## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances: Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. 3013105

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]: N/A

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

Proposed  
 Recorded - Bureau of Conveyances Condo Map No. \_\_\_\_\_  
 Filed - Land Court Condo Map No. 1576

The Condominium Map has been amended by the following instruments [state name of documents, date and recording/filing information]: N/A

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed  
 Recorded - Bureau of Conveyances: Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court: Document No. 3013106

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]: N/A

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:\*

Proposed                       Adopted                       Developer does not plan to adopt House Rules

\* This condominium will be subject to two sets of house rules: (1) the Ke Noho Kai Townhomes, Increment 4 House Rules, and (2) the Ke Noho Kai House Rules. Both of these house rules are described in Exhibit "A".

E. **Changes to Condominium Documents.** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

	<u>Minimum Set by Law</u>	<u>This Condominium</u>
Declaration (and Condo Map)	75%*	<u>75%</u>
Bylaws	65%	<u>65%</u>
House Rules	---	<u>Majority of Board of Directors</u>

\*The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. **Developer:**

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

See Exhibit "B"

III. THE CONDOMINIUM PROJECT

A. Interest to be Conveyed to Buyer:

- Fee Simple: Individual apartments and the common elements, which include the underlying land, will be in fee simple.
- Leasehold or Sub-leasehold: Individual apartments and the common elements, which include the underlying land, will be leasehold.

**Leases for the individual apartments and the underlying land usually require that at the end of the lease term, the lessee (apartment owner/tenant) deliver to the lessor (fee property owner) possession of the leased premises and all improvements, including improvements paid for by the lessee.**

Exhibit \_\_\_\_\_ contains further explanations regarding the manner in which the renegotiated lease rents will be calculated and a description of the surrender clause provision(s).

Lease Rent Payable:     Monthly                     Quarterly  
                                  Semi-Annually             Annually

For Sub-leaseholds:

- Buyer's sublease may be canceled if the master lease between the sublessor and fee owner is:  
                                  Canceled                                     Foreclosed

As long as the buyer is not in default, the buyer may continue to occupy the apartment and/or land on the same terms contained in the sublease even if the master lease is canceled or foreclosed.

- Individual Apartments in Fee Simple; Common Interest in the Underlying Land in Leasehold or Sub-leasehold:

**Leases for the underlying land usually require that at the end of the lease term, the lessees (apartment owners/tenants) deliver to the lessor (fee property owner) their interest in the land and that they either (1) remove or dispose of the building(s) and other improvements at the lessee's expense; or (2) convey the building(s) and improvements to the lessor, often at a specified price.**

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

**B. Underlying Land:**

Address: Off Kaileole'a Drive and Kapolei Parkway Tax Map Key (TMK): Portions of (1) 9-1-012: 051  
Ewa Beach, Hawaii 96706

Address  TMK is expected to change because the land underlying the project ("Land") is in the process of being subdivided and new street addresses, lot numbers, and TMK numbers will be issued after the land is subdivided.<sup>1</sup>

Land Area: approximately 23.275 acres [ ] square feet [ X ] acre(s)

Zoning: A-1 and R-5

<sup>1</sup> The Developer of this condominium project is in the process of subdividing the Land into separate lots, such that the condominium project will be situated on a separate subdivided lot(s) (the "Project Lot"). Because the legal subdivision of the Land was not completed at the time this condominium project was created, the Developer has submitted the entire unsubdivided Land (Lot 15423 consisting of approximately 23.275 acres) to the Condominium Property Regime. Once subdivision approval is received, the Developer intends to withdraw certain portions of the Land from this Condominium Property Regime such that only the Project Lot is subject to this Condominium Property Regime. Further information of this withdrawal is set forth in Section U of the Declaration of Condominium Property Regime and Section III.H of this public report. Furthermore, in anticipation of obtaining subdivision approval, the Developer may begin construction of infrastructure improvements which may include residential dwellings that will be developed on portions of the Land that eventually will be withdrawn from this Condominium Property Regime.

\*\* Net Living Area is the floor area of the apartment measured from the interior surface of the apartment perimeter and party walls. The Net Living Area does not include the floor area of the garage.

\*\*\* If calculated in the same manner as the apartments, the garages would be between 380 and 383 square feet.

Other documents and maps may give floor area figures which differ from those above because a different method of determining the floor area may have been used.

Boundaries of Each Apartment:

See Exhibit "D"

Permitted Alterations to Apartments:

See Exhibits "E", "N" and "P"

Apartments Designated for Owner-Occupants Only:

Fifty percent (50%) of residential apartments must be so designated; developer has a right to substitute similar apartments for those apartments already designated. Developer must provide this information either in a published announcement or advertisement as required by section 514A-102, HRS; or include the information here in this public report and in the announcement (see attachment 11a). Developer has elected to provide the information in a published announcement or advertisement.

11. Conformance to Present Zoning Code

a.  No variances to zoning code have been granted.

Variance(s) to zoning code was/were granted as follows:

Other: Optional Development Permit(s) granted under the Zoning Code as follows: City and County Department of Planning and Permitting Planned Development Housing Permit No. 2000/PDI-I-3. Certain restrictions imposed under said permit are or will be set forth in a Declaration of Restrictive Covenants (DPP Permit No. 2000/PDH-3) (see Exhibit "P" for a description of the above document).

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>Yes</u>	_____	_____
Structures	<u>Yes</u>	_____	_____
Lot	<u>Yes</u>	_____	_____

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

**D. Common Elements, Limited Common Elements, Common Interest:**

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit "G".

as follows:

2. Limited Common Elements: Limited common elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "H".

as follows:

\*NOTE: Land areas referenced herein are not legally subdivided lots.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "I".

as follows:

E. **Encumbrances Against Title**: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "J" describes the encumbrances against the title contained in the title report dated October 9, 2003 and issued by Title Guaranty of Hawaii Incorporated.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[ x ] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed <b>Prior to Conveyance</b></u>
Construction Mortgage With Assignment of Rents, Security Agreement and Fixture Filing recorded as Land Court Document No. 2801404	Lienholder has option to terminate or uphold sales contract. If sales contract is terminated, all moneys held in escrow will be returned to Buyer pursuant to the Reservation Agreement and Sale Contract, less escrow cancellation fee.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

See Exhibit "K"

2. Appliances:

See Exhibit "K"

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

The Developer anticipates construction will start approximately March 2004 and be completed July 2004.

H. **Project Phases:**

The developer  has  has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

As stated in Section V.C.1 of this public report, this condominium project is located within the residential project known as Ke Noho Kai. Ke Noho Kai will consist of several phases, containing both single family homes and townhomes, with each phase to be constructed incrementally.

This condominium project is the fourth increment of townhomes to be developed in Ke Noho Kai. The Developer may, but is not required to, merge this increment with other increments of townhomes which may in the future be developed in Ke Noho Kai as set forth in Section S of the Declaration. In addition, because the land described in Section III.B of this public report was not yet a legally subdivided lot(s) at the time the Developer recorded the Declaration, the Developer has included a larger parcel of land as part of this condominium project. As set forth in Section U of the Declaration, once the land described in Section III.B becomes legally subdivided lot(s), the Developer may withdraw portions of the lands from this condominium project such that this condominium project will include only the land underlying the project.

Buyer should carefully read Section S of the Declaration regarding the Developer's rights to merge this project with other condominium projects, and Section U of the Declaration regarding the Developer's right to withdraw portions of land from this condominium project.

**C. Additional Information Not Covered Above**

**1. Ke Noho Kai and Ocean Pointe.<sup>2</sup>**

Ke Noho Kai. This condominium project is located within the residential project known as Ke Noho Kai. Ke Noho Kai consists of approximately 89 acres and will be constructed in phases, with each phase to be constructed incrementally. The Developer currently anticipates that Ke Noho Kai will consist of two phases, with the first phase (referred to at times as Area IIA) planned to consist of approximately 227 single family homes, 87 townhomes and three private mini-parks, and the second phase (referred to at times as Area IIB) planned to consist of approximately 274 single family homes, 65 townhomes and three private mini-parks. The Developer has reserved the right under Section 2.1(f) of the Ke Noho Kai Declaration to include additional lands located adjacent to or in the vicinity of Ke Noho Kai and to annex those additional lands to Ke Noho Kai and thereby become subject to the terms of the Ke Noho Kai Declaration. This condominium project is located in Area IIB and is the fourth increment of townhomes to be developed in Ke Noho Kai.

Similar to the first residential phase of Ocean Pointe as discussed below, Ke Noho Kai incorporates several features of traditional neighborhoods, including a pedestrian friendly network of roadways, service lanes and pedestrian pathways. The garages are located at the rear of the dwelling units and are accessible through the private service lanes. These lanes are also used for refuse collection, mail delivery and certain utilities.

Ocean Pointe. This condominium project is also a part of the approximately 1,100 acre mixed-use master-planned community known as Ocean Pointe. Ocean Pointe is a long-range project with development expected to take place over the next 10 to 20 years. Approximately 4,850 residential units (some of which will be considered "affordable" under county standards) are envisioned at Ocean Pointe. These residences will be separated into various distinct, yet integrated neighborhood communities, with tree-lined streets, landscaping, and parks for use by the residents at Ocean Pointe. Ke Noho Kai is the second residential phase at Ocean Pointe, and is located immediately west of Ocean Pointe's first residential phase, sometimes referred to as Area I, consisting of two sub-neighborhoods known as Ke 'Āina Kai and Mariners Place. The developer of the first residential phase of Ocean Pointe is HASEKO Homes, Inc. and the master developer of the remaining area of Ocean Pointe is HASEKO (Ewa), Inc., which are affiliated companies of the Developer of this condominium project and Ke Noho Kai.

In addition to the residential component, the long-range master plan for Ocean Pointe also calls for recreational and commercial components, including a golf course, a full-service man-made marina, and a retail/commercial center. The currently approved master plan is depicted in various advertising materials and displays but is still conceptual in nature and is subject to change and reconfiguration as Ocean Pointe is developed. There are no guarantees that all or any of the components will be developed or that the components will be developed as depicted or described in these various advertising materials and displays. The golf course and marina, if constructed, will serve as a basin in the regional Kaloι drainage system. This system will service all of the residences of Ocean Pointe. Ownership of an apartment in this condominium project will not constitute an ownership in, or grant the right to use, any privately owned recreational facility within Ocean Pointe, including, but not limited to, the marina and golf course, if constructed.

As mentioned above, the master plan is subject to change depending on a variety of factors, including market forces, the economy, land use permitting requirements, and changes in governmental regulations. Although the components of the master plan (i.e., the marina, golf course, retail/commercial center, parks, and residential components) will not likely change, there will likely be changes to the size, configuration or relative location of these components as Ocean Pointe is developed.

All owners of an apartment in this condominium project will be subject to the provisions of the Declaration of Covenants, Conditions, and Restrictions for Ke Noho Kai (the "Ke Noho Kai Declaration"), the Declaration of Covenants, Conditions, and Restrictions for Ocean Pointe (Residential) (the "Master Declaration") and the Ke Noho Kai Design Guidelines (see Exhibits "Q", "R" and "N" for a description of each document, respectively).<sup>3</sup> All owners will also automatically become members of the Ke Noho Kai Community Association, Inc. and the Ocean Pointe Residential Community Association, Inc., which are the community

---

<sup>2</sup> Nothing stated in this public report shall be construed as a representation or warranty by Developer or its affiliates that any of the above, with the exception of the condominium apartments that are part of this public report, will be developed, nor shall anything stated in this public report be construed to require the Developer or its affiliates to develop the remainder of Ke Noho Kai or Ocean Pointe, or to prohibit Developer or its affiliates from dealing freely with the remaining land, including, without limitation, developing the whole or any part of Ke Noho Kai and Ocean Pointe for a purpose inconsistent with the above.

<sup>3</sup> The Developer and/or its affiliates have reserved rights to annex to, or withdraw lands from Ke Noho Kai and Ocean Pointe, and also to develop additional phases within Ke Noho Kai as separate projects and merge the separate projects with each other or with Ke Noho Kai. For a brief description of these reserved rights to annex, withdraw and merge lands, see Exhibits "Q" and "R" to this public report.

associations for Ke Noho Kai and Ocean Pointe, respectively. Apartment owners will be responsible for the payment of their respective shares of the expenses incurred by these associations in their maintenance of Ke Noho Kai and Ocean Pointe. The monthly fees for the various associations are estimated in the Disclosure Abstract attached as Exhibit "K".

2. Interstate Land Sales Full Disclosure Act. This public report has not been accepted by the Department of Housing and Urban Development under the Interstate Land Sales Full Disclosure Act. As set forth in the specimen sales contract submitted with this public report, the Developer will complete construction of each apartment and have the apartment ready for normal occupancy within a period of two (2) years from the date that the sales contract for that particular apartment is signed; provided, however, that said two (2) year period shall be extended in the event completion is delayed by matters and/or conditions beyond the control of the Developer.
3. Sentricon® Disclosure. Developer on its own initiative will be installing and paying for the costs of the use of the Sentricon® *Termite Colony Elimination System* on each building of the Project, commencing on the date title for the first Apartment in a building is transferred to the first homeowner and expiring twelve months thereafter. Any use of Sentricon® *Termite Colony Elimination System* for a particular building within the Project beyond such period will be at the election and the cost of the Association or individual apartment owners as the case may be.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

Description of Ke Noho Kai Townhomes, Increment 4  
and Ke Noho Kai House Rules

---

The Project is subject to the Ke Noho Kai Townhomes, Increment 4 House Rules, a copy of which has been submitted to the Real Estate Commission as part of this registration. These house rules govern the use and occupancy of the apartments, common elements and limited common elements of the Project. For example, these house rules contain restrictions regarding the use of the lanais, rear yards and entry areas, as well as restrictions regarding pets, parking, trash disposal and landscaping.

The Project is also part of the Ke Noho Kai subdivision, which includes single family units, townhome apartments, and various common areas (see Section V.C.1 of the public report for a description of the Ke Noho Kai subdivision). A separate set of house rules (the "Ke Noho Kai House Rules") govern the entire Ke Noho Kai subdivision, a copy of which has been submitted to the Real Estate Commission as part of this registration. The Ke Noho Kai House Rules contain restrictions regarding the use and occupancy of all dwelling units (including the apartments), including matters such as the initial landscaping of the rear yards, maintenance of fences, car washing, and boats. In addition, the Ke Noho Kai House Rules contain restrictions regarding the use of the common areas, including the service lanes, mini-parks, and pedestrian pathways.

The purpose of both of these house rules is to protect all owners and occupants from annoyance and nuisance created by the improper use of the Project and the Ke Noho Kai subdivision, and to protect the reputation and desirability of the Project and the Ke Noho Kai subdivision.

All owners, tenants, guests, invitees, lessees, licensees and other persons using the Project and their family members must abide by both sets of house rules, and the owners are responsible for the conduct of their tenants, guests, invitees, lessees, and licensees. Violations of these house rules are subject to fines, penalties and other enforcement actions by the appropriate board of directors or the managing agent.

THE FOREGOING IS A DESCRIPTION OF THE ABOVE HOUSE RULES FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THESE HOUSE RULES. THE FULL TEXT OF BOTH SETS OF HOUSE RULES SHOULD BE EXAMINED AND CONTROLS OVER THIS SUMMARY.

2. At any time prior to the recording in the Land Court of apartment deeds covering 100% of the apartments in the Project, to make such amendments: (a) to correct any technical defects or to make non-substantive changes; or (b) as may be required by law, the Real Estate Commission, any title insurance company issuing a title insurance policy on the project or any of the apartments, any institutional lender lending funds on the security of the project or any of the apartments, or any governmental agency administering governmental loan programs; or (c) as may be necessary or desirable as determined by the Developer as a result of conditions or requirements imposed upon the Developer by any governmental agency of the state, county or local government related to the development of the lands comprising the Project or other lands within Ocean Pointe (see Section V.C.1 of the public report for a description of Ocean Pointe) to be developed by the Developer or any of its affiliates, or by any governmental agency of any state, territory, possession or foreign country or other foreign jurisdiction as a condition precedent to the marketing or sale of apartments in any such jurisdiction. (See Section T.3(b) of the Declaration).
3. At any time, to make such amendments: (a) to file or record the "as built" verified statement required by Section 514A-12 of the Condominium Property Act; or (b) to exercise or effectuate any rights reserved to the Developer pursuant to the Declaration, the Declaration of Covenants, Conditions, and Restrictions for Ke Noho Kai, or the Declaration of Covenants, Conditions, and Restrictions for Ocean Pointe (Residential), including but not limited to Developer's right to make alterations to the Project pursuant to Section R of the Declaration, to merge the Project pursuant to Section S of the Declaration, or to execute and record in the Land Court a cancellation, partial cancellation, amendment, or restatement of the Acquisition Agreement, as well as a confirmation or restatement of the Trustee's Limited Warranty Deed, pursuant to Section V.5 of the Declaration. (See Section T.3(c) of the Declaration).
4. To reflect certain alterations made to the Project by the Developer pursuant to its rights under Section R.3 of the Declaration (see Exhibit "E" of this public report).

Permitted Alterations to Apartments

Alterations to the apartments in this condominium project are permitted under Section R of the Declaration, which provides the following:

1. General.

(a) Except as otherwise provided in the Declaration, restoration, repair or replacement of the Project or of any building or other facility or construction of any additional building or structural alteration or addition to any structure, different in any material respect from the Condominium Map (the "Proposed Alterations"), shall be undertaken by the Association or any apartment owner(s) only pursuant to an amendment of the Declaration, duly executed by or pursuant to the approval or written consent of apartment owners holding at least seventy-five percent (75%) of the total common interests of the Project, together with the approval or written consent of (i) all apartment owners whose apartment or limited common elements appurtenant thereto are directly affected (as determined in a reasonable manner by the Board of Directors) by the Proposed Alterations; and (ii) the holders of first mortgage liens encumbering any apartment directly affected by the Proposed Alterations (if the lien holders require such approval). For purposes of this paragraph 1(a), notwithstanding Section 514A-89 of the Condominium Property Act, the installation of solar energy devices on any apartment (including any appurtenant garage) shall require the approval or written consent of apartment owners holding at least seventy-five percent (75%) of the total common interests of the Project.

(b) The Proposed Alterations shall be in accordance with plans and specifications for the Proposed Alterations prepared by a licensed architect or licensed professional engineer and approved by (i) the Board of Directors, (ii) the Design Review Committee in accordance with the Design Guidelines, and (iii) the appropriate agencies of the State of Hawaii and the City and County of Honolulu (if such agencies so require). A description of the Design Guidelines is contained in Exhibit "N".

(c) Promptly upon completion of any Proposed Alteration which is different in any material respect from the Condominium Map, the Association or apartment owner(s), whomever requested the Proposed Alteration, shall duly file or record in the Land Court an amendment to the Declaration and the Condominium Map showing the Project as so altered, certified as built by a registered architect or licensed professional engineer.

(d) Notwithstanding the foregoing, any amendment to the Declaration required or necessary for any Proposed Alteration of an apartment by an owner which alteration is in accordance with options, if any, shown on the floor plans for that particular apartment type in the Condominium Map shall not require the approval or written consent of the apartment owners (except those apartment owners whose apartment or limited common elements appurtenant thereto are directly affected); PROVIDED, HOWEVER, that since construction of any such options, if any, shown on the Condominium Map must also comply with all applicable laws, rules, setbacks, and other

governmental requirements, such options, if any, may not be available or permitted for all apartments in the Project.

2. Alterations to the Interior of an Apartment. Notwithstanding any other provision in the Declaration to the contrary, the owner of an apartment may make any alterations or additions within an apartment and the owner of any two adjoining apartments may alter or remove all or portions of the intervening walls, at such owner's expense, if such alterations or additions are not visible from the exterior of the apartment and if the structural integrity of the building is not thereby affected. The alterations or additions permitted by this section shall require only the written approval of the apartment owner's plans and specification therefor, by (a) the Board of Directors; (b) the holders of first mortgage liens affecting such apartment(s) (if the lien holders require such approval); (c) the appropriate agencies of the State of Hawaii and the City and County of Honolulu (if such agencies so require); and (d) all other apartment owners thereby directly affected (as determined in a reasonable manner by the Board of Directors). Such alterations or additions may be undertaken without an amendment to the Declaration or filing of a complete set of floor plans of the Project as so altered. Prior to the termination of the common ownership of any two adjoining apartments, if the intervening walls shall have been altered or removed pursuant to the foregoing provision and any entrances sealed, the owner of such apartment shall restore such intervening walls and entrances to substantially the same condition in which they existed prior to such alteration or removal.

3. Alterations by the Developer.

(a) General. Notwithstanding any other provision in the Declaration to the contrary, prior to the later of (i) the recording in the Land Court of the apartment deed conveying the last unsold apartment in the Project to a buyer; or (ii) the filing or recording by the Developer of the "as built" verified statement (with plans, if applicable) required by Section 514A-12 of the Condominium Property Act (but in no event later than twenty-four (24) months after the "date of completion" of the Project, as that term is used in Chapter 507, Part II, Hawaii Revised Statutes, as amended), the Developer, without notice to, or the approval, consent or joinder of, the Association, any apartment owner, lienholder, or any other person, shall have the right (which includes the right to amend the Declaration and Condominium Map accordingly) to (A) make alterations in the Project, which change or reverse the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any apartment (and the limited common elements appurtenant thereto) in the Project which is not sold and recorded; (B) recharacterize and redesignate certain limited common elements as may be appurtenant to an apartment as being common elements of the Project which is not sold and recorded; (C) recharacterize and redesignate certain common elements of the Project as limited common elements appurtenant to an apartment which is not sold and recorded; or (D) make other alterations in the Project, which make minor changes in any apartment in the Project or the common elements which do not affect the physical location, design or size of any apartment which has been sold and recorded. As used herein, the term "sold and recorded" shall mean and refer to the sale of an apartment in the Project and the recording in the Land Court of an apartment deed conveying the interest in the apartment from the Developer to parties not signatory to the Declaration.

(b) Construction of Options. Notwithstanding any other provision in the Declaration to the contrary, prior to the time that all of the apartments in the Project

have been sold and recorded, the Developer shall have the right to make alterations in the Project and to amend the Declaration and the Condominium Map accordingly, without notice to, or the approval, consent or joinder of, the Association, any apartment owner, lienholder, or any other person, to construct or modify the Project in accordance with the respective options, if any, shown on the floor plans in the Condominium Map. As used herein, the term "sold and recorded" shall mean and refer to the sale of an apartment in the Project and the recording in the Land Court of an apartment deed conveying the interest in the apartment from the Developer to parties not signatory to the Declaration.

In addition, alterations to the apartments will also have to comply with the Declaration of Restrictive Covenants (DPP Permit No. 2000/PDH-3), which is described in Exhibit "P".

Monthly Common Expenses and Monthly Estimated Costs for Each Apartment: Exhibit "1" sets out the estimated monthly common expenses and estimated costs for the year.

**DESCRIPTION OF LIMITED WARRANTIES:** The Developer provides a limited warranty for the individual apartments and common elements under the Reservation Agreement and Sales Contract ("Agreement"), a specimen of which has been submitted with this registration. The following is a brief summary of the Developer's limited warranty (capitalized terms have the same meaning set forth in the Agreement):

The Apartment and the related Common Elements will be covered under a transferable ten (10) year HOME BUILDER'S LIMITED WARRANTY (the "Limited Warranty"). The Limited Warranty provides coverage for construction defects that occur during the Warranty Period and includes provisions limiting the responsibility and conditions under which it is valid or applicable. The Limited Warranty gives the Purchaser specific legal rights. Seller's obligations under the Limited Warranty are expressly conditioned on prompt notification by Purchaser of any construction defects as set forth in the Limited Warranty. In addition, the Limited Warranty does not cover certain construction defects that result, either directly or indirectly from certain excluded causes or occurrences as set forth in the Limited Warranty. None of Seller's employees, salesmen or other agents are authorized to make any warranty other than the Limited Warranty, nor can they extend or in any way alter the Limited Warranty.

(a) Acknowledgment and Receipt. Purchaser will receive a sample of the Limited Warranty (PWC Form No. 117) and agrees to read the sample Limited Warranty in its entirety prior to the Closing Date. Purchaser's failure to read the sample Limited

Warranty and to obtain any needed assistance in understanding the Limited Warranty shall not in any way change either the Purchaser's or the Seller's rights, duties and obligations under the Limited Warranty. Prior to Closing, Purchaser shall deliver to Escrow a fully executed document entitled "Warranty Acknowledgement of Receipt and Agreement to Read."

- (b) Warranty Period. The term of the Limited Warranty is ten (10) years from the Closing Date. The resale of the Apartment by Purchaser will not extend the ten-year term. Notwithstanding the above, however, the Warranty Period for Common Elements of a building or structure commences on the date title for the first Apartment in the structure or building is transferred to the first homeowner. The exact dates for the commencement and expiration of the Warranty Period for the Apartment will be described in the "Limited Warranty Validation Form" to be mailed to Purchaser by the independent third-party warranty administrator following Closing.
- (c) Coverage Limits. The coverage limits of the Limited Warranty generally are the actual repair costs not to exceed (i) the original sales price of the Apartment, in the case of individual owner claims and the aggregate sales price of the Apartments in a multi-unit residential structure/building, but not to exceed a certain aggregate sum, for claims involving Common Elements contained within a specific multi-unit structure/residential building containing Apartments. Specific terms of the warranty coverage are included in the "Limited Warranty Validation Form" and the Limited Warranty.
- (d) Binding Arbitration. The Limited Warranty requires that all disputes between Seller and Purchaser concerning the Limited Warranty, sale or construction of the Apartment be resolved by binding arbitration pursuant to provisions under the Limited Warranty. The Purchaser gives up any rights to have the dispute resolved by a court of law or jury trial.
- (e) Customer Care Program. In addition to the Limited Warranty, during the first twelve (12) month period following the Closing of the apartment, Seller will initiate and provide to Purchaser at no additional charge a customer care program (the "Program") for defects in materials and workmanship that would otherwise not be deemed to be a "construction defect" under the Limited Warranty. Terms of the Program, which include performance standards the Seller will follow for use during the first year and certain exclusions of the Program, are set forth in the homeowner manual that will be provided to Purchaser upon the Closing of the sale of the apartment. Notwithstanding anything contained herein to the contrary, the Program is extended only to the original purchaser of the apartment and shall terminate upon the sale of the apartment by that purchaser.
- (f) Manufacturers' Warranties. Seller will assign and pass through to the Purchaser any manufacturer's warranties covering any appliances and other consumer products for their unexpired terms, to the extent such warranties exist and to the extent that Seller has the right and power to make such an assignment. Purchaser shall follow the procedure set forth in the manufacturer's warranty if any defects should appear in that item, and any service request should be made directly to the

service representative for the manufacturer. Appliances or consumer products are excluded from the Limited Warranty, unless they constitute a construction defect. Seller makes no representation or warranty with respect to the energy consumption of, or efficiency of, any appliance, equipment, or consumer product, or with respect to energy or utility costs.

- (g) Limitations of Warranty and Seller Liability. Except for the Limited Warranty, Seller makes no other warranties, express or implied, and SELLER EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTY OF HABITABILITY, ANY IMPLIED WARRANTY OF MERCHANTABILITY, ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR USE, ANY IMPLIED WARRANTY OF WORKMANSHIP, AND ANY OTHER EXPRESS OR IMPLIED WARRANTIES WITH RESPECT TO THE APARTMENT, OR THE PROJECT. EXCEPT FOR THE OBLIGATIONS OF SELLER SPECIFICALLY SET FORTH IN THE LIMITED WARRANTY, SELLER SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES WHETHER BASED ON CONTRACT, TORT, OR ANY OTHER LEGAL THEORY (REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES).
- (h) Claim Procedure. If any defect appears which Purchaser believes should be covered by this Limited Warranty, Purchaser shall give Seller written notice describing the defect in detail at the following address: Ke Noho Kai Development, LLC, 91-919 Kuhina Street, #102, Ewa Beach, Hawaii 96706, Attn: Customer Service. Seller will not reimburse Purchaser for any repair or other action taken by Purchaser without Seller's prior written consent.

THE FOREGOING IS A SUMMARY OF SOME OF THE PERTINENT PROVISIONS OF THE LIMITED WARRANTY FOR THE CONVENIENCE OF THE PURCHASER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE LIMITED WARRANTY. THE FULL TEXT OF THE ORIGINAL DOCUMENT SHOULD BE EXAMINED AND CONTROLS OVER THE ABOVE SUMMARY.

Summary of Reservation Agreement and Sales Contract

A specimen of the Reservation Agreement and Sales Contract (hereinafter the "Agreement") has been submitted to the Real Estate Commission as part of the registration. The Agreement contains the purchase price, description of the apartment to be conveyed to a buyer, and the terms and conditions under which a buyer will agree to buy an apartment in the Project.

The Agreement provides in part:

1. Financing of Purchase. If the buyer (referred to in the Agreement as the "Purchaser") is required to finance any portion of the purchase price, then the buyer agrees to take certain actions within designated time periods including, but not limited to, submitting a complete loan application package to a qualified lender and obtaining a pre-qualification letter from the lender. Upon notice from Developer, the buyer shall obtain a final loan commitment within certain time periods.

Buyer represents that the financial data to be submitted to Developer or lender is true and accurate. The buyer also agrees to provide written evidence to Developer of buyer's ability to make any requisite cash payments. In order to keep the Developer and/or the Developer's broker informed of the buyer's progress in obtaining a mortgage loan, the buyer shall authorize its lender to transmit to the Developer and/or the Developer's broker any and all information necessary for this purpose including, but not limited to, copies of all correspondence between the buyer and the lender.

The Agreement provides the Developer with certain rights, including the right to terminate the Agreement if the buyer fails to comply with the various requirements.

2. Closing Date. The terms "Closing Date" or "Closing" as used in the Agreement shall mean the date when the Developer and the buyer have each carried out all of their obligations under the Agreement and escrow is closed by the recording in the Land Court of the Apartment Deed and also any mortgage in favor of the buyer's lender, and making all payments required from funds received. The projected "Closing Date" will be determined by the Developer alone (the "Scheduled Closing Date"). For purposes of determining when closing may occur, the buyer agrees to abide by the Developer's good faith estimate of the Scheduled Closing Date. The Scheduled Closing Date, however, is based on a number of factors including, without limitation, the projected construction schedule for the apartment and the Project, which schedule changes frequently due to a variety of factors. Therefore, the Scheduled Closing Date or any other estimate of the Closing Date provided by the Developer is an estimate only and is subject to change. The Developer may delay or change the Scheduled Closing Date as necessary and the buyer is advised to work with the Developer in coordinating the actual Closing Date.

3. What the Buyer is Required to Do at Closing. On or prior to the Closing Date, the buyer will sign and deliver to escrow all documents which the buyer

must sign in order to effect the closing. This will include, without limitation, any mortgage in favor of the buyer's lender. The buyer shall also pay to escrow any cash payment required on account of the balance of the "Total Purchase Price" (as defined in the Agreement) (including those amounts representing the options contracted by buyer), and all sums included in the "Estimate of Additional Sums Payable" (as defined in the Agreement) and further described below (subject to adjustment for actual fees payable as determined at closing).

4. Estimate of Additional Sums Payable. The sums included in the Estimate of Additional Sums Payable are in addition to and are not part of the Total Purchase Price. The buyer's closing costs shall include, but shall not be limited to, all escrow fees, all notary fees, costs of title insurance, legal costs for the preparation of any apartment deed or any notes and mortgages, all recording costs or fees, loan fees, credit report costs, appraisal fees and all other applicable mortgage costs. In addition, the buyer agrees to pay the buyer's pro-rata share of applicable monthly maintenance and associations' fees (if closing occurs on a day other than the first day of the month), taxes, assessments and other expenses, which shall be prorated between the buyer and the Developer as of the closing date. Also included will be the monthly maintenance and associations' fees and the Association of Apartment Owners start-up fee.

5. The Buyer's Acceptance of the Apartment. The buyer agrees to close the sale of the apartment on time and accept possession of the apartment (a) even if the common elements of the Project have not yet been fully completed and/or construction activity is still in progress, and (b) notwithstanding the existence of any defects in or damage to the apartment which does not render the apartment unusable. The buyer also promises to indemnify and hold harmless the Developer from any loss or damage, including interest and attorneys' fees and costs, resulting from the buyer's failure to close the sale or to accept possession of the apartment as required above.

6. Delay in Closing. The Agreement includes provisions to address if the closing is delayed.

7. Conditions of the Project. The Agreement contains various disclosures made in the Agreement regarding the condition of the Project and the surrounding areas that could affect the buyer's use or enjoyment of an apartment in the Project, including potential aircraft noise, ongoing construction and sales activities, possible environmental and utility effects, that neither the Association of Apartment Owners nor Developer or its affiliates are responsible for providing security for the Project. The Agreement also contains disclosures regarding the approximate area of the apartments, potential mold, electricity charges for certain exterior lighting, the Developer's right to modify the plans and specifications for the production homes, the right to substitute materials, the right to increase or decrease the purchase price of any apartment not subject to a binding contract, and that certain improvements constructed and installed for aesthetic reasons have no structural purposes.

8. Disclosures Regarding Model Homes; Advertising Materials. The homes in the Project will be mass constructed based on limited styles and floor plans being offered by the Developer, but with minor variations to the colors, door styles, elevations, yards, landscaping, walkways, entryways and other features to provide each home with a

certain degree of uniqueness. The model homes and various advertising materials, brochures and displays are intended to assist the buyer in visualizing the floor plan of the apartment that the buyer is purchasing, but are not intended to be exact replicas or depictions of all the apartments or buildings in the Project. The model homes and yard areas of the model homes also contain numerous upgrades, options and decorator items which are not included with the apartment being purchased by the buyer or the building in which the apartment is located, or which, if included with the property being purchased, may differ from that shown with the model homes or in the advertising materials, brochures or displays due to various factors.

9. Disclosures Regarding Ongoing Sales and Advertising Activities. The Agreement discloses that the Developer and others shall have the right to conduct extensive sales activities on the common elements (excluding the limited common elements appurtenant to any sold apartments) and any unsold apartments and limited common elements appurtenant thereto until the date that all of the residential units proposed for development in Area II are sold and conveyed.

10. Landscaping; Fences. The buyer is responsible for the initial landscaping of the buyer's rear yard area and the maintenance of such landscaping thereafter. The buyer also acknowledges that the Developer will install the initial fences enclosing the rear yard of the apartment the buyer is purchasing, but that the buyer is responsible for maintaining, repairing and replacing such fences. If any such rear yard fence is shared by more than one apartment, the obligation to maintain, repair and replace such fence shall be shared jointly by both apartment owners.

11. Utility Infrastructure. The buyer acknowledges that additional utility infrastructure may be constructed in the future which provides utility services for the Project, the cost of which is not included in the purchase price of any apartment in the Project.

12. Developer's Limited Warranty for the Apartment. The buyer acknowledges the Developer's limited warranty regarding the apartment and the common elements, which is described in the Disclosure Abstract attached to this public report as Exhibit "K".

13. Interest on the Buyer's Deposits. All interest earned on the buyer's deposits shall accrue to the credit of and shall be paid to the Developer unless (a) the buyer instructs escrow to establish a separate interest-bearing account on the buyer's behalf ("Buyer's Account") and pays escrow a processing fee of \$25.00 (or such other amount as escrow may establish from time to time) and complies with all other requirements of escrow, or (b) a Buyer's Account is established pursuant to the escrow agreement (in which case the buyer agrees to pay the processing fee provided thereunder).

14. No Rental Service/Investment Representations. The buyer agrees that the buyer has entered into the Agreement without any reference or representation by the Developer or any sales person: (a) that the Developer or anyone affiliated with the Developer or any unaffiliated third party will provide, directly or indirectly, any services relating to the rental or sale or management on behalf of the buyer; (b) as to projected rental income, occupancy rates or other matters related to the rental of the apartment;

(c) as to possible tax advantages or other economic benefits accruing to an owner who chooses to rent an apartment; or (d) as to projected appreciation in the value of the apartment. The buyer agrees to be solely responsible for any rental or other disposition of the apartment.

15. Default by Buyer. If the buyer fails to make any payment when it is due or fails to keep any of the other promises or agreements of the buyer set forth in the Agreement, the Developer will give the buyer written notice of such failure. If the buyer does not cure such default or failure within ten (10) calendar days after the Developer sends such notice, the Developer shall have the right to do any one or more of the following:

(a) Cancel the Agreement by giving the buyer written notice of cancellation. The Developer may then keep all sums deposited by the buyer, including any and all interest accrued thereon (notwithstanding the establishment of a Buyer's Account), as "liquidated damages" (i.e., the amount agreed to by the buyer and the Developer as properly payable in settlement for breach of contract), in lieu of actual damages and not as a penalty;

(b) Take advantage of any other rights which the law allows, including, for example, a lawsuit for actual damages suffered, or a lawsuit for "specific performance," which means a lawsuit to require the buyer to pay the total purchase price and keep all of the buyer's promises under the Agreement; and

(c) Collect from the buyer all costs, including reasonable attorneys' fees, court costs, escrow cancellation fees, and any document preparation fees if the deed conveying the property to the buyer has been prepared and delivered to escrow, which may be incurred by the Developer because of the buyer's default.

16. Mediation; Arbitration. Any dispute arising out of the Limited Warranty, the construction, or sale of an apartment shall first be resolved by binding arbitration. Except as otherwise provided by law, binding arbitration shall be the sole remedy for resolving such disputes. The arbitration shall be conducted by Construction Arbitration Services, Inc. or such other reputable arbitration service that the warranty administrator shall select, in its sole discretion, at the time the request for arbitration is submitted. The rules and procedures of the designated arbitration organization that are in effect at the time the request for arbitration is submitted will be followed. Said arbitration proceeding shall be governed by the United States Arbitration Act (9 U.S.C. §§ 1-16) to the exclusion of any inconsistent state law, regulation or judicial decision. The award of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction. Each party shall bear its own attorneys fees and costs (including expert costs) for the arbitration. The arbitrator shall, as part of any decision, award to the party prevailing at the arbitration any applicable filing fees or other arbitration fees paid by that party.

THE FOREGOING IS A SUMMARY OF SOME OF THE PERTINENT PROVISIONS OF THE AGREEMENT FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE AGREEMENT. THE FULL TEXT OF THE ORIGINAL DOCUMENT SHOULD BE EXAMINED AND CONTROLS OVER THIS SUMMARY.

NOTE: The Developer is offering the buyer a selection of various floor coverings for the apartment (i.e., tiling and carpeting), which buyer will select in an addendum to the Agreement. In addition, the Developer is also offering various optional floor plans, appliances and upgrades for the apartment, each at various prices, and which, if selected, will also be included in an addendum or addenda to the Agreement. The purchase price for such options, appliances and upgrades are non-refundable once the Agreement is deemed binding under the Condominium Property Act.

#### Summary of Escrow Agreement

An executed Escrow Agreement has been submitted to the Real Estate Commission as part of this registration. The Escrow Agreement identifies Title Guaranty Escrow Services, Inc. as the escrow agent ("Escrow"). The Escrow Agreement sets up an arrangement under which Escrow will hold deposits that a buyer makes to the Developer under a Reservation Agreement and Sales Contract (the "Sales Contract") for the purchase of an apartment in the Project. The Escrow Agreement provides in part:

1. Payment of Funds to Escrow. The Developer shall pay over to Escrow any monies received by the Developer from a buyer under a Sales Contract, including all disbursements made on loan commitments, if any, from lending institutions to the buyer. Escrow shall deposit all funds so received in accordance with written instructions from the Developer in a federally-insured, interest-bearing account at a bank, savings and loan association, or trust company authorized to do business in the State.

2. Return of Funds to a Buyer. A buyer shall be entitled to a refund of the buyer's funds held in Escrow as follows:

(a) Escrow shall refund to the buyer all of the buyer's entire deposit together with all interest earned thereon, if: (i) the buyer entered into the Sales Contract pursuant to a Contingent Final Public Report; (ii) the Real Estate Commission does not issue an effective date for a Final Public Report by the date on which the Contingent Final Public Report expires; and (iii) the Developer or the buyer elects to rescind the buyer's Sales Contract.

(b) Escrow shall refund to the buyer all of the buyer's entire deposit, without interest and less any Escrow cancellation fees, if any one of the following has occurred: (i) the Developer and the buyer request in writing that Escrow return the buyer's funds to the buyer; (ii) the Developer notifies Escrow of the Developer's exercise of the option to cancel or rescind the Sales Contract pursuant to any right of cancellation or rescission provided therein or otherwise available to the Developer; (iii) the buyer notifies Escrow of buyer's exercise of buyer's right to cancel the Sales Contract pursuant to Section 514A-62, Hawaii Revised Statutes, as amended; or (iv) the buyer notifies Escrow of buyer's exercise of buyer's right to rescind the Sales Contract pursuant to Section 514A-63, Hawaii Revised Statutes, as amended.

3. Buyer's Default under Sales Contract. If the Developer terminates a Sales Contract due to a default thereunder by the buyer, Escrow shall thereafter treat all funds of the buyer paid on account of such buyer's Sales Contract as funds of the

Developer and not as funds of the buyer. Thereafter, such funds shall be free of the escrow established by the Escrow Agreement and shall be held by Escrow for the account of the Developer.

THE FOREGOING IS A SUMMARY OF SOME OF THE PERTINENT PROVISIONS OF THE ESCROW AGREEMENT FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE ESCROW AGREEMENT. THE FULL TEXT OF THE ORIGINAL DOCUMENT SHOULD BE EXAMINED AND CONTROLS OVER THIS SUMMARY.

Description of the Ke Noho Kai Design Guidelines

Ke Noho Kai is part of Ocean Pointe, a master-planned community encompassing approximately 1,100 acres (see Section V.C.1 of the public report for a description of Ke Noho Kai and Ocean Pointe). Being part of a master-planned community, developmental guidelines are necessary to promote the community's evolution in a manner consistent with the original design principles, as approved by the City and other governmental agencies.

To accomplish this purpose and to maintain Ke Noho Kai's special character, the Ke Noho Kai Design Guidelines (the "Design Guidelines") have been prepared to regulate construction, additions, modifications, and site improvements visible from the street or neighboring properties. A copy of the proposed Design Guidelines has been submitted to the Real Estate Commission as part of this registration.

The Design Guidelines, which are both prescriptive and restrictive, are intended to be illustrative of acceptable improvements and seek to provide an overall framework for future modifications within this Project and Ke Noho Kai. The Design Guidelines contain various rules and guidelines, including but not limited to, architectural guidelines, examples of acceptable improvements, materials and color schemes, and Design Review Committee application procedures.

The Design Review Committee, which has been established pursuant to the Declaration of Covenants, Conditions, and Restrictions for Ocean Pointe (Residential) (see Exhibit "R" for a description of this document), is or will be responsible for reviewing applications for compliance with the Design Guidelines.

THE FOREGOING IS A DESCRIPTION OF THE DESIGN GUIDELINES FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THESE DESIGN GUIDELINES. THE FULL TEXT OF THE DESIGN GUIDELINES SHOULD BE EXAMINED AND CONTROLS OVER THIS SUMMARY.

Description of the  
Declaration of Restrictive Covenants (Private Park)

As mentioned in Section V.C.1 of the public report, Ke Noho Kai is planned to include six (6) private mini-parks (three in the first phase and three in the second phase of Ke Noho Kai). As a condition to the City and County of Honolulu's (the "City") subdivision approval of the first phase of Ke Noho Kai, the Developer recorded a Declaration of Restrictive Covenants (Private Park) against the first phase of Ke Noho Kai (the "Private Park Declaration"). In conjunction, as a condition to the City's subdivision approval of the second phase of Ke Noho Kai, the Developer will be required to record a supplement to the Private Park Declaration against the second phase of Ke Noho Kai. A specimen of the Private Park Declaration has been submitted to the Real Estate Commission as part of this registration.

The purpose of the Private Park Declaration is to ensure that the six (6) private mini-parks within the first and second phases of Ke Noho Kai shall continue to be used as parks, and that the parks are maintained by the applicable homeowners association(s) and not by the City. The parks may be used by members of the homeowners association(s).

Pursuant to the Private Park Declaration, if the parks are not properly maintained by the homeowners association(s), the City has the right to maintain the parks and collect the costs and expenses of such maintenance from the homeowners association(s). The City shall have a lien over lands within Ke Noho Kai (including the Project) until such costs and expenses are fully paid.

THE FOREGOING IS A GENERAL DESCRIPTION OF THE PRIVATE PARK DECLARATION FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE PRIVATE PARK DECLARATION. THE FULL TEXT OF THE PRIVATE PARK DECLARATION SHOULD BE EXAMINED AND CONTROLS OVER THIS DESCRIPTION.

Description of the  
Declaration of Restrictive Covenants (DPP Permit No. 2000/PDH-3)

Pursuant to Condition 9 of Planned Development Housing Permit No. 2000/PDH-3, issued by the City and County of Honolulu, Department of Planning and Permitting (the "DPP Permit"), which is referenced in Section III.C.11 of the public report, the Developer is required to record in the Land Court of the State of Hawaii a Declaration of Restrictive Covenants ("DPP Declaration") to provide notice of the restrictive covenants in the DPP Permit that are applicable to the Project. The DPP Permit authorizes the development of the Ke Noho Kai residential project, including the Project, subject to certain conditions. The Developer plans to prepare and record the DPP Declaration in the Land Court prior to the conveyance of the first apartment in the Project to a buyer and will be binding on all owners of apartments in the Project. A specimen of the DPP Declaration has been submitted to the Real Estate Commission as part of this registration.

The following is a brief description of some of the significant provisions that will be in the DPP Declaration, as required by the DPP Permit.

1. Alterations or Modifications to the Project. The DPP Declaration will set forth certain restrictions and limitations regarding the modifications and alterations that may be made to the Project, including modifications and alterations to the apartments, lanais and other limited common elements that may be made by the owner of an apartment. The DPP Declaration will also include Design Alteration Plans showing the area of permitted expansion (e.g., the area in which the lanai may be expanded), and other requirements that an owner must comply with in connection with any modifications or alterations to the Project.
2. Garages. The garages in the Project shall only be used for parking and shall not be eliminated or converted to other uses, including use as a dwelling unit.
3. Other Restrictions. The DPP Declaration will also contain other covenants regarding the use and maintenance of the fences, landscaping, lighting, and private common elements within the Project.

THE FOREGOING IS A GENERAL DESCRIPTION OF THE DPP DECLARATION FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE DPP DECLARATION. THE FULL TEXT OF THE DPP DECLARATION SHOULD BE EXAMINED AND CONTROLS OVER THIS DESCRIPTION ONCE IT IS PREPARED.

#### Description of the Declaration of Covenants, Conditions, and Restrictions for Ke Noho Kai

As mentioned in Section V.C.1 of the public report, the Project is located within the second phase of the planned residential project known as Ke Noho Kai and will therefore be subject to the terms and conditions set forth in the Declaration of Covenants, Conditions, and Restrictions for Ke Noho Kai, dated June 28, 2002, recorded as Land Court Document No. 2819439, as amended and/or supplemented by that certain First Supplemental Declaration of Covenants, Conditions, and Restrictions for Ke Noho Kai, dated April 23, 2003, recorded as Land Court Document No. 2920359, and that certain First Amendment to Declaration of Covenants, Conditions, and Restrictions for Ke Noho Kai, dated May 13, 2003, recorded as Land Court Document No. 2930016, as the same has been and/or may hereafter be amended and/or further supplemented from time to time (the "Ke Noho Kai Declaration").

The purpose of the Ke Noho Kai Declaration is to facilitate the development, ownership, and use of the "Property" (as defined in the Ke Noho Kai Declaration) and to provide for the formation of the Ke Noho Kai Community Association, Inc. (the "Community Association") that administers the Property. The following is a brief description of some of the significant provisions of the Ke Noho Kai Declaration (unless defined herein, capitalized terms shall be defined as set forth in the Ke Noho Kai Declaration).

1. Scope. The Property to be encumbered by the Ke Noho Kai Declaration will consist of the first and second phase of Ke Noho Kai (i.e., Area IIA and IIB as depicted on the map attached to the Declaration). Although the Developer has reserved the right to annex additional lands for future phases of Ke Noho Kai, including all or any portion of the property generally described as being located within the "Subdivision Project" (as that term is defined in the Ke Noho Kai Declaration), the Developer is not obligated to annex any such additional phases to the Ke Noho Kai Declaration at this time.

The Developer has also reserved the right to develop the future phases of the Subdivision Project as separate projects and merge such projects with each other and/or with Ke Noho Kai. Additionally, the Developer also reserves the right to withdraw any portions of land from the Ke Noho Kai Declaration, including but not limited to any lands which are annexed to Ke Noho Kai. The Developer's rights to withdraw, annex, and merge portions of the Property may be exercised at any time prior to the "Last Conveyance Date" (which is the date that the last residential unit proposed to be developed within Ke Noho Kai and the balance of the Subdivision Project is sold). The Developer's rights to withdraw, annex, and merge the Property (or portions thereof) are generally covered in Sections 2.1, 2.2, 2.3 and 2.4 of the Ke Noho Kai Declaration.

2. Amendment. Generally, the Ke Noho Kai Declaration can be amended only with the vote of 75% of the units within the Property. However, prior to the Last Conveyance Date, such amendments will require the approval of the Developer and the

Developer has reserved the right to amend the Ke Noho Kai Declaration unilaterally (i) for any reason prior to conveying any unit within the Property; (ii) as to any unit, lot, or group of units/lots, where the same are owned by Developer; (iii) for the purpose of correcting technical defects, to make non-substantive changes, to comply with the requirements of various governmental loan programs, or to comply with various governmental or statutory requirements; (iv) for any other changes that do not have a material adverse effect on the rights of any "Owner" (as defined in the Ke Noho Kai Declaration); or (v) to annex, merge, or withdraw any property pursuant to the Ke Noho Kai Declaration or to change the designation of the "Common Area" (as defined in the Ke Noho Kai Declaration). The Developer and HASEKO (Ewa), Inc., an affiliate of the Developer (the "Master Declarant") have the right to amend the Ke Noho Kai Declaration unilaterally at any time to exercise their rights that are otherwise reserved or referenced in the Ke Noho Kai Declaration. Under other circumstances, the Owners shall have the right to amend the Ke Noho Kai Declaration only with the approval of the Developer (see generally Section 2.1).

3. Association Membership/Voting. Membership in the Community Association will be divided into two classes: (a) Class A members are all Owners (including Developer as to each unit Developer owns) and there will be one vote for each unit; and (b) the sole Class B member shall be the Developer. The Class B member shall have the right to select all Community Association board members until the third (3rd) anniversary of the date that the first unit in the Property is conveyed to a Person other than a Builder. Following this, the Class B member shall have the right to select a majority of the Community Association board members until the later to occur of (i) the date when 75% of all of the units to be constructed under the "Subdivision Permit" (as defined in the Ke Noho Kai Declaration) have been sold to Persons other than Builders (but no later than December 31, 2020), or (ii) the tenth (10<sup>th</sup>) anniversary of the date that the first unit in the Property is conveyed to a Person other than a Builder. If the sale of 100% of the units occurs prior to the tenth (10th) anniversary date, then Developer's rights to select Board members shall terminate. Generally, in all matters other than the election of board members, there shall only be one class of membership (see generally Article III).

4. Community Association Powers and Duties. The Community Association has broad powers to administer the Property. Generally, the Community Association has the power: (i) to acquire, hold, and dispose of property; (ii) to pay, compromise, or contest real property taxes and assessments on the Common Area and other Community Association property; (iii) to enforce the Ke Noho Kai Declaration; (iv) to enter into contracts for the purpose of carrying out its duties under the Ke Noho Kai Declaration (including management contracts); (v) to collect assessments; (vi) to maintain books and records of its receipts and expenditures; and (vii) to maintain the Common Area which will initially consist of the service lanes, pedestrian pathways, utility lots, and the interior and perimeter mini-parks (except that the perimeter mini-parks will be maintained for an indefinite period of time by the Master Association as provided in the Master Declaration). In addition to the Common Area, the Community Association shall initially maintain the roadway landscaping (e.g. sidewalk planting strips) within dedicated roadways (not otherwise maintained by the Master Association), the private non-dedicated storm drain improvements located in the service lanes, and any service lane lighting located on the garage improvements of any units. The Community Association also has the authority to maintain other improvements in the exercise of the board's discretion.

5. Use of Common Areas. Generally, the Owners have a non-exclusive right and easement to use the Common Areas subject to: (i) any restrictions set forth in any Rules adopted by the Community Association; (ii) any restrictions, encumbrances, easements, and rights of way which may be reserved at the time any Common Areas are transferred to the Community Association; (iii) any road, utility, or similar easements and rights of way which may be required by any governmental entity, or that may be taken under power of eminent domain, or granted or conveyed by the board; and (iv) other rights reserved to the Developer or Master Declarant in the Ke Noho Kai Declaration. Owners may not relinquish rights to use the Common Areas and thereby avoid their obligations for assessments.

6. Assessments. The Community Association has the right to assess Owners common assessments for the expenses incurred by the Community Association (see generally Article VI). The common assessments to be levied on each unit shall be computed by multiplying the total common assessments due for all units within the Property by a fraction, the numerator of which is one (1) and the denominator of which is the total number of units within the Property, as adjusted from time to time. The Community Association is also entitled to levy special assessments as follows: (i) against an Owner when an Owner defaults in the performance of its obligations under the Ke Noho Kai Declaration, (ii) to make up a shortfall in receipts due to Owner delinquencies; (iii) where the budget is exceeded due to unanticipated circumstances; or (iv) for other reasons determined by the board. Nonpayment of any assessments will give rise to a lien against the Owner's unit in an amount equal to the unpaid assessments plus interest, attorney's fees, and costs of collection. The board may foreclose on such lien as provided by law.

Until the Last Conveyance Date, the Developer may annually elect to pay to the Community Association either the common assessments due on its unsold units or, the difference between the amount of all common assessments assessed against all units (other than those units owned by Developer) subject to assessment and the amount of the actual expenditures required to operate the Community Association during the fiscal year.

7. Owner's Maintenance and Use Restrictions. Article VII of the Ke Noho Kai Declaration sets forth the scope of the Owners' obligations with respect to the maintenance of their units and also contains general guidelines and restrictions concerning animals and pets, vehicle repairs, antennas and satellites dishes, landscaping, pools, guns, air conditioning units, lighting, window coverings, house decorations, vehicle washing, and other matters.

8. Additional Developer Reserved Rights. Article VIII of the Ke Noho Kai Declaration provides that the Developer and the Master Declarant may assign their rights reserved under the Ke Noho Kai Declaration to any third party. In addition, the Developer reserves the right to conduct sales activities within the Property and has reserved the right in its sole discretion to modify its development plans for the Property.

9. Insurance. The Community Association is required to carry the following types of insurance: (i) property casualty insurance on all insurable improvements within the Common Area; (ii) commercial general liability insurance (with umbrella liability

coverage); (iii) worker's compensation insurance (where required by law); (iv) directors and officers liability insurance; (v) fidelity insurance; (vi) non-owned and hired automobile liability coverage, (vii) such additional insurance as the board may determine from time to time. Premiums for insurance carried by the Community Association shall be common expenses which will be included in the common assessments.

10. Easements. Article X of the Ke Noho Kai Declaration provides for encroachment easements in favor of improvements which encroach upon neighboring units or the Common Area if such encroachment occurs due to unintentional placement or settling or shifting of such improvements. The Developer has also reserved for itself and its designees blanket perpetual easements as well as the right to designate, grant, dedicate, realign, relocate, or cancel perpetual easements for various purposes including access and utility purposes across the Common Area, and across individual units within any specific easement areas designated on any subdivision map for any portion of the Property. Such easements may be assigned to the Community Association on such terms and conditions as are acceptable to the Developer. The Developer has also reserved the right to reserve easements over the Common Area for access and utility purposes serving other developments within "Ocean Pointe" (as defined in the Ke Noho Kai Declaration). The Community Association shall generally have a right of entry over any portion of the Property (including any units) in order to carry out its duties under the Ke Noho Kai Declaration.

11. Term. The term of the Ke Noho Kai Declaration shall be for a period of fifty (50) years from the date that the Ke Noho Kai Declaration is recorded. Thereafter, the Ke Noho Kai Declaration shall automatically be extended for successive periods of twenty (20) years unless terminated by a written instrument approved by 75% of the total votes in the Association.

THE FOREGOING IS A GENERAL DESCRIPTION OF THE KE NOHO KAI DECLARATION FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE KE NOHO KAI DECLARATION. THE FULL TEXT OF THE KE NOHO KAI DECLARATION SHOULD BE EXAMINED AND CONTROLS OVER THIS DESCRIPTION.

The Master Declaration was prepared and executed by Developer's affiliated companies, HASEKO Homes, Inc. and HASEKO (Ewa), Inc. (HASEKO (Ewa), Inc. hereafter referred to as the "Master Declarant").

The purpose of the Master Declaration is to facilitate the development, ownership, and use of the "Property" (as defined in the Master Declaration) and to provide for the formation of the Ocean Pointe Residential Community Association (the "Master Association") that administers the Property. The following is a brief description of some

of the significant provisions of the Master Declaration (unless defined herein, capitalized terms shall be defined as set forth in the Master Declaration).

1. Scope. The Master Declarant presently plans to develop (i) a master-planned residential community tentatively consisting of approximately 4,850 dwelling units together with (ii) a contiguous master-planned non-residential development which may include commercial, industrial, resort, and recreational uses, all of which will be known as "Ocean Pointe" (as defined in the Master Declaration). The primary purpose of the Master Declaration is to provide for the maintenance of the "Area of Common Responsibility" and the "Master Facilities" as well as to administer the "Design Guidelines" (as those terms are defined in the Master Declaration) applicable to the residential component of Ocean Pointe. The Property encumbered by the Master Declaration presently includes Ocean Pointe's first residential phase, consisting of two sub-neighborhoods known as Ke 'Āina Kai and Mariners Place as discussed in Section V.C.1 of the public report, as well as certain adjacent parcels owned by Master Declarant which will be devoted to roadway and landscaping purposes. The Master Declarant has reserved the right to annex to the Property those portions of the proposed Ocean Pointe project that are predominantly used for residential purposes (including without limitation for single or multi-family dwelling purposes or that may in the future be devoted to such uses). In connection with this, the Master Declarant has annexed Ke Noho Kai to the Property. The Master Declarant has also reserved the right to withdraw property from the Master Declaration. The Master Declarant's rights to annex and withdraw property from the Master Declaration may be exercised at any time prior to the Last Conveyance Date (which is the date that the last residential dwelling unit proposed to be developed within Ocean Pointe is sold). The Master Declarant's rights to withdraw and annex property are generally covered in Sections 2.2 and 2.3 of the Master Declaration.

2. Amendment. Generally, the Master Declaration can be amended only with the vote of 75% of the units within the Property. However, prior to the termination of the Class B membership (see paragraph 3 below), such amendments will require the approval of the Master Declarant and the Master Declarant has reserved the right to amend the Master Declaration unilaterally (i) for any reason prior to the conveyance any unit within the Property; (ii) as to any unit, lot, or group of units/lots, where the same are owned by Master Declarant or the Developer; (iii) for the purpose of correcting technical defects, to make non-substantive changes, to comply with the requirements of various governmental loan programs, or to comply with various governmental or statutory requirements; (iv) for any other changes that do not have a material adverse effect on the rights of any "Owner" (as defined in the Master Declaration) and the value of any unit not owned by the Master Developer or the Developer; or (v) to annex or withdraw any property pursuant to the Master Declaration or to change the designation of the Area of Common Responsibility. The Master Declarant and the Developer also have the right to amend the Master Declaration unilaterally at any time to exercise their rights that are otherwise reserved or referenced in the Master Declaration. (See generally Section 2.1).

3. Association Membership/Voting. Membership in the Master Association is divided into two classes: (a) Class A members are all Owners (including Master Declarant as to each unit Master Declarant owns) and there will be one vote for each unit; and (b) the sole Class B member is the Master Declarant. The Class B member has the right to select all Master Association board members until the earlier of (i) the date

when the total number of units subject to the Master Declaration equals 800; or (ii) December 31, 2010. Thereafter, the Class B member shall have the right to select a majority of the Master Association board members until the termination of the Class B membership which shall occur upon the earlier of: (i) the date when 75% of all of the residential units proposed to be constructed within Ocean Pointe have been sold; (ii) December 31, 2030; or (iii) the date when the Master Declarant elects to terminate its Class B membership. Generally, in all matters other than the election of board members, there shall only be one class of membership (see generally Article III). If Owners are members of a "Community Parcel Association" (as defined in the Master Declaration) (such as the Ke Noho Kai Community Association), then all voting rights of such Owners will be exercised by the senior elected officer of that Community Parcel Association.

4. Master Association Powers and Duties.

a. General. The Master Association has broad powers to administer the Property. Generally, the Master Association has the power: (i) to acquire, hold, and dispose of property; (ii) to pay, compromise, or contest real property taxes and assessments on the Master Facilities and other property; (iii) to enforce the Master Declaration and the Ke Noho Kai Declaration; (iv) to enter into contracts for the purpose of carrying out its duties under the Master Declaration (including management contracts); (v) to collect assessments; (vi) to maintain books and records of its receipts and expenditures; and (vii) to maintain the Master Facilities and Area of Common Responsibility (described below) and portions of Ke Noho Kai.

b. Master Facilities. The Master Facilities will include property that the Master Association acquires any ownership interest in (whether by deed, lease, easement, license, assignment, or other instrument) and generally may include the following property which Master Declarant in the exercise of its sole discretion may elect to convey to the Master Association: (i) the "Initial Landscaping Lot"; (ii) the "Initial Landscaping Easements"; (iii) the "Entry Lots" (as such terms are defined in the Master Declaration) (provided that the Master Declarant may not convey the Entry Lots to the Master Association prior to the 5th anniversary of the date that the Master Declaration was filed of record in the Land Court); (iv) any improvements which constitute all or any component of the "Non-potable Water System" (as defined in the Master Declaration) serving the Property including associated easements; and (v) components of the circulation and greenbelt systems for the Property, including non-dedicated roadways, pedestrian pathways, bikeways, associated landscaping easements, private parks, open space and all other related property and facilities located within or adjacent to the "Master Declarant Land" (as defined in the Master Declaration) which may be designated by Master Declarant from time to time). The Master Association through the board may also acquire any other property which the board in the exercise of its discretion deems necessary or appropriate. Prior to the time that any of the Master Facilities are transferred to the Master Association, the Master Declarant shall have all rights, duties, and powers reserved to the Master Association in the Master Declaration. (See generally Article IV).

c. Area of Common Responsibility. The Area of Common Responsibility generally consists of those areas designated in the Master Declaration that the Master Association is responsible for maintaining even though the Master Association does not have an ownership interest in such property. Currently, the Area of Common

Responsibility includes the following property: (i) the Initial Landscaping Easements, (ii) the Initial Landscaping Lot, (iii) the "Perimeter Mini-Park," the "Area IB Mini-Park," and the "Area IC Perimeter Mini-Park", (iv) the "Area ID Landscaping Easements" (as those terms are defined in the Master Declaration) (notwithstanding the conveyance of such properties to a Community Parcel Association), and (v) all landscaping located within the "Initial Roadway Lots" (as defined in the Master Declaration) (notwithstanding the dedication of such Lots to a governmental entity). The Area of Common Responsibility may also include in the future the following property when designated in a supplemental Master Declaration: (a) all landscaping located within all other dedicated roadways which are located within, adjacent to, in the vicinity of or which otherwise benefit the Property as determined by the Master Declarant, (b) any of the property generally described in subparagraph 4.b. above as determined by the Master Declarant, (c) the Non-Potable Water System, (d) the Entry Lots (provided, that the effective date of such designation shall in no event occur prior to the fifth (5th) anniversary of the date that the Master Declaration is recorded, and (e) such other property as may be maintained by the Association by agreement. The Area of Common Responsibility shall not include any property that is transferred to the Master Association and thereby becomes part of the Master Facilities.

5. Use of Master Facilities. Generally, the Owners have a non-exclusive right and easement to use the Master Facilities subject to: (i) any restrictions set forth in any rules adopted by the Master Association; (ii) any restrictions, encumbrances, easements, and rights of way which may be reserved at the time any Master Facilities are transferred to the Master Association; (iii) any road, utility, or similar easements and rights of way which may be required by any governmental entity, or that may be taken under power of eminent domain, or granted or conveyed by the board; and (iv) other rights reserved to the Master Declarant or the Developer in the Master Declaration. Owners may not relinquish rights to use the Master Facilities and thereby avoid their obligations for assessments.

6. Assessments. The Master Association shall have the right to assess Owners common assessments for the expenses incurred by the Master Association (see generally Article VI). The common assessments to be levied on each unit shall be computed as follows:

a. Where the total number of units subject to the Master Declaration at the start of any fiscal year is less than 800, the common assessment to be levied on each unit during such fiscal year shall be computed by multiplying the sum of all common expenses by a fraction, the numerator of which is one (1), and the denominator of which is 800. The Developer shall partially subsidize the common expenses incurred by the Association during such period by paying to the Association an amount equal to the positive difference between the sum of all common expenses and the sum of all common assessments assessed against all units within the Property during such fiscal year and calculated according to the immediately preceding sentence (including units owned by the Developer).

b. Where the total number of units subject to the Master Declaration at the start of any fiscal year equals or exceeds 800, the common assessment to be levied on each unit during such fiscal year shall be computed by multiplying the sum

of all common expenses by a fraction, the numerator of which is one (1), and the denominator of which is the total number of units subject to the Master Declaration.

Until the Last Conveyance Date, either the Master Declarant and/or the Developer may annually elect either to pay the common assessments due on their respective unsold units or to pay to the Association the difference between the amount of all common assessments assessed against all units (other than those units owned by Master Declarant and/or Developer) subject to assessment and the amount of the actual expenditures required to operate the Master Association during the fiscal year.

The Master Association shall also be entitled to levy special assessments as follows: (i) against an Owner when an Owner defaults in the performance of its obligations under the Master Declaration, (ii) to make up a shortfall in receipts due to Owner delinquencies; (iii) where the budget is exceeded due to unanticipated circumstances; or (iv) for other reasons determined by the board.

Nonpayment of any assessments will give rise to a lien against the Owner's unit in an amount equal to the unpaid assessments plus interest, attorney's fees, and costs of collection and the board may foreclose on such lien as provided by law, provided, however, that with respect to units whose Owners are members of a Community Parcel Association (such as the Ke Noho Kai Community Association), all assessments attributable to such units shall be an obligation of the Community Parcel Association and shall be included as a common expense in the budget of such association. Individual Owners shall not be personally liable for the failure of a defaulting Community Parcel Association to pay its share of assessments and the Master Association shall have recourse only against the defaulting Community Parcel Association and its property.

7. Design Standards. All construction and alteration of improvements within the Property are subject to approval by the Design Review Committee ("DRC") and must be in compliance with the Design Guidelines which will be initially adopted by the Master Declarant (see generally Article VII). Until the Last Conveyance Date, all members of the DRC will be appointed by the Master Declarant. The DRC will have the authority to grant variances under specified circumstances and shall also have the authority to order the removal of any work which is not performed in accordance with the Master Declaration and Design Guidelines. The administration of the Design Guidelines applicable to a particular Community Parcel may be delegated to such Community Parcel from time to time as provided in the Master Declaration.

8. Additional Reserved Rights of Master Declarant and Developer. Generally, Article VIII of the Master Declaration provides that the Master Declarant and/or Developer (as the case may be) (i) may assign their rights reserved under the Master Declaration to any third party, (ii) may execute and record any instruments necessary (including amendments or supplements to the Master Declaration) which they deem necessary to exercise rights referenced or reserved to them in the Master Declaration, (iii) have reserved the right to conduct sales activities within portions of the Property, (iv) have reserved the right to erect signs within the Master Facilities, (v) have reserved the right to change development plans for the Ocean Pointe project, (vi) have reserved the right to execute specified documents affecting the Property, and (vii) have reserved the

right to exercise cross easement agreements on behalf of the Master Association. Master Declarant and Developer have reserved the following additional rights:

a. Easements. Under Section 8.7 of the Master Declaration, the Master Declarant and Developer have reserved for themselves and their designees blanket perpetual easements as well as the right to designate, grant, dedicate, realign, relocate, or cancel perpetual easements for various purposes including access and utility purposes across the Master Facilities. Such easements may be assigned to the Master Association on such terms and conditions as are acceptable to the Master Declarant or Developer, as the case may be.

b. Drainage. During the Initial Term, the Master Declarant shall have the right to select a qualified engineer who shall have the authority to determine the Master Association's fair and equitable share of drainage control costs within Ocean Pointe. Such drainage control costs may include: (i) the dredging of the marina depicted in the "Master Plan" (as defined in the Master Declaration) (if constructed and as the configuration of same may be altered by Master Declarant in its discretion) or alternatively, the maintenance of a permanent retention basin within Ocean Pointe; and (ii) maintaining all associated drainage channels located within Ocean Pointe. The Master Association's share of all such expenses shall be a common expense of the Master Association and shall be included in the common assessments.

9. Insurance. The Master Association is required to carry the following types of insurance: (i) property casualty insurance on all insurable improvements within the Master Facilities and Area of Common Responsibility; (ii) commercial general liability insurance (with umbrella liability coverage); (iii) worker's compensation insurance (where required by law); (iv) directors and officers liability insurance; (v) fidelity insurance; (vi) non-owned and hired automobile liability coverage, (vii) such additional insurance as the board may determine from time to time. Premiums for insurance carried by the Master Association shall be common expenses which will be included in common assessments.

10. Term. The term of the Master Declaration shall be for a period of fifty (50) years from the date that the Master Declaration was recorded. Thereafter, the Master Declaration shall automatically be extended for successive periods of twenty (20) years unless terminated by a written instrument approved by a 75% of the total votes in the Association.

THE FOREGOING IS A GENERAL DESCRIPTION OF THE MASTER DECLARATION FOR THE CONVENIENCE OF THE BUYER AND IS NOT INTENDED TO BE AN EXHAUSTIVE LIST OF ALL OF THE TERMS OF THE MASTER DECLARATION. THE FULL TEXT OF THE MASTER DECLARATION SHOULD BE EXAMINED AND CONTROLS OVER THIS DESCRIPTION.
