Summary of Changes from Earlier Public Reports:

This summary contains a general description of the changes, if any, made by the developer since the last public report was issued. It is not necessarily all inclusive. Prospective buyers should compare this public report with the earlier reports if they wish to know the specific changes that have been made.

No prior reports have been issued by the developer.

Changes made are as follows:

1. Final subdivision approval was obtained to subdivide the land included in the Project from other land within the vicinity of the Project. The land area of the Project is approximately 2.778 acres.
2. The Declaration of Merger of Condominium Phases, the Declaration of Condominium Property Regime, the By-Laws of the Association of Apartment Owners, and the Condominium Map have been recorded in the Bureau of Conveyances of the State of Hawaii. Prior to recordation, each of these documents and the Condominium Map were revised since the issuance of the Preliminary Public Report.
3. The Rules and Regulations have been adopted. These are the equivalent of "House Rules".
4. The form of the Apartment Deed (Two-Year Restriction on Transfer) was revised since the issuance of the Preliminary Public Report. In addition, a second form of Apartment Deed was prepared for purchasers who are subject to a One-Year Restriction on Transfer as disclosed in the Special Disclosure hereinbelow.
5. The form of Disclosure of Real Property Condition Statement was revised since the issuance of the Preliminary Public Report.
6. The Developer plans to construct a fence and/or wall (the "Project Perimeter Fence and/or Wall") at the perimeter of a portion of the Project, as shown on the Condominium Map. The Association of Apartment Owners of the Project shall be responsible for the maintenance and repair of this Project Perimeter Fence and/or Wall.

10. A disclosure on water supply, soil problems and other related issues has been added to page 20 (Additional Information).

SPECIAL DISCLOSURE:

The Developer has agreed with the City and County of Honolulu (which, together with its own Department of Planning and Permitting, is herein called the "City"), that the Developer will offer apartments in the Project for sale to owner-occupants. Notwithstanding any other provision contained in this Public Report to the contrary, during the effective period and pursuant to the terms of Ordinance 99-51, and subject to any restrictions imposed by the City, the Developer may offer and sell apartments within the Project to owner-occupant purchasers free from any conditions relating to (a) eligibility requirements (other than owner-occupancy requirements), (b) two-year restrictions on use and transfer of apartments, and (c) first options by the City to purchase the apartments. However, if Ordinance 99-51 is repealed or if required by the City, offers and sales of apartments in the Project may be subject to eligibility requirements, two-year restrictions on use and transfer of apartments, and first options by the City to purchase the apartments. If apartments are offered without first options by the City to purchase the apartments, the transfer of the apartments to buyers will be made subject to (and the Apartment Deed will so provide) the condition that the apartment will be the buyer's primary residence for at least one (1) year after the recordation of the Apartment Deed (the "Occupancy Period"), and the transfer of the apartment to buyer also will be made subject to (and the Apartment Deed will so provide) certain restrictions on transfer of the apartment during the Occupancy Period.

SPECIAL ATTENTION:

The Developer has disclosed the following:

1. This is a CONDOMINIUM PROJECT, not a subdivision. The yard areas, consisting of the land appurtenant to and under the apartments, are designated as LIMITED COMMON ELEMENTS and are not legally subdivided lots. The lines on the Condominium Map bounding the designated yard areas should not be construed to be the property lines of legally subdivided lots.

The prospective Buyer is cautioned to carefully review this Public Report and the documents filed at the Developer's Sales Office in connection with the Project for further information in connection with the foregoing.

General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

- Proposed
 Recorded - Bureau of Conveyances: Document No. 99-192211
Book _____ Page _____
 Filed - Land Court: Document No. _____

The Bylaws referred to above have been amended by the following instruments (state name of document, date and recording/filing information):

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

2. **Developer:**

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

The Developer may amend the Declaration, By-Laws and Condominium Map (a) at any time prior to the filing of the first apartment conveyance to a party not signatory to the Declaration; (b) to make any amendments required by law, by the Real Estate Commission of the State of Hawaii, by any title insurer issuing title insurance on the Project or any of the apartments, by any institutional lender lending funds on the security of the Project or any of the apartments, by any purchaser, insurer or guarantor of loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable it to purchase, insure or guarantee a loan made on the security of the Project or any of the apartments, or by any governmental agency; (c) to file the "as built" verified statement required by Section 514A-12, HRS; (d) to reflect alterations of the Project which the Developer is permitted to make pursuant to Paragraph 3 of Section R of the Declaration; (e) to reflect alterations of the Project which the Developer is permitted to make pursuant to Paragraph 4 of Section R of the Declaration; (f) to reflect alterations of the Project which the Developer is permitted to make pursuant to Paragraph 5 of Section R of the Declaration; (g) at any time to effect the changes provided in the Declaration of Merger of Condominium Phases referred to in Section S of the Declaration, including the right to merge the Project with one or more condominium projects located or to be located on lands (or a portion or portions thereof) adjacent to the Project site.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit D .

as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit E/F.

as follows:

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit F.

as follows:

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit G describes the encumbrances against the title contained in the title report dated October 11, 1999, and issued by Title Guaranty of Hawaii, Incorporated.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage lien(s) of Developers lender(s)	Buyer's interest is specifically made subject and subordinate to such liens.

F. **Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

SEE SECTION 3 OF EXHIBIT H (DISCLOSURE ABSTRACT)

2. Appliances:

SEE SECTION 3 OF EXHIBIT H (DISCLOSURE ABSTRACT)

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Construction of the Project commenced in May 1999, and the Developer estimates that construction of the Project will be completed in August 2000.

H. **Project Phases:**

The developer [X] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

The Developer, at its option, has the right, but not the obligation, to expand the Project by merging, either through an administrative merger or mergers or an ownership merger or mergers, the Project with one or more condominium projects located or to be located on lands (or a portion or portions thereof) adjacent to the Project site, and to amend the Declaration to provide for such merger or mergers without obtaining the approval, consent or joinder of any owner, mortgagee or purchaser of any apartment, all as set forth in that certain Declaration of Merger of Condominium Phases referred to in Section S of the Declaration.

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

- B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

(Disclosure Abstract)

Exhibit H/ contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

- C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

C. ADDITIONAL INFORMATION NOT COVERED ABOVE

1. ROYAL KUNIA COVENANTS. The Declaration of Condominium Property Regime provides that all present and future apartment owners, tenants and occupants of apartments shall be bound by and subject to the provisions of that certain Declaration of Protective Covenants for Royal Kunia Community dated April 17, 1989, recorded in the Bureau of Conveyances of the State of Hawaii in Liber 23083 at Page 509, as amended from time to time (the "Royal Kunia Covenants"). The Royal Kunia Covenants provide, among other things, that each apartment owner, by virtue of being such an owner, shall be a member of the Royal Kunia Community Association and shall pay assessments to the Royal Kunia Community Association, as set forth in the Royal Kunia Covenants.

2. RESTRICTIONS ON USE AND TRANSFER OF APARTMENTS. The transfer of the apartment to buyer will be made subject to (and the respective Apartment Deed will so provide) the condition that the buyer will use and occupy the apartment at all times for a 2-year period after the purchase, and that if buyer fails to do so, the City shall have the right, in the nature of an option (but shall not be obligated to), repurchase the apartment at a price established as set forth in the respective Apartment Deed. The transfer of the apartment to buyer also will be made subject to (and the respective Apartment Deed will so provide) certain restrictions on transfer of the apartment, including without limitation, a first option to purchase (at a price established as set forth in the respective Apartment Deed) the apartment in favor of the City, for a period of two (2) years after the purchase, in the event that buyer attempts to transfer title to the apartment.

3. REPAIR AND MAINTENANCE OF APARTMENTS AND COMMON ELEMENTS. The By-Laws provide that every apartment owner shall at his own expense at all times well and substantially repair, maintain, amend and keep his apartment, including without limitation all doors, sliding glass doors (if any), windows, window fixtures, and all internal installations within the apartment such as water, electricity, gas (if any), telephone, sanitation, lights, and all other fixtures and accessories belonging to such apartment, if any, and all foundations, walls, floors, ceilings and roofs of such apartment, with all necessary reparations and amendments whatsoever in good order and condition, except as otherwise provided by law or the Declaration, and shall be liable for all loss or damage whatsoever caused by his failure to perform any such work diligently, and in case of such failure after reasonable notice to perform shall reimburse to the Association promptly on demand all expenses incurred by it in performing any such work authorized by the Board of Directors or the Managing Agent.

In addition, each apartment owner shall at his own expense at all times well and substantially repair, maintain, amend and keep (a) the limited common elements

appurtenant to and reserved for the exclusive use of such owner's apartment, including, without limitation, the yard area appurtenant to and reserved for the exclusive use of such owner's apartment, in good order and condition, (b) the planting strip, if any, in front of such owner's apartment, in good order and condition, and (c) the Street Trees (as defined in the By-Laws), if any, in front of or adjacent to such owner's apartment, in accordance with the provisions regarding Street Trees contained in the By-Laws, and shall be liable for all loss or damage whatsoever caused by his failure to perform any such work, and in case of such owner's failure after reasonable notice to keep the limited common elements appurtenant to such owner's apartment as aforesaid, the Association (through the Board of Directors or the Managing Agent) shall have the right (but not the obligation) to perform any such work and the cost thereof shall be charged to such apartment owner as a special assessment constituting a lien against his interest in his apartment which may be foreclosed by the Board or Managing Agent in the same manner as provided in the Condominium Property Act for unpaid common expenses.

Except as hereinabove expressly provided to the contrary, all maintenance, repairs and replacements to the common elements (including without limitation, the Project Perimeter Fence and/or Wall), whether located inside or outside of the apartments, shall be made by the Board and be charged to all the owners as a common expense or a limited common expense; provided, however, that any such maintenance, repair or replacement necessitated by the negligence, misuse or neglect of an apartment owner or occupant or any person under either of them, shall be charged to such apartment owner or the apartment owner of the apartment of such occupant, as a special assessment constituting a lien against his interest in his apartment which may be foreclosed by the Board or Managing Agent in the same manner as provided in the Condominium Property Act for unpaid common expenses.

4. LANDSCAPING OF YARD AREA. Each owner shall commence landscaping of the yard area assigned to his apartment, if any, within ninety (90) days after the closing of the purchase of the apartment and shall complete such landscaping within one (1) year after the closing of the purchase of the apartment (unless the yard area has already been completely landscaped). Before commencing any yard area landscaping, each owner shall submit to the Board of Directors a landscape plan (which shall include, without limitation, a proposed plant/tree list and hardscape plan) for the Board's review and written approval, which approval shall not be unreasonably withheld or delayed, and which approval shall be deemed to be granted if not denied in writing, within sixty (60) days of the Board's receipt thereof. The Board, in determining whether to grant or deny approval of a landscape plan, may consider any landscape requirements that apply to the Project, including, without limitation, those requirements contained in the Land Use Ordinance of the City and County of Honolulu.

5. ADDITIONS AND ALTERATIONS TO APARTMENTS; WARRANTIES. Apartment owners may make certain additions and alterations to the apartments as described in Exhibit C attached hereto. A construction warranty and a termite treatment warranty on the apartments have been or will be provided by or on behalf of the Developer, as described in Exhibits H and I attached hereto. Prior to making any additions or alterations to their apartments, apartment owners should review the terms of these warranties to ensure that the performance of such additions or alterations to the apartments does not void or limit any of the warranties.

6. STREET TREES.

a. One or more trees (the "Street Trees") may have been planted within the public or governmental rights-of-way in front of or adjacent to apartments within the Project. The Street Trees are the property of the City and County of Honolulu;

b. Apartment owners shall use their best efforts to water, weed and fertilize the Street Trees in front of or adjacent to their respective apartments in order to maintain and promote the growth and health of the Street Trees;

c. Apartment owners shall not cut, prune, spray, replace, remove, transplant, injure or destroy any of the Street Trees without the prior consent of the City and County of Honolulu; and

d. Apartment owners shall comply with the City and County of Honolulu's rules relating to planting and maintaining street trees, as they may be amended from time to time (the "Street Tree Rules"). Notwithstanding anything contained herein to the contrary, to the extent that the covenants contained in this paragraph conflict with the Street Tree Rules, the Street Tree Rules shall govern.

7. WATER SUPPLY AND OTHER ISSUES. With respect to any adverse conditions existing in the general neighborhood/area of the Project (such as pesticides, soil problems, water supply issues, irrigation, etc.), studies and reports have been conducted on behalf of the Developer and by Government agencies. Refer to the Developer's Sales Office for copies of such studies and reports and other materials that are within the Developer's possession. The Developer is unaware of any contaminants in the air, soil or water source of the Project in excess of maximum permissible levels as established by governmental agencies. The following also are noted:

a. Wells serving the Project have been turned over to the Board of Water Supply of the City and County of Honolulu (the "Board of Water Supply"). In certain cases, water treatment facilities may be used.

b. The Board of Water Supply administers tests to monitor water quality, the results of which typically are not given to the Developer. The Developer is, however, in possession of a Board of Water Supply water quality report that was sent by the Board of Water Supply to its customers in Village Park and Royal Kunia in August, 1999 (“water quality report”). After treatment test results contained in this water quality report did not reveal any contaminants in excess of Maximum Contaminant Levels, the level defined in the report as the highest level of a contaminant that is allowed in drinking water. It is also further noted that the after treatment test results for Nitrates, which occurs naturally in groundwater and may also come from man made sources, was below both the Maximum Contaminant Level and the Maximum Contaminant Level Goal, which is defined in the report as the level of a contaminant in drinking water below which there is no known or expected risk to health. However, the water quality report indicates that persons caring for an infant should ask advice from their health care provider about Nitrate levels between 5 to 10 ppms and after treatment test results showed levels of Nitrates in this range. The Developer is in possession of a letter from the Board of Water Supply stating that the Board of Water Supply has and/or will provide in its budgets for the design and construction of a Nitrate treatment facility with construction planned for the FY 2001-2002 budget and with construction expected to take another 1 to 1.5 years. Copies of this water quality report and an October 29, 1999 letter from the Board of Water Supply concerning the Nitrate treatment facility are available for review at the Developer’s Sales Office. The Project has the same water source as Village Park.

c. Construction activities, processes (such as steel framing assembly), vehicles, and equipment incidental to construction will be present in the Project. Materials incidental to construction such as fuel, oil, grease, and maintenance of vehicles and equipment may be present.

d. The Project is located on property that was formerly used or was in the vicinity of property that was formerly used for agricultural purposes. Chemicals used in connection with the former agricultural use of the property may have come into contact with the soil. Documents relating to a study of the Characterization of Organic Material and a Phase I Environmental Site Assessment prepared for the Developer are available for review at the Developer’s Sales Office.

e. Media has reported questions raised by residents of Village Park (a residential community in the vicinity of the Project) concerning the possibility that soil, water or other environmental contamination has affected the health of Village Park residents. At times before the development of Royal Kunia and this Project, Village Park received untreated water. The water source is now filtered. A copy of a Board of Water Supply water quality report sent to its customers in Village Park and Royal Kunia in August, 1999 is available for review at the Developer’s Sales Office.

f. On October 7, 1999, various individuals filed a complaint against various defendants in the Circuit Court of the First Circuit, State of Hawaii (Civil No. 99-3757-10). It is alleged in this lawsuit that chemicals used in connection with the planting, cultivation and harvesting of pineapple and sugar cane are present in the air, soil and water of Central Oahu and that plaintiffs have or are suffering harm as a result. To the Developer's knowledge, there has been no judicial determination that the allegations are true. Documents relating to a study of the Characterization of Organic Material and a Phase 1 Environmental Site Assessment prepared for the Developer, and a Soil Sampling Study of the Village Park Community prepared by the Hawaii Department of Health, Office of Hazard Evaluation & Emergency Response (Fact Sheet No. 1, October 1999) are available for review at the Developer's Sales Office. A copy of the complaint in Civil No. 99-3757-10 is also available for review at the Developer's Sales Office.

g. On September 27, 1999, the Board of Water Supply filed a complaint against various defendants in the Circuit Court of the First Circuit, State of Hawaii (Civil No. 99-3618-09). In this lawsuit, the Board of Water Supply alleges, among other things, that it built and will continue to build facilities to remove chemicals used in connection with the growing of pineapple and other activities that have migrated into aquifers and groundwater sources. The Board of Water Supply seeks, among other things, to recover expenses associated with the treatment or filtering of water. There are no allegations of unsafe drinking water and the complaint is not specifically directed at or limited to the water source for Royal Kunia but instead addresses all groundwater sources within the City and County of Honolulu.

D. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

 - (a) Developer warrants that the Apartment is constructed in substantial conformity with the plans and specifications (including any amendments thereof, or changes and variations therein) and against any defects in equipment, material, or workmanship and materials of the Apartment resulting in noncompliance with standards of quality as measured by acceptable trade practices. This warranty shall continue for a period of one (1) year from the date of recordation of the conveyance of title to the original buyer of the Apartment. The Developer shall remedy, at the Developer's expense, any substantial nonconformity or such defects and shall restore any work

damaged in fulfilling the terms and conditions of this warranty. Notwithstanding the generality of the foregoing, Developer's warranty shall not cover defects in any appliances or floor coverings within the Apartment. All appliances and floor coverings within the Apartment shall be covered solely by the warranties of the respective manufacturers thereof and the warranty periods of such warranties may vary.

(b) Developer has contracted or will contract with a licensed soil treatment applicator (the "Applicator") for the pre-construction soil treatment process for the control of subterranean termites and the Developer will require the Applicator to warrant that if termite infestation should occur within one (1) year from the date of treatment of the building in which the Apartment is located, the Applicator will re-treat the soil under the building in which the Apartment is located using the standards in effect at the time of re-treatment. The Applicator shall further agree to repair all construction damage by subterranean termites within the one-year warranty period. Developer will transfer to Buyer any warranty from the Applicator or the Applicator shall issue the warranty directly to Buyer. Developer further agrees without incurring any legal liability, to cooperate with Buyer to have the Applicator perform all warranties for which the Applicator is responsible. Buyer understands that the Developer does not promise that the Applicator will honor his warranties. The one-year warranty period may be extended for Buyers who purchase an Apartment from Developer utilizing certain types of financing.

(c) Developer's obligations under the foregoing warranties are expressly conditioned on written notification by Buyer to Developer of substantial non-conformity, defects or ground termite infestation within the warranty periods set forth above.

(d) Developer warrants against defects in equipment, material, or workmanship and materials of the common elements of the Project resulting in noncompliance with standards of quality as measured by acceptable trade practices for a period of one (1) year from the date of original conveyance of title for the first apartment in the Project that is conveyed by Developer to one or more third parties other than the Developer and shall apply only to such instances of defects as to which the Association shall have given written notice to the Developer within said period of one (1) year.

(e) Buyer understands and acknowledges that the City and County of Honolulu (which, together with its own Department of Planning and Permitting, is herein called the "City") is not a party to the development or sale of the Property. Therefore, the Buyer indemnifies and holds harmless the City, its officers, employees and agents, against any of the Buyer's claims arising from the purchase of the Property and against any damages suffered by the Buyer resulting from workmanship or materials; provided that this agreement to indemnify and hold harmless shall not be applicable to, and shall not extend to obligate, any institutional lender or investor (including any successor or assign) who

holds a mortgage covering the Property or who takes title to the Property upon foreclosure or by way of deed in lieu of foreclosure or otherwise, and provided, further, that this agreement to indemnify and hold harmless shall likewise not be applicable to, and shall not extend to obligate, any owner or holder of the Property who is in the chain of title subsequent to such institutional lender or investor.

4. **BREAKDOWN OF ANNUAL MAINTENANCE CHARGES AND ESTIMATED COSTS FOR EACH APARTMENT:**

Attached to this Disclosure Abstract as Exhibit "A" is a breakdown of the annual maintenance charges and the monthly estimated cost for each apartment in the Project, prepared by PWI Real Estate, Inc., a Hawaii corporation, for the one-year period commencing June 1, 1999 and certified to have been based on generally accepted accounting principles. The attached breakdown of annual maintenance charges and the estimated cost for each apartment are subject to change based on actual costs of the items listed. The Developer can make no assurances regarding the estimated maintenance assessments. Variables such as inflation, uninsured casualty loss or damage, increased or decreased services from those contemplated by the Developer, apartment owner delinquencies and other factors may cause the maintenance assessments to be greater or less than the estimated maintenance assessments. The breakdown of the estimated cost for each apartment contained in this Disclosure Abstract does not include the Buyer's obligation for the payment of the Royal Kunia Community Association initiation assessment of \$100.00 or the Royal Kunia Community Association dues (as of January 1, 1999, \$21.97 per month) or real property taxes, and does not include or otherwise take into account the one-time "start-up" fee required to be paid in addition to the normal maintenance charges. Estimates of the real property taxes will be provided by the Developer upon request.

NOTE: THE DEVELOPER ADVISES THAT COSTS AND EXPENSES OF MAINTENANCE AND OPERATION OF A CONDOMINIUM PROJECT ARE VERY DIFFICULT TO ESTIMATE INITIALLY AND EVEN IF SUCH MAINTENANCE CHARGES HAVE BEEN ACCURATELY ESTIMATED, SUCH CHARGES WILL TEND TO INCREASE IN AN INFLATIONARY ECONOMY AND AS THE IMPROVEMENTS AGE. MAINTENANCE CHARGES CAN VARY DEPENDING ON SERVICES DESIRED BY APARTMENT OWNERS. THE BUYER SHOULD EXAMINE THE MAINTENANCE CHARGE SCHEDULE TO SEE WHAT SERVICES ARE INCLUDED IN THE SCHEDULE.

5. TEMPORARY ASSUMPTION BY DEVELOPER OF ACTUAL COMMON EXPENSES:

The Developer will assume all the actual common expenses of the Project (and therefore an apartment owner will not be obligated for the payment of his respective share of the common expenses) until such time as the Developer files with the Real Estate Commission of the State of Hawaii an amended Disclosure Abstract which states that after a date certain, the respective apartment owner shall thereafter be obligated to pay for his respective share of common expenses that is allocated to his apartment; provided, however, that such amended Disclosure Abstract shall be filed at least 30 days in advance with the Real Estate Commission, with a copy thereof being delivered either by mail or personal delivery after the filing to each of the apartment owners whose maintenance expenses were assumed by the Developer. The Developer shall have no obligation to pay for any cash reserves or any other reserve amounts with respect to or attributable to the period during which the Developer assumes the actual common expenses of the Project.

6. ROYAL KUNIA COMMUNITY ASSOCIATION DUES:

Each apartment owner will be required to be a member of the Royal Kunia Community Association. As such member, each apartment owner will be required to pay Royal Kunia Community Association an initiation assessment of \$100.00 and monthly dues, which, as of January 1, 1999, are \$21.97 per month.

SUMMARY OF SALES AGREEMENT

A specimen Reservation and Sales Agreement, together with a specimen V.A. Addendum to Reservation and Sales Agreement [applicable only to buyers who are eligible and apply for Veterans' Administration guaranteed loans] and a specimen Co-Mortgagor Addendum to Reservation and Sales Agreement (collectively the "Sales Agreement"), have been submitted to the Real Estate Commission and are available in the Sales Office of the Seller. ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE SALES AGREEMENT, INCLUDING THE APPLICABLE ADDENDUM, IN FULL, since this summary is NOT A COMPLETE DESCRIPTION of their provisions. The Sales Agreement, among other things, covers in more detail the following items:

1. (a) Seller warrants that the Apartment is constructed in substantial conformity with the plans and specifications (including any amendments thereof, or changes and variations therein) and against any defects in equipment, material, or workmanship and materials of the Apartment resulting in noncompliance with standards of quality as measured by acceptable trade practices. This warranty shall continue for a period of one (1) year from the date of recordation of the conveyance of title to the original buyer of the Apartment. The Seller shall remedy, at the Seller's expense, any substantial nonconformity or such defects and shall restore any work damaged in fulfilling the terms and conditions of this warranty. Notwithstanding the generality of the foregoing, Seller's warranty shall not cover defects in any appliances or floor coverings within the Apartment. All appliances and floor coverings within the Apartment shall be covered solely by the warranties of the respective manufacturers thereof and the warranty periods of such warranties may vary.

(b) Seller has contracted or will contract with a licensed soil treatment applicator (the "Applicator") for the pre-construction soil treatment process for the control of subterranean termites and the Seller will require the Applicator to warrant that if termite infestation should occur within one (1) year from the date of treatment of the building in which the Apartment is located, the Applicator will re-treat the soil under the building in which the Apartment is located using the standards in effect at the time of re-treatment. The Applicator shall further agree to repair all construction damage by subterranean

termites within the one-year warranty period. Seller will transfer to buyer any warranty from the Applicator or the Applicator shall issue the warranty directly to buyer. Seller further agrees without incurring any legal liability, to cooperate with buyer to have the Applicator perform all warranties for which the Applicator is responsible. Buyer understands that the Seller does not promise that the Applicator will honor his warranties. The one-year warranty period may be extended for buyers who purchase an Apartment from Seller utilizing certain types of financing.

(c) Seller's obligations under the foregoing warranties are expressly conditioned on written notification by buyer to Seller of substantial non-conformity, defects or ground termite infestation within the warranty periods set forth above.

(d) Seller warrants against defects in equipment, material, or workmanship and materials of the common elements of the Project resulting in noncompliance with standards of quality as measured by acceptable trade practices for a period of one (1) year from the date of original conveyance of title for the first apartment in the Project that is conveyed by Seller to one or more third parties other than the Seller and shall apply only to such instances of defects as to which the Association shall have given written notice to the Seller within said period of one (1) year.

(e) Buyer understands and acknowledges that the City and County of Honolulu (which, together with its own Department of Planning and Permitting, is herein called the "City") is not a party to the development or sale of the Property. Therefore, the Buyer indemnifies and holds harmless the City, its officers, employees and agents, against any of the Buyer's claims arising from the purchase of the Property and against any damages suffered by the Buyer resulting from workmanship or materials; provided that this agreement to indemnify and hold harmless shall not be applicable to, and shall not extend to obligate, any institutional lender or investor (including any successor or assign) who holds a mortgage covering the Property or who takes title to the Property upon foreclosure or by way of deed in lieu of foreclosure or otherwise, and provided, further, that this agreement to indemnify and hold harmless shall likewise not be applicable to, and shall not extend to obligate, any owner or holder of the Property who is in the chain of title subsequent to such institutional lender or investor.

2. The Condominium Map for the Project is intended to show only the layout, location, apartment numbers and dimensions of the apartments in the Project. BUYER AGREES THAT THE CONDOMINIUM MAP IS NOT INTENDED TO BE AND IS NOT A WARRANTY OR PROMISE OF ANY KIND BY SELLER.

3. Buyer understands and agrees that (a) Seller's obligation to provide landscaping within the common elements of the Project will be deemed fully satisfied upon planting of the plant materials (which need not be in full coverage and maturity) and installation of the irrigation system pursuant to Seller's landscaping plans, as the same may be amended from time to time in Seller's sole discretion; (b) installation of the plant materials and irrigation system may be completed after the Closing Date; (c) full maturity of the plant materials will only be reached over an extended period of time and Seller is not responsible for providing landscaping maintenance to reach full coverage and maturity; and (d) the Association will be responsible for maintaining the landscaping after installation thereof, even if the landscaping has not reached full coverage or maturity.

4. Seller may (but does not have to) cancel the Sales Agreement (a) if the buyer's mortgage loan application is rejected or not approved within 60 days after application, or (b) if the buyer plans to pay the purchase price in cash but Seller is not satisfied for any reason with the buyer's ability to make the cash payments.

5. BUYER AGREES THAT NO ONE (INCLUDING THE SELLER OR ANY SALESPERSON) HAS TALKED TO BUYER AT ALL ABOUT ANY RENTAL INCOME OR RENTAL OR SALES SERVICES FOR BUYER'S APARTMENT. IF BUYER WANTS TO RENT OR SELL THE APARTMENT, HOW BUYER DOES IT WILL BE UP TO BUYER SUBJECT TO THE RESTRICTIONS CONTAINED IN THE SALES AGREEMENT. BUYER ALSO AGREES THAT NO ONE HAS TALKED TO BUYER AT ALL ABOUT INCOME FROM THE APARTMENT OR ANY OTHER ECONOMIC BENEFIT TO BE DERIVED FROM THE PURCHASE OR OWNERSHIP OF THE APARTMENT OR ABOUT THE TAX EFFECTS OF BUYING THE APARTMENT.

6. Buyer will pay for the following closing costs: all of the Escrow fee, all notary fees, all appraisal fees, all recording costs, all charges for buyer's credit report, all costs of preparing any mortgages and promissory notes, and all title insurance costs. Buyer will also pay all mortgage costs. Buyer will also pay a nonrefundable start-up fee which will be held and used by the Seller and the first Managing Agent of the Association as a working capital fund for the benefit of all the apartment owners. Buyer agrees that Seller does not have to pay any start-up fee for any apartment in the Project even if it is owned by Seller. Proration of maintenance charges and other common expenses, and real property taxes will be made as of the scheduled Closing Date.

7. The buyer agrees that buyer may not transfer the Sales Agreement or any of buyer's rights or interests under the Sales Agreement without first getting Seller's written consent (which Seller may withhold in its sole and absolute discretion).

8. Buyer understands that Seller has agreed with the City that Seller will offer certain apartments in the Project for sale initially only to eligible "Moderate Income Purchasers" as that term is defined below. The Seller has further agreed with the City that "Moderate Income Purchasers" will be eligible, based upon family size and income, to purchase selected apartments in the Project offered for sale within designated price ranges, in accordance with guidelines established by the City. Buyer represents to Seller that buyer is a "Moderate Income Purchaser". The term "Moderate Income Purchaser" as used herein means an owner-occupant buyer whose income (including the income of all members of such buyer's household) does not exceed 140% of the median income (adjusted for family size) for the City and County of Honolulu, as most recently determined by the United States Department of Housing and Urban Development. The following are such income limits (as of May 1999) by family size for the Project:

<u>Family Size</u>	<u>Median</u>	<u>140% Income Limit</u>
1	\$42,280	\$ 59,190
2	48,320	67,650
3	54,360	76,100
4	60,400	84,560
5	65,230	91,320
6	70,060	98,090
7	74,900	104,850
8	79,730	111,620

If Seller or the City shall determine that buyer is not a "Moderate Income Purchaser", Seller shall have the right to cancel the Sales Agreement at any time. If Seller cancels the Sales Agreement as aforesaid, Seller will tell Escrow to give buyer back all of buyer's payments, without interest, and neither party will have any other obligations under the Sales Agreement or relating to the Project. Buyer shall be responsible for the escrow cancellation fee and all other costs associated with the purchase, up to a maximum of \$250.00. Buyer further understands that all of the apartments in the Project may not be sold to eligible "Moderate Income Purchasers", and apartments in the Project may be sold to purchasers who do not qualify as eligible "Moderate Income Purchasers", without restrictions on use and transfer of such apartments.

9. That certain Declaration of Merger of Condominium Phases recorded or to be recorded in the Bureau of Conveyances of the State of Hawaii (hereinafter called

the "Declaration of Merger"), among other things, gives Seller the right, in its sole and absolute discretion, to cause and effect an administrative merger or mergers of the Project with a condominium project or projects located or to be located on lands (or a portion or portions thereof) adjacent to the land of the Project, as part of the same incremental plan of development of the Project, such that the use of the respective common elements, the respective common expenses and the management of the respective affairs of the Project and the additional phases are shared, and the administration of the Project and the additional phases is unified under one association of apartment owners, but the ownership interests of the apartment owners in the Project and the additional phases are not altered or affected. The Declaration of Merger also gives the Seller the right, in its sole and absolute discretion, to cause and effect an ownership merger or mergers of the Project and the additional phases, as an alternative to an administrative merger or mergers of the Project and the additional phases, to provide for the common ownership of the Project and the additional phases by all of the apartment owners of the Project and the additional phases. Upon an ownership merger, all of the apartments in the merged phases shall be treated as though they were all included in a single condominium project (the "Merged Project"), all common elements of the merged phases will become the common elements of the Merged Project, and the common interest appurtenant to the Apartment shall be altered from the percentage set forth in Article I of the Sales Agreement to a percentage as set forth in the "Certificate of Ownership Merger" recorded by the Seller, in accordance with the Declaration of Merger. Nothing herein will be deemed to require Seller to develop the additional phases or to merge the additional phases into the Project, or to prohibit Seller from dealing with any lands adjacent to the Project not merged with the Project, including without limitation, developing all or any part of such lands for purposes inconsistent with the merger of such lands into the Project.

10. The transfer of the Property to buyer will be made subject to (and the apartment deed will so provide) certain restrictions on use and transfer, including, without limitation, (a) a first option to purchase the Property at a designated price, in favor of the City, in the event buyer violates the covenant requiring buyer to occupy the Property for a period of two (2) years from the date of the conveyance of the Property to buyer, as more particularly described in the apartment deed, and (b) a first option to purchase the Property at a designated price, in favor of the City, for a period of two (2) years from the date of the conveyance of the Property to buyer, in the event buyer desires to transfer title to the Property, as more particularly described in the apartment deed.

11. Seller has given to and/or may give to one or more lenders a mortgage or mortgages, security agreement or agreements, and other instruments securing repayment of loan(s) and covering Seller's ownership rights in the Project, including the individual apartments. All of the rights and interests which Seller gives to the lender or lenders will

have priority over the buyers' rights and interests under the Sales Agreements. This applies to any changes to the loan or loans or the mortgage or mortgages, security agreement or agreements or other instruments (including, among other things, extensions, renewals and other changes). The buyers give up and subordinate the priority of their rights and interests under the Sales Agreements in favor of the rights and interests of Seller's lenders until the final closing and delivery of signed apartment deeds to the buyers. If Seller's lender or lenders ask the buyers to do so, the buyers will sign other documents to confirm the promises and agreements mentioned above.

12. Conditions Affecting the Property and Project. The buyer understands, acknowledges, covenants and agrees to the following:

(a) Military Effects. The Project is located in the vicinity of Barbers Point Naval Air Station and the Department of Navy-Naval Magazine Waikale Branch Blast Zone (collectively, the "Military Facilities"), aircraft from the Military Facilities may fly in the proximity of or directly over the Property or the Project, military activities will be conducted on or near the Military Facilities, and such overflights and other military activities may result in noise, dust, vibration, and other nuisances, disturbances or hazards (collectively, the "Military Effects") to persons and property on or within the Property or the Project;

(b) Agricultural Effects. The Project is located on and is near or adjacent to lands and easements used for or in connection with the cultivation of pineapple, sugar cane and diversified agricultural operations, which may include, but are not limited to, open burning, trucking, plowing, hauling, fertilizing, grading, storing, herbicide and pesticide spraying, crop dusting, water diversion, irrigation, and all other activities incidental to the planting, cultivating, harvesting and processing of crops, including night time activities, and the grazing and raising of livestock, poultry and other animals, which may from time to time cause surface water runoff, noise, soot, smoke, dust, light, heat, vapors, odors, chemicals, vibrations, insect pests, and other substances and phenomena of every description (collectively, the "Agricultural Effects") to be discharged, emitted, dispersed or transmitted over and upon the Property or the Project which may bother or be a nuisance to the buyer and any person occupying or using the Property, and the buyer also acknowledges that the Hawaii Right to Farm Act (Chapter 165 of the Hawaii Revised Statutes) and Hawaii law limit the circumstances under which farming operations may be deemed to be a nuisance;

(c) Utility Effects. The Property is or may be located adjacent to or in the vicinity of electric, water and other utilities and public roads and thoroughfares, including, without limitation, such things as electrical substations, electrical substation

access roads, high-powered electrical transmission lines, water pump stations, water tanks, reservoirs, freeways and exit ramps which may result in nuisances, such as noise and dust, disturbances or hazards (collectively, the "Utility Effects") to persons and to property on or within the Property. In recent years, concerns have been raised about possible adverse health effects of electric and magnetic fields from power lines. Seller is not insuring or guaranteeing the health of buyer or other occupants or users of the Property and disclaims liability for personal injury, illness or any other loss or damage caused by or arising from the Utility Effects including, without limitation, the presence or malfunction of any electrical distribution systems that may be located adjacent to, near, or over any part of the Property;

(d) Development Effects. (i) The Project is or may be located adjacent to or in the vicinity of other phases of Expressions at Royal Kunia, a public park, and various construction activities, including, but not limited to, ongoing residential and related construction, proposed construction of future residential subdivisions and roads, road widening, commercial and office buildings, retail establishments, land development activities, one or more recreational centers and facilities, a golf course, and other construction and development projects (collectively, the "Proposed Development"); (ii) construction of the Proposed Development will or may result in noise, dust, vibration and other nuisances, disturbances or hazards to buyer and to persons and property on or within the Property or the Project, and may limit buyer access to the Project; (iii) when completed, traffic, lights, noise, dust, vibration and other nuisances, disturbances or hazards to persons and property on or within the Property or the Project may be generated from the Proposed Development; (iv) no representations or warranties are made by Seller, its employees or agents concerning plans, or the absence of plans, by Seller or others for future development of adjacent or nearby properties, and any plans for the future development of adjacent and nearby properties by Seller are subject to change in the sole and absolute discretion of the Seller or its successors and assigns; and (v) Seller makes no representations regarding the view from the Property or any view easements or rights, and the views from the Property are not guaranteed and may be altered, diminished, eliminated or blocked entirely by the future development of adjacent or surrounding properties (items (i) through (v) are hereinafter collectively called the "Development Effects"); and

(e) Waiver, Release and Indemnity. Buyer represents and warrants to Seller that buyer, in buyer's sole discretion, has determined that the benefits of owning and enjoying the Property outweigh the risks of the Military Effects, the Agricultural Effects, the Utility Effects and the Development Effects (collectively, the "Property Conditions"). Buyer hereby irrevocably agrees to suffer and permit all actions and consequences incidental to the Military Effects, the Agricultural Effects, and the Utility Effects. Buyer hereby irrevocably agrees to suffer and permit all actions and consequences

incidental to the Development Effects, for a period of ten (10) years after the date of recordation of the Apartment Deed. Buyer hereby covenants and agrees to assume all risks of impairment of buyer's use and enjoyment of the Property or the Project, loss of market value of the Property, and property damage or personal injury arising from the Property Conditions, and buyer, for the buyer and the buyer's tenants, lessees, family, servants, guests, invitees, licensees, agents, employees, and those who use the Property through the buyer for an extended period of time (collectively, the "Occupants"), hereby waives any claims or rights of action or suits against Seller, its successors and assigns, the City and County of Honolulu, the State of Hawaii, and any agency or subdivision of the foregoing, arising from such impairment of the Occupants' use and enjoyment of the Property or the Project, loss of market value of the Property, and property damage or personal injury arising from one or more of the Property Conditions. Buyer shall indemnify, hold harmless and defend Seller, its successors and assigns, the City and County of Honolulu, the State of Hawaii, and any agency or subdivision of the foregoing, from any and all liability, claims, losses, damages, or expenses, including attorneys' fees, arising from such impairment of the Occupants' use and enjoyment of the Property or the Project, loss of market value of the Property, or property damage or personal injury to the property or person of the Occupants as a result of one or more of the Property Conditions. Buyer further covenants that buyer will notify all Occupants and transferees of the Property of the risks of the Property Conditions.

13. If buyer fails to make any payment when it is due or fails to keep any of buyer's other promises or agreements contained in the Sales Agreement, then Seller will have the right, at Seller's sole option and in addition to any other rights contained in the Sales Agreement, to do any one or more of the following:

(a) Seller may cancel the Sales Agreement by giving buyer written notice of cancellation and Seller may keep all sums paid by buyer under the Sales Agreement as "liquidated damages" (i.e., the amount agreed to by buyer and Seller as properly payable in settlement for breach of contract), and not as a penalty. Without limiting the generality of the foregoing, buyer understands and acknowledges that if buyer defaults under the Sales Agreement after it has become a binding contract (as described in Article V, Section E.1 of the Sales Agreement), Seller may keep the Option Deposit (as defined in the Sales Agreement) in addition to all other sums paid by buyer under the Sales Agreement. If Seller cancels the Sales Agreement, buyer agrees that it will be difficult and expensive to determine the amount of loss or damage Seller will suffer. This is because of, among other things, Seller's commitments relating to the financing of the Project, the effect of default and cancellation of one sale on other apartment sales, and the nature of the real estate market in Hawaii. Buyer agrees that the sums paid by buyer under the Sales

Agreement are a reasonable estimate of a fair payment to Seller for Seller's loss or damage resulting from buyer's default.

(b) Seller may file a lawsuit for damages.

(c) Seller may file a lawsuit for "specific performance" (in other words, a lawsuit to make buyer keep all of buyer's promises and agreements).

(d) Seller may take advantage of any other rights which the law allows or which Seller may have under the Sales Agreement.

Buyer also agrees to pay for all costs, including Seller's reasonable lawyers' fees (for both in-house and outside counsel) and the escrow cancellation fee, which are incurred because of buyer's default.

14. If Seller fails to keep any of Seller's promises or agreements contained in the Sales Agreement, buyer may require Seller to go through with the Sales Agreement unless the Sales Agreement is only a "reservation" in which case the terms of Article V, Section E.1 of the Sales Agreement will control, or buyer may cancel the Sales Agreement. If buyer cancels the Sales Agreement because of Seller's default, Seller will repay to buyer all sums paid by buyer to Seller or Escrow under the Sales Agreement, without interest.

BUYER AGREES THAT IF SELLER DEFAULTS UNDER THE SALES AGREEMENT AT ANY TIME, BUYER WILL ONLY HAVE THE RIGHTS MENTIONED IN THIS SECTION. BUYER GIVES UP ANY OTHER RIGHTS BUYER MIGHT OTHERWISE HAVE.

15. (a) If Closing occurs and any dispute or claim arises out of the Sales Agreement or in any way is connected with the design, development, construction, sale, marketing, financing, warranties, or any other activity or matter relating to the Property, between buyer and Seller (a "Dispute"), and the parties to such Dispute are unable to resolve the Dispute through negotiation, buyer and Seller each agree first to attempt in good faith to settle such Dispute by non-binding mediation conducted in Honolulu, Hawaii. The mediation shall be conducted under the Commercial Mediation Rules of the American Arbitration Association ("AAA") except as may be inconsistent with this section; provided, however, that the parties may agree on the selection of a single mediator instead of having a mediator appointed by AAA, and the parties may agree to use a recognized mediation service other than AAA. The costs for the mediator shall be shared equally by the parties, and each party shall be responsible to pay all other fees and costs, including attorneys' fees, that it incurs in connection with the mediation. At Seller's option, the mediation shall

include any of Seller's agents, architects, consultants, engineers, contractors, subcontractors, suppliers, representatives or other third parties (the "Other ADR Parties") as parties.

(b) If Closing occurs and the parties are unable to resolve the Dispute through mediation as provided in the preceding section within 30 calendar days after either party's written request to the other to commence the mediation process, then such Dispute shall be decided in Honolulu, Hawaii, by neutral binding arbitration. The arbitration shall be conducted before a single arbitrator acting under the Commercial Arbitration Rules of the AAA, except as may be inconsistent with this section; provided, however, that the parties may agree on the selection of a single arbitrator instead of having an arbitrator appointed by AAA, and the parties may agree to use a recognized arbitration service other than AAA. Judgment upon an award rendered by the arbitrator may be entered in any court having jurisdiction thereof in accordance with Chapter 658 of the Hawaii Revised Statutes. The costs for such arbitrator shall be shared equally by the parties, and each party shall be responsible to pay all other fees and costs, including attorneys' fees, that it incurs in connection with the arbitration. No punitive damages shall be awarded in any Dispute involving buyer, Seller or any Other ADR Parties. At Seller's option, the arbitration shall include any of the Other ADR Parties as parties.

SUMMARY OF ROYAL KUNIA COVENANTS

Apartment owners, tenants and occupants of apartments in the Project are subject to the Declaration of Protective Covenants for Royal Kunia Community dated April 17, 1989, recorded in the Bureau of Conveyances of the State of Hawaii in Liber 23083 at Page 509, as amended from time to time (the "Royal Kunia Covenants"). ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE ROYAL KUNIA COVENANTS IN FULL, since this summary is NOT A COMPLETE DESCRIPTION of its provisions. The Royal Kunia Covenants, among other things, cover in more detail the following items:

1. All buyers automatically become a member of the Royal Kunia Community Association upon issuance of the apartment deed to buyer, and buyer must pay dues to the Royal Kunia Community Association. As of January 1, 1999, these dues are \$21.97 per month. An initiation assessment must also be paid to the Royal Kunia Community Association.
2. All buyers and future owners of the Property are bound by various restrictions, including, but not limited to, restrictive covenants pertaining to the use of areas within Royal Kunia and the construction of improvements. The Royal Kunia Covenants may be amended by appropriate voting percentage of the Royal Kunia Community Association.
3. A Declarant ("Declarant") under the Royal Kunia Covenants may annex additional property owned by such Declarant in the Hoaeae and Waikele area to Royal Kunia. The Royal Kunia Community Association may also annex adjacent property subject to certain approval rights of voting members. Kunia Residential Partners and Halekua Development Corporation are currently the Declarants under the Royal Kunia Covenants.
4. A Declarant may also (i) amend, repeal, add to or limit the effect of

any covenants, conditions, limitations or restrictions set forth in Articles III and IV of the Royal Kunia Covenants (concerning land classifications and restrictions on use and improvements) with respect to property in Royal Kunia owned by the Declarant, and (ii) add additional covenants, conditions, limitations and restrictions to any property owned by the Declarant.

5. Each Declarant has reserved the right to exclude from the operation and effect of the provisions of the Royal Kunia Covenants (i) areas which are isolated and separated from the rest of Royal Kunia by natural features such as cliffs, raviness, gullies and streams, including any Condominium Apartment Area, abandoned park sites and phases along the fringe areas of Royal Kunia, or areas determined to be economically not feasible for inclusion within the development, (ii) areas owned by the Declarant, (iii) areas owned by certain agencies, institutions and other organizations, and (iv) areas designated for non-residential development such as commercial, industrial and golf course use.
6. All land within Royal Kunia is classified by area type. Each Declarant has the right to designate and redesignate the areas it develops into the land classifications described in the Royal Kunia Covenants. Each Declarant has reserved the right to change its development plans and land classifications from time to time.
7. The Declarants reserve the right to increase the number of Design Committee members and the Declarant with the most votes may appoint Design Committee members for a specified period of time.
8. Each Declarant is a member of the Royal Kunia Community Association and has voting rights as described in the Royal Kunia Covenants so long as the Declarant owns property within Royal Kunia.
9. The Declarants have the right to convey property to the Royal Kunia Community Association.
10. A Declarant has the right to transfer some or all of its rights under the Royal Kunia Covenants to the Royal Kunia Community Association or anyone who acquires undeveloped land in Royal Kunia.
