General Information on Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium is:

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium is:

<input type="checkbox"/>	Recorded -	Bureau of Conveyances:	Document No.	_____
			Book	_____ Page _____
<input checked="" type="checkbox"/>	Filed -	Land Court	Document No.	<u>2703476</u>

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

Bylaws	65%	<u>65%</u>
House Rules	---	<u>51%</u>

* The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. **Developer:**

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules: The Developer has reserved the right to make any changes to said documents, and any other documents affecting this Project, as may be required by law, any title insurance company, or as Developer decides is necessary, all without the consent or approval of the Buyer, provided that the changes do not substantially impair the prospective use and enjoyment of the apartments; materially alter the arrangement of the rooms or reduce the usable space within the apartment; render unenforceable the Buyer's mortgage loan commitment; alter Buyer's share of common expenses or reduce the obligations of the Seller for common expenses on unsold apartments. Developer also reserves the right to file the as-built verified statement required by Section 514A-12, Hawaii Revised Statutes, as amended, and also to make any changes to the documents necessary in connection with the merger of this Project as set forth in paragraph H, page 16 of this report.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

NOT APPLICABLE.

11. Conformance to Present Zoning Code

a. No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	<u> </u>	<u> </u>
Structures	<u>X</u>	<u> </u>	<u> </u>
Lot	<u>X</u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration are:

described in Exhibit B

as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit _____ .

as follows:

- (a) Parking stalls appurtenant to the apartment;
- (b) Mailbox bearing the same designations as the apartment;
- (c) Yard areas as shown on the Condominium Map; and
- (d) All other common elements which are rationally related to less than all of the apartments in the Project.

NOTE: Each apartment and the limited common elements referenced above do not comprise a legally subdivided individual lot.

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest". It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interest for the apartments in this project as described in the Declaration, are:

described in Exhibit A

as follows:

E. **Encumbrance Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit C describes the encumbrances against the title contained in the title report dated May 10, 2001 and issued by Island Title Corporation

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

- [] There are no blanket liens affecting title to the individual apartments.
- [X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage	Lender has priority over Buyer's rights under a sales contract, and has a right to terminate sales contracts upon foreclosure of its mortgage before an apartment sale is closed. Should the lender terminate Buyer's sales contract, Buyer shall be entitled to a refund of all deposits, less escrow cancellation fee.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:** The Developer warrants against defects in the apartment due to faulty material or workmanship which are discovered and brought to the attention of Developer within one year from the date of conveyance of title to the Buyer or the date of occupancy, whichever occurs first. In addition, the Developer warrants the common elements against all defects for a period of two years from the date of completion of the common elements or two years from the date the first apartment in the Project is conveyed to a Buyer other than the Developer, whichever is later. For purposes of this warranty, the Developer agrees to repair, renovate, restore or replace any defective material or workmanship within the respective warranty periods. **ROUTINE MAINTENANCE WORK IS NOT COVERED BY ANY WARRANTY.**
2. **Appliances:** Warranties on appliances furnished with an apartment are not provided by the Developer. The execution and delivery of the apartment deed will operate as an assignment from the Developer to the Buyer of the respective manufacturers' or dealers' warranties, if any.

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Construction commenced in mid-May, 2001 and is expected to be completed in August, 2001.

H. **Project Phases:**

The developer [X] has has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

Each phase of AVALON will be a separate condominium community. Developer will "merge" some or all of the phases of AVALON with other condominium communities on the property covered by the same Joint Development Agreement, including all phases of Lombard Way, Suncrest and The Shores at Suncrest (see page 20A, paragraph 5) for the purposes of sharing common area costs shared by the various communities (such as roadways, street lighting and landscaping). This means that the owners and occupants of the merged phases will share the use of the common elements and the common expenses of those phases. Certain common area costs unique to a particular condominium community which should not be shared with other communities will be allocated to the condominium community affected. Upon merger, Buyer will have a new percentage interest for voting and maintenance fee purposes only. Buyer's ownership interest will not be affected. Developer will record a certificate of administrative merger which will state the effective date of the new percentage interest. Developer is not obligated to merge all phases of AVALON. Developer may merge other phases into already merged phases of AVALON at a later time.

C. ADDITIONAL INFORMATION NOT COVERED ABOVE

1. Developer is selling AVALON, PHASE 7 apartments pursuant to affordable housing requirements imposed by the City and County of Honolulu (the "City"). We will require information from you regarding income and household size to provide to the City for information purposes.

2. Construction of AVALON, PHASE 7 and other phases of AVALON (together "AVALON") will be ongoing for several months while units are being occupied. This ongoing construction will create dust, noise and increased traffic in the vicinity of occupied units. Certain hazardous conditions relating to the construction may also exist for a period of time. Additionally development of the areas around AVALON will cause dust in and around the Project for several years as development in Ewa by Gentry continues. Buyer understands that Developer will make efforts to minimize the dust but that it is an inevitable result of the ongoing construction.

3. Sales activities for AVALON and neighboring communities will be ongoing for several months. This may result in increased traffic and noise in the vicinity of the sales office. Portions of the common areas may be used for signage and other sales activities for a period of time while sales are ongoing.

4. Buyer understands and acknowledges that certain activities will occur on and about AVALON ("Activities Affecting AVALON") as follows:

(a) AVALON is bordered on the mauka side by SEA BREEZE, a single family community. The makai side borders Iroquois Point Road, a major roadway which is occasionally used by the Department of the Navy in transporting aircrafts and munitions. Holomua School and a future park site border the ewa side of AVALON. The land immediately adjacent to AVALON on the Diamond Head side is an area denoted by the Navy as an Explosive Safety Hazard Zone in connection with munitions that may be loaded onto ships at West Loch at the Lualualei Naval Magazine. This area, which extends to West Loch, will have restricted development required by the Navy. The Navy has leased portions of this area for agricultural use, which may create dust and noise. Because this area is undeveloped, there may also be pests such as cockroaches and other insects for a period of time.

(b) AVALON is located upon land previously used for the cultivation of sugar cane. Land near or adjacent to AVALON may continue to be used for the cultivation and harvesting of agricultural products, which may cause dust and noise. Crops may be burned when seasonally appropriate. The Hawaii Right-to-Farm Act (H.R.S. Ch. 165) and Hawaii law limit the types of farm activities that may be deemed a nuisance.

(c) AVALON is located in the vicinity of the West Loch Branch of the Lualualei Naval Magazine ("West Loch") which in the event of military action may be a sensitive area.

(d) AVALON is located in the vicinity of a commercial airport (Honolulu International Airport) and a possible future airport at the former Barber's Point Naval Air Station and Buyer is aware that there is a likelihood of noise from planes passing overhead or nearby. The 1987 Noise Contour Map of the Honolulu International Airport Master Plan shows AVALON located in an area subject to the noise levels of 55 Ldn.

(e) AVALON is located near the Honouliuli Wastewater Treatment Plant, which generates odors and which will be expanded in the future to accommodate increased usage.

(f) The Federal Emergency Management Agency ("FEMA") has not yet reviewed AVALON area to determine whether the Property is within a flood hazard zone. If FEMA later determines that the Property is within a flood hazard area, then your lender may require you to obtain flood insurance.

(g) The Coral Creek Golf Course has been constructed on the west side of Fort Weaver Road. The property is also a designated flowage easement for drainage purposes which will be dedicated to the City and County.

There may be hazards that may cause injuries and damages to persons and/or property on AVALON such as periodic spraying or other treatment of the golf course area with pesticides, insecticides, herbicides, fungicides and fertilizers. Irrigation of the golf course may be with water from storm water retention basins or reclaimed water from the Honouliuli Wastewater Treatment Plant (used in accordance with Department of Health guidelines). There may also be noise emanating from the golf course in connection with play, irrigation, mowing and other maintenance and operation.

Owners in AVALON will not have an ownership interest, a right to use any facilities or a right to enter the property by virtue of their membership in the Ewa by Gentry Community Association.

(h) Coronado and Palm Villas multi-family communities have been developed as a combination of sale/rental units to meet the City affordable housing requirements. At this time, the locations of additional affordable housing communities have not been finally determined.

These Activities Affecting AVALON may cause some unpleasant odors, surface water runoff, noise, dust, smoke and other unpleasant effects that may bother or be a nuisance to Buyer and other occupants and invitees of the Project. In the Apartment Deed, each Buyer, for himself, his heirs, personal and legal representatives and assigns, will release, indemnify, defend and hold harmless Developer, the Thomas H. Gentry Trust, a California Trust dated February 11, 1986, as amended, and related entities, the Trustees of the Estate of James Campbell, Deceased, and Oahu Sugar Company, Limited, Coral Creek Golf, Inc. and any future owner and/or operator of the areas planned for golf course use, and their respective officers, directors, employees, agents, successors, successors-in-trust, and assigns from any and all liability, claims, losses, damages, or expenses, including attorneys' fees, arising from any such impairment of the use and enjoyment of the Property, loss of market value of the Property, or property damage or personal injury to the property or person of Buyer, or Buyer's tenants, lessees, family, servants, guests, invitees, licensees, agents, employees, or other persons who may use the Property. However, the person or entity whose actions or omissions are the direct cause of any damage to Buyer shall be responsible for the consequences or results of its own gross negligence, willful misconduct or violation of applicable law. Buyer hereby irrevocably agrees to suffer and permit all actions and consequences incident to the Activities affecting AVALON described above.

5. AVALON, PHASE 7 is part of an overall area covered by that certain Agreement for Issuance of Conditional Use Permit Under Section 4.40-21 of the Land Use Ordinance (LUO) dated September 24, 1996 and recorded in the Office of the Assistant Registrar of the Land Court of the State of Hawaii as Document No. 2340815 (the "Joint Development Area"). The Joint Development Area currently includes all current and future phases of AVALON, Lombard Way, The Shores at Suncrest and Suncrest. The Joint Development Area was designed to operate as a cohesive, integrated multi-family community that includes shared common facilities and infrastructure, including but not limited to potable water, non-potable well system, irrigation, drain, sewer and electrical systems, visitor parking stalls, roadways and landscaping. Certain portions of the Joint Development Area may be developed as rental units (the "rental units") for approximately twenty (20) years. The Developer has no current plans to condominiumize the rental units during this twenty year period. Additionally, Developer may alter development plans to address market conditions and may develop a separate condominium community in the Joint Development Area differing in design and construction from AVALON. The use and cost of maintaining and operating the shared infrastructure and facilities will be shared among all owners on a pro rata basis.

6. Lot 12049, Map 902, and Lot 13043, Map 947, both of Land Court Application No. 1069 are open recreation areas ("Recreation Area") for the use of all residents living in the Joint Development Area. Lot 12049 is part of Lombard Way, Phase E's common elements. Lot 13043 is part of Lombard Way, Phase M's common elements. The various condominium communities within the Joint Development Area will acquire an interest in said Lots 12049 and 13043 upon being administratively merged with Lombard Way, Phase E and Phase M, respectively. Upon merger, the several associations of apartment owners within the Joint Development Area shall have the duty and obligation to accept and maintain the Recreation Area at the common expense of all of the owners of apartments within the Joint Development Area.

7. All apartment owners in AVALON are automatically members of the Ewa by Gentry Community Association, a non-profit Hawaii corporation. All owners are therefore subject to the restrictions, covenants and conditions of the Ewa by Gentry Community Area Declaration of Covenants, Conditions and Restrictions which govern the entire Ewa by Gentry community. The Community Association enforces the provisions of the Declaration of Covenants, Conditions and Restrictions to ensure a well maintained, safe and aesthetically pleasing community. Each owner pays dues to the Community Association in the amount of approximately \$45 per quarter for a total of \$180 a year.

8. The sizes and configurations of the limited common areas and common areas reflected on the Condominium Map are approximations only. Actual sizes and configurations may vary due to the placement and location of utilities and due to varying terrain surrounding each building.

9. Each unit in AVALON has two (2) assigned parking spaces. Owners must park in their assigned spaces only. Parking is not allowed in the roadways or any common areas. Buyers with oversized vehicles (a van, a truck) or whose cars are not a compact size, should inspect the assigned parking stalls thoroughly to ensure that the parking stalls can accommodate their vehicles.

10. Water used to irrigate the common area landscaping in the community (which include portions of the front yard of each unit) will come from either a nonpotable well service or may be from reclaimed water from the Honouliuli Wastewater Treatment Plant. Any reclaimed water has been treated according to Department of Health guidelines.

11. Homes in AVALON will not have curbside trash collection. There will be a trash collection bin as shown on the Condominium Map.

12. AVALON is part of a private drainage system that connects to the City and County of Honolulu's municipal sewer system. As such, Federal regulations prohibit the following from being discharged into the Project's drainage system:

- (a) domestic wastewater;
- (b) industrial wastewater;
- (c) any debris, refuse or solid waste or yard waste;
- (d) chlorinated swimming pool water;
- (e) washwater from vehicle and equipment cleaning; and
- (f) oil and petroleum products.

Owners are prohibited from discharging any of the above into the Project's drainage system.

The Association is solely responsible for the maintenance and upkeep of the Project's drainage system. It shall cooperate with the Developer in assuming the Developer's National Pollutant Discharge Elimination System (NPDES) Permit No. H10021229 and shall be responsible for enforcing the terms and conditions of the NPDES Permit.

(Ownership Interest)

<u>Plan</u>	<u>Percent of Common Interest</u>	<u>Number in Project</u>	<u>Total Percent of Common Interest</u>

As nearly as practicable, the common interest for each residential apartment was determined by dividing the net floor area of the particular apartment by the total net interior floor area of all apartments in the Project and multiplying that amount by 100%.

ADMINISTRATIVE MERGER

The Developer may administratively merge phases of AVALON with other condominium communities within the Joint Development Area. The Developer may also merge other condominium communities within the Joint Development Area into the already merged phases of AVALON at a later date. Upon administrative merger, the apartment owners in each of the merged condominium communities will have a new common interest which will be the apartment owners' new interest for voting and maintenance fee allocation purposes only in the merged project. The apartment owners' ownership interest will not be altered or affected in any way. The Developer will record a certificate of administrative merger which will state the new administrative common interest and its effective date. Each apartment owner's new administrative common interest will be computed by dividing the square footage for each apartment by the total square footage of the sum of all apartments in the entire merged project.
