## **General Information on Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances: Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court Document No. \_\_\_\_\_

The Declaration referred to above has been amended by the following Instruments [state name of document, date and recording/filing information]:

B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances: Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court Document No. \_\_\_\_\_

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium is:

Proposed  
 Recorded - Bureau of Conveyances: Document No. \_\_\_\_\_  
Book \_\_\_\_\_ Page \_\_\_\_\_  
 Filed - Land Court Document No. \_\_\_\_\_

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

Proposed       Adopted       Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

	<u>Minimum Set by Law</u>	<u>This Condominium</u>
Declaration (and Condo Map)	75%	<u>75%</u>
Bylaws	65%	<u>65%</u>
House Rules	---	<u>51%</u>

\* The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. **Developer:**

No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.

Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules: The Developer has reserved the right to make any changes to said documents, and any other documents affecting this Project, as may be required by law, any title insurance company, or as Developer decides is necessary, all without the consent or approval of the Buyer, provided that the changes do not substantially impair the prospective use and enjoyment of the apartments; materially alter the arrangement of the rooms or reduce the usable space within the apartment; render unenforceable the Buyer's mortgage loan commitment; alter Buyer's share of common expenses or reduce the obligations of the Seller for common expenses on unsold apartments. Developer also reserves the right to file the as-built verified statement required by Section 514A-12, Hawaii Revised Statutes, as amended, and also to make any changes to the documents necessary in connection with the merger of this Project as set forth in paragraph H, page 16 of this report.

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. Conformance to Present Zoning Code

- a.  No variances to zoning code have been granted.  
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>    X    </u>	<u>          </u>	<u>          </u>
Structures	<u>    X    </u>	<u>          </u>	<u>          </u>
Lot	<u>    X    </u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration are:

described in Exhibit   B  

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit \_\_\_\_\_ .

as follows:

- (a) Parking garage, additional parking stall (if applicable) and driveway appurtenant to the apartment;
- (b) Mailbox bearing the same designations as the apartment;
- (c) Yard areas as shown on the Condominium Map;
- (d) Roofs and exterior siding of each apartment; and
- (e) All other common elements which are rationally related to less than all of the apartments in the Project.

**NOTE: Each apartment and the limited common elements referenced above do not comprise a legally subdivided individual lot.**

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest". It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interest for the apartments in this project as described in the Declaration, are:

described in Exhibit A

as follows:

E. Encumbrance Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit C describes the encumbrances against the title contained in the title report dated April 20, 2004 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed <b>Prior to Conveyance</b>
Mortgage	Lender has priority over Buyer's rights under a sales contract, and has a right to terminate sales contracts upon foreclosure of its mortgage before an apartment sale is closed. Should the lender terminate Buyer's sales contract, Buyer shall be entitled to a refund of all deposits, less escrow cancellation fee.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. **Building and Other Improvements:** The apartment and related common elements will be covered by a Limited Warranty. The Limited Warranty will be for a ten (10) year period which will commence on the recording date of the deed to the Buyer. The coverage amount will be the base sales price of the Unit. The Limited Warranty will be substantially similar to the sample Limited Warranty attached as Exhibit "G". Developer reserves the right to make changes to the Limited Warranty without further notification to Buyer. Developer's obligations under the Limited Warranty are expressly conditioned on prompt notification by Buyer or the Association to Developer of any defects in the Unit. In addition, Developer will not be responsible for damage to the Unit or common elements arising out of the failure of Buyer or the Association to take reasonable and prudent steps to maintain the property or to prevent damage or further damage to the Property. **ROUTINE MAINTENANCE WORK IS NOT COVERED BY ANY WARRANTY.**
2. **Appliances:** Warranties on appliances furnished with an apartment are not provided by the Developer. The execution and delivery of the apartment deed will operate as an assignment from the Developer to the Buyer of the respective manufacturers' or dealers' warranties, if any.

G. **Status of Construction and Date of Completion or Estimated Date of Completion:**

Buildings 58, 59, 60 and 61 were completed in November 2002. Buildings 58 and 59 have been used as models, while Building 60 has been used as a model and auxiliary office and Building 61 has been used as a model and sales office. Construction on Buildings 54, 55, 56, 57, 62, 63 and 64 is expected to commence in July 2004 and is expected to be completed in October 2004.

H. **Project Phases:**

The developer [X] has  has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

Each phase of LAS BRISAS will be a separate condominium community. Developer may decide to "merge" some or all of the phases. Developer may also merge some or all of the phases of LAS BRISAS with other condominium communities on the property covered by the same Joint Development Agreement (see page 20B, paragraph 5) for the purposes of sharing common area costs shared by the various communities (such as roadways, street lighting and landscaping). This means that the owners and occupants of the merged phases will share the use of the common elements and the common expenses of those phases. Should certain common area costs be unique to a particular condominium community which should not be shared with other communities, these costs will be allocated to the affected condominium community. Upon merger, Buyer will have a new percentage interest for voting and maintenance fee purposes only. Buyer's ownership interest will not be affected. Developer will record a certificate of administrative merger which will state the effective date of the new percentage interest. Developer is not obligated to merge all phases of LAS BRISAS. Developer may merge other phases into already merged phases of LAS BRISAS at a later time.

### C. ADDITIONAL INFORMATION NOT COVERED ABOVE

1. Developer must report certain information to the City and County of Honolulu (the “City”) pursuant to affordable housing requirements imposed by the City. We will require information from you regarding income and household size to provide to the City for information purposes.

2. Construction of LAS BRISAS, PHASE 5 and other phases of LAS BRISAS by Gentry (together “LAS BRISAS”) will be ongoing for several months while units are being occupied. This ongoing construction will create dust, noise and increased traffic in the vicinity of occupied units. Certain hazardous conditions relating to the construction may also exist for a period of time. Additionally development of the areas around LAS BRISAS will cause dust in and around the Project for several years as development in Ewa by Gentry continues. Buyer understands that Developer will make efforts to minimize the dust but that it is an inevitable result of the ongoing construction.

3. Sales activities for LAS BRISAS and neighboring communities will be ongoing for several months. This may result in increased traffic and noise in the vicinity of the sales office. Portions of the common areas may be used for signage and other sales activities for a period of time while sales are ongoing.

4. Buyer understands and acknowledges that certain activities will occur on and about LAS BRISAS (“Activities Affecting LAS BRISAS”) as follows:

(a) The mauka side of LAS BRISAS borders Iroquois Point Road, a public roadway. The ewa side of LAS BRISAS will be bordered by Terrazza and Tiburon, both detached residential condominiums. The diamond head side of LAS BRISAS borders on open, undeveloped space which the Navy has denoted as an Explosive Safety Hazard Zone as described in the following paragraph. The makai side of LAS BRISAS borders on an open undeveloped space which may be developed into future residential communities. Because the diamond head and makai side areas are currently undeveloped, there may also be pests, such as cockroaches and rodents, for a period of time.

(b) LAS BRISAS is located in the vicinity of the West Loch Branch of the Lualualei Naval Magazine (“West Loch”) which in the event of military action may be a sensitive area. The Navy has denoted an area east of LAS BRISAS as an Explosive Safety Hazard Zone in connection with munitions which may be loaded onto ships at West Loch. The Navy has represented that the boundary of said area represents the probable limit of any impact on the adjacent community. This area, which extends to West Loch, will have restricted development required by the Navy. The Navy has leased portions of this area for agricultural use, which will create dust and noise. Because this area is undeveloped, there may also be pests, such as cockroaches and rodents, for a period of time. Geiger Road and Iroquois Point Road may also be used by the Navy to transport aircraft and munitions.

(c) LAS BRISAS is located upon land previously used for the cultivation of sugar cane. Land near or adjacent to LAS BRISAS may continue to be used for the cultivation and harvesting of agricultural products, which may cause dust and noise. Crops may be burned when seasonally appropriate. The Hawaii Right-to-Farm Act (H.R.S. Ch. 165) and Hawaii law limit the types of farm activities that may be deemed a nuisance.

(d) LAS BRISAS is located in the vicinity of a commercial airport (Honolulu International Airport) and a possible future airport at the former Barber's Point Naval Air Station and Buyer is aware that there is a likelihood of noise from planes passing overhead or nearby. The 1987 Noise Contour Map of the Honolulu International Airport Master Plan shows LAS BRISAS located in an area subject to the noise levels of 55 Ldn.

(e) LAS BRISAS is located near the Honouliuli Wastewater Treatment Plant, which generates odors and which will be expanded in the future to accommodate increased usage.

(f) Mold and mold spores are present throughout the environment, and residential home construction is not, and cannot be, designed to exclude mold spores. All mold is not necessarily harmful, but certain strains of mold have been shown to have adverse health effects in susceptible persons. Moisture is the only mold growth factor that can be controlled in a residential setting. Buyer should take positive steps to reduce or eliminate the occurrence of moisture in and around the house upon the Property. Developer is not responsible for any mold or mold spores present in the environment or in the house upon the Property.

(g) The Federal Emergency Management Agency ("FEMA") has not yet reviewed LAS BRISAS area to determine whether the Property is within a flood hazard zone. If FEMA later determines that the Property is within a flood hazard area, then your lender may require you to obtain flood insurance.

(h) The Coral Creek Golf Course has been constructed on the west side of Fort Weaver Road. The property is also a designated City flowage easement for drainage purposes.

There may be hazards that may cause injuries and damages to persons and/or property on LAS BRISAS such as periodic spraying or other treatment of the golf course area with pesticides, insecticides, herbicides, fungicides and fertilizers. Irrigation of the golf course may be with water from storm water retention basins or reclaimed water from the Honouliuli Wastewater Treatment Plant (used in accordance with Department of Health guidelines). Tournaments and other special events held on the golf course may also impact the community.

Owners in LAS BRISAS will not have an ownership interest, a right to use any facilities or a right to enter the property by virtue of their membership in the Ewa by Gentry Community Association.

(i) Coronado and Palm Villas multi-family communities have been developed as a combination of sale/rental units to meet the City affordable housing requirements. At this time, the locations of additional affordable housing communities have not been finally determined.

(j) Water used to irrigate the common area landscaping in the Ewa by Gentry community will come from either a nonpotable well service or may be from reclaimed water from the Honouliuli Wastewater Treatment Plant. Any reclaimed water is required to be treated according to Department of Health guidelines.

These Activities Affecting LAS BRISAS may cause some unpleasant odors, surface water runoff, noise, dust, smoke and other unpleasant effects that may bother or be a nuisance to Buyer and other occupants and invitees of the Project. In the Apartment Deed, each Buyer, for himself, his heirs, personal and legal representatives and assigns, will release, indemnify, defend and hold harmless Developer, the Thomas H. Gentry Trust, a California Trust dated February 11, 1986, as amended, and related entities, the Trustees of the Estate of James Campbell, Deceased, and Oahu Sugar Company, Limited, Coral Creek Golf, Inc. and any future owner and/or operator of the golf course areas, and their respective officers, directors, employees, agents, successors, successors-in-trust, and assigns from any and all liability, claims, losses, damages, or expenses, including attorneys' fees, arising from any such impairment of the use and enjoyment of the Property, loss of market value of the Property, or property damage or personal injury to the property or person of Buyer, or Buyer's tenants, lessees, family, servants, guests, invitees, licensees, agents, employees, or other persons who may use the Property. However, the person or entity whose actions or omissions are the direct cause of any damage to Buyer shall be responsible for the consequences or results of its own gross negligence, willful misconduct or violation of applicable law. Buyer hereby irrevocably agrees to suffer and permit all actions and consequences incident to the Activities affecting LAS BRISAS described above.

5. LAS BRISAS, PHASE 5 is part of an overall area covered by that certain Agreement for Issuance of Conditional Use Permit Under Section 4.40-21 of the Land Use Ordinance (LUO) dated July 5, 2000 and recorded in the Office of the Assistant Registrar of the Land Court of the State of Hawaii as Document No. 2637544, as amended by that certain Declaration of Addition of Real Property to Agreement for Issuance of Conditional Use Permit Under Section 21-5.380 of the Land Use Ordinance (LUO) dated October 11, 2001 and recorded in said Office of the Assistant Registrar as Document No. 2744542 (the "Joint Development Area"). The Joint Development Area includes all current and future phases of LAS BRISAS, Tiburon, CorteBella and Terrazza. The estimated total number of units in the Joint Development Area at full build-out is 612. The Joint Development Area was designed to operate as a cohesive, integrated multi-family community that includes shared common facilities and infrastructure, including but not limited to potable water, non-potable well system, irrigation, drain, sewer and electrical systems, visitor parking stalls, roadways and landscaping. Additionally, Developer may alter development plans to address market conditions and may develop a separate condominium community in the Joint Development Area differing in design and construction from LAS BRISAS. Developer reserves the right to administratively merge some or all of the condominium communities within the Joint Development Area for the purposes of sharing common area costs shared by the various communities (such as roadways, street lighting and landscaping). The use and cost of maintaining and operating the shared infrastructure and facilities will be shared among all owners on a pro rata basis. If the merged communities have different building types that require different maintenance and reserve assessments, the condominium association will set up cost centers such that each community is responsible only for the maintenance of its building type.

6. Lot 13426, Map 1021, Lot 14302, Map 1125 and Lots 14724 and 14725, Map 1147, all of Land Court Application No. 1069 are open park areas for the use of all residents living in the Joint Development Area. Lot 14298, Map 1123, Land Court Application No. 1069 has a Recreation Center built on it for the use of all residents living in the Joint Development Area. The Recreation Center opened on September 28, 2002 and is currently managed by the existing Terrazza/CorteBella Association of Apartment Owners. Developer may designate additional park areas within the Joint Development Area, which may include recreational facilities, collectively (the "Park Areas"). Developer intends to convey the Park Areas to the several associations of apartment owners within the Joint Development Area as tenants in common or may include a Park Area in a later phase of development in the Joint Development Area. Each association's ownership share of a Park Area shall be based upon the association's proportionate share of the total number of apartments in the Joint Development Area. The several associations of apartment owners within the Joint Development Area shall have the duty and obligation to accept and maintain the Park Areas at the common expense of all of the owners of apartments within the Joint Development Area. The initial estimate of maintenance fees reflected in Exhibit "D" of this public report do not include estimated costs of operation of all Park Areas or of the Recreation Center.

7. All apartment owners in LAS BRISAS are automatically members of the Ewa by Gentry Community Association, a non-profit Hawaii corporation. All owners are therefore subject to the restrictions, covenants and conditions of the Ewa by Gentry Community Area Declaration of Covenants, Conditions and Restrictions which govern the entire Ewa by Gentry community. The Community Association enforces the provisions of the Declaration of Covenants, Conditions and Restrictions to ensure a well maintained, safe and aesthetically pleasing community. Each owner pays dues to the Community Association in the amount of approximately \$50 per quarter for a total of \$200 a year. The maintenance fees reflected in Exhibit "D" of this public report do not include the dues payable to the Ewa by Gentry Community Association.

8. The sizes and configurations of the limited common areas and common areas reflected on the Condominium Map are approximations only. Actual sizes and configurations may vary due to the placement and location of utilities and due to varying terrain surrounding each building.

9. Apartment owners may add a second floor lanai up to sixty square feet (60 sq. ft) in size or may cover up to fifty percent (50%) of the limited common element yard areas without amending the condominium documents, subject, however, to obtaining the necessary Association and governmental permits and approvals.

10. Each LAS BRISAS home has an attached garage. The garage meets City and County of Honolulu standards to accommodate one full sized and one compact sized parking stall. Buyers who have an oversized vehicle (a van, a truck) or who have more than one full sized vehicle should inspect the garage thoroughly to ensure that the garage can accommodate their vehicles. Two of the Apartment Owners' cars must be parked within the garage. Some homes may have an additional parking area in the limited common area adjacent to the home. The additional parking area is for vehicles only and may not be used for storage purposes.

11. Water used to irrigate the common area landscaping in LAS BRISAS (which include portions of the front yard of each unit) will come from either a nonpotable well service or may be from reclaimed water from the Honouliuli Wastewater Treatment Plant. Any reclaimed water is required to be treated according to Department of Health guidelines.

12. Not all homes in LAS BRISAS will have curbside trash collection. If an apartment owner's home is located on a street ending in a cul de sac, the owner must take his trash cans to the designated trash collection areas. Trash cans can be taken to the trash collection the night before trash is collected and must be removed by the end of that day.

13. LAS BRISAS is serviced by a private drainage system that connects to the City and County of Honolulu's municipal sewer system. As such, Federal regulations prohibit the following from being discharged into the Project's drainage system:

- (a) domestic wastewater;
- (b) industrial wastewater;
- (c) any debris, refuse or solid waste or yard waste;
- (d) chlorinated swimming pool water;
- (e) washwater from vehicle and equipment cleaning; and
- (f) oil and petroleum products.

Owners are prohibited from discharging any of the above into the Project's drainage system.

The Association is solely responsible for the maintenance and upkeep of the Project's drainage system. It shall cooperate with the Developer in assuming the Developer's National Pollutant Discharge Elimination System (NPDES) Permit No. H10021229 and shall be responsible for enforcing the terms and conditions of the NPDES Permit.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that his project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

**BREAKDOWN OF PLANS  
AND COMMON INTEREST FOR LAS BRISAS, PHASE 5**

<u>Plan</u>	<u>Common Interest</u>	<u>Number in Project</u>	<u>Total Common Interest</u>
1	8.06 %	1	8.06 %

3	9.30 %	4	37.20 %
3M	9.70 %	<u>2</u>	<u>19.40 %</u>
		11	100.00 %

As nearly as practicable, the common interest for each residential apartment was determined by dividing the net floor area of the particular apartment by the total net interior floor area of all apartments in the Project and multiplying that amount by 100.

**ADMINISTRATIVE MERGER**

The Developer may administratively merge phases of LAS BRISAS with other condominium communities within the Joint Development Area. The Developer may also merge other condominium communities within the Joint Development Area into the already merged phases of LAS BRISAS at a later date. Upon administrative merger, the apartment owners in each of the merged condominium communities will have a new common interest which will be the apartment owners’ new interest for voting and maintenance fee allocation purposes only in the merged project. The apartment owners’ ownership interest will not be altered or affected in any way. The Developer will record a certificate of administrative merger which will state the new administrative common interest and its effective date. Each apartment owner’s new administrative common interest will be computed by dividing the square footage for each apartment by the total square footage of the sum of all apartments in the entire merged project.

**ESTIMATE OF INITIAL MAINTENANCE FEES**

Gentry Homes, Ltd. ("Gentry Homes"), acting as the initial Association of Apartment Owners, pays for all costs associated with the maintenance of Las Brisas, PHASE 5 until it is merged into the Association of Apartment Owners currently existing for previous phases of Terrazza, CorteBella, Las Brisas and Tiburon. Gentry Homes estimates that, based on current sales, Las Brisas, PHASE 5 will be administratively merged with all phases of Terrazza, CorteBella, Las Brisas and Tiburon. At that time, the homeowners in Las Brisas, PHASE 5 will be responsible for paying maintenance fees.

Attached is an **initial estimate** of those maintenance fees. This initial estimate does NOT include the Ewa by Gentry Community Association dues which are currently \$50 per quarter for a total of \$200 a year.

The initial estimate also does NOT include any costs associated with the Recreation Center, which Gentry Homes turned over to the Terrazza/CorteBella Association effective September 28, 2002. Gentry Homes will reimburse the Association for all costs (excluding reserves) to operate the Recreation Center through December 2002. After that period, Gentry Homes will pay the Association a prorata share of the operating costs based on the number of units that have not yet been built or merged into the overall Terrazza/CorteBella Association. A budget for the Recreation Center has not yet been finalized. Gentry Homes anticipates that the additional cost attributable to the recreational facilities will initially be approximately \$20 per unit.

# HOME BUILDER'S LIMITED WARRANTY

Administered by Professional Warranty Service Corporation

Throughout this HOME BUILDER'S LIMITED WARRANTY, referred to hereinafter as the "LIMITED WARRANTY", the words "YOU" and "YOUR" refer to the HOMEOWNER and HOMEOWNERS ASSOCIATION. The words "WE", "US" and "OUR" refer to the BUILDER. The other words and phrases which appear in boldface uppercase type also have special meaning. Refer to the Section X. Definitions, so that YOU will understand the terminology applicable to this LIMITED WARRANTY.

This LIMITED WARRANTY establishes an agreed method for determining when a CONSTRUCTION DEFECT exists and a clear understanding of OUR responsibilities for remedying any such CONSTRUCTION DEFECT. This LIMITED WARRANTY also helps distinguish a CONSTRUCTION DEFECT that is OUR responsibility from those minor imperfections that can reasonably be expected in a HOME or the COMMON ELEMENTS or result from normal wear and tear or are routine HOMEOWNER or HOMEOWNERS ASSOCIATION maintenance responsibilities.

This LIMITED WARRANTY contains the procedures YOU must use to notify US of a condition in YOUR HOME or the COMMON ELEMENTS which YOU believe may constitute a CONSTRUCTION DEFECT. In the event a condition occurs in the HOME or the COMMON ELEMENTS that YOU believe may constitute a CONSTRUCTION DEFECT, YOU agree to submit any request for warranty performance under this LIMITED WARRANTY. Based on the information YOU provide, and where WE deem it necessary information obtained from OUR onsite investigation, inspection and/or testing of the HOME or the COMMON ELEMENTS, WE will determine whether WE agree with YOU that the condition constitutes a CONSTRUCTION DEFECT. If WE determine that the condition reported by YOU is a CONSTRUCTION DEFECT, WE will remedy the condition in accordance with the remedies prescribed in this LIMITED WARRANTY. WE will make this determination in accordance with Section III, OUR Coverage Obligations, contained in this LIMITED WARRANTY.

If WE determine that a condition does not constitute a CONSTRUCTION DEFECT that is OUR responsibility and therefore deny YOUR request for warranty performance, YOU have the right to initiate binding arbitration that will irrevocably determine whether the condition constitutes a CONSTRUCTION DEFECT that is OUR responsibility. If this binding arbitration determines that the condition does constitute a CONSTRUCTION DEFECT that is OUR responsibility, WE will resolve the problem in accordance with the remedies prescribed in this LIMITED WARRANTY. The arbitrator will make a determination based on the language contained in Section III, OUR Coverage Obligations.

Enclosed with this LIMITED WARRANTY is a Limited Warranty Validation Form. The Limited Warranty Validation Form provides the dates on which the warranty coverage period begins and expires. It is important that this form is retained with the LIMITED WARRANTY. Liability under this LIMITED WARRANTY is limited to the amount shown on the Limited Warranty Validation Form.

All express or implied warranties other than this LIMITED WARRANTY, including any oral or written statement or representation made by US or any other person, and any implied warranty of habitability, merchantability or fitness, are hereby disclaimed by US and are waived by YOU. In addition, YOU waive the right to seek damages or other legal or equitable remedies from US, OUR subcontractors, agents, vendors, suppliers, design professionals and materialmen, under any other common law or statutory theory of liability, including but not limited to negligence and strict liability. YOUR only remedy in the event of a CONSTRUCTION DEFECT in or to the HOME or the COMMON ELEMENTS or to the real property on which the HOME or the COMMON ELEMENTS is situated is the coverage provided to YOU under this LIMITED WARRANTY. There may be instances where an additional PWC administered Builder's Limited Warranty is issued together with this LIMITED WARRANTY. If both of these warranties are issued to YOU, YOU agree to request warranty performance under either warranty relative to warrantable issues on the HOME or the COMMON ELEMENTS. YOU may not collect twice relative to the same defect and amounts paid or expended by US for warranty performance under either warranty will reduce the limit of liability remaining under both warranties simultaneously.

**WE** have contracted with **PWC** for certain administrative services relative to this **LIMITED WARRANTY**. **PWC's** sole responsibility is to provide administrative services. Under no circumstances or conditions is **PWC** responsible for fulfilling **OUR** obligations under this **LIMITED WARRANTY**.

If any provision of this **LIMITED WARRANTY** is determined to be unenforceable, such a determination will not affect the remaining provisions. If this **LIMITED WARRANTY** or any provision herein is determined to be unenforceable as to a **HOMEOWNERS ASSOCIATION** or a specific **HOMEOWNER**, such a determination will not affect the enforceability of this **LIMITED WARRANTY** or such provision as to any other **HOMEOWNERS ASSOCIATION** or any other **HOMEOWNER**. The issue of enforceability, as well as all other issues, will be determined by Binding Arbitration as provided for in this **LIMITED WARRANTY**.

## I. Coverage Limit

The amount shown on the Limited Warranty Validation Form is **OUR** limit of liability. It is the most **WE** will pay or expend for all covered **CONSTRUCTION DEFECTS** regardless of the number of requests for warranty performance made against this **LIMITED WARRANTY**. Once **OUR** limit of liability has been paid, no further requests for warranty performance can be made against this **LIMITED WARRANTY** or any other **PWC** administered Builder's Limited Warranty issued for the **HOME** or the **COMMON ELEMENTS**.

## II. Warranty Coverage

Coverage under this **LIMITED WARRANTY** is expressly limited to **CONSTRUCTION DEFECTS** which occur during the **WARRANTY PERIOD** indicated on the Limited Warranty Validation Form and are reported by **YOU** in accordance with the notification requirements of Section VII, **Procedure to Request US To Perform Under This LIMITED WARRANTY**.

**SAMPLE**  
Coverage During the **WARRANTY PERIOD** indicated on the Limited Warranty Validation Form that is attached to and made part of this **LIMITED WARRANTY**, **WE** warrant the **HOME** and the **COMMON ELEMENTS** will be free of **CONSTRUCTION DEFECTS**. To be eligible for coverage **WE** must receive written notice from **YOU** of the alleged **CONSTRUCTION DEFECT** as soon as it is reasonably possible after **YOU** have become aware or should have become aware of a **CONSTRUCTION DEFECT** but in no event later than thirty (30) days after the expiration of the coverage.

## III. OUR Coverage Obligations

All notices of alleged **CONSTRUCTION DEFECTS**, and complaints under this **LIMITED WARRANTY** must be made by **YOU** in writing. Telephonic or face-to-face discussion will not protect **YOUR** rights under this **LIMITED WARRANTY** (see Section VII, **Procedure to Request US To Perform Under This LIMITED WARRANTY**).

In the event **YOU** allege a **CONSTRUCTION DEFECT** occurs during the **WARRANTY PERIOD**, upon receiving written notice from **YOU**, **WE**, or a third party designated by **US** or acting on **OUR** behalf, will inspect, investigate and/or test (including destructive testing) the alleged **CONSTRUCTION DEFECT** to determine if a **CONSTRUCTION DEFECT** exists. Upon confirmation of a **CONSTRUCTION DEFECT**, **WE**, or a third party designated by **US** or acting on **OUR** behalf, will (1) repair or replace the **CONSTRUCTION DEFECT**, (2) pay to **YOU** the actual amount it would cost **US** to repair or replace the **CONSTRUCTION DEFECT** or (3) **PAY** to **YOU** an amount equal to the diminution in fair market value caused by the **CONSTRUCTION DEFECT**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** authorized representative's sole option.

**WE** will have been considered to have breached this **LIMITED WARRANTY** only if **WE** fail to resolve a **CONSTRUCTION DEFECT** in accordance with the terms and conditions of this **LIMITED WARRANTY**.

**A. Standards By Which the Presence of a CONSTRUCTION DEFECT Will Be Determined**

In the event **YOU** believe that a flaw in the **HOME** or the **COMMON ELEMENTS** constitutes a **CONSTRUCTION DEFECT**, the following factors will be considered by **US** in determining whether the condition constitutes a **CONSTRUCTION DEFECT**. Should either **YOU** or **WE** elect to initiate binding arbitration, these factors will be considered by the arbitrator in rendering a decision:

1. Any performance standards or guidelines or other documents or manuals that contain **OUR** building standards, that were provided to **YOU** at or prior to closing on the **HOME**, or in the case of the **HOMEOWNERS ASSOCIATION**, prior to transferring title to all the **COMMON ELEMENTS**. Absent such standards, the Residential Construction Performance Guidelines published by the National Association of Home Builders, in effect at the time of closing on the **HOME**, or in the case of the **HOMEOWNERS ASSOCIATION**, at the time of transferring title to all the **COMMON ELEMENTS** shall apply. Absent a specific standard in the documents identified above, building practices and standards in use in the region of the country in which the **HOME** or the **COMMON ELEMENTS** are located shall apply;
2. Consideration as to whether the magnitude of the flaw or imperfection:
  - materially affects the structural integrity of the **HOME** or **COMMON ELEMENTS**; or
  - has an obvious and material negative impact on the appearance of the **HOME** or **COMMON ELEMENTS**; or
  - jeopardizes the life or safety of the occupants; or
  - results in the inability of the **HOME** or the applicable **COMMON ELEMENTS** to provide the functions that can reasonably be expected in such a **HOME** or **COMMON ELEMENT**.
3. Consideration as to whether a condition is the result of normal wear and tear (conditions that are normal wear and tear, or are caused by normal wear and tear are not **CONSTRUCTION DEFECTS**);
4. Consideration as to whether the condition was caused by, or in any way resulted from, the failure of the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** to perform normal or routine maintenance (any condition that is determined to be a **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance issue, or any condition that results from improper or inadequate **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance, is not a **CONSTRUCTION DEFECT**);
5. Consideration as to whether the condition was caused by the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** or their representatives, other than **US**, after the **HOMEOWNER** took possession of the **HOME** or the **COMMON ELEMENTS** (**WE** and **YOU** conducted a walk through inspection just prior to closing on the **HOME**. Damage that was caused by **YOU** or **YOUR** representatives is not a **CONSTRUCTION DEFECT**, for example, a large, visible scratch on marble tile in the entry foyer that was not noted in the walk through inspection, but was reported after furniture was moved into the **HOME**, will not be considered a **CONSTRUCTION DEFECT**);
6. Recognition that any condition resulting directly or indirectly from or worsened by changes, additions, alterations or other actions or omissions by the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** or their agents, other than **US**, will not be considered a **CONSTRUCTION DEFECT** (this includes changes to the topography, drainage or grade of the property);
7. Any **Exclusions** contained in this **LIMITED WARRANTY**.

## IV. Homeowner Maintenance Obligations

Maintenance of the **HOME** and the **COMMON ELEMENTS** is **YOUR** responsibility. All homes and common elements require periodic maintenance to prevent premature deterioration, water intrusion and to ensure adequate performance of the **SYSTEMS**. **WE** will make a "Homeowner Maintenance Manual" or similar publication available to **YOU** upon request. Whether from this document or others that are readily available to **YOU**, **YOU** must understand and perform the maintenance that the **HOME** and **COMMON ELEMENTS** require. As stated in other sections of this **LIMITED WARRANTY**, **WE** are not responsible for **HOME** or **COMMON ELEMENTS** maintenance issues or for damage that results from **YOUR** failure to maintain the **HOME** or the **COMMON ELEMENTS**.

## V. Coverage Limitations

When **WE** or a third party designated by **US** or acting on **OUR** behalf, repair or replace a **CONSTRUCTION DEFECT** the repair or replacement will include the repair or replacement of only those surfaces, finishes and coverings that were damaged by the **CONSTRUCTION DEFECT** that were part of the **HOME** or the **COMMON ELEMENTS** when title was first transferred by **US**. Surfaces, finishes and coverings that require repair or replacement in order for **US** or a third party designated by **US** to repair or replace **CONSTRUCTION DEFECTS** will be repaired or replaced. The extent of the repair and replacement of these surfaces, finishes or coverings will be to approximately the same condition they were in prior to the **CONSTRUCTION DEFECT**, but not necessarily to a like new condition.

When repairing or replacing surfaces, finishes and coverings, the repair or replacement will attempt to achieve as close a match with the original surrounding areas as is reasonably possible, but an exact match cannot be guaranteed due to such factors as fading, aging and unavailability of the same materials.

In the case where a **CONSTRUCTION DEFECT** exists and the **HOME** is rendered uninhabitable and the **CONSTRUCTION DEFECT** is repaired or replaced, the repair or replacement shall include the reasonable cost of the **HOMEOWNER'S** alternative shelter until the **HOME** is made habitable.

  - 9. Any costs or obligations paid or incurred by **YOU** in violation of Section VII. C. below;
  - 10. Any non-conformity with local building codes, regulations or requirements that has not resulted in a **CONSTRUCTION DEFECT**.   3. whether other causes acted concurrently or in any sequence with the excluded event or condition to produce the loss or damage.

## **VII. Procedure to Request US To Perform Under This LIMITED WARRANTY**

If **YOU** become aware of a condition that **YOU** believe is a **CONSTRUCTION DEFECT** under this **LIMITED WARRANTY**, **YOU** have the following responsibilities:

### **A. Notification**

**YOU** must notify **US** in writing as soon as it is reasonably possible after **YOU** have become aware or should have become aware of a **CONSTRUCTION DEFECT**, but in no event may **YOUR** written notice of a **CONSTRUCTION DEFECT** or **YOUR** written request for warranty performance be postmarked or received by **US** later than thirty (30) days after this **LIMITED WARRANTY** has expired.

If the written notice is postmarked or received by **US** more than thirty (30) days after the expiration of this **LIMITED WARRANTY**, **WE** shall have no obligation to remedy the **CONSTRUCTION DEFECT**. In order to establish a record of timely notification, **WE** recommend that written notice should always be sent by Certified Mail, return receipt requested.

### **B. Cooperate With US**

**YOU** must give **US** and any third parties acting on **OUR** behalf reasonable help in inspecting, investigating, testing (including destructive testing), monitoring, repairing, replacing or otherwise correcting an alleged **CONSTRUCTION DEFECT**. Help includes, but is not limited to, granting reasonable access to the **HOME** or **COMMON ELEMENTS** for the forgoing purposes. If **YOU** fail to cooperate or provide such reasonable access to the **HOME** or **COMMON ELEMENTS**, **WE** will have no obligation to do any of the foregoing.

### **C. Do Not Make Voluntary Payments**

**YOU** agree not to make any voluntary payments or assume any obligations or incur any expenses for the remedy of a condition **YOU** believe is a **CONSTRUCTION DEFECT** without prior written approval from **US**, or other parties authorized to act on **OUR** behalf. **WE** will not reimburse **YOU** for costs incurred where **YOU** did not obtain prior written approval.

However, **YOU** may incur reasonable expenses in making repairs in an **EMERGENCY CONDITION** without prior written approval, provided the repairs are solely for the protection of the **HOME** or **COMMON ELEMENTS** from further damage or to prevent an unsafe living condition and provided **YOU** notify **US** as soon as is reasonably possible. To obtain reimbursement for repairs made during an **EMERGENCY CONDITION**, **YOU** must provide **US** with an accurate written record of the repair costs.

#### D. Sign A Release

When **WE** or a third party designated by **US** or acting on **OUR** behalf have completed repairing, replacing or paying **YOU** as to any **CONSTRUCTION DEFECTS** or other related damage to the **HOME** or the **COMMON ELEMENTS** covered by this **LIMITED WARRANTY**. **YOU** must sign a full release of **OUR** obligation for the **CONSTRUCTION DEFECTS**. The release shall be applicable to the **CONSTRUCTION DEFECTS** and shall not prevent **YOU** from notifying **US** should **YOU** become aware of a subsequent **CONSTRUCTION DEFECT**.

#### E. If YOU Disagree With US

If **YOU** believe **WE** have not responded to **YOUR** request for warranty performance to **YOUR** satisfaction or in a manner that **YOU** believe this **LIMITED WARRANTY** requires, **YOU** may provide written notice to **PWC** requesting Mediation. Upon **PWC's** receipt of written notice from **YOU**, **PWC** may review and mediate **YOUR** request by communicating with **YOU**, **US**, and any other individuals or entities that **PWC** believes may possess relevant information. If after forty-five (45) days, **PWC** is unable to successfully mediate **YOUR** request for warranty performance, or at any earlier time when **PWC** determines that **YOU** and **WE** are at an impasse, **PWC** will notify **YOU** that **YOUR** request for warranty performance remains unresolved and that **YOU** may elect to initiate Binding Arbitration. Binding Arbitration as described in the following section is the sole remedy for the resolution of disputes between **YOU** and **US** as set forth in the following section.

### VIII. Binding Arbitration Procedure

Any disputes between **YOU** and **US**, or parties acting on **OUR** behalf, including **PWC**, related to or arising from this **LIMITED WARRANTY**, the design or construction of the **HOME** or the **COMMON ELEMENTS** or the sale of the **HOME** or transfer of title to the **COMMON ELEMENTS** will be resolved by binding arbitration. Binding arbitration shall be the sole remedy for resolving any and all disputes between **YOU** and **US**, or **OUR** representatives. Disputes subject to binding arbitration include, but are not limited to:

- A. Any disagreement that a condition in the **HOME** or the **COMMON ELEMENTS** is a **CONSTRUCTION DEFECT** and is therefore covered by this **LIMITED WARRANTY**;
- B. Any disagreement as to whether a **CONSTRUCTION DEFECT** has been corrected in compliance with this **LIMITED WARRANTY**;
- C. Any alleged breach of this **LIMITED WARRANTY**;
- D. Any alleged violation of consumer protection, unfair trade practice, or any other statute;
- E. Any allegation of negligence, strict liability, fraud, and/or breach of duty of good faith, and any other claims arising in equity or from common law;
- F. Any dispute concerning the issues that should be submitted to binding arbitration;
- G. Any dispute concerning the timeliness of **OUR** performance and/or **YOUR** notifications under this **LIMITED WARRANTY**;
- H. Any dispute as to the payment or reimbursement of the arbitration filing fee;
- I. Any dispute as to whether this **LIMITED WARRANTY**, or any provision hereof, including, but not limited to any waiver hereunder, is unenforceable;
- J. Any other claim arising out of or relating to the sale, design or construction of **YOUR HOME** or the **COMMON ELEMENTS**, including, but not limited to any claim arising out of, relating to or based

on any implied warranty or claim for negligence or strict liability not effectively waived by this **LIMITED WARRANTY**.

The arbitration shall be conducted by Construction Arbitration Services, Inc., or such other reputable arbitration service that **PWC** shall select, at its sole discretion, at the time the request for arbitration is submitted. The rules and procedures of the designated arbitration organization, that are in effect at the time the request for arbitration is submitted, will be followed. A copy of the applicable rules and procedures will be delivered to **YOU** upon request.

This arbitration agreement shall be governed by the United States Arbitration Act (9 U.S.C. §§ 1 – 16) to the exclusion of any inconsistent state law, regulation or judicial decision. The award of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

Each party shall bear its own attorneys fees and costs (including expert costs) for the arbitration. The arbitration filing fee and other arbitration fees shall be divided and paid equally as between **YOU** and **US**. This filing fee shall be no more than the amount charged by the arbitration service to **PWC** for each arbitration. Contact **PWC** to determine the arbitration filing fee in effect at the time an arbitration is being requested. The arbitrator shall, as part of any decision, award to the party prevailing at the arbitration any applicable filing fees or other arbitration fees paid by that party.

The process for **YOU** to initiate arbitration is described below.

**Step 1** **YOU** complete a Binding Arbitration Request Form and mail it to **PWC** along with the appropriate arbitration filing fee. A Binding Arbitration Request Form is attached to this **LIMITED WARRANTY**. **YOUR** Binding Arbitration Request Form must be received no later than ninety (90) days after this **LIMITED WARRANTY** expires. **YOU** must still notify **US** of an alleged **CONSTRUCTION DEFECT** as soon as it is reasonably possible after **YOU** have become aware or should have become aware of the **CONSTRUCTION DEFECT**, but in no event later than thirty (30) days after expiration of this **LIMITED WARRANTY**. Please Note that while **YOU** have thirty (30) days after this **LIMITED WARRANTY** expires to notify **US** and ninety (90) days after it expires to file for arbitration, this time period does not extend the **WARRANTY PERIOD** for **CONSTRUCTION DEFECTS**. Additionally, no investigation, inspection, testing, repair, replacement, or payment, nor any promise of same by **US** under this **LIMITED WARRANTY**, nor any dispute resolution efforts, shall extend the term of this **LIMITED WARRANTY** or extend or toll any statutes of limitations or any of **YOUR** rights or remedies.

**Step 2** **PWC** Will Arrange the Arbitration Proceeding. The arbitrator or arbitration organization will notify **YOU** of the time, date and location of the arbitration hearing. Most often the hearing will be conducted at the **HOME** or the **COMMON ELEMENTS** or some other location that is agreeable to all the parties to the dispute. In scheduling the hearing the arbitrator will set a time and date that is reasonably convenient to all the parties.

**Step 3** The Arbitration Hearing. The parties at the arbitration hearing will include the arbitrator, **YOU**, **US** and/or a third party designated by **US** or acting on **OUR** behalf. Any party to the proceeding may be represented at the hearing. All persons who are parties to the arbitration, as well as representatives and witnesses, are entitled to attend hearings.

After evidence is presented by **YOU**, **US** or **OUR** representatives, a decision will be rendered by the arbitrator. The decision is final and binding on **YOU** and **US**. The arbitrator first will determine whether any claimed or alleged **CONSTRUCTION DEFECT** exists and whether it is **OUR** responsibility. Second, if the arbitrator finds **US** responsible for a **CONSTRUCTION DEFECT**, the arbitrator will determine the scope of any repair or replacement, **OUR** cost of any such repair or replacement, and the diminution in fair market value, if any, caused by such **CONSTRUCTION DEFECT**. Based upon the arbitrator's decision, **WE** shall choose whether **WE** shall (1) repair, replace the **CONSTRUCTION DEFECT**, (2) pay to **YOU** the actual amount it would cost **US** to repair or replace the **CONSTRUCTION DEFECT** or (3) **PAY** to **YOU** an amount equal to the diminution in fair market value caused by

the **CONSTRUCTION DEFECT**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** authorized representative's sole option. In addition, the arbitrator shall render a decision resolving any other disputed matters or issues related to or arising from this **LIMITED WARRANTY**, the design or construction of the **HOME** or the **COMMON ELEMENTS** or the sale of the **HOME** or transfer of title to the **COMMON ELEMENTS**.

**Step 4** **OUR Arbitration Performance Obligations.** **WE** will comply with the arbitrator's decision no later than 60 days from the date of the award or other such date as may be specified or allowed in the decision. However, delays caused by circumstances beyond **OUR** or **OUR** representative's control shall be excused.

**Step 5.** If **YOU** believe **WE** Have Failed To Comply With The Award. **YOU** should contact **PWC** at its mailing address specified in this **LIMITED WARRANTY** if **YOU** believe **WE** have not complied with the arbitrator's award. **PWC** will mediate this dispute and if it cannot be resolved, will advise **YOU** that a compliance inspection arbitration is available to determine whether **WE** have performed adequately under the original arbitration award. **PWC** will communicate these findings to both **US** and **YOU**. If it is determined that **WE** have not properly performed, **WE** will be obligated to immediately comply.

**PWC's** sole responsibility is to administer this **LIMITED WARRANTY** on **OUR** behalf and as such **PWC** assumes no other liabilities in connection with this **LIMITED WARRANTY**. Under no condition or circumstance is **PWC** responsible for fulfilling any of **OUR** obligations under this **LIMITED WARRANTY**.

## IX. General Conditions

### A. Separation of This **LIMITED WARRANTY** From The Contract Of Sale

This **LIMITED WARRANTY** is separate and independent of the contract between **YOU** and **US** for the construction and/or sale of the **HOME** or transfer of the **COMMON ELEMENTS**. The provisions of this **LIMITED WARRANTY** shall in no way be restricted or expanded by anything contained in the construction and/or sales contract or other documents between **YOU** and **US**.

### B. Transfer to Subsequent **HOMEOWNERS**

This **LIMITED WARRANTY** will transfer to new owners of the **HOME** for the remainder of the **WARRANTY PERIOD**. **YOU** agree to provide this **LIMITED WARRANTY** to any subsequent purchaser of the **HOME** as a part of the contract of sale of the **HOME**. **OUR** duties under this **LIMITED WARRANTY** to the new **HOMEOWNER** will not exceed the limit of liability then remaining, if any.

### C. Transfer of Manufacturer's Warranties

**WE** assign to **YOU** all the manufacturer's warranties on all appliances, fixtures and items of equipment that **WE** installed in the **HOME**. Should an appliance or item of equipment malfunction **YOU** must follow the procedures set forth in that manufacturer's warranty to correct the problem. **OUR** obligation under this **LIMITED WARRANTY** is limited to the workmanlike installation of such appliances and equipment. **WE** have no obligation for appliances and equipment defined as **CONSUMER PRODUCTS**.

### D. Recovery Rights

If **WE** or a third party designated by **US** or acting on **OUR** behalf repairs, replaces or pays **YOU** as to a **CONSTRUCTION DEFECT**, or other related damage to the **HOME** or the **COMMON ELEMENTS** covered by this **LIMITED WARRANTY**, **WE** are entitled, to the extent of **OUR** payment, to take over **YOUR** related rights of recovery from other people and organizations, including but not limited to, other warranties and insurance. **YOU** have an obligation not to make it harder for **US** to enforce these rights. **YOU** agree to sign any papers, deliver them to **US**, and do anything else that is necessary to help **US** exercise **OUR** rights.

## E. General Provisions

1. If any provision of this **LIMITED WARRANTY** is determined to be unenforceable, such a determination will not affect the remaining provisions. If this **LIMITED WARRANTY** or any provision herein is determined to be unenforceable as to a **HOMEOWNERS ASSOCIATION** or a specific **HOMEOWNER**, such a determination will not affect the enforceability of this **LIMITED WARRANTY** or such provision as to any other **HOMEOWNERS ASSOCIATION** or any other **HOMEOWNER**. The issue of enforceability, as well as all other issues, will be determined by Binding Arbitration as provided for in this **LIMITED WARRANTY**.
2. This **LIMITED WARRANTY** and the binding arbitration process are binding on **YOU** and **US**. It is also binding on **YOUR** and **OUR** heirs, executors, administrators, successors, and assigns, subject to paragraph B of the **General Conditions**.
