General Information on Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Developer also reserves the right to file the as-built verified statement required by Section 514A-12, Hawaii Revised Statutes, as amended, and also to make any changes to the documents necessary in connection with the merger of this Project as set forth in paragraph H, page 16 of this report.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration are:

described in Exhibit B

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit _____ .

- (c) Yard areas as shown on the Condominium Map;
- (d) Roofs and exterior siding of each apartment; and
- (e) All other common elements which are rationally related to less than all of the apartments in the Project.

NOTE: Each apartment and the limited common elements referenced above do not comprise a legally subdivided individual lot.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest". It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interest for the apartments in this project as described in the Declaration, are:

described in Exhibit A

as follows:

E. **Encumbrance Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit C describes the encumbrances against the title contained in the title report dated January 9, 2002 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage	Lender has priority over Buyer's rights under a sales contract, and has a right to terminate sales contracts upon foreclosure of its mortgage before an apartment sale is closed. Should the lender terminate Buyer's sales contract, Buyer shall be entitled to a refund of all deposits, less escrow cancellation fee.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:** The apartment and related common elements will be covered by a Limited Warranty. The Limited Warranty will be for a ten (10) year period which will commence on the recording date of the deed to the Buyer. The coverage amount will be the base sales price of the Unit. A sample of the Limited Warranty is attached as Exhibit "G". Developer's obligations under the Limited Warranty are expressly conditioned on prompt notification by Buyer or the Association to Developer of any defects in the Unit. In addition, Developer will not be responsible for damage to the Unit or common elements arising out of the failure of Buyer or the Association to take reasonable and prudent steps to maintain the property or to prevent damage or further damage to the Property. **ROUTINE MAINTENANCE WORK IS NOT COVERED BY ANY WARRANTY.**
2. **Appliances:** Warranties on appliances furnished with an apartment are not provided by the Developer. The execution and delivery of the apartment deed will operate as an assignment from the Developer to the Buyer of the respective manufacturers' or dealers' warranties, if any.

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Construction is expected to commence in late February, 2002 and is expected to be completed in June 2002.

H. **Project Phases:**

The developer has has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

Should Developer develop more than one phase of CORTEBELLA, each phase will be a separate condominium community. Developer may decide to "merge" some or all of the phases. Developer may also merge some or all of the phases of CORTEBELLA with other condominium communities on the property covered by the same Joint Development Agreement (see page 20A, paragraph 5) for the purposes of sharing common area costs shared by the various communities (such as roadways, street lighting and landscaping). This means that the owners and occupants of the merged phases will share the use of the common elements and the common expenses of those phases. Should certain common area costs be unique to a particular condominium community which should not be shared with other communities, these costs will be allocated to the affected condominium community. Upon merger, Buyer will have a new percentage interest for voting and maintenance fee purposes only. Buyer's ownership interest will not be affected. Developer will record a certificate of administrative merger which will state the effective date of the new percentage interest. Developer is not obligated to merge all phases of CORTEBELLA. Developer may merge other phases into already merged phases of CORTEBELLA at a later time.

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

C. ADDITIONAL INFORMATION NOT COVERED ABOVE

1. Developer is selling CORTEBELLA, PHASE 12 apartments pursuant to affordable housing requirements imposed by the City and County of Honolulu (the "City"). We will require information from you regarding income and household size to provide to the City for information purposes.

2. Construction of CORTEBELLA, PHASE 12 and other phases of CORTEBELLA (together "CORTEBELLA") will be ongoing for several months while units are being occupied. This ongoing construction will create dust, noise and increased traffic in the vicinity of occupied units. Certain hazardous conditions relating to the construction may also exist for a period of time. Additionally development of the areas around CORTEBELLA will cause dust in and around the Project for several years as development in Ewa by Gentry continues. Buyer understands that Developer will make efforts to minimize the dust but that it is an inevitable result of the ongoing construction.

3. Sales activities for CORTEBELLA and neighboring communities will be ongoing for several months. This may result in increased traffic and noise in the vicinity of the sales office. Portions of the common areas may be used for signage and other sales activities for a period of time while sales are ongoing.

4. Buyer understands and acknowledges that certain activities will occur on and about CORTEBELLA ("Activities Affecting CORTEBELLA") as follows:

(a) CORTEBELLA will be bordered on the ewa side by Keaunui Drive, a public roadway. The mauka side of CORTEBELLA is bordered by Terrazza, a detached condominium development. The makai and diamond head side of CORTEBELLA borders on open, undeveloped space which may be developed into residential communities. Because this area is undeveloped, there may also be pests such as cockroaches and other insects for a period of time.

(b) CORTEBELLA is located in the vicinity of the West Loch Branch of the Lualualei Naval Magazine ("West Loch") which in the event of military action may be a sensitive area. The Navy has denoted an area east of CORTEBELLA as an Explosive Safety Hazard Zone in connection with munitions which may be loaded onto ships at West Loch. The Navy has represented that the boundary of said area represents the probable limit of any impact on the adjacent community. This area, which extends to West Loch, will have restricted development required by the Navy. The Navy has leased portions of this area for agricultural use, which may create dust and noise. Because this area is undeveloped, there may also be pests such as cockroaches and other insects for a period of time.

(c) CORTEBELLA is located upon land previously used for the cultivation of sugar cane. Land near or adjacent to CORTEBELLA may continue to be used for the cultivation and harvesting of agricultural products, which may cause dust and noise. Crops may be burned when seasonally appropriate. The Hawaii Right-to-Farm Act (H.R.S. Ch. 165) and Hawaii law limit the types of farm activities that may be deemed a nuisance.

(d) CORTEBELLA is located in the vicinity of a commercial airport (Honolulu International Airport) and a possible future airport at the former Barber's Point Naval Air Station and Buyer is aware that there is a likelihood of noise from planes passing overhead or nearby. The 1987 Noise Contour Map of the Honolulu International Airport Master Plan shows CORTEBELLA located in an area subject to the noise levels of 55 Ldn.

(e) CORTEBELLA is located near the Honouliuli Wastewater Treatment Plant, which generates odors and which will be expanded in the future to accommodate increased usage.

(f) The Federal Emergency Management Agency ("FEMA") has not yet reviewed CORTEBELLA area to determine whether the Property is within a flood hazard zone. If FEMA later determines that the Property is within a flood hazard area, then your lender may require you to obtain flood insurance.

(g) The Coral Creek Golf Course has been constructed on the west side of Fort Weaver Road. The property is also a designated flowage easement for drainage purposes which will be dedicated to the City and County.

There may be hazards that may cause injuries and damages to persons and/or property on CORTEBELLA such as periodic spraying or other treatment of the golf course area with pesticides, insecticides, herbicides, fungicides and fertilizers. Irrigation of the golf course may be with water from storm water retention basins or reclaimed water from the Honouliuli Wastewater Treatment Plant (used in accordance with Department of Health guidelines). There may also be noise emanating from the golf course in connection with play, irrigation, mowing and other maintenance and operation.

Owners in CORTEBELLA will not have an ownership interest, a right to use any facilities or a right to enter the property by virtue of their membership in the Ewa by Gentry Community Association.

(h) Coronado and Palm Villas multi-family communities have been developed as a combination of sale/rental units to meet the City affordable housing requirements. At this time, the locations of additional affordable housing communities have not been finally determined.

These Activities Affecting CORTEBELLA may cause some unpleasant odors, surface water runoff, noise, dust, smoke and other unpleasant effects that may bother or be a nuisance to Buyer and other occupants and invitees of the Project. In the Apartment Deed, each Buyer, for himself, his heirs, personal and legal representatives and assigns, will release, indemnify, defend and hold harmless Developer, the Thomas H. Gentry Trust, a California Trust dated February 11, 1986, as amended, and related entities, the Trustees of the Estate of James Campbell, Deceased, and Oahu Sugar Company, Limited, Coral Creek Golf, Inc. and any future owner and/or operator of the areas planned for golf course use, and their respective officers, directors, employees, agents, successors, successors-in-trust, and assigns from any and all liability, claims, losses, damages, or expenses, including attorneys' fees, arising from any such impairment of the use and enjoyment of the Property, loss of market value of the Property, or property damage or personal injury to the property or person of Buyer, or Buyer's tenants, lessees, family, servants, guests, invitees, licensees, agents, employees, or other persons who may use the Property. However, the person or entity whose actions or omissions are the direct cause of any damage to Buyer shall be responsible for the consequences or results of its own gross negligence, willful misconduct or violation of applicable law. Buyer hereby irrevocably agrees to suffer and permit all actions and consequences incident to the Activities affecting CORTEBELLA described above.

5. CORTEBELLA, PHASE 12 is part of an overall area covered by that certain Agreement for Issuance of Conditional Use Permit Under Section 4.40-21 of the Land Use Ordinance (LUO) dated July 5, 2000 and recorded in the Office of the Assistant Registrar of the Land Court of the State of Hawaii as Document No. 2637544, as amended by that certain Declaration of Addition of Real Property to Agreement for Issuance of Conditional Use Permit Under Section 21-5.380 of the Land Use Ordinance (LUO) dated October 11, 2001 and recorded in said Office of the Assistant Registrar as Document No. 2744542 (the "Joint Development Area"). The Joint Development Area includes all current and future phases of CORTEBELLA, Terrazza and additional land to be developed in the future. The Joint Development Area was designed to operate as a cohesive, integrated multi-family community that includes shared common facilities and infrastructure, including but not limited to potable water, non-potable well system, irrigation, drain, sewer and electrical systems, visitor parking stalls, roadways and landscaping. Additionally, Developer may alter development plans to address market

conditions and may develop a separate condominium community in the Joint Development Area differing in design and construction from CORTEBELLA. Developer reserves the right to administratively merge some or all of the condominium communities within the Joint Development Area for the purposes of sharing common area costs shared by the various communities (such as roadways, street lighting and landscaping). The use and cost of maintaining and operating the shared infrastructure and facilities will be shared among all owners on a pro rata basis. If the merged communities have different building types that require different maintenance and reserve assessments, the condominium association will set up cost centers such that each community is responsible only for the maintenance of its building type.

6. Lot 13426, Map 1021, of Land Court Application No. 1069 is an open park area ("Park Area") for the use of all residents living in the Joint Development Area. Developer intends to convey the Park Area to the several associations of apartment owners within the Joint Development Area as tenants in common or it may be added to a future phase of development in the Joint Development Area. Each association's share of the Park Area shall be based upon the association's proportionate share of the total number of apartments in the Joint Development Area. The several associations of apartment owners within the Joint Development Area shall have the duty and obligation to accept and maintain the Park Area at the common expense of all of the owners of apartments within the Joint Development Area.

7. All apartment owners in CORTEBELLA are automatically members of the Ewa by Gentry Community Association, a non-profit Hawaii corporation. All owners are therefore subject to the restrictions, covenants and conditions of the Ewa by Gentry Community Area Declaration of Covenants, Conditions and Restrictions which govern the entire Ewa by Gentry community. The Community Association enforces the provisions of the Declaration of Covenants, Conditions and Restrictions to ensure a well maintained, safe and aesthetically pleasing community. Each owner pays dues to the Community Association in the amount of approximately \$45 per quarter for a total of \$180 a year. The maintenance fees reflected in Exhibit "D" of this public report do not include the dues payable to the Ewa by Gentry Community Association.

8. The sizes and configurations of the limited common areas and common areas reflected on the Condominium Map are approximations only. Actual sizes and configurations may vary due to the placement and location of utilities and due to varying terrain surrounding each building.

9. Apartment owners may add a second floor lanai up to sixty square feet (60 sq. ft) in size or may cover up to fifty percent (50%) of the limited common element yard areas without amending the condominium documents, subject, however, to obtaining the necessary Association and governmental permits and approvals.

10. Each CORTEBELLA home has an attached garage. The garage meets City and County of Honolulu standards to accommodate one full sized and one compact sized parking stall. Buyers who have an oversized vehicle (a van, a truck) or who have more than one full sized vehicle should inspect the garage thoroughly to ensure that the garage can accommodate their vehicles. Two of the Apartment Owners' cars must be parked within the garage. Some homes may have an additional third car parking area in the limited common area adjacent to the home. The additional parking area is for vehicles only and may not be used for storage purposes.

11. Water used to irrigate the common area landscaping in the community (which include portions of the front yard of each unit) will come from either a nonpotable well service or may be from reclaimed water from the Honouliuli Wastewater Treatment Plant. Any reclaimed water has been treated according to Department of Health guidelines.

12. Dumpsters will be provided for the disposal of all refuse. Please see your sales agent for the dumpster locations.

13. CORTEBELLA is part of a private drainage system that connects to the City and County of Honolulu's municipal sewer system. As such, Federal regulations prohibit the following from being discharged into the Project's drainage system:

- (a) domestic wastewater;
- (b) industrial wastewater;
- (c) any debris, refuse or solid waste or yard waste;
- (d) chlorinated swimming pool water;
- (e) washwater from vehicle and equipment cleaning; and
- (f) oil and petroleum products.

Owners are prohibited from discharging any of the above into the Project's drainage system.

The Association is solely responsible for the maintenance and upkeep of the Project's drainage system. It shall cooperate with the Developer in assuming the Developer's National Pollutant Discharge Elimination System (NPDES) Permit No. H10021229 and shall be responsible for enforcing the terms and conditions of the NPDES Permit.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that his project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

AND COMMON INTEREST FOR CORTEBELLA, PHASE 13

<u>Plan</u>	<u>Common Interest</u>	<u>Number in Project</u>	<u>Total Common Interest</u>
A	9.50%	2	19.00%

As nearly as practicable, the common interest for each residential apartment was determined by dividing the net floor area of the particular apartment by the total net interior floor area of all apartments in the Project and multiplying that amount by 100%.

ADMINISTRATIVE MERGER

The Developer may administratively merge phases of CORTEBELLA with other condominium communities within the Joint Development Area. The Developer may also merge other condominium communities within the Joint Development Area into the already merged phases of CORTEBELLA at a later date. Upon administrative merger, the apartment owners in each of the merged condominium communities will have a new common interest which will be the apartment owners’ new interest for voting and maintenance fee allocation purposes only in the merged project. The apartment owners’ ownership interest will not be altered or affected in any way. The Developer will record a certificate of administrative merger which will state the new administrative common interest and its effective date. HOME BUILDER'S LIMITED WARRANTY

Administered by Professional Warranty Service Corporation

Throughout this **HOME BUILDER'S LIMITED WARRANTY**, referred to hereinafter as the "**LIMITED WARRANTY**", the words "**YOU**" and "**YOUR**" refer to the **HOMEOWNER**, or as concerns the **COMMON ELEMENTS**, the condominium association through its designated representative(s). The words "**WE**", "**US**" and "**OUR**" refer to the **BUILDER**. The other words and phrases which appear in boldface uppercase type also have special meaning. Refer to the Section X. **Definitions**, so that **YOU** will understand the terminology applicable to this **LIMITED WARRANTY**.

This **LIMITED WARRANTY** is provided to **YOU** in order to establish an agreed method for determining when a **CONSTRUCTION DEFECT** exists and a clear understanding of **OUR** responsibilities for remedying any such **CONSTRUCTION DEFECT**. This **LIMITED WARRANTY** also helps distinguish a **CONSTRUCTION DEFECT** that is **OUR** responsibility from those minor Imperfections that can reasonably be expected in a **HOME** or result from normal wear and tear or are routine **HOMEOWNER** maintenance responsibilities.

This **LIMITED WARRANTY** contains the procedures **YOU** must use to notify **US** of a condition in **YOUR HOME** which **YOU** believe may constitute a **CONSTRUCTION DEFECT**. In the event a condition occurs in **YOUR HOME** that **YOU** believe may constitute a **CONSTRUCTION DEFECT**, **YOU** have the right to submit a request for warranty performance under this **LIMITED WARRANTY**. Based on the information **YOU** provide and where **WE** deem it necessary information obtained from an on-site inspection of the **HOME**, **WE** will determine whether **WE** agree with **YOU** that the condition constitutes a **CONSTRUCTION DEFECT**. If **WE** determine that the condition reported by **YOU** is a **CONSTRUCTION DEFECT**, **WE** will remedy the condition in accordance with the remedies prescribed in this **LIMITED WARRANTY**. **WE** will make this determination in accordance with Section III, **OUR Coverage Obligations**, contained in this **LIMITED WARRANTY**.

If **WE** determine that a condition does not constitute a **CONSTRUCTION DEFECT** that is **OUR** responsibility and therefore deny **YOUR** request for warranty performance, **YOU** have the right to initiate binding arbitration that will irrevocably determine whether the condition constitutes a **CONSTRUCTION DEFECT** that is **OUR** responsibility. If this binding arbitration determines that the condition does constitute a **CONSTRUCTION DEFECT** that is **OUR** responsibility, **WE** will remedy the problem in accordance with the remedies prescribed in this **LIMITED WARRANTY**. The arbitrator will make a determination based on the language contained in Section III, **OUR Coverage Obligations**.

By accepting this **LIMITED WARRANTY**, **YOU** agree with **US** that all allegations of **CONSTRUCTION DEFECTS** in **YOUR HOME** will be handled under, and in accordance with, this **LIMITED WARRANTY**. Further, **YOU** agree with **US** that binding arbitration is the sole remedy for resolving disputes involving alleged **CONSTRUCTION DEFECTS**.

Enclosed with this **LIMITED WARRANTY** is a Limited Warranty Validation Form. The Limited Warranty Validation Form provides the dates on which the warranty coverage period begins and expires. It is important that this form is retained with the **LIMITED WARRANTY**.

This **LIMITED WARRANTY** does not cover "**CONSEQUENTIAL OR INCIDENTAL DAMAGES**". Liability under this **LIMITED WARRANTY** is limited to the amount shown on the Limited Warranty Validation Form. This **LIMITED WARRANTY** does not cover any economic damages due to the **HOME'S** failure to meet consumer expectations.

All other express or implied warranties other than this **LIMITED WARRANTY**, including any oral or written statement or representation made by **US** or any other person, and any implied warranty of habitability, merchantability or fitness, are hereby disclaimed by **US** and are waived by **YOU**. In addition **YOU** agree to waive the right to seek damages or other legal or equitable remedies from **US**, **OUR** subcontractors, agents, vendors,

suppliers, design professionals and materialmen, under any other common law or statutory theory of liability, including but not limited to negligence and strict liability. **YOUR** only remedy in the event of a **CONSTRUCTION DEFECT** in or to **YOUR HOME** or to the real property on which **YOUR HOME** is situated is the coverage provided to **YOU** under this **LIMITED WARRANTY**. There may be instances where an additional **PWC** administered Builder's Limited Warranty is issued together with this **LIMITED WARRANTY**. If both of these warranties are issued to **YOU**, **YOU** have the right to request warranty performance under either warranty relative to warrantable issues on **YOUR HOME**. **YOU** may not collect twice relative to the same defect and amounts paid or expended by **US** for warranty performance under either warranty will reduce the limit of liability remaining under both warranties simultaneously.

WE have contracted with **PWC** for certain administrative services relative to this **LIMITED WARRANTY**. **PWC's** sole responsibility is to provide administrative services. Under no circumstances or conditions is **PWC** responsible for fulfilling **OUR** obligations under this **LIMITED WARRANTY**.

I. Coverage Limit

The amount shown on the Limited Warranty Validation Form is **OUR** limit of liability. It is the most **WE** will pay or expend for all covered **CONSTRUCTION DEFECTS** regardless of the number of requests for warranty performance made against this **LIMITED WARRANTY**. Once **OUR** limit of liability has been paid, no further requests for warranty performance can be made against this **LIMITED WARRANTY** or any other **PWC** administered Builder's Limited Warranty issued for **YOUR HOME**.

II. Warranty Coverage

Coverage under this **LIMITED WARRANTY** is expressly limited to **CONSTRUCTION DEFECTS** which occur during the **WARRANTY PERIOD** indicated on the Limited Warranty Validation Form and are reported by **YOU** in accordance with the notification requirements of Section VII, **Procedure to Request US To Perform Under This LIMITED WARRANTY**.

Coverage During the **WARRANTY PERIOD** indicated on the Limited Warranty Validation Form that is attached to and made part of this **LIMITED WARRANTY**, **WE** warrant **YOUR HOME** will be free of **CONSTRUCTION DEFECTS**. To be eligible for coverage **WE** must receive written notice of the alleged **CONSTRUCTION DEFECT** within thirty (30) days after the expiration of the coverage.

III. OUR Coverage Obligations

All notices of alleged **CONSTRUCTION DEFECTS**, and complaints under this **LIMITED WARRANTY** must be made by **YOU** in writing. Telephonic or face-to-face discussion will not protect **YOUR** rights under this **LIMITED WARRANTY** (see Section VII, **Procedure to Request US To Perform Under This LIMITED WARRANTY**).

In the event **YOU** allege a **CONSTRUCTION DEFECT** occurs during the **WARRANTY PERIOD**, upon receiving written notice from **YOU**, **WE**, or a third party designated by **US** or acting on **OUR** behalf, will test or inspect the alleged **CONSTRUCTION DEFECT** to determine if a **CONSTRUCTION DEFECT** exists. Upon confirmation of a **CONSTRUCTION DEFECT**, **WE**, or a third party designated by **US** or acting on **OUR** behalf, will repair, replace or pay **YOU** the actual amount it would cost **US** to repair or replace the **CONSTRUCTION DEFECT**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** authorized representative's sole option.

WE will have been considered to have breached this **LIMITED WARRANTY** only if **WE** fail to correct a **CONSTRUCTION DEFECT** in accordance with the terms and conditions of this **LIMITED WARRANTY**.

A. Standards By Which the Presence of a **CONSTRUCTION DEFECT** Will Be Determined

In the event **YOU** believe that a flaw or imperfection in **YOUR HOME** constitutes a **CONSTRUCTION DEFECT**, the following factors will be considered by **US** in determining whether the condition constitutes a **CONSTRUCTION DEFECT**. Should either **YOU** or **WE** elect to initiate binding arbitration, these factors will be considered by the arbitrator in rendering a decision:

1. Any performance standards or guidelines or other documents or manuals that contain **OUR** building standards, that were provided to **YOU** at or prior to closing on **YOUR HOME**. Absent such standards, the Residential Construction Performance Guidelines published by the National Association of Home Builders, in effect at the time of closing on the **HOME** shall apply. Absent a specific standard in the documents identified above, normal building practices and standards in use in the region of the country in which the **HOME** is located shall apply;
2. Consideration as to whether the magnitude of the flaw or imperfection has a negative impact on either the structural integrity, the functionality or the appearance of the **HOME** (minor imperfections that do not affect function and have a minimal impact on appearance will not be considered **CONSTRUCTION DEFECTS**);
3. Consideration as to whether a condition is the result of normal wear and tear (conditions that are normal wear and tear, or are caused by normal wear and tear are not **CONSTRUCTION DEFECTS**);
4. Consideration as to whether the condition was caused by, or in any way resulted from, the failure of the **HOMEOWNER** to perform normal or routine maintenance (any condition that is determined to be a **HOMEOWNER** maintenance issue, or any condition that results from improper or inadequate **HOMEOWNER** maintenance, is not a **CONSTRUCTION DEFECT**);
5. Consideration as to whether the condition was caused by the **HOMEOWNER** or his representatives other than **US** after the **HOMEOWNER** took possession of the **HOME** (**WE** and **YOU** conducted a walk through inspection just prior to closing on the **HOME**). Damage that was caused by **YOU** or **YOUR** representatives is not a **CONSTRUCTION DEFECT**, for example, a large visible scratch on marble tile in the entry foyer that was not noted in the walk through inspection, but was reported after furniture was moved into the **HOME** will not be considered a **CONSTRUCTION DEFECT**;
6. Recognition that any condition resulting directly or indirectly from or worsened by changes, additions, alterations or other actions by the **HOMEOWNER** or his agents, other than **US**, will not be considered a **CONSTRUCTION DEFECT** (this includes changes to the topography, drainage or grade of the property);
7. Any **Exclusions** contained in this **LIMITED WARRANTY**.

IV. Homeowner Maintenance Obligations

Maintenance of the **HOME** is **YOUR** responsibility. Every home requires periodic maintenance to prevent premature deterioration, water intrusion and to ensure adequate performance of the **SYSTEMS**. **WE** will make a "Homeowner Maintenance Manual" or similar publication available to **YOU** upon request. Whether from this document or others that are readily available to **YOU**, **YOU** must understand and perform the maintenance that **YOUR HOME** requires. As stated in other sections of this **LIMITED WARRANTY**, **WE** are not responsible for **HOME** maintenance issues or for damage that results from **YOUR** failure to maintain **YOUR HOME**.

V. Coverage Limitations

When **WE** or a third party designated by **US** or acting on **OUR** behalf, repair a **CONSTRUCTION DEFECT** the

repair will include the correction or replacement of only those surfaces, finishes and coverings that were damaged by the **CONSTRUCTION DEFECT** that were part of the **HOME** when title was first transferred by **US**. Surfaces, finishes and coverings that require removal or replacement in order for **US** or a third party designated by **US** to repair or replace **CONSTRUCTION DEFECTS** will be repaired or replaced. The extent of the repair and replacement of these surfaces, finishes or coverings will be to approximately the same condition they were in prior to the **CONSTRUCTION DEFECT**, but not necessarily to a like new condition.

When repairing surfaces, finishes and coverings, the repair will attempt to achieve as close a match with the original surrounding areas as is reasonably possible, but an exact match cannot be guaranteed due to such factors as fading, aging and unavailability of the same materials.

In the case where a **CONSTRUCTION DEFECT** exists and the **HOME** is rendered uninhabitable, the repair of the **CONSTRUCTION DEFECT** shall include the reasonable cost of the **HOMEOWNER'S** alternative shelter until the **HOME** is made habitable.

While **WE** acknowledge **OUR** responsibility to build in accordance with applicable building codes, this **LIMITED WARRANTY** does not cover building code violations in the absence of a **CONSTRUCTION DEFECT**. This exclusion in no way mitigates or relieves **US** of **OUR** obligation to build in accordance with applicable building codes, but this obligation is not a warranty.
 9. Any deviation from plans and specifications that has not resulted in a **CONSTRUCTION DEFECT**.
- B. **OUR LIMITED WARRANTY** does not cover any **CONSTRUCTION DEFECT** which would not have occurred in the absence of one or more of the excluded events or conditions listed in Exclusions, Section VI. A.1 a. – A.1.q., A.2. or A.3. above, regardless of:
1. the cause of the excluded event or condition; or

VII. Procedure to Request US To Perform Under This LIMITED WARRANTY

If **YOU** become aware of a condition that **YOU** believe is a **CONSTRUCTION DEFECT** under this **LIMITED WARRANTY**, **YOU** have the following responsibilities:

A. Notification

Notify **US** in writing as soon as it is reasonably possible, but in no event may **YOUR** written notice of a request for warranty performance be postmarked or received by **US** later than thirty (30) days after this **LIMITED WARRANTY**

has expired.

If the written notice is postmarked or received by **US** more than thirty (30) days after the expiration of this **LIMITED WARRANTY**, **WE** shall have no obligation to remedy the **CONSTRUCTION DEFECT**. In order to establish a record of timely notification, written notice should always be sent by Certified Mail, return receipt requested.

B. Cooperate With US

YOU must give **US** and any third parties acting on **OUR** behalf reasonable help in investigating, monitoring or correcting alleged **CONSTRUCTION DEFECTS**. Help includes, but is not limited to, granting reasonable access to **YOUR HOME**. If **YOU** fail to cooperate or provide reasonable access to **YOUR HOME**, **WE** will have no obligation to remedy the **CONSTRUCTION DEFECTS**.

C. Do Not Make Voluntary Payments

YOU agree not to make any voluntary payments or assume any obligations or incur any expenses for the remedy of a condition **YOU** believe is a **CONSTRUCTION DEFECT** without prior written approval from **US**, or other parties authorized to act on **OUR** behalf. **WE** will not reimburse **YOU** for costs incurred where **YOU** did not obtain prior written approval.

However, **YOU** may incur reasonable expenses in making repairs in an **EMERGENCY CONDITION** without prior written approval, provided the repairs are solely for the protection of the **HOME** from further damage, and provided **YOU** notify **US** as soon as is reasonably possible after the repairs were undertaken. To obtain reimbursement for repairs made during an **EMERGENCY CONDITION**, **YOU** must provide **US** with an accurate written record of the repair costs.

D. Sign A Release

When **WE** or a third party designated by **US** or acting on **OUR** behalf have completed repairing, replacing or paying **YOU** the cost of repairing or replacing **CONSTRUCTION DEFECTS**, **YOU** must sign a full release of **OUR** obligation for the **CONSTRUCTION DEFECTS**. The release shall be applicable to the correction of the **CONSTRUCTION DEFECT** and shall not prevent **YOU** from notifying **US** should **YOU** become aware of a subsequent **CONSTRUCTION DEFECT**.

Upon **PWC's** receipt of written notice from **YOU**, **PWC** may review and mediate **YOUR** request by communicating with **YOU**, **US**, and any other individuals or entities that **PWC** believes may possess relevant information. If after forty-five (45) days, **PWC** is unable to successfully mediate **YOUR** request for warranty performance, or at any earlier time when **PWC** determines that **YOU** and **WE** are at an impasse, **PWC** will notify **YOU** that **YOUR** request for warranty performance remains unresolved and that **YOU** may elect to initiate Binding Arbitration. Binding Arbitration is the sole remedy for the settlement of unresolved disputes between **YOU** and **US** that arise from or relate to this **LIMITED WARRANTY**. The binding arbitration procedure is described in the following section.

VIII. Binding Arbitration Procedure

Any disputes between **YOU** and **US**, or parties acting on **OUR** behalf, including **PWC**, related to or arising from this **LIMITED WARRANTY**, the construction of the **HOME** or the sale of the **HOME** will be resolved by binding arbitration. Binding arbitration shall be the sole remedy for resolving disputes between **YOU** and **US**, or **OUR** representatives. Disputes subject to binding arbitration include but are not limited to:

- A. Disagreements that a condition in the **HOME** is a **CONSTRUCTION DEFECT** and is therefore covered by this **LIMITED WARRANTY**;
- B. Disagreements as to whether a **CONSTRUCTION DEFECT** has been corrected in compliance with this **LIMITED WARRANTY**;
- C. Alleged breach of this **LIMITED WARRANTY**;
- D. Alleged violations of consumer protection, unfair trade practice, or other statutes;
- E. Allegations of fraud, breach of duty or good faith, and all other claims arising from common law;
- F. Disputes concerning the issues that should be submitted to binding arbitration;
- G. Disputes concerning the timeliness of performance requests;
- H. Disputes as to the payment or reimbursement of the arbitration filing fee.

The arbitration shall be conducted by Construction Arbitration Services, Inc., or such other reputable arbitration service that **PWC** shall select, at its sole discretion, at the time the request for arbitration is submitted. The rules and procedures of the designated arbitration organization, that are in effect at the time the request for arbitration is submitted, will be followed. A copy of the applicable rules and procedures will be delivered to **YOU** upon request.

This arbitration agreement shall be governed by the United States Arbitration Act (9 U.S.C. §§ 1 – 16) to the exclusion of any inconsistent state law, regulation or judicial decision. The award of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

Each party shall bear its own expenses for the arbitration, including the remittance of an arbitration filing fee which will be paid by the party initiating arbitration. This filing fee shall be no more than the amount charged by the arbitration service to **PWC** for each arbitration. Contact **PWC** to determine the arbitration filing fee in effect at the time an arbitration is being requested. If **YOU** initiate the arbitration process by filing a Binding Arbitration Request Form and remitting the arbitration filing fee and the arbitrator(s) finds in **YOUR** favor, the amount **YOU** advance for the arbitration filing fee will be reimbursed by **US**.

The process for **YOU** to initiate arbitration is described below.

Step 1 **YOU complete a Binding Arbitration Request Form and mail it to PWC along with the appropriate arbitration filing fee.** A Binding Arbitration Request Form is attached to this **LIMITED WARRANTY**. **YOUR** Binding Arbitration Request Form must be received no later than 90 days after the coverage for the disputed item expires. Please Note that while **YOU** have 90 days to file for arbitration, this time period does not extend the **WARRANTY PERIOD** for **CONSTRUCTION DEFECTS**. **YOU** must still notify **US** of an alleged **CONSTRUCTION DEFECT** no later than 30 days after expiration of this **LIMITED WARRANTY**.

Step 2 **PWC Will Arrange the Arbitration Proceeding.** The arbitrator or arbitration organization will notify **YOU** of the time, date and location of the arbitration hearing. Most often the hearing will be conducted at **YOUR HOME** or some other location that is agreeable to all the parties of the dispute. In scheduling the hearing the arbitrator will set a time and date that is reasonably convenient to all the parties.

Step 3 **The Arbitration Hearing.** The parties at the arbitration hearing will include the arbitrator, **YOU**, **US** and/or a third party designated by **US** or acting on **OUR** behalf. Any party to the proceeding may be represented at the hearing. All persons who are parties to the arbitration, as well as representatives and witnesses, are entitled to attend hearings.

After evidence is presented by YOU, US or OUR representatives, an award will be rendered by the arbitrator. The award is final and binding on YOU and US. The award will include a ruling on the existence of any claimed or alleged **CONSTRUCTION DEFECTS** as well as any other disputed matters or issues related to this **LIMITED WARRANTY**.

Step 4 **OUR Arbitration Performance Obligations.** WE will comply with the arbitrator's award no later than 60 days from the date of the award or other such date as may be specified or allowed in the award. However, delays caused by circumstances beyond OUR or OUR representative's control shall be excused.

Step 5. **If YOU believe WE Have Failed To Comply With The Award.** YOU should contact PWC at its mailing address specified in this **LIMITED WARRANTY** if YOU believe WE have not complied with the arbitrator's award. PWC will mediate this dispute and if it cannot be resolved, will advise YOU that a compliance inspection arbitration is available to determine whether WE have performed adequately under the original arbitration award. PWC will communicate these findings to both US and YOU. If it is determined that WE have not properly performed, WE will be obligated to immediately comply.

PWC's sole responsibility is to administer this **LIMITED WARRANTY** on OUR behalf and as such PWC assumes no other liabilities in connection with this **LIMITED WARRANTY**. Under no condition or circumstance is PWC responsible for fulfilling any of OUR obligations under this **LIMITED WARRANTY**.

IX. General Conditions

A. Separation of This LIMITED WARRANTY From The Contract Of Sale

This **LIMITED WARRANTY** is separate and independent of the contract between YOU and US for the construction and/or sale of YOUR HOME. The provisions of this **LIMITED WARRANTY** shall in no way be restricted or expanded by anything contained in the construction and/or sales contract between YOU and US.

B. Transfer to Subsequent HOMEOWNERS

This **LIMITED WARRANTY** will transfer to new owners of the HOME for the remainder of the **WARRANTY PERIOD**. YOU agree to provide this **LIMITED WARRANTY** to any subsequent purchaser of the HOME as a part of the contract of sale of the HOME. OUR duties under this **LIMITED WARRANTY** to the new HOMEOWNER will not exceed the limit of liability then remaining, if any.

C. Transfer of Manufacturer's Warranties

WE assign to YOU all the manufacturer's warranties on all appliances, fixtures and items of equipment that WE installed in YOUR HOME. Should an appliance or item of equipment malfunction YOU must follow the procedures set forth in that manufacturer's warranty to correct the problem. OUR obligation under this **LIMITED WARRANTY** is limited to the workmanlike installation of such appliances and equipment. WE have no obligation for appliances and equipment defined as **CONSUMER PRODUCTS**.

D. Recovery Rights

If WE or a third party designated by US or acting on OUR behalf repairs, replaces or pays YOU the cost to repair or replace a **CONSTRUCTION DEFECT**, or other related damage to YOUR HOME covered by this **LIMITED WARRANTY**, WE are entitled, to the extent of OUR payment, to take over YOUR related rights of recovery from other people and organizations, including but not limited to, other warranties and insurance. YOU have an obligation not to make it harder for US to enforce these rights. YOU agree to sign any papers, deliver them to US, and do anything else that is necessary to help US exercise OUR rights.

E. General Provisions

1. If any of the terms or provisions of this **LIMITED WARRANTY** conflict with the statutes of the state in which this **LIMITED WARRANTY** is issued the warranty is amended to conform to such statute, except insofar as the terms and provisions are governed by the United States Arbitration Act.
2. If a court of competent jurisdiction deems any provision of this **LIMITED WARRANTY** unenforceable, that determination will not effect the remaining provisions.
3. This **LIMITED WARRANTY** and the binding arbitration process are binding on **YOU** and **US**. It is also binding on **YOUR** and **OUR** heirs, executors, administrators, successors, and assigns, subject to paragraph B of the **General Conditions**.
4. As may be appropriate, the use of the plural in this **LIMITED WARRANTY** includes the singular, and the use of one gender includes all genders.
