conduct of their tenants, guests, invitees, and licensees. Violations of these house rules are subject to fines, penalties and other enforcement actions by the appropriate board of directors or the managing agent.

THE FOREGOING IS A DESCRIPTION OF THE ABOVE HOUSE RULES FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THESE HOUSE RULES. THE FULL TEXT OF BOTH SETS OF HOUSE RULES SHOULD BE EXAMINED AND CONTROLS OVER THIS SUMMARY.

#### Permitted Alterations to Apartments

Alterations to the apartments in this condominium project are permitted under Section R of the Declaration, which provides the following:

1. General.

(a) Except as otherwise provided in the Declaration, restoration, repair or replacement of the Project or of any building or other facility or construction of any additional building or structural alteration or addition to any structure, different in any material respect from the Condominium Map (the "Proposed Alterations"), shall be undertaken by the Association or any apartment owner(s) only pursuant to an amendment of the Declaration, duly executed by or pursuant to the approval or written consent of apartment owners holding at least seventy five percent (75%) of the total common interests of the Project, together with the approval or written consent of (i) all apartment owners whose apartment or limited common elements appurtenant thereto are directly affected (as determined in a reasonable manner by the Board of Directors) by the Proposed Alterations; and (ii) the holders of first mortgage liens encumbering any apartment directly affected by the Proposed Alterations (if the lien holders require such approval).

(b) The Proposed Alterations shall be in accordance with plans and specifications for the Proposed Alterations prepared by a licensed architect or licensed professional engineer and approved by (i) the Board of Directors, (ii) the Design Review Committee in accordance with the Design Guidelines, and (iii) the appropriate agencies of the State of Hawaii and the City and County of Honolulu (if such agencies so require). A description of the Design Guidelines is contained in Exhibit "N".

(c) Promptly upon completion of any Proposed Alteration which is *different in any material respect from the Condominium Map, the Association or apartment owner(s),* whomever requested the Proposed Alteration, shall duly file or record in the Land Court an amendment to the Declaration and the Condominium Map showing the Project as so altered, certified as built by a registered architect or licensed professional engineer.

(d) Notwithstanding the foregoing, any amendment to the Declaration required or necessary for any Proposed Alteration of an apartment by an owner which alteration is in accordance with options shown on the floor plans for that particular apartment type in the Condominium Map shall not require the approval or written consent of the apartment owners (except those apartment owners whose apartment or limited common elements appurtenant thereto are directly affected); PROVIDED, HOWEVER, that since construction of any such options shown on the Condominium Map must also comply with all applicable laws, rules, setbacks, and other governmental requirements, such options may not be available or permitted for all apartments in the Project.

2. Alterations to the Interior of an Apartment. Notwithstanding any other provision in the Declaration to the contrary, the owner of an apartment may make any alterations or additions within an apartment and the owner of any two adjoining apartments may alter or remove all or portions of the intervening walls, at such owner's expense, if such alterations or additions are not visible from the exterior of the apartments and if the structural integrity of the building is not thereby affected. The alterations or additions permitted by this section shall require only the written approval of the apartment owner's plans and specification therefor, by (a) the Board of Directors; (b) the holders of first mortgage liens affecting such apartment(s) (if the lien holders require such approval); (c) the appropriate agencies of the State of Hawaii and the City and County of Honolulu (if such agencies so require); and (d) all other apartment owners thereby directly affected (as determined in a reasonable manner by the Board of Directors). Such alterations or additions may be undertaken without an amendment to the Declaration or filing of a complete set of floor plans of the Project as so altered. Prior to the termination of the common ownership of any two adjoining apartments, if the intervening walls shall have been altered or removed pursuant to the foregoing provision and any entrances sealed, the owner of such apartment shall restore such intervening walls and entrances to substantially the same condition in which they existed prior to such alteration or removal.

3. Alterations by the Developer.

(a) General. Notwithstanding any other provision in the Declaration to the contrary, prior to the earlier of (i) the recording in the Land Court of the apartment deed conveying the last unsold apartment in the Project to a buyer; or (ii) the filing or recording by the Developer of the "as built" verified statement (with plans, if applicable) required by Section 514A-12 of the Condominium Property Act (but in no event later than twenty-four (24) months after the "date of completion" of the Project, as that term is used in Chapter 507, Part II, Hawaii Revised Statutes, as amended), the Developer shall have the right (A) to make alterations in the Project and to amend the Declaration and the Condominium Map accordingly, without notice to, or the approval, consent or joinder of, the Association or any apartment owner, which change or reverse the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any apartment (and the limited common elements appurtenant thereto) in the Project which is not sold and recorded; or (B) to make other alterations in the Project and to amend the Declaration and the Condominium Map accordingly, without notice to, or the approval, consent or joinder of, the Association or any apartment owner, which make minor changes in any apartment in the Project or the common elements which do not affect the physical location, design or size of any apartment which has been sold and recorded. As used herein the term "sold and recorded" shall mean and refer to the sale of an apartment in the Project and the recording in the Land Court of an apartment deed conveying the interest in the apartment from the Developer to parties not signatory to the Declaration.

(b) Construction of Options. Notwithstanding any other provision in the Declaration to the contrary, prior to the time that all of the apartments in the Project have been sold and recorded, the Developer shall have the right to make alterations in the Project and to amend the Declaration and the Condominium Map accordingly, without notice to, or the approval, consent or joinder of, the Association or any apartment owner, to construct or modify the Project in accordance with the respective options shown on the

floor plans in the Condominium Map. As used herein the term "sold and recorded" shall mean and refer to the sale of an apartment in the Project and the recording in the Land Court of an apartment deed conveying the interest in the apartment from the Developer to parties not signatory to the Declaration.

In addition, alterations to the apartments will also have to comply with the Declaration of Restrictive Covenants (DPP Permit No. 96/CL-1), which is described in Exhibit "P".

- (a) This represents the current annual budget adopted by the Community Association Board for the 1999 fiscal year.
- (b) During the initial development of Ke 'Āina Kai, portions of the common facilities and other areas which are otherwise to be maintained by the Ke 'Āina Kai Community Association under the Ke 'Āina Kai Declaration may be maintained by the Developer's personnel or other third parties retained by the Developer and therefore, it is presently difficult to estimate the actual out-of-pocket costs for these line items. However, regardless of the level of maintenance actually performed by the Developer or at the Developer's direction, the Developer has agreed that for the period beginning with the closing of the sale of the first Apartment unit in Ke 'Āina Kai and continuing until August 31, 2000, the Developer will assume responsibility for paying all actual out-of-pocket costs for these line items during this period (whether actually incurred by the Developer or the Community Association).
- (c) The Property Management Agreement provides for a monthly fee of \$650.00 plus general excise tax.
- (d) The reserves are estimates only and are not based upon any formal reserve study.
- (e) For the period beginning with the closing of the sale of the first Apartment unit in Ke 'Āina Kai and continuing until August 31, 2000, the Developer shall pay all actual costs of maintaining the "Area of

Common Responsibility" and "Master Facilities" (as those terms are defined in the Declaration of Covenants, Conditions, and Restrictions for Ocean Pointe (Residential) (see attached estimated Budget, p. 5).

- (f) The "Assessments per Unit" represents the amount presently assessed against current members of the Ke 'Āina Kai Community Association based on the adopted budget and based on the assumption that 227 units are subject to assessment. The total number of units currently subject to assessment is substantially less than 227, however, during the 1999 fiscal year (ending 12/31/99), the Developer has elected to pay to the Community Association the positive difference (if any) between the total actual operating expenses incurred by the Community Association and the total of all assessments assessed against all other members of the Community Association (other than the Developer) for the 1999 fiscal year. Such payment (if any) shall be in lieu of any assessments assessed against the Developer for Developer-owned units.
  
- (g) The amount of Assessments per Unit will be subject to annual adjustment when the Board adopts the new Community Association annual budget for the fiscal year 2000 (commencing January 1, 2000) and will be based upon the actual number of units subject to assessment at the beginning of the fiscal year. Any units annexed to the Community Association following the commencement of the fiscal year will be assessed at the same rate as all other units subject to assessment at the beginning of the fiscal year.

#### Summary of Reservation Agreement and Sales Contract

A specimen of the Reservation Agreement and Sales Contract (hereinafter the "Agreement") has been submitted to the Real Estate Commission as part of the registration. The Agreement contains the purchase price, description of the apartment to be conveyed to a buyer, and the terms and conditions under which a buyer will agree to buy an apartment in the Project.

The Agreement provides in part:

1. Financing of Purchase. The buyer shall be financially capable of making all required payments at the required times stated in the Agreement. If the buyer must finance the purchase of the apartment, the buyer shall apply for mortgage financing from a financial institution or other institutional lender authorized to make mortgage loans in the State of Hawaii ("Mortgage Lender") within five (5) days from the date of execution of the Agreement by the Developer (referred to in the Agreement as the Seller). The buyer shall promptly sign and deliver all documents and diligently take all steps necessary to qualify and obtain the required financing. The buyer will deliver any executed copy of any notification of loan approval or mortgage commitment upon receipt to the Developer. The Developer, in its sole discretion, may disapprove of any loan approval or mortgage commitment that the buyer submits to the Developer under the Agreement within fifteen (15) days after the receipt of same. If the Developer does not provide the buyer with written notice of its disapproval within the fifteen (15) day period, the loan approval or mortgage commitment shall be deemed approved. The Developer and the Developer's broker have no obligation to arrange for the buyer's mortgage financing and the Developer is unwilling to approve financing which would require the Developer to pay any points or fees to the Mortgage Lender. In order to keep the Developer and/or the Developer's broker informed of the buyer's progress in obtaining a mortgage loan, the buyer shall authorize any Mortgage Lender to transmit to the Developer and/or the Developer's broker any and all information necessary for this purpose including, but not limited to, copies of all correspondence between the buyer and the Mortgage Lender. If the buyer's application or eligibility for a mortgage loan is rejected or not approved within fifty (50) calendar days from the date of execution by the Developer of the Agreement, then either (i) the Developer, or (ii) the Developer or the buyer (if the buyer has executed an affidavit of intent to become an owner-occupant pursuant to the Condominium Property Act, as amended) may elect to cancel the Agreement upon written notice to the other party, and, if canceled, the Developer shall direct escrow to refund to the buyer all sums paid by the buyer without interest (unless a Buyer's Account has been established as provided in Paragraph 7 below) and less escrow cancellation fees. The Developer shall not be responsible for any cancellation fees imposed by the Mortgage Lender. If the buyer's mortgage loan approval is contingent or conditioned on a sale by the buyer of another property or on any other condition, the Developer may, in its sole discretion and at any time, elect to treat such contingent or conditional approval as a rejection of loan eligibility and cancel the Agreement. If the Developer does not so elect to cancel the Agreement, the buyer

shall qualify for mortgage financing including the satisfaction and removal of any such contingency prior to the closing date. If the buyer fails to remove any contingency from the buyer's loan approval prior to the closing date, or fails (for any reason whatsoever including without limitation, any purposeful or inadvertent change in the buyer's credit standing) to keep the loan approval in force, the buyer shall be in default of the Agreement and the Developer may cancel the Agreement, retain all amounts paid by the buyer, and pursue any other remedy available to the Developer.

2. What the Buyer is Required to Do at Closing. On or prior to the closing date, the buyer will sign and deliver to escrow all documents which the buyer must sign in order to effect the closing. This will include, without limitation, any mortgage in favor of the buyer's lender. The buyer shall also pay to escrow any cash payment required on account of the balance of the total purchase price, and all sums included in the Estimate of Additional Sums Payable set forth in Section 3.5 of the Agreement and further described below (subject to adjustment for actual fees payable as determined at closing).

3. Estimate of Additional Sums Payable. The sums included in the Estimate of Additional Sums Payable set forth in Section 3.5 of the Agreement are in addition to and are not part of the Total Purchase Price set forth in Section 3.4 of the Agreement. The buyer's closing costs shall include, but shall not be limited to, all escrow fees, all notary fees, costs of title insurance, legal costs for the preparation of any apartment deed or any notes and mortgages, all recording costs or fees, loan fees, credit report costs, appraisal fees and all other applicable mortgage costs. In addition, the buyer agrees to pay the buyer's pro-rata share of applicable monthly maintenance and associations' fees (if closing occurs on a day other than the first day of the month), taxes, assessments and other expenses, which shall be prorated between the buyer and the Developer as of the closing date. The monthly maintenance and associations' fees referenced in Sections 3.5(b) and 3.5(c) of the Agreement shall be in addition to any prorated maintenance and association fees collected pursuant to the immediately preceding sentence. The Association of Apartment Owners of Ke 'Āina Kai Townhomes, Increment 4 start-up fee set forth in Section 3.5(a) of the Agreement is a one-time, non-transferable, non-refundable fee (equal to two (2) months maintenance fees) to be used for the association's working capital fund, and shall not be deemed a payment or advance payment by the buyer of the normal monthly maintenance fees.

4. The Buyer's Acceptance of the Apartment. The buyer agrees to close the sale of the apartment on time and accept possession of the apartment (a) even if the common elements of the Project have not yet been fully completed and/or construction activity is still in progress, and (b) notwithstanding the existence of any defects in or damage to the apartment which does not render the apartment unusable. The buyer also promises to indemnify and hold harmless the Developer from any loss or damage, including interest and attorneys' fees, resulting from the buyer's failure to close the sale or to accept possession of the apartment as required above.

5. Conditions of the Project. The buyer acknowledges various disclosures made in the Agreement regarding the condition of the Project and the surrounding areas that could affect the buyer's use or enjoyment of an apartment in the Project, including potential aircraft noise, ongoing construction and sales activities, possible environmental and utility effects, the existence of a coral quarry within the Ocean Pointe project site, that neither the Association of Apartment Owners nor Developer is responsible for providing security for the Project, and that the buyer assumes the risk of all of the above and agrees to release and indemnify the Developer, the Developer's parent companies, subsidiaries, and affiliates (including but not limited to the Developer's broker), their respective directors, officers, employees, agents, successors and assigns, the City, the State, and the federal government from and against any and all liability, claims, losses, damages or expenses arising from or in connection with any of such disclosures.

6. Model Homes. The buyer acknowledges various disclosures regarding the model homes and advertising materials, including: (a) that some of the materials and methods of construction used in the model homes may differ from the materials and methods of construction used in the buildings in the Project; (b) that the model homes and various advertising materials (including but not limited to brochures and displays) are for the purpose of assisting the buyer in visualizing the floor plan of the apartment the buyer is purchasing and may not be exact replicas of the apartments or the buildings being built within the Project; (c) that the model homes and yard areas of the model homes contain numerous upgrades, options and decorator items (including but not limited to optional floor plans, appliances, furnishings, fixtures, landscaping, walkways and gutters) which are not included with the property being purchased by the buyer or the building in which the apartment is located; and (d) that certain items included in the property may differ from that shown with the model homes or in the advertising materials due to differences in site conditions such as the slope or grade of the site or various other factors or constraints.

7. Landscaping; Fences. The buyer acknowledges that the buyer is responsible for the initial landscaping of the buyer's rear yard area and the maintenance of such landscaping thereafter. The buyer also acknowledges that the Developer will install the initial fences enclosing the rear yard of the apartment the buyer is purchasing, but that the buyer is responsible for maintaining, repairing and replacing such fences. If any such rear yard fence is shared by more than one apartment, the obligation to maintain, repair and replace such fence shall be shared jointly by both apartment owners.

8. Utility Infrastructure. The buyer acknowledges that additional utility infrastructure may be constructed in the future which provides utility services for the Project, the cost of which is not included in the purchase price of any apartment in the Project.

9. Developer's Limited Warranty for the Apartment. The buyer acknowledges the Developer's limited warranty regarding the apartment, the common elements and the appliances, which is described in the Disclosure Abstract attached to this public report as Exhibit "K".

10. Interest on the Buyer's Deposits. The buyer understands and agrees that notwithstanding any other contrary provisions in the escrow agreement, all interest earned on the buyer's deposits shall accrue to the credit of and shall be paid to the Developer unless (a) the buyer instructs escrow to establish a separate interest-bearing account on the buyer's behalf ("Buyer's Account") and pays escrow a processing fee of \$25.00 (or such other amount as escrow may establish from time to time) and complies with all other requirements of escrow, or (b) a Buyer's Account is established pursuant to the escrow agreement (in which case the buyer agrees to pay the processing fee provided thereunder).

11. No Rental Service/Investment Representations. The buyer agrees that the buyer has entered into the Agreement without any reference or representation by the Developer or any sales person: (a) that the Developer or anyone affiliated with the Developer or any unaffiliated third party will provide, directly or indirectly, any services relating to the rental or sale or management on behalf of the buyer; (b) as to projected rental income, occupancy rates or other matters related to the rental of the apartment; (c) as to possible tax advantages or other economic benefits accruing to an owner who chooses to rent an apartment; or (d) as to projected appreciation in the value of the apartment. The buyer agrees to be solely responsible for any rental or other disposition of the apartment.

12. Default by Buyer. If the buyer fails to make any payment when it is due or fails to keep any of the other promises or agreements of the buyer set forth in the Agreement, the Developer will give the buyer written notice of such failure. If the buyer does not cure such default or failure within ten (10) days after the Developer sends such notice, the Developer shall have the right to do any one or more of the following:

(a) cancel the Agreement by giving the buyer written notice of cancellation. The Developer may then keep all sums deposited by the buyer, including any and all interest accrued thereon (notwithstanding the establishment of a Buyer's Account), as "liquidated damages" (i.e., the amount agreed to by the buyer and the Developer as property payable in settlement for breach of contract), in lieu of actual damages and not as a penalty;

(b) take advantage of any other rights which the law allows, including, for example, a lawsuit for actual damages suffered, or a lawsuit for "specific performance," which means a lawsuit to require the buyer to pay the total purchase price and keep all of the buyer's promises under the Agreement; and

(c) collect from the buyer all costs, including reasonable attorneys' fees, court costs, escrow cancellation fees, and any document preparation fees if the deed conveying the property to the buyer has been prepared and delivered to escrow, which may be incurred by the Developer because of the buyer's default.

THE FOREGOING IS A SUMMARY OF SOME OF THE PERTINENT PROVISIONS OF THE AGREEMENT FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE AGREEMENT.

THE FULL TEXT OF THE ORIGINAL DOCUMENT SHOULD BE EXAMINED AND CONTROLS OVER THIS SUMMARY.

NOTE: The Developer is offering the buyers a selection of various floor coverings for the apartment (i.e., tiling and carpeting), which each buyer will select in an addendum to the Agreement. In addition, the Developer is also offering various optional floor plans, appliances and upgrades for the apartment, each at various prices, and which if selected, will also be included in an addendum or addenda to the Agreement. The purchase price for such options, appliances and upgrades are non-refundable once the Agreement is deemed binding under the Condominium Property Act.

#### Summary of Escrow Agreement

An executed Escrow Agreement has been submitted to the Real Estate Commission as part of this registration. The Escrow Agreement, dated February 26, 1999, identifies Title Guaranty Escrow Services, Inc. as the escrow agent ("Escrow"). The Escrow Agreement sets up an arrangement under which Escrow will hold deposits that a buyer makes to the Developer under a Reservation Agreement and Sales Contract (the "Sales Contract") for the purchase of an apartment in the Project. The Escrow Agreement provides in part:

1. Payment of Funds to Escrow. The Developer shall pay over to Escrow any monies received by the Developer from a buyer under a Sales Contract, including all disbursements made on loan commitments, if any, from lending institutions to the buyer. Escrow shall deposit all funds so received in accordance with written instructions from the Developer in a federally-insured, interest-bearing account at a bank, savings and loan association, or trust company authorized to do business in the State.

2. Return of Funds to a Buyer. A buyer shall be entitled to a refund of the buyer's funds held in Escrow as follows:

(a) Escrow shall refund to the buyer all of the buyer's entire deposit together with all interest earned thereon, if: (i) the buyer entered into the Sales Contract pursuant to a Contingent Final Public Report; (ii) the Real Estate Commission does not issue an effective date for a Final Public Report by the date on which the Contingent Final Public Report expires; and (iii) the Developer or the buyer elects to rescind the buyer's Sales Contract.

(b) Escrow shall refund to the buyer all of the buyer's entire deposit, without interest and less any Escrow cancellation fees, if any one of the following has occurred: (i) the Developer and the buyer request in writing that Escrow return the buyer's funds to the buyer; (ii) the Developer notifies Escrow of the Developer's exercise of the option to cancel or rescind the Sales Contract pursuant to any right of cancellation or rescission provided therein or otherwise available to the Developer; (iii) the buyer notifies Escrow of buyer's exercise of buyer's right to cancel the Sales Contract pursuant to Section 514A-62, Hawaii Revised Statutes, as amended; or (iv) the buyer notifies Escrow of buyer's exercise of buyer's right to rescind the Sales Contract pursuant to Section 514A-63, Hawaii Revised Statutes, as amended.

(c) Escrow shall refund to the buyer all of the buyer's entire deposit if the Sales Contract is rescinded pursuant to Section 514A-105(c), Hawaii Revised Statutes, as amended, for the buyer's failure to reaffirm the buyer's Owner-Occupant Affidavit of Intent, subject to the requirements of Section 5(d) of the Escrow Agreement.

3. Buyer's Default under Sales Contract. If the Developer terminates a Sales Contract due to a default thereunder by the buyer, Escrow shall thereafter treat all funds of the buyer paid on account of such buyer's Sales Contract as funds of the Developer and not as funds of the buyer. Thereafter, such funds shall be free of the escrow established by this Agreement and shall be held by Escrow for the account of the Developer.

THE FOREGOING IS A SUMMARY OF SOME OF THE PERTINENT PROVISIONS OF THE ESCROW AGREEMENT FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE ESCROW AGREEMENT. THE FULL TEXT OF THE ORIGINAL DOCUMENT SHOULD BE EXAMINED AND CONTROLS OVER THIS SUMMARY.

#### Description of the Ke 'Āina Kai Design Guidelines

Ke 'Āina Kai is part of Ocean Pointe, a master-planned community encompassing approximately 1,100 acres (see Section V.C.1 of the public report for a description of Ke 'Āina Kai and Ocean Pointe). Being part of a master-planned community, developmental guidelines are necessary to promote the community's evolution in a manner consistent with the original design principles, as approved by the City and other governmental agencies.

To accomplish this purpose and to maintain Ke 'Āina Kai's special character, the Ke 'Āina Kai Design Guidelines (the "Design Guidelines") have been prepared to regulate construction, additions, modifications, and site improvements visible from the street or neighboring properties. A copy of the Design Guidelines has been submitted to the Real Estate Commission as part of this registration.

The Design Guidelines, which are both prescriptive and restrictive, are intended to be illustrative of acceptable improvements and seek to provide an overall framework for future modifications within this Project and Ke 'Āina Kai. The Design Guidelines contain various rules and guidelines, including but not limited to, architectural guidelines, examples of acceptable improvements, materials and color schemes, and Design Review Committee application procedures.

The Design Review Committee, which has or will be established pursuant to the Declaration of Covenants, Conditions, and Restrictions for Ocean Pointe (Residential) (see Exhibit "R" for a description of this document), is or will be responsible for reviewing applications for compliance with the Design Guidelines.

THE FOREGOING IS A DESCRIPTION OF THE DESIGN GUIDELINES FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THESE DESIGN GUIDELINES. THE FULL TEXT OF THE DESIGN GUIDELINES SHOULD BE EXAMINED AND CONTROLS OVER THIS SUMMARY.

#### Description of the Declaration of Restrictive Covenants (Private Park)

As mentioned in Section V.C.1 of the public report, Ke 'Āina Kai will include three private mini-parks (two in the first phase and one in the second phase). As a condition to the City and County of Honolulu's (the "City") subdivision approval of the first phase of Ke 'Āina Kai, a Declaration of Restrictive Covenants (Private Park), dated September 10, 1998, was recorded against the first phase of Ke 'Āina Kai as Land Court Document No. 2486147 (the "Private Park Declaration"). As a condition to the City's subdivision approval of the second phase of Ke 'Āina Kai, the City requires that the second phase also be subject to the Private Park Declaration. Therefore, upon the subdivision of the second phase of Ke 'Āina Kai, a First Supplemental Declaration of Restrictive Covenants (Private Park) (the "Supplemental Declaration") will be recorded against the second phase subjecting the second phase and the mini-park located therein to the terms and conditions of the Private Park Declaration. A copy of the Private Park Declaration and a proposed draft of the Supplemental Declaration have been submitted to the Real Estate Commission as part of this registration.

The purpose of the Private Park Declaration and Supplemental Declaration is to ensure that the three (3) mini-parks within Ke 'Āina Kai shall continue to be used as parks, and that the parks are maintained by the applicable homeowners association(s) and not by the City. The parks may be used by members of the homeowners association(s).

If the parks are not properly maintained by the homeowners association(s), the City has the right to maintain the parks and collect the costs and expenses of such maintenance from the homeowners association(s). The City shall have a lien over lands within Ke 'Āina Kai (including the Project) until such costs and expenses are fully paid.

THE FOREGOING IS A GENERAL DESCRIPTION OF THE PRIVATE PARK DECLARATION AND SUPPLEMENTAL DECLARATION FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE PRIVATE PARK DECLARATION AND SUPPLEMENTAL DECLARATION. THE FULL TEXT OF THE PRIVATE PARK DECLARATION AND SUPPLEMENTAL DECLARATION SHOULD BE EXAMINED AND CONTROLS OVER THIS DESCRIPTION.

Description of the  
Declaration of Restrictive Covenants (DPP Permit No. 96/CL-1)

A specimen of the Declaration of Restrictive Covenants (DPP Permit No. 96/CL-1) has been submitted to the Real Estate Commission as part of the registration (the "DPP Declaration"). The DPP Declaration will be recorded in the Land Court of the State of Hawaii prior to the conveyance of the first apartment in the Project to a homebuyer and will be binding on all owners of apartments in the Project.

The DPP Declaration is required under Condition 10 of Cluster Housing Permit No. 96/CL-1, issued by the City and County of Honolulu Department of Planning and Permitting (formerly known as the Department of Land Utilization) (the "DPP Permit"), which is referenced in Section III.C.11 of the public report. The DPP Permit authorizes the development of the Ke 'Āina Kai residential project, including the Project, subject to certain conditions.

The purpose of the DPP Declaration is to provide notice of the restrictive covenants in the DPP Permit that are applicable to the Project. The following is a brief description of some of the significant provisions of the DPP Declaration.

1. Alterations or Modifications to the Project. The DPP Declaration sets forth certain restrictions and limitations regarding the modifications and alterations that may be made to the Project, including modifications and alterations to the apartments, lanais and other limited common elements that may be made by the owner of an apartment. The DPP Declaration includes Design Alteration Plans showing the area of permitted expansion (e.g., the area in which the lanai may be expanded), and other requirements that an owner must comply with in connection with any modifications or alterations to the Project.

2. Garages. The garages in the Project shall only be used for parking and shall not be eliminated or converted to other uses, including use as a dwelling unit.

3. Other Restrictions. The DPP Declaration also contains other covenants regarding the use and maintenance of the fences, landscaping, lighting, and private common elements within the Project.

THE FOREGOING IS A GENERAL DESCRIPTION OF THE DPP DECLARATION FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE DPP DECLARATION. THE FULL TEXT OF THE DPP DECLARATION SHOULD BE EXAMINED AND CONTROLS OVER THIS DESCRIPTION.

#### Description of the Declaration of Covenants, Conditions, and Restrictions for Ke 'Āina Kai

As mentioned in Section V.C.1 of the public report, the Project is located within the second phase of the residential project known as Ke 'Āina Kai. The first phase of Ke 'Āina Kai (depicted generally as "Area IA" on the attached map) is subject to the terms and conditions set forth in that certain Declaration of Covenants, Conditions, and Restrictions for Ke 'Āina Kai, dated September 15, 1998, recorded as Land Court Document No. 2486146, as amended by that certain First Amendment to Declaration of Covenants, Conditions, and Restrictions for Ke 'Āina Kai, dated October 30, 1998, recorded as Land Court Document No. 2498587 (the "Ke 'Āina Kai Declaration"). Upon the subdivision of the second phase of Ke 'Āina Kai (depicted generally as "Area IB" on the attached map), the Developer will record a First Supplemental Declaration of Covenants, Conditions, and Restrictions for Ke 'Āina Kai (the "Supplemental Declaration") annexing all or portions of the second phase (including the Project) to the first phase of Ke 'Āina Kai, and subjecting such annexed lands to the terms and conditions of the Ke 'Āina Kai Declaration. A copy of the Ke 'Āina Kai Declaration and a proposed draft of the Supplemental Declaration have been submitted to the Real Estate Commission as part of this registration.

The purpose of the Ke 'Āina Kai Declaration is to facilitate the development, ownership, and use of the "Property" (as defined in the Ke 'Āina Kai Declaration) and to provide for the formation of the Ke 'Āina Kai Community Association (the "Community Association") that administers the Property. The following is a brief description of some of the significant provisions of the Ke 'Āina Kai Declaration (unless defined herein, capitalized terms shall be defined as set forth in the Ke 'Āina Kai Declaration).

1. Scope. The Property encumbered by the Ke 'Āina Kai Declaration presently consists of only the first phase of Ke 'Āina Kai (i.e. Area IA). The Developer has reserved the right to annex to this first phase additional lands for future phases of Ke 'Āina Kai, including all or any portion of the property generally described as being located within the "Subdivision Project" (as that term is defined in the Ke 'Āina Kai Declaration). For example, as stated above, upon the subdivision of the second phase of Ke 'Āina Kai (i.e. Area IB), the Developer will annex all or portions of the second phase to the first phase. Upon such annexation, the "Property" (i.e. the property subject to the Ke 'Āina Kai Declaration) will include the first phase lands and those lands in the second phase which have been annexed.

As an alternative to annexation, the Developer has also reserved the right to develop the future phases of the Subdivision Project as separate projects and merge such projects with each other and/or with Ke 'Āina Kai. For example, the Developer may (but is not required) to develop any areas of the second phase (i.e. Area IB) which are not annexed to Ke 'Āina Kai as a separate project or projects, subject to a separate set of

covenants, conditions, and restrictions, and merge the separate projects with each other and/or with Ke 'Āina Kai.

Finally, the Developer also reserves the right to withdraw any portions of land from the Ke 'Āina Kai Declaration, including but not limited to any lands which are annexed to Ke 'Āina Kai. The Developer's rights to withdraw, annex, and merge portions of the Property may be exercised at any time prior to the "Last Conveyance Date" (which is the date that the last residential unit proposed to be developed within Ke 'Āina Kai and the balance of the Subdivision Project is sold). The Developer's rights to withdraw, annex, and merge the Property (or portions thereof) are generally covered in Sections 2.2, 2.3 and 2.4 of the Ke 'Āina Kai Declaration.

2. Amendment. Generally, the Ke 'Āina Kai Declaration can be amended only with the vote of 75% of the units within the Property. However, prior to the Last Conveyance Date, such amendments will require the approval of the Developer and the Developer has reserved the right to amend the Ke 'Āina Kai Declaration unilaterally (i) for any reason prior to conveying any unit within the Property; (ii) as to any unit, lot, or group of units/lots, where the same are owned by Developer; (iii) for the purpose of correcting technical defects, to make non-substantive changes, to comply with the requirements of various governmental loan programs, or to comply with various governmental or statutory requirements; (iv) for any other changes that do not have a material adverse effect on the rights of any "Owner" (as defined in the Ke 'Āina Kai Declaration); or (v) to annex, merge, or withdraw any property pursuant to the Ke 'Āina Kai Declaration or to change the designation of the "Common Area" (as defined in the Ke 'Āina Kai Declaration). The Developer and Developer's parent company, HASEKO (Ewa), Inc. (the "Master Declarant") have the right to amend the Ke 'Āina Kai Declaration unilaterally at any time to exercise their rights that are otherwise reserved or referenced in the Ke 'Āina Kai Declaration. Under other circumstances, the Owners shall have the right to amend the Ke 'Āina Kai Declaration only with the approval of the Developer (see generally Section 2.1).

3. Association Membership/Voting. Membership in the Community Association will be divided into two classes: (a) Class A members are all Owners (including Developer as to each unit Developer owns) and there will be one vote for each unit; and (b) the sole Class B member shall be the Developer. The Class B member shall have the right to select all Community Association board members until the third (3rd) anniversary of the date when the Ke 'Āina Kai Declaration is recorded, and the Class B member shall have the right to select a majority of the Community Association board members until earlier of: (i) the date when 75% of all of the units to be constructed under the "Subdivision Permit" (as defined in the Ke 'Āina Kai Declaration) have been sold; or (ii) December 31, 2020. Generally, in all matters other than the election of board members, there shall only be one class of membership (see generally Article III).

4. Community Association Powers and Duties. The Community Association has broad powers to administer the Property. Generally, the Community Association has the power: (i) to acquire, hold, and dispose of property; (ii) to pay, compromise, or contest real property taxes and assessments on the Common Area and other Community Association property; (iii) to enforce the Ke 'Āina Kai Declaration; (iv) to enter into contracts for the purpose of carrying out its duties under the Ke 'Āina Kai

Declaration (including management contracts); (v) to collect assessments; (vi) to maintain books and records of its receipts and expenditures; and (vii) to maintain the Common Area which will initially consist of the service lanes, pedestrian pathways, and the interior and perimeter mini parks (except that the perimeter mini-park in Area IA, and upon annexation, the mini-park in Area IB, will be maintained for an indefinite period of time by the Master Association as provided in the Master Declaration). In addition to the Common Area, the Community Association shall initially maintain the roadway landscaping (e.g. sidewalk planting strips) within dedicated roadways, the private non-dedicated storm drain improvements located in the service lanes, and any service lane lighting located on the garage improvements of any units. The Community Association also has the authority to maintain other improvements in the exercise of the board's discretion.

5. Use of Common Areas. Generally, the Owners have a non-exclusive right and easement to use the Common Areas subject to: (i) any restrictions set forth in any Rules adopted by the Community Association; (ii) any restrictions, encumbrances, easements, and rights of way which may be reserved at the time any Common Areas are transferred to the Community Association; (iii) any road, utility, or similar easements and rights of way which may be required by any governmental entity, or that may be taken under power of eminent domain, or granted or conveyed by the board; and (iv) other rights reserved to the Developer or Master Declarant in the Ke 'Āina Kai Declaration. Owners may not relinquish rights to use the Common Areas and thereby avoid their obligations for assessments.

6. Assessments. The Community Association has the right to assess Owners common assessments for the expenses incurred by the Community Association (see generally Article VI). The common assessments to be levied on each unit shall be computed by multiplying the total common assessments due for all units within the Property by a fraction, the numerator of which is one (1) and the denominator of which is the total number of units within the Property, as adjusted from time to time. The Community Association is also entitled to levy special assessments as follows: (i) against an Owner when an Owner defaults in the performance of its obligations under the Ke 'Āina Kai Declaration, (ii) to make up a shortfall in receipts due to Owner delinquencies; (iii) where the budget is exceeded due to unanticipated circumstances; or (iv) for other reasons determined by the board. Nonpayment of any assessments will give rise to a lien against the Owner's unit in an amount equal to the unpaid assessments plus interest, attorney's fees, and costs of collection. The board may foreclose on such lien as provided by law.

Until the Last Conveyance Date, the Developer may annually elect to pay to the Community Association either the common assessments due on its unsold units or, the difference between the amount of all common assessments assessed against all units (other than those units owned by Developer) subject to assessment and the amount of the actual expenditures required to operate the Community Association during the fiscal year.

7. Owner's Maintenance and Use Restrictions. Article VII of the Ke 'Āina Kai Declaration sets forth the scope of the Owners' obligations with respect to the maintenance of their units and also contains general guidelines and restrictions concerning

animals and pets, vehicle repairs, antennas and satellites dishes, landscaping, pools, guns, air conditioning units, lighting, window coverings, house decorations, vehicle washing, and other matters.

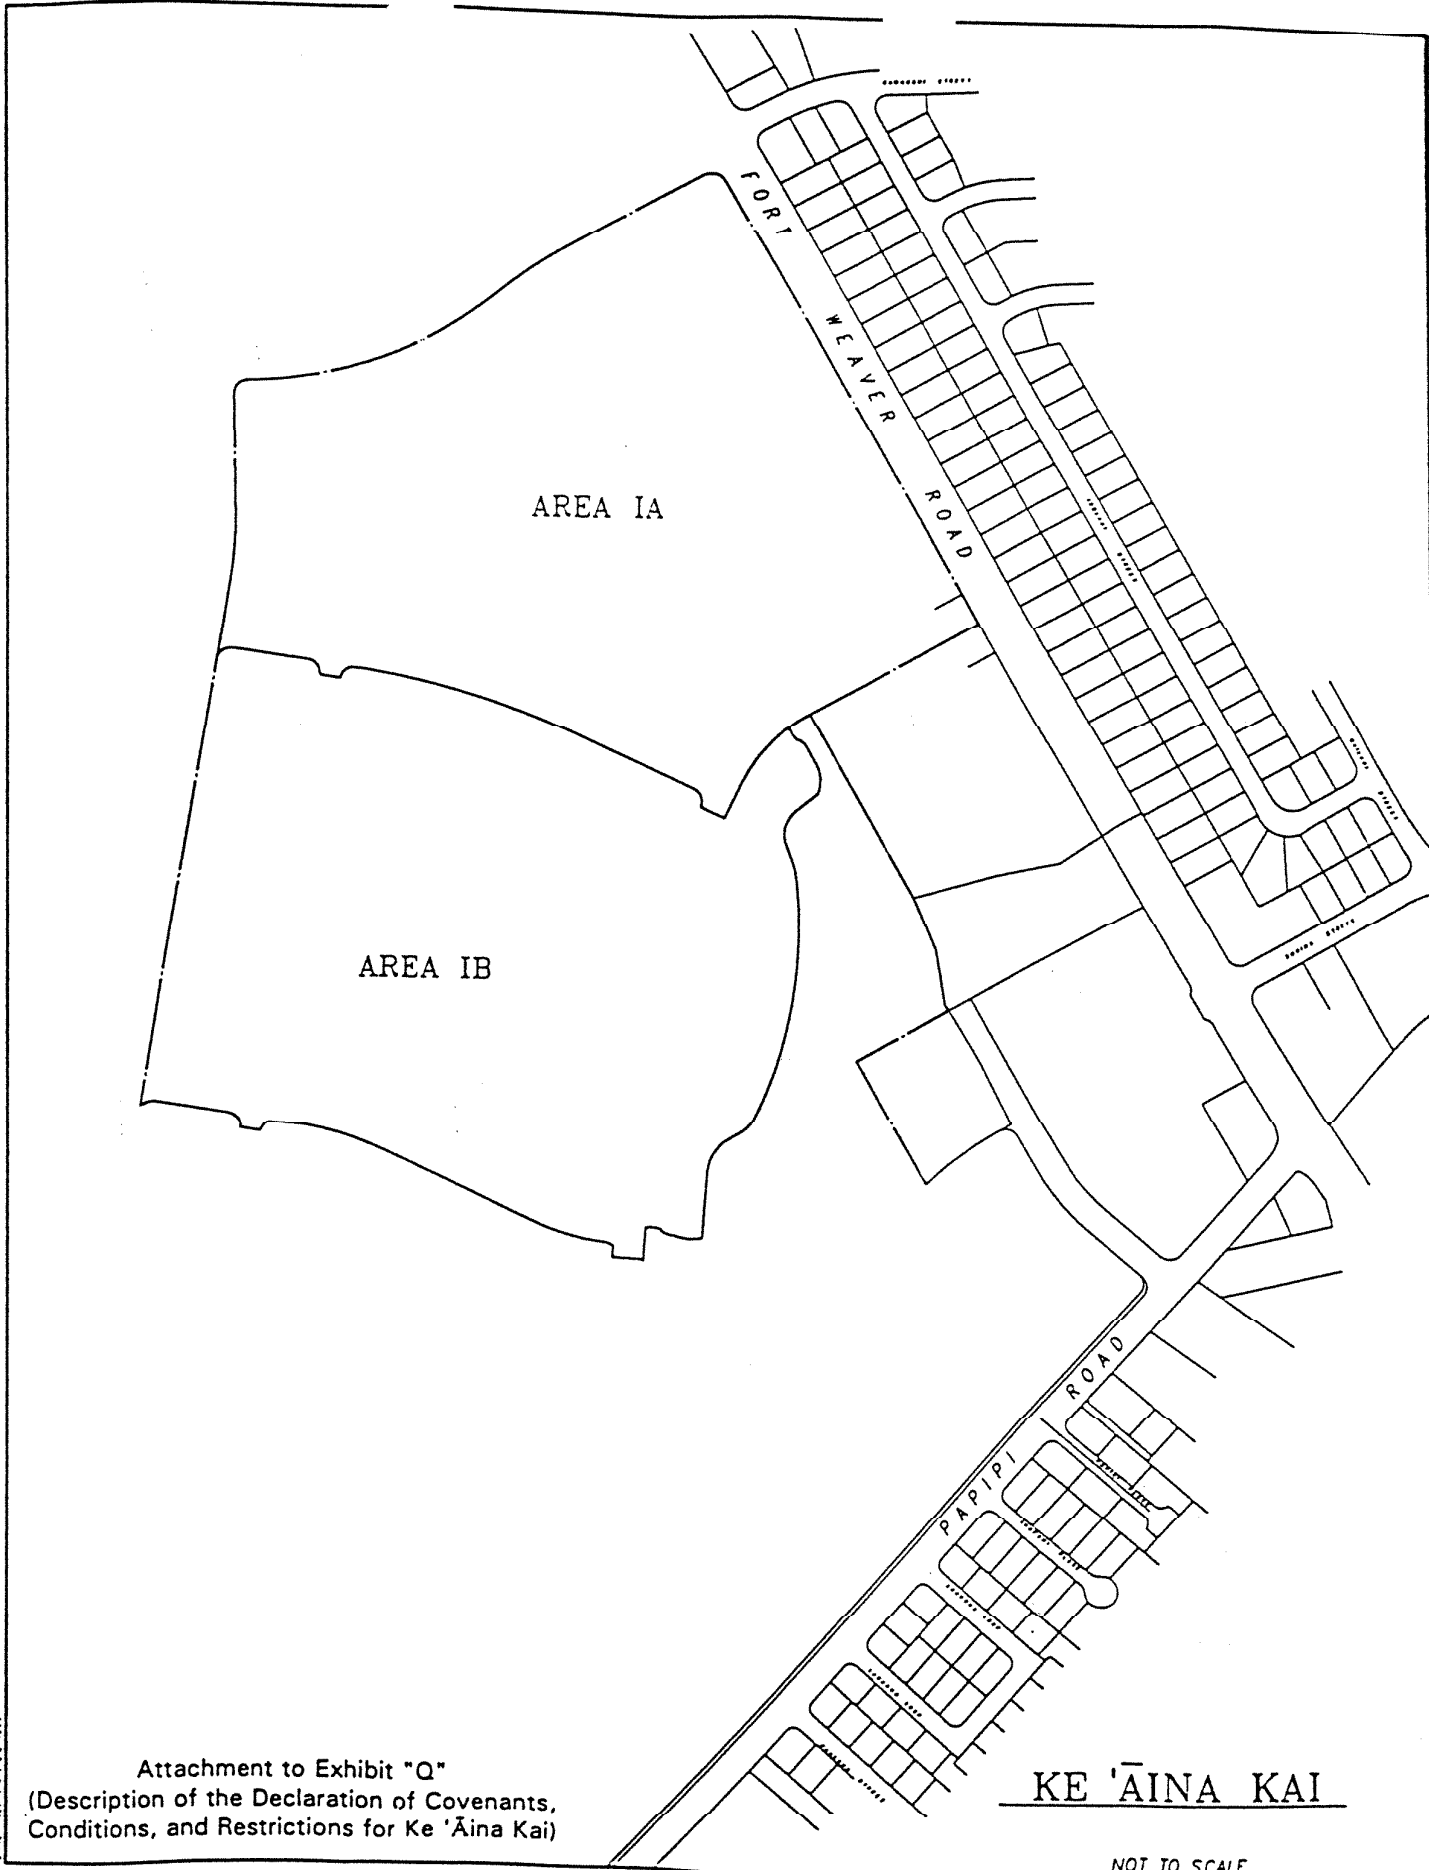

8. Additional Developer Reserved Rights. Article VIII of the Ke 'Āina Kai Declaration provides that the Developer and the Master Declarant may assign their rights reserved under the Ke 'Āina Kai Declaration to any third party. In addition, the Developer reserves the right to conduct sales activities within the Property and has reserved the right in its sole discretion to modify its development plans for the Property.

9. Insurance. The Community Association is required to carry the following types of insurance: (i) property casualty insurance on all insurable improvements within the Common Area; (ii) commercial general liability insurance (with umbrella liability coverage); (iii) worker's compensation insurance (where required by law); (iv) directors and officers liability insurance; (v) fidelity insurance; (vi) non-owned and hired automobile liability coverage, (vii) such additional insurance as the board may determine from time to time. Premiums for insurance carried by the Community Association shall be common expenses which will be included in the common assessments.

10. Easements. Article X of the Ke 'Āina Kai Declaration provides for encroachment easements in favor of improvements which encroach upon neighboring units or the Common Area if such encroachment occurs due to unintentional placement or settling or shifting of such improvements. The Developer has also reserved for itself and its designees blanket perpetual easements as well as the right to designate, grant, dedicate, realign, relocate, or cancel perpetual easements for various purposes including access and utility purposes across the Common Area, and across individual units within any specific easement areas designated on any subdivision map for any portion of the Property. Such easements may be assigned to the Community Association on such terms and conditions as are acceptable to the Developer. The Developer has also reserved the right to reserve easements over the Common Area for access and utility purposes serving other developments within "Ocean Pointe" (as defined in the Ke 'Āina Kai Declaration). The Community Association shall generally have a right of entry over any portion of the Property (including any units) in order to carry out its duties under the Ke 'Āina Kai Declaration.

11. Term. The term of the Ke 'Āina Kai Declaration shall be for a period of fifty (50) years from the date that the Ke 'Āina Kai Declaration is recorded. Thereafter, the Ke 'Āina Kai Declaration shall automatically be extended for successive periods of twenty (20) years unless terminated by a written instrument approved by 75% of the total votes in the Association.

THE FOREGOING IS A GENERAL DESCRIPTION OF THE KE 'ĀINA KAI DECLARATION FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE KE 'ĀINA KAI DECLARATION. THE FULL TEXT OF THE KE 'ĀINA KAI DECLARATION SHOULD BE EXAMINED AND CONTROLS OVER THIS DESCRIPTION.

#### Description of the Declaration of Covenants, Conditions, and Restrictions for Ocean Pointe (Residential)

As mentioned in Section V.C.1 of the public report, in addition to being part of Ke 'Āina Kai, the Project is also a part of the approximately 1,100 acre master-planned community known as Ocean Pointe. The first phase of Ke 'Āina Kai (i.e. Area IA) is subject to the terms and conditions set forth in that certain Declaration of Covenants, Conditions, and Restrictions for Ocean Pointe (Residential), dated September 15, 1998, recorded as Land Court Document No. 2486145, as amended by that certain First Amendment to Declaration of Covenants, Conditions, and Restrictions for Ocean Pointe (Residential), dated October 30, 1998, recorded as Land Court Document No. 2498586 (the "Master Declaration"). The Master Declaration was prepared and executed by the Developer and Developer's affiliated company, HASEKO (Ewa), Inc. (the "Master Declarant"). Upon the subdivision of the second phase of Ke 'Āina Kai (i.e. Area IB), the Developer will record a First Supplemental Declaration of Covenants, Conditions, and Restrictions for Ocean Pointe (Residential) (the "Supplemental Master Declaration") annexing and subjecting all or portions of the second phase (including the Project) to the terms and conditions of the Master Declaration. A copy of the Master Declaration and a proposed draft of the Supplemental Master Declaration have been submitted to the Real Estate Commission as part of this registration.

The purpose of the Master Declaration is to facilitate the development, ownership, and use of the "Property" (as defined in the Master Declaration) and to provide for the formation of the Ocean Pointe Residential Community Association (the "Master Association") that administers the Property. The following is a brief description of some of the significant provisions of the Master Declaration (unless defined herein, capitalized terms shall be defined as set forth in the Master Declaration).

1. Scope. The Master Declarant presently plans to develop (i) a master-planned residential community tentatively consisting of approximately 4,850 dwelling units together with (ii) a contiguous master-planned non-residential development which may include commercial, industrial, resort, and recreational uses, all of which will be known as "Ocean Pointe" (as defined in the Master Declaration). The primary purpose of the Master Declaration is to provide for the maintenance of the "Area of Common Responsibility" and the "Master Facilities" as well as to administer the "Design Guidelines" (as those terms are defined in the Master Declaration) applicable to the residential component of Ocean Pointe. The Property encumbered by the Master Declaration presently includes the land encumbered by the Declaration of Covenants, Conditions, and Restrictions for Ke 'Āina Kai (the "Ke 'Āina Kai Declaration") (described in Exhibit "Q") as well as certain adjacent parcels owned by Master Declarant which will be devoted to roadway and landscaping purposes. The Master Declarant has reserved the right to annex to the Property those portions of the proposed Ocean Pointe project (including the second phase of Ke 'Āina Kai) that are predominantly used for residential purposes (including without limitation for single

or multi-family dwelling purposes or that may in the future be devoted to such uses). The Master Declarant has also reserved the right to withdraw property from the Master Declaration. The Master Declarant's rights to annex and withdraw property from the Master Declaration may be exercised at any time prior to the Last Conveyance Date (which is the date that the last residential dwelling unit proposed to be developed within Ocean Pointe is sold). The Master Declarant's rights to withdraw and annex property are generally covered in Sections 2.2 and 2.3 of the Master Declaration.

2. Amendment. Generally, the Master Declaration can be amended only with the vote of 75% of the units within the Property. However, prior to the termination of the Class B membership (see paragraph 3 below), such amendments will require the approval of the Master Declarant and the Master Declarant has reserved the right to amend the Master Declaration unilaterally (i) for any reason prior to the conveyance any unit within the Property; (ii) as to any unit, lot, or group of units/lots, where the same are owned by Master Declarant or the Developer; (iii) for the purpose of correcting technical defects, to make non-substantive changes, to comply with the requirements of various governmental loan programs, or to comply with various governmental or statutory requirements; (iv) for any other changes that do not have a material adverse effect on the rights of any "Owner" (as defined in the Master Declaration) and the value of any unit not owned by the Master Developer or the Developer; or (v) to annex or withdraw any property pursuant to the Master Declaration or to change the designation of the Area of Common Responsibility. The Master Declarant and the Developer also have the right to amend the Master Declaration unilaterally at any time to exercise their rights that are otherwise reserved or referenced in the Master Declaration. (See generally Section 2.1).

3. Association Membership/Voting. Membership in the Master Association is divided into two classes: (a) Class A members are all Owners (including Master Declarant as to each unit Master Declarant owns) and there will be one vote for each unit; and (b) the sole Class B member is the Master Declarant. The Class B member has the right to select all Master Association board members until the earlier of (i) the date when the total number of units subject to the Master Declaration equals 800; or (ii) December 31, 2010. Thereafter, the Class B member shall have the right to select a majority of the Master Association board members until the termination of the Class B membership which shall occur upon the earlier of: (i) the date when 75% of all of the residential units proposed to be constructed within Ocean Pointe have been sold; (ii) December 31, 2030; or (iii) the date when the Master Declarant elects to terminate its Class B membership. Generally, in all matters other than the election of board members, there shall only be one class of membership (see generally Article III). If Owners are members of a "Community Parcel Association" (as defined in the Master Declaration) (such as the Ke 'Āina Kai Community Association), then all voting rights of such Owners will be exercised by the senior elected officer of that Community Parcel Association.

4. Master Association Powers and Duties.

a. General. The Master Association has broad powers to administer the Property. Generally, the Master Association has the power: (i) to acquire, hold, and dispose of property; (ii) to pay, compromise, or contest real property taxes and assessments on the Master Facilities and other property; (iii) to enforce the Master

Declaration; (iv) to enter into contracts for the purpose of carrying out its duties under the Master Declaration (including management contracts); (v) to collect assessments; (vi) to maintain books and records of its receipts and expenditures; and (vii) to maintain the Master Facilities and Area of Common Responsibility (described below).

b. Master Facilities. The Master Facilities will include property that the Master Association acquires any ownership interest in (whether by deed, lease, easement, license, assignment, or other instrument) and generally may include the following property which Master Declarant in the exercise of its sole discretion may elect to convey to the Master Association: (i) the "Initial Landscaping Lot"; (ii) the "Initial Landscaping Easements"; (iii) the "Entry Lots" (as such terms are defined in the Master Declaration) (provided that the Master Declarant may not convey the Entry Lots to the Master Association prior to the 5th anniversary of the date that the Master Declaration was filed of record in the Land Court); (iv) any improvements which constitute all or any component of the "Non-potable Water System" (as defined in the Master Declaration) serving the Property including associated easements; and (v) components of the circulation and greenbelt systems for the Property, including non-dedicated roadways, pedestrian pathways, bikeways, associated landscaping easements, private parks, open space and all other related property and facilities located within or adjacent to the "Master Declarant Land" (as defined in the Master Declaration) which may be designated by Master Declarant from time to time). The Master Association through the board may also acquire any other property which the board in the exercise of its discretion deems necessary or appropriate. Prior to the time that any of the Master Facilities are transferred to the Master Association, the Master Declarant shall have all rights, duties, and powers reserved to the Master Association in the Master Declaration. (See generally Article IV).

c. Area of Common Responsibility. The Area of Common Responsibility generally consists of those areas designated in the Master Declaration that the Master Association is responsible for maintaining even though the Master Association does not have an ownership interest in such property. Initially, the Area of Common Responsibility includes the following property: (i) the Initial Landscaping Easements, (ii) the Initial Landscaping Lot, (iii) the "Perimeter Mini-Park" (as defined in the Master Declaration) (notwithstanding the conveyance of such property to the Ke 'Āina Kai Community Association), and (iv) all landscaping located within the "Initial Roadway Lots" (as defined in the Master Declaration) (notwithstanding the dedication of such Lots to a governmental entity). Upon the annexation of the second phase of Ke 'Āina Kai (subject to Developer's reserved right not to annex the second phase to Ke 'Āina Kai, as described in Section V.C.1 and Exhibit "Q" of this public report), the Area of Common Responsibility will include the interior mini-park located within the second phase (notwithstanding the dedication of such Lots to a governmental entity). The Area of Common Responsibility may also include in the future the following property when designated in a supplemental Master Declaration: (a) all landscaping located within all other dedicated roadways which are located within, adjacent to, in the vicinity of or which otherwise benefit the Property as determined by the Master Declarant, (b) any of the property generally described in subparagraph 4.b. above as determined by the Master Declarant, (c) the Non-Potable Water System, (d) the Entry Lots (provided, that the effective date of such designation shall in no event occur prior to the fifth (5th) anniversary of the date that the Master Declaration is recorded, and (e) such other property as may be maintained by the Association by agreement. The Area of

Common Responsibility shall not include any property that is transferred to the Master Association and thereby becomes part of the Master Facilities.

5. Use of Master Facilities. Generally, the Owners has a non-exclusive right and easement to use the Master Facilities subject to: (i) any restrictions set forth in any rules adopted by the Master Association; (ii) any restrictions, encumbrances, easements, and rights of way which may be reserved at the time any Master Facilities are transferred to the Master Association; (iii) any road, utility, or similar easements and rights of way which may be required by any governmental entity, or that may be taken under power of eminent domain, or granted or conveyed by the board; and (iv) other rights reserved to the Master Declarant or the Developer in the Master Declaration. Owners may not relinquish rights to use the Master Facilities and thereby avoid their obligations for assessments.

6. Assessments. The Master Association shall have the right to assess Owners common assessments for the expenses incurred by the Master Association (see generally Article VI). The common assessments to be levied on each unit shall be computed as follows:

a. Where the total number of units subject to the Master Declaration at the start of any fiscal year is less than 800, the common assessment to be levied on each unit during such fiscal year shall be computed by multiplying the sum of all common expenses by a fraction, the numerator of which is one (1), and the denominator of which is 800. The Developer shall partially subsidize the common expenses incurred by the Association during such period by paying to the Association an amount equal to the positive difference between the sum of all common expenses and the sum of all common assessments assessed against all units within the Property during such fiscal year and calculated according to the immediately preceding sentence (including units owned by the Developer).

b. Where the total number of units subject to the Master Declaration at the start of any fiscal year equals or exceeds 800, the common assessment to be levied on each unit during such fiscal year shall be computed by multiplying the sum of all common expenses by a fraction, the numerator of which is one (1), and the denominator of which is the total number of units subject to the Master Declaration.

Until the Last Conveyance Date, either the Master Declarant and/or the Developer may annually elect either to pay the common assessments due on their respective unsold units or to pay to the Association the difference between the amount of all common assessments assessed against all units (other than those units owned by Master Declarant and/or Developer) subject to assessment and the amount of the actual expenditures required to operate the Master Association during the fiscal year.

The Master Association shall also be entitled to levy special assessments as follows: (i) against an Owner when an Owner defaults in the performance of its obligations under the Master Declaration, (ii) to make up a shortfall in receipts due to Owner delinquencies; (iii) where the budget is exceeded due to unanticipated circumstances; or (iv) for other reasons determined by the board.

Nonpayment of any assessments will give rise to a lien against the Owner's unit in an amount equal to the unpaid assessments plus interest, attorney's fees, and costs of collection and the board may foreclose on such lien as provided by law, provided, however, that with respect to units whose Owners are members of a Community Parcel Association (such as the Ke 'Āina Kai Community Association), all assessments attributable to such units shall be an obligation of the Community Parcel Association and shall be included as a common expense in the budget of such association. Individual Owners shall not be personally liable for the failure of a defaulting Community Parcel Association to pay its share of assessments and the Master Association shall have recourse only against the defaulting Community Parcel Association and its property.

7. Design Standards. All construction and alteration of improvements within the Property are subject to approval by the Design Review Committee ("DRC") and must be in compliance with the Design Guidelines which will be initially adopted by the Master Declarant (see generally Article VII). It is anticipated that the Design Guidelines applicable to the second phase (including the Project) will be the same or similar to the Design Guidelines which presently apply to the Property. Until the Last Conveyance Date, all members of the DRC will be appointed by the Master Declarant. The DRC will have the authority to grant variances under specified circumstances and shall also have the authority to order the removal of any work which is not performed in accordance with the Master Declaration and Design Guidelines. The administration of the Design Guidelines applicable to a particular Community Parcel may be delegated to such Community Parcel from time to time as provided in the Master Declaration.

8. Additional Reserved Rights of Master Declarant and Developer. Generally, Article VIII of the Master Declaration provides that the Master Declarant and/or Developer (as the case may be) (i) may assign their rights reserved under the Master Declaration to any third party, (ii) may execute and record any instruments necessary (including amendments or supplements to the Master Declaration) which they deem necessary to exercise rights referenced or reserved to them in the Master Declaration, (iii) have reserved the right to conduct sales activities within portions of the Property, (iv) have reserved the right to erect signs within the Master Facilities, (v) have reserved the right to change development plans for the Ocean Pointe project, (vi) have reserved the right to execute specified documents affecting the Property, and (vii) have reserved the right to exercise cross easement agreements on behalf of the Master Association. Master Declarant and Developer have reserved the following additional rights:

a. Easements. Under Section 8.7 of the Master Declaration, the Master Declarant and Developer have reserved for themselves and their designees blanket perpetual easements as well as the right to designate, grant, dedicate, realign, relocate, or cancel perpetual easements for various purposes including access and utility purposes across the Master Facilities. Such easements may be assigned to the Master Association on such terms and conditions as are acceptable to the Master Declarant or Developer, as the case may be.

b. Drainage. During the Initial Term, the Master Declarant shall have the right to select a qualified engineer who shall have the authority to determine the

Master Association's fair and equitable share of drainage control costs within Ocean Pointe. Such drainage control costs may include: (i) the dredging of the marina depicted in the "Master Plan" (as defined in the Master Declaration) (if constructed and as the configuration of same may be altered by Master Declarant in its discretion) or alternatively, the maintenance of a permanent retention basin within Ocean Pointe; and (ii) maintaining all associated drainage channels located within Ocean Pointe. The Master Association's share of all such expenses shall be a common expense of the Master Association and shall be included in the common assessments.

9. Insurance. The Master Association is required to carry the following types of insurance: (i) property casualty insurance on all insurable improvements within the Master Facilities and Area of Common Responsibility; (ii) commercial general liability insurance (with umbrella liability coverage); (iii) worker's compensation insurance (where required by law); (iv) directors and officers liability insurance; (v) fidelity insurance; (vi) non-owned and hired automobile liability coverage, (vii) such additional insurance as the board may determine from time to time. Premiums for insurance carried by the Master Association shall be common expenses which will be included in common assessments.

10. Term. The term of the Master Declaration shall be for a period of fifty (50) years from the date that the Master Declaration is recorded. Thereafter, the Master Declaration shall automatically be extended for successive periods of twenty (20) years unless terminated by a written instrument approved by a 75% of the total votes in the Association.
