General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed
 Recorded - Bureau of Conveyances: Document No. 2004-200492
Book _____ Page _____
 Filed - Land Court: Document No. 3172940

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

Proposed
 Recorded - Bureau of Conveyances: Document No. 2004-200493
Book _____ Page _____
 Filed - Land Court: Document No. 3172941

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed Adopted Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> </u>	<u> X* </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit H .

as follows:

***Building E is non-conforming with respect to flood zone requirements. All other structures are conforming. See Exhibit M (item 6).**

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit F .

as follows:

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit I describes the encumbrances against the title contained in the title report dated February 9, 2011 and issued by Title Guaranty of Hawaii, Inc. .

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>

The Developer is merely attempting to pass through to the Purchaser any such manufacturer's or dealer's warranties; the Developer is not adopting any such warranties or acting as co-warrantor with respect to any furnishings, fixtures or appliances. The terms of the manufacturer's or dealer's written warranties will be available for the Purchaser's examination at the Developer's sales office.**

Developer's Rights to Change the Declaration, Condominium Map, Bylaws or House Rules

Note: Unless otherwise specified, capitalized terms used herein have the same meanings as in the Condominium Declaration.

1. The Developer has the right to change the Condominium Documents:

A. In any way and for any purpose before the date when the Developer first records a deed transferring an Apartment to someone other than the Developer or its Lenders.

B. To file the "as-built" statement (with plans, if necessary or convenient) required by Section 514A-12 of the Condominium Property Act. The Developer may do this each time any New Improvement is completed. It may also do this at any other time required by law or permitted by this Declaration. The Developer does not need the consent of the Board or anyone else who owns an Apartment or any other Interested Person.

C. To comply with the real estate laws of any place (for example, the State of Hawaii) or the requirements of any government agency (such as the Hawaii Real Estate Commission or the California Department of Real Estate) in connection with the registration of the Project to permit the sale of Apartments.

D. To satisfy requests for changes made by any institutional lender loaning money to the Developer or by any title company licensed to do business in the State of Hawaii.

E. To correct any misstatements of fact in the Condominium Documents. For example, the Developer can correct a mistake in the legal description of the Land.

The Developer may use these rights at any time and it may use them more than once.

2. The Developer has the right to amend the Declaration and/or the Condominium Map to reflect any of the following changes if the change materially changes the depiction of a particular Apartment or Apartments on the Condominium Map or the description of it in the Declaration:

A. Change or remove all or part of an intervening Common Element wall separating two (2) apartments owned by the Developer; installation of doors and other Improvements in such opening or openings in the intervening Common Element; and other reasonable changes or additions in accordance with Section 18.2.3 of the Declaration.

B. Change of the designation of the Limited Common Elements appurtenant to any two (2) adjacent Apartments owned by the Developer so that one or more Limited Common Elements appurtenant to one Apartment now will be appurtenant to the other Apartment or to both of the Apartments in accordance with Section 18.2.4 of the Declaration.

3. The Developer has the right to amend the Declaration and the Condominium Map as necessary or convenient to describe any New Improvements constructed on the Land in accordance with Section 19 of the Declaration.

4. In connection with the Developer's right under Section 20 of the Declaration to subdivide the Land of the Project and/or to consolidate the Land of the Project with any Adjacent Parcel, the Developer has the right to amend the Declaration to change the description of the Land and the right to amend the

Condominium Map if the Developer deems it necessary or useful to reflect the subdivision and/or consolidation.

5. In connection with the Developer's reserved right under Section 21 to withdraw and delete from the Project, and from the condominium property regime, all or any part of the areas designated on the Condominium Map as "Possible Deletion Areas", together with any improvements thereon, the Developer has the right to amend the Declaration to change the description of the Land to delete the areas withdrawn from the Project, and the right to amend the Condominium Map if the Developer deems it necessary or useful to reflect the deletion and withdrawal of the deleted areas or any Improvements on such areas.

6. In connection with the Developer's right under Section 22 of the Declaration to annex into the Project and the condominium property regime any Adjacent Parcel and any Improvements located on the Adjacent Parcel, the Developer has the right to amend the Declaration to change the description of the Land to include the Adjacent Parcel annexed and to describe any improvements on the Adjacent Parcel, and the right to amend the Condominium Map if the Developer deems it necessary or useful to reflect the annexation of the Adjacent Parcel or any Improvements on it.

7. The Developer has the right to amend the Condominium Documents as required to comply with any laws that apply to the Project or to the Association, or the Developer.

8. The Developer has the right to amend the Condominium Documents as necessary or convenient to satisfy the requirements of the SMA Permits as set forth in Section 24 of the Declaration.

9. The Developer has the right to amend the Condominium Documents as necessary or convenient to subject the Land and the Project to the Joint Development Agreement, and to satisfy the requirements of the Joint Development Agreement, as set forth in Section 25 of the Declaration.

10. The Developer has the right to amend the Condominium Documents as necessary or convenient to satisfy the requirements of the Design Guidelines as set forth in Section 26 of the Declaration.

EXHIBIT E

Special Use Restrictions

Note: Unless otherwise specified, capitalized terms used herein have the same meanings as in the Condominium Declaration.

1. Pets.

A. No livestock, poultry, pets or other animals of any kind are allowed on or may be kept in any part of the Project.

B. Notwithstanding the restriction against pets, animals that must be permitted on the Project pursuant to the Americans with Disabilities Act are allowed on the Project and may be kept by occupants in their respective Apartments.

C. In addition, specially trained animals are permitted on the Project pursuant to Chapter 515, Hawaii Revised Statutes, provided that:

(1) Specially trained animals may not be kept, bred, or used at the Project for any commercial purpose.

(2) Specially trained animals must be kept on a leash when they are on the Common Elements, including, but not limited to, any recreation areas.

(3) Any specially trained animal causing a nuisance or an unreasonable disturbance to any other occupant of the Project must be permanently removed from the Project promptly after the Board or the Managing Agent gives notice to the person using the specially trained animal. The notice must give the person a reasonable period within which to obtain a replacement specially trained animal. The animal causing a nuisance or disturbance need not be removed before the time stated in the notice unless the Board believes that the animal poses an imminent and serious threat of physical harm to other occupants of the Project.

(4) The Board may from time to time include in the House Rules reasonable restrictions or prohibitions relating to specially trained animals. Any such restrictions or prohibitions must be consistent with any laws protecting the civil rights of persons using specially trained animals.

D. A tenant of an Owner must obtain the written consent of the Owner to keep an animal allowed under paragraphs B and C above in the Apartment and provide a copy of such written consent to the Managing Agent.

2. Occupancy Limitation. No more than ten (10) persons at any time shall be permitted to occupy or reside in any Apartment. This occupancy limitation shall not apply to or restrict the Owner of any such Apartment from hosting a larger group of invited guests or visitors in such Apartment.

3. Other Use Restrictions.

A. Apartments. The Apartments may be occupied and used as follows:

(1) Generally. The Apartments may be occupied and used for resort, hotel or transient vacation rental purposes, and for no other purpose; subject however, to the limitations set forth in the Declaration and applicable law. Except for (a) home office use by the Apartment Owner that is allowed or permitted under the applicable zoning ordinance, or (b) where the Declaration allows the

Developer to do otherwise, or (c) the Hotel Related Apartment and its appurtenant Limited Common Elements: (i) the Apartments and their Limited Common Elements may not be used to carry on any business, trade or profession; (ii) the Apartments and their Limited Common Elements must not be used for sales of any articles or goods; and (iii) no Apartment Owner, lessee, tenant or other occupant of an Apartment may bring clients, customers or other business invitees onto the premises on a regular basis for business purposes.

(2) Time Share Use. Notwithstanding any other provision of the Declaration or the Bylaws, the Apartments may be used in or devoted to a time share, interval ownership, fractional use or joint ownership plan or program only if the Developer creates such plan or program or if the Developer authorizes or consents to such use in a recorded instrument.

(3) Right to Sell, Lease or Rent. The Apartment Owners have the absolute right to sell, lease, rent or otherwise transfer their own Apartments, subject to these restrictions and also subject to all other provisions of the Declaration and the Bylaws.

(4) Association's Use. Except for any rights to use expressly reserved to the benefit of the Fee Owner and/or the Developer, nothing limits or restricts the Association's right to use the Common Elements or any Apartment owned or leased by the Association for the benefit of the members of the Association to the full extent permitted by the applicable zoning ordinance, including without limitation, for a concierge desk and services, or activities desk.

B. Use of The Common Elements. Subject to the rights reserved by the Fee Owner and/or the Developer elsewhere in the Declaration or in the Bylaws, each Apartment Owner may use the Common Elements for the purposes for which they were intended without hindering or encroaching upon the lawful rights of the other Apartment Owners, subject to:

(1) The exclusive or other permitted use of the Limited Common Elements as provided in the Declaration;

(2) The right of the Board to change the use of the Common Elements or to lease or otherwise use the Common Elements for the benefit of the Association. The Board may only do so upon the terms and subject to the limits contained in the Condominium Property Act. See, for example, Section 514A-13(d) of the Condominium Property Act. However, no such lease, use or change in use may be made (i) before the Development Period ends unless the Developer consents to it in writing, or (ii) with respect to or affecting the Hotel, unless the owner of the Hotel Related Apartment consents to it in writing; and

(3) The right of the Developer and/or the Fee Owner to change the use of or otherwise deal with the Common Elements and Limited Common Elements in the exercise of the Developer's Reserved Rights.

(4) Except for the owner of the Hotel Related Apartment, no Apartment Owner, lessee, tenant, occupant, or other Interested Person may use the Common Elements or any part of it for any business purpose including the operation of a rental program, or a registration or check-in desk for guests of Apartment Owners. The owner of the Hotel Related Apartment shall be entitled to use the Common Elements or any part of it for any legitimate business purpose including but not limited to the operation of the Hotel and related services, functions, and activities.

C. Other Limitations on Use of the Apartments and Common Elements. No Apartment Owner, lessee, tenant, occupant, or other Interested Person can use the Project or any part of it (a) for the promotion or sale of time share interests or interests in any other interval ownership, fractional use or joint ownership plan or program, directly or indirectly; (b) for the operation of a tour or activity desk or any other business that directly or indirectly promotes the sale of time share interests, or interests in any other interval ownership, fractional use or joint ownership plan or program; (c) for the operation of a flea market,

dance hall, discotheque, funeral parlor, off-track betting parlor, carnival, amusement park, circus, gas station, auto repair shop, or bar or tavern where the primary business involves the sale of liquor for on-premises consumption; (d) for the operation of any business seeking a cabaret license; (e) for the promotion or sale of paraphernalia for use with illicit drugs; or (f) for the promotion or sale of pornography. Provided, however, that clauses (a), (b) and (c) of this paragraph do not apply to the Developer, the owner of the Hotel Related Apartment, or any Interested Person approved by the Developer in a recorded instrument.

D. Changes to Building Appearance.

(1) Changes by Owners or the Developer. Even though some of the Common Elements are Limited Common Elements appurtenant to certain Apartments, Owners are not allowed to change or cause a change to the exterior appearance of the Project unless they have the prior written consent of either the Board or the Managing Agent. This rule does not apply to the owner of the Hotel Related Apartment or to the Developer when exercising the Developer's Reserved Rights.

(2) Changes by the Board. Except for the Hotel, the Board has the right to change the exterior appearance of the Project. During the Development Period, however, the Board cannot do so without the Developer's written consent.

(3) Design Guidelines. Nobody is allowed to change the appearance of the Project in a way that does not strictly adhere to all principles, requirements and goals set forth in that certain instrument dated August 24, 2004, recorded in the Bureau of Conveyances of the State of Hawaii as Document No. 2004-195080, and filed in the Office of the Assistant Registrar of the Land Court of the State of Hawaii as Document No. 3169232 (the "Design Guidelines"). A copy of the Design Guidelines is attached as Exhibit E to the Declaration.

E. Maintenance and Repair of Apartments and Limited Common Elements. Each Owner must keep the interior of the Owner's Apartment, and its appurtenant Limited Common Elements, in good order and repair. This includes not just the walls and windows, but also includes all plumbing, electrical and other fixtures and equipment that are part of the Apartment or its Limited Common Elements. The Board, however, will provide for periodic resurfacing and other routine maintenance of parking stalls. This does not relieve an Owner from the obligation to pay for damages beyond normal wear and tear to his or her parking stall.

F. Developer's Rights of Use. Regardless of anything else stated in the Condominium Documents, the Developer has the right to use any Apartment that it owns or leases for promotional purposes or in connection with the initial sale and any resale of Apartments. This includes, for example, the right to have guests stay in those Apartments for any length of time. Of course, guests must comply with the Condominium Documents. It also includes the right to use its Apartments and their appurtenant Limited Common Elements as model Apartments or as sales, management or administrative offices or to provide services to the Owners or other occupants of the Project. These rights are subject to any requirements of the zoning code and any other laws that may apply to the Property.

4. Bylaws. See Section 9 of the Bylaws for more detailed examples of use restrictions applicable to the Project.

The Common Interest for each Apartment is computed by the following formula:

$$\text{Common Interest \%} = (\text{Net Living Area} \div \text{Total Net Living Area}) \times 100$$

As used above, "Net Living Area" for each apartment refers to the sum of the approximate net interior floor area and the approximate net lanai floor area for such apartment. "Total Net Living Area" refers to the sum of the Net Living Areas for all apartments in the Project.

EXHIBIT G

Permitted Alterations to Apartments

Note: Unless otherwise specified, capitalized terms used herein have the same meanings as in the Condominium Declaration.

1. Each Owner has the right, subject only to the terms and conditions set forth in the Condominium Documents and to Board approval (which will not be unreasonably withheld or delayed, and which does not apply to the owner of the Hotel Related Apartment), to make any of the following changes, additions and Improvements solely within the Owner's Apartment or solely within any Limited Common Element that such Owner controls:

A. To install, maintain, remove and rearrange partitions and other walls from time to time within the Apartment or Limited Common Element; provided that the Owner shall not have the right to enclose any exterior lanai; and provided, further, that the number of Apartments shall not be increased as a result of the exercise of such rights;

B. To finish, change or substitute any plumbing, electrical or other fixtures attached to the ceilings, floors or walls as appropriate for the use of the Apartment or Limited Common Element;

C. To decorate, paint, repaint, wallpaper or otherwise change the appearance of any walls, floors and ceilings of the Apartment or Limited Common Element which are not readily visible from outside the Apartment or Limited Common Element;

D. To tile, finish, carpet, re-carpet, and install, change, or remove other flooring in the Apartment or Limited Common Element which is not readily visible from outside the Apartment or Limited Common Element provided that any hard flooring materials and/or systems shall meet a Sound Transmission Coefficient (STC) acoustic standard of 50 or better and an Impact Insulation Criteria (IIC) acoustic standard of 50 or better; or

E. To make such changes, additions and improvements to the Apartment or Limited Common Elements to facilitate handicapped accessibility within the Apartment or Limited Common Element.

2. An Owner may make "nonmaterial structural additions to the Common Elements" as that term is used in §514A-89 of the Condominium Property Act.

3. The Owner of two Apartments which are separated by a Common Element that is a wall, or whose Limited Common Elements are separated from each other by a Common Element that is a wall, has the right and an easement to do these things, subject only to Board approval (which will not be unreasonably withheld or delayed), to:

A. Change or remove all or part of the intervening wall.

B. Install doors and other improvements in such opening or openings in the intervening Common Element.

C. Make other reasonable changes or additions.

Before terminating its common ownership of any of the adjacent Apartments, the Owner or Developer must restore the Common Element wall and/or other openings to substantially the same condition as before the change or removal unless the new Owners each agree otherwise in writing.

The rights of an Owner and the Developer to make the foregoing changes may be exercised only if:

(1) The structural integrity of the Apartment, or Limited Common Element or the building in which the Apartment is situated will not be adversely affected;

(2) The finish of the remaining Common Element improvements are restored to substantially the same condition they were in before the change or removal; and

(3) All construction activity is completed within a reasonable time after it begins. If there is a delay for reasons beyond the control of the Owner or Developer or their contractors, the construction activity must be completed in the additional time reasonably needed to finish it by working on it diligently.

4. The Owners of any two (2) adjacent Apartments have the right to change the designation of the Limited Common Elements appurtenant to their Apartments so that one or more Limited Common Elements appurtenant to one Apartment now will be appurtenant to the other Apartment or to both of the Apartments. The Owners cannot do this without the written consent of each Lender who has a Mortgage on either Apartment.

EXHIBIT H

Summary of Sales Contract

The specimen Condominium Purchase Agreement, Deposit Receipt and Contract ("Purchase Agreement") contains, among others, the following terms and provisions (which may be modified or otherwise limited by provisions not summarized):

1. The Purchase Price shall be paid in two (2) payments, the second of which shall be paid to the escrow agent, subject to other terms, three (3) days prior to the Date of Closing, except that mortgage proceeds from Buyer's Permanent Loan may be paid one (1) day prior to the Date of Closing.
2. The Purchase Price does not include closing costs, prorations, and additional costs payable by Buyer under the Purchase Agreement.
3. The Purchase Agreement will become a binding sales contract upon acceptance by Seller, provided that Buyer may cancel within 30 days of receiving a copy of the Final Public Report and any Supplemental Public Report. Buyer may elect to waive Buyer's right to cancel before the end of said 30-day period.
4. Buyer has received a copy of the public report(s) for the Project, and Buyer acknowledges that Buyer has had a reasonable opportunity to read the Declaration, By-Laws, House Rules, form of Apartment Deed and Escrow Agreement, and to examine the Project plans, and Buyer accepts such documents and plans with such changes and modifications as the Project architect may deem necessary.
5. Within twelve (12) days after the date Seller accepts the Purchase Agreement, Buyer must submit to Seller a Qualification Letter, in form and content acceptable to Seller, issued by the Qualification Agent identified in the Purchase Agreement confirming Buyer's ability to pay the Purchase Price.
6. If Buyer applied for and diligently pursued a Qualification Letter, and Buyer does not obtain a Qualification Letter in form and content acceptable to Seller within twelve (12) calendar days of Seller's acceptance of this Agreement, then Seller or Buyer can terminate this Agreement, and in such event, Escrow shall refund to Buyer all monies previously paid by Buyer, with interest to the extent provided under the Purchase Agreement, less Escrow's cancellation fee and other actual expenses incurred by reason of Buyer having signed the Purchase Agreement.
7. If Buyer does not act in good faith under the Purchase Agreement or otherwise comply with the requirements with respect to mortgage financing set forth in the Purchase Agreement strictly within the time frames set forth in the Purchase Agreement, Buyer shall be in default under the Purchase Agreement, and Seller may then cancel Escrow, terminate the Purchase Agreement and pursue remedies as provided in the Purchase Agreement.
8. All payments made by Borrower under the Purchase Agreement will be deposited with Escrow under the terms of the Escrow Agreement.
9. The Purchase Agreement shall not be construed as a present transfer of any interest in the Apartment, but is an agreement to transfer in the future.
10. The monthly maintenance charges and assessments for the Apartments set forth in the public reports for the Project are not intended to be and do not constitute any representation or warranty by Seller.
11. Seller may cancel the Purchase Agreement if (i) Buyer fails to make any payment when due under the Purchase Agreement, or (ii) Buyer fails to furnish to Seller the qualification letter within the time

period specified in the Purchase Agreement, or (iii) if Buyer is not a natural person, Buyer fails to have its obligations under the Purchase Agreement guaranteed by a person acceptable to Seller, or (iv) Buyer fails to execute and return the receipt and notice of right to cancel in connection with Buyer's receipt of a copy of the Final Public Report within the time period specified in the Purchase Agreement, or (v) Buyer fails to perform any other obligation required under the Purchase Agreement and such failure continues for fifteen (15) days after Seller gives written notice to Buyer of such failure, or (vi) any Buyer under the Purchase Agreement dies prior to the performance of all of Buyer's obligations under the Purchase Agreement.

12. Neither Seller nor any of Seller's representatives has made any representations or references as to rental of the Apartment, or the income, or any other economic benefit to be derived from the rental of the Apartment.

13. Seller makes only those warranties regarding construction and appliances which are set forth in the Purchase Agreement.

14. The Date of Closing shall be a date mutually acceptable to Buyer and Seller, but in no event more than sixty (60) days after Seller has accepted the Purchase Agreement.

15. Buyer will not take possession of the Apartment prior to the Date of Closing and full satisfaction by Buyer of all terms and conditions of the Purchase Agreement.

16. Buyer or its agent will inspect the Apartment and will sign an inspection sheet to be furnished by Seller or the contractor, or Buyer will appoint the inspecting architect or engineer for the Project, or Seller or any agent of Seller to inspect the Apartment and execute the inspection sheet on behalf of Buyer. Buyer agrees to accept possession of the Apartment despite the existence of defects and damages as long as Seller agrees to repair such defects or damages within a reasonable time. Buyer agrees to indemnify Seller for any damages or losses resulting from any wrongful refusal to accept possession of the Apartment.

17. Risk of loss to the Apartment shall be borne by Seller until the Date of Closing.

18. Time is of the essence of the obligations of Buyer under the Purchase Agreement.

19. In the event of any default under the Purchase Agreement by Buyer, (i) Seller may terminate the Purchase Agreement and thereupon, at Seller's option, all sums previously paid by Buyer, together with all accrued interest thereon, shall belong to Seller as liquidated damages, or (ii) Seller may pursue any other remedies permitted at law or in equity, including, but not limited to, specific performance.

20. Seller shall be in default under this Agreement if Seller fails to perform any obligation required under the Purchase Agreement and such failure continues for fifteen (15) days after Buyer gives written notice to Seller of such failure.

21. In the event of any default by Seller, Buyer may (i) cancel and terminate the Purchase Agreement by written notice to Seller, and receive (x) from Escrow a full refund of all moneys paid by Buyer under the Purchase Agreement, together with interest to the extent provided in the Purchase Agreement (less any cancellation fee imposed by Escrow), and (y) all costs, including reasonable attorneys' fees, incurred by Buyer by reason of Seller's default, or (ii) file suit against Seller for the actual damages suffered by Buyer as a result of Seller's default under the Purchase Agreement, or (iii) pursue any other remedies permitted at law or in equity, including, but not limited to, seeking specific performance of the Purchase Agreement.

22. Buyer may not at any time assign its rights or obligations under the Purchase Agreement.

23. Portions of the Project are located within a flood zone (zone VE). However, upon completion of construction, all buildings of the Project will either conform with applicable flood zone requirements and

regulations then in effect, or qualify as legal non-conforming structures with respect to flood zone requirements and regulations then in effect. Buyer will be assuming the risk of any property damage, personal injury, loss in property value, costs, expenses or other consequences that may result from (i) the location of portions of the Project within a flood zone, such as the cost of obtaining flood insurance as may be required by the Declaration or other applicable law; or (ii) future changes to the flood zone requirements applicable to the Project or portions thereof, such as the additional cost of rebuilding any non-conforming structure that may be destroyed in conformity with the flood zone requirements then applicable to the Project.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE PURCHASE AGREEMENT. WHILE A BUYER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF BUYER'S RIGHTS AND OBLIGATIONS UNDER THE PURCHASE AGREEMENT, BUYER MUST REFER TO THE PURCHASE AGREEMENT TO DETERMINE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE AGREEMENT, THE PURCHASE AGREEMENT WILL CONTROL.

Summary of Escrow Agreement

The Condominium Escrow Agreement ("Escrow Agreement") dated as of January 29, 2004, was made by and between Title Guaranty Escrow Services, Inc. ("Escrow Agent") and Ocean Villas Development, L.L.C. The Escrow Agreement contains among other provisions the following (which may be modified or otherwise limited by provisions not summarized herein):

1. Sales Contracts Deposited in Escrow. Whenever Developer enters into a sales contract with a purchaser for the sale of an apartment in the Ocean Villas at Turtle Bay condominium project (the "Project"), Developer shall deliver an executed copy of said contract to Escrow Agent. The sales contract shall require that all payments due thereunder be made directly to Escrow Agent to be held and disbursed in accordance with the Escrow Agreement. If the purchaser intends to purchase the apartment as an "owner-occupant" pursuant to Chapter 514A, Part VI, Hawaii Revised Statutes ("H.R.S."), said purchaser shall deliver an owner-occupant affidavit to Escrow Agent in the form and content required by H.R.S. §514A-104.5.
2. Receipt of Funds by Escrow Agent. Escrow Agent will receive payments under the sales contracts and from any other source relating to the Project. Escrow Agent will deposit all funds within a reasonable time after receipt in an interest-bearing account or accounts at a federally insured bank, savings and loan association, or other financial institution. Any interest earned on such deposits shall accrue to the credit of Developer unless Escrow Agent is asked to establish a separate account for a purchaser, in which case interest on such account shall accrue to the credit of said purchaser.
3. Conditions to be Met Prior to Disbursement of Purchasers' Funds Held In Escrow to Pay Certain Project Expenses Prior to Completion of Construction. Escrow Agent shall make no disbursement of funds deposited with it unless: (a) the Real Estate Commission has issued a Final Public Report on the Project; (b) Developer or Developer's attorney has notified Escrow Agent that the requirements of H.R.S. §514A-62 and §514A-63 have been met; and (c) Developer has given Escrow Agent a written waiver of any reserved option to cancel the sales contract. Prior to completion of construction, provided that the requirements set forth in clauses (a) through (c) of the preceding sentence have been satisfied, Escrow Agent shall disburse funds deposited with it to pay for (i) construction costs of the buildings and other improvements and fixtures of the Project, and (ii) architectural, engineering, finance and legal fees and other incidental expense of the Project to the extent approved by Developer's mortgagee.
4. Return of Funds and Documents. Escrow Agent will return deposited sums, without interest and less Escrow Agent's cancellation fee and other costs up to a maximum of \$250.00, to a purchaser if:
 - (a) Developer and such purchaser shall instruct Escrow Agent in writing to return such funds to such purchaser; or
 - (b) Developer shall notify Escrow Agent of Developer's exercise of the option to cancel or rescind the Sales Contract entered into by such purchaser pursuant to any right of cancellation or rescission provided for therein or otherwise available to Developer with respect to which, in accordance with the sales contract, Purchaser is entitled to a return of funds deposited by it with Escrow Agent; or
 - (c) With respect to any purchaser whose funds were obtained prior to the issuance of the Final Public Report, such purchaser has exercised such purchaser's right to cancel the sales contract entered into by such purchaser pursuant to HRS Section 514A-62; or
 - (d) Such purchaser has exercised such purchaser's right to rescind the sales contract pursuant to HRS Section 514A-63.

5. Unclaimed Funds. Escrow Agent shall notify each purchaser entitled to a return of funds by registered or certified mail. If any purchaser does not claim the refund within sixty (60) days, Escrow Agent shall deposit the funds with a bank or depository selected by Escrow Agent in the name of Developer as trustee for the purchaser. Thereafter, Escrow Agent shall have no further obligation or liability with respect to such funds or purchaser.

6. Closing. Except for the sales contract and any note and mortgage, Escrow Agent shall arrange for and supervise the execution, recording, and delivery of all documents, as necessary, related to the Project.

7. Partial Closings. In the event Developer desires partial closings (i.e. closings for some but not all of the apartments), Escrow Agent agrees to cooperate and facilitate such partial closings.

8. Defects in Documents. Escrow Agent shall record all documents within three (3) business days of the date of closing, provided said documents are not defective in any way. If any documents are defective, Escrow Agent will notify Developer thereof and correct such defects if they are within Escrow Agent's capacity to correct.

9. Purchaser's Default. Developer shall notify Escrow Agent when payments are due from a purchaser, who shall then be notified by Escrow Agent. Escrow Agent shall notify Developer of any defaults by a purchaser. If Developer certifies to Escrow Agent in writing that Developer has terminated the sales contract, Escrow Agent shall thereafter treat all funds of the purchaser paid on account of said sales contract as funds of Developer. Upon the written request of Developer, Escrow Agent shall pay such funds to Developer, less any cancellation fee, and shall return any partially executed conveyance documents. Escrow Agent shall retain all other documents for the statutory period. Thereafter, Escrow Agent shall have no further obligation or liability with respect to such funds or purchaser.

10. Protection of Escrow Agent. Escrow Agent shall have no liability for acting in accordance with the terms of the Escrow Agreement, notwithstanding a notice to the contrary from Developer, any purchaser, or any third person. Escrow Agent shall not be responsible for the validity or sufficiency of any documents received by it, shall assume that said documents have been properly executed, and shall assume that any written certification or instrument from Developer is true and accurate. In the event of any dispute, difference, or conflicting demand upon Escrow Agent, Escrow Agent shall not be required to determine the same or take any action in the premises, but may await settlement of the controversy by appropriate legal proceedings or otherwise, including the resolution of an interpleader action initiated by Escrow Agent. Developer and each purchaser agree to pay Escrow Agent on demand and to indemnify and hold harmless Escrow Agent against all costs and damages arising out of this Agreement, except for any act or omission of Escrow Agent that is not generally accepted as a reasonable business practice. Escrow Agent shall not be required to mail any notice or keep any records required under H.R.S. Chapter 514A.

11. Miscellaneous. The Escrow Agreement is binding upon and inures to the benefit of the parties hereto and their successors and assigns. The Escrow Agreement may be terminated on thirty (30) days written notice to either party. In the event of any conflict between the Escrow Agreement and H.R.S. Chapter 514A, the statutory provisions shall control. Escrow Agent shall furnish Developer with semi-monthly reports that cover the status of each sales contract in escrow.

12. Compensation. For each Apartment sale closed by Escrow Agent, Escrow Agent shall be paid an escrow fee. The escrow fee shall be \$800.00 plus the applicable Hawaii general excise tax thereon with respect to Apartments having a purchase price of less than \$750,000.00. The escrow fee shall be \$1,000.00 plus the applicable Hawaii general excise tax thereon with respect to Apartments having a purchase price of from \$750,000.01 to \$1,000,000.00. The escrow fee shall be \$1,500.00 plus the applicable Hawaii general excise tax thereon with respect to Apartments having a purchase price of more than \$1,000,000.00. The premium for the standard owner's title insurance policy with respect to each Apartment shall be \$900.00 with respect to Apartments having a purchase price of less than \$750,000.00;

\$1,200.00 with respect to Apartments having a purchase price of from \$750,000.01 to \$1,000,000.00; and \$1,700.00 with respect to Apartments having a purchase price of more than \$1,000,000.00. Premiums for an ALTA Homeowner's policy or ALTA Owner's policy are slightly more and are set forth in the Escrow Agreement. An ALTA lender's title insurance policy (if necessary) issued concurrently with the title insurance policy is free of charge. The title insurance premiums may be subject to change if reinsurance rates change, or if special endorsements or additional title services are requested.

The compensation to Escrow Agent with respect to the closing of the sale of any apartment shall be due and payable upon the earlier of: (i) transfer to a purchaser of legal title to such apartment; and (ii) final disbursement of the purchase price of such apartment and other sums held by Escrow Agent with respect hereto. Developer agrees to pay an additional charge for any changes to any closing statement or other document that are necessary after the commencement of preclosing or closing proceedings, unless said changes are necessary due to the fault of Escrow Agent.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE ESCROW AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE ESCROW AGREEMENT, ONE MUST REFER TO THE ACTUAL ESCROW AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. Additional Information

Note: Unless otherwise specified, capitalized terms used herein have the same meanings as in the Condominium Declaration.

1. This report applies only to Units 119, 120, 316 and 317 of the Project which, as of the date of this report, are the only remaining units in the Project still owned by the Developer and Kulima Resort Company ("KRC").
2. As of the date of this report, the Developer owns Unit 120 in fee simple, and the Developer and KRC share ownership of Units 119, 316 and 317. Specifically, with respect to Units 119, 316 and 317, KRC owns the percentage interest in the Land which is appurtenant to such units, and the Developer owns the improvements comprising such units. Pursuant to an agreement between the Developer and KRC, both the Developer and KRC will sign the Apartment Deed for Units 119, 316 and 317, for the purpose of conveying to any purchaser of such unit(s) a fee simple interest in both the improvements and land comprising such unit(s).
3. Under the Bylaws, anyone who purchases an Apartment after the initial sale of such Apartment by the Developer must pay three (3) months of maintenance fees to the Association. This requirement applies to all future resales after the initial sale of an Apartment.
4. The Project, including each of the Apartments in the Project, is encumbered by restrictive covenants, conditions and restrictions (the "Design Guidelines") recorded in the Bureau of Conveyances as Document No. 2004-195080 and filed in the Land Court of the State of Hawaii as Document No. 3169232. The Design Guidelines impose restrictions on the construction of any new improvements or material alterations to existing improvements of the Project including but not limited to obtaining the approval of the owner of the Hotel at Turtle Bay Resort.
5. The Project is located adjacent to the ocean, and the prevailing winds come off the ocean much of the time. As a result, frequent, ongoing, and routine maintenance will be required to mitigate the corrosive effect of the salt particles in the air carried by the wind on hardware and other materials and items in the Project which are susceptible to corrosion, including any items stored or placed in the individual apartments such as furniture, appliances, fixtures, and personal belongings. Even with such maintenance, prospective purchasers should expect that hardware and such other susceptible materials and items will have to be replaced on a much more frequent basis than in other environments as a result of the corrosive effects of the ocean-front locale of the Project.
6. Portions of the Project are located within a flood zone (zone VE). However, all buildings of the Project either conform with or qualify as legal non-conforming structures with respect to applicable flood zone requirements and regulations. Buyer will be assuming the risk of any property damage, personal injury, loss in property value, costs, expenses or other consequences that may result from (i) the location of portions of the Project within a flood zone, such as the cost of obtaining flood insurance as may be required by the Declaration or other applicable law; or (ii) future changes to the flood zone requirements applicable to the Project or portions thereof, such as the additional cost of rebuilding any non-conforming structure that may be destroyed in conformity with the flood zone requirements then applicable to the Project.
