General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit C .

It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit E .

as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit F describes the encumbrances against the title contained in the title search (entitled "Plant Information Guarantee") dated October 4, 2004 and issued by Hawaii Escrow & Title, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage(s) and related security interests	The Buyer's contract will be subject to cancellation and the Buyer may not be able to purchase the apartment, but all deposits made by the Buyer will be refunded, less escrow cancellation fee.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

2. Appliances:

The Developer makes no warranties itself. However, the Developer will attempt to assign to each apartment owner the benefit of any manufacturer's or dealer's warranties covering the appliances in his or her apartment. Each apartment owner shall have the direct benefit of any such warranties that are assigned, if the Developer's attempted assignment is successful and binding. Such warranties, if available, will expire at different times, depending on the date of manufacture, sale, or installation of the appliances.

G. Status of Construction and Date of Completion or Estimated Date of Completion:

Construction is anticipated to begin in approximately July 2004, and is anticipated to be completed by approximately December 2005.

H. Project Phases:

The developer [X] has [] has not reserved the right to add to, merge, or phase this condominium.

The Developer is to attach to this exhibit an explanation whether, in arriving at the figure for "Reserves," the Developer has conducted a reserve study in accordance with 514-A-86-86.6 HRS, and the replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.

Pursuant to 514-A-83.6, HRS, a new association created after January 1, 1993 need not collect estimated replacement reserves until the fiscal year which begins after the association's first annual meeting.

Developer's Explanation Regarding Replacement Reserve Figure

In arriving at the figure for "Reserves," as set forth in this Exhibit G to the Condominium Public Report, the developer did not conduct a reserve study in accordance with HRS § 514A-83.6 or HAR § 16-107-65. The figure is an estimate prepared by Hawaiiana Management Company, based on reasonable projections of reserve requirements.

SUMMARY OF SALES CONTRACT

The Deposit Receipt, Reservation and Sales Agreement (the "Sales Contract") contains the price and other terms and conditions under which a purchaser will agree to buy an apartment in the Project. Among other things, the Sales Contract states:

(a) The total purchase price, method of payment and additional sums which must be paid in connection with the purchase of an apartment.

(b) That the purchaser acknowledges having received and read a public report (either preliminary, contingent or final) for the Project prior to signing the Sales Contract.

(c) That the Developer makes no representations concerning rental of an apartment, income or profit from an apartment, or any other economic benefit to be derived from the purchase of an apartment.

(d) That the Sales Contract may be subordinate to the lien of a construction lender.

(e) That the purchaser's money will be held in escrow, under the terms of the Escrow Agreement.

(f) Requirements relating to the purchaser's financing of the purchase of an apartment.

(g) That the apartment and the Project will be subject to various other legal documents which the purchaser should examine, and that the Developer may change these documents under certain circumstances.

(h) That the Developer itself makes no warranties regarding the apartment, the Project or anything installed or contained in the apartment or the Project. The Developer will provide, at closing, a warranty in the form referenced in the Sales Contract.

(i) That the Project will be subject to ongoing construction and sales activities which may result in certain annoyances to the purchaser.

(j) That the purchaser must close the purchase at a certain date and pay closing costs, in addition to the purchase price.

(k) That the Developer has reserved certain rights and powers relating to the Project and the purchaser acknowledges and consents to the exercise of such rights and powers.

(l) That except under certain circumstances, as set forth in the Sales Contract, all interest on deposits toward the purchase price shall be the property of the Developer.

(m) That in the event of a default by the purchaser under the Sales Contract, all sums paid by the purchaser under the Sales Contract shall belong to the Developer as liquidated damages, and the Developer may, in addition to such damages, pursue any other remedy, including specific performance, permitted by law or equity.

In the event of a default by the Developer under the Sales Contract, the buyer shall be entitled to remedies available to it at law or in equity.

The Sales Contract contains various other important provisions relating to the purchase of an apartment in the Project. Purchasers and prospective purchasers should carefully read the specimen Sales Contract on file with the Real Estate Commission.

EXHIBIT I

SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Contract will be held by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

- (a) Escrow will let the purchaser know when payments are due.
- (b) Escrow will arrange for the purchaser to sign all necessary documents.
- (c) Except under certain circumstances as set forth in the Sales Contract, all interest on deposits toward the purchase price shall be the property of the Developer.
- (d) The purchaser will be entitled to a refund of his or her funds deposited with Escrow, upon written request by purchaser to Escrow, if the purchaser exercises purchaser's right to cancel or rescind the Sales Contract pursuant to the Hawaii Condominium Act, as set forth in the Sales Contract (less a cancellation fee commensurate with the work done by Escrow prior to such cancellation, up to a maximum of \$250.00).
- (e) No disbursements of funds held in Escrow shall be made to the Developer until certain conditions, as set forth in the Escrow Agreement and in accordance with the Hawaii Condominium Act, have been fulfilled, including delivery of a copy of the Final Public Report to the purchaser and waiver (or deemed waiver) of the purchaser's right to cancel the Sales Contract. Under certain circumstances, in accordance with the Condominium Property Act and as described in the Escrow Agreement, the purchaser's funds may be disbursed to the Developer to pay for construction and other costs of the Project.
- (f) Upon a default by the purchaser under the Sales Contract, and the Developer's termination of the Sales Contract as a result of such default, all funds of the purchaser deposited with Escrow shall be treated as funds of the Developer and not as funds of the purchaser, and shall be disbursed to the Developer upon request by the Developer.

The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. Purchasers and prospective purchasers should carefully read the signed Escrow Agreement on file with the Real Estate Commission.

RESERVED RIGHTS

- A. Upon completion of the Project, the Developer may amend the Declaration and the Condominium Map (if necessary) to file an "as built" statement required by Section 514A-12 of the Condominium Property Act.
- B. Until all of the apartments have been sold, the Developer may amend the Declaration, the Bylaws, and/or the Condominium Map to make such amendments as may be required by law, by the Real Estate Commission, by the title insurance company, by a mortgage lender, or by any governmental agency (including the VA, HUD, FNMA, and/or FHLMC), provided that no such amendments change the common interest appurtenant to an apartment or substantially change the design, location, or size of an apartment.
- C. Until all of the apartments have been sold and the "as built" statement is filed, the Developer may amend the Declaration and the Condominium Map to (i) reflect alterations in any apartment which has not been sold; and (ii) reflect minor changes in any apartment or in the common elements which do not affect the physical location, design, or size of any apartment which has been sold.
- D. Upon completion of construction of the Project, the Developer will record an amendment to the Declaration to identify the specific Plan 1 apartments as constructed with or without the optional family room/den.
- E. The Developer may amend the Declaration to designate parking stalls not otherwise designated as limited common elements to be appurtenant to and for the exclusive use of any apartment in the Project, or for use as guest stalls for the Project.
- F. The Developer has reserved the right to make the following alterations in the Project:
 - 1. To make alterations in the Project (and, if appropriate, to amend the Declaration and the Condominium Map accordingly) which change the floor plan of, change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any Apartment and/or the limited common elements appurtenant thereto, in the Project which is not sold and the conveyance thereof recorded; and
 - 2. To make other alterations in the Project (and, if appropriate, to amend the Declaration and the Condominium Map accordingly) which make minor changes in any Apartment in the Project or in the common elements which do not affect the physical location, design, or size of any Apartment which has been sold and the conveyance thereof recorded.

G. RESERVATION TO DEVELOP INCREMENTALLY:

The Developer has reserved the right, but is not obligated, to construct, sell, and convey the apartments in the Project incrementally on a building-by-building basis. Upon the completion of each building, the Developer may obtain a certificate of occupancy for the apartments in such building or cluster and thereupon transfer ownership of the apartments to apartment purchasers. In connection with this incremental development, the Developer has the right to enter upon the Project premises with employees, agents, and contractors for all purposes reasonably necessary for or useful to constructing and completing all increments to the Project.

The Developer also has the right, at the discretion of the Developer, to change the apartment floor plan, or create one or more new apartment floor plans, for any or all of the apartments in an increment, and in connection therewith to amend the Declaration and the Condominium Map to reflect such changes in apartment floor plan(s) and make appropriate revisions to the common interests appurtenant to any or all apartments in the Project to reflect resulting changes in floor area.

See Section O of the Declaration for details regarding the Developer's right to develop the Project in increments.

HOME BUILDER'S LIMITED WARRANTY

Administered by Professional Warranty Service Corporation

Throughout this **HOME BUILDER'S LIMITED WARRANTY**, referred to hereinafter as the "**LIMITED WARRANTY**", the words "**YOU**" and "**YOUR**" refer to the **HOMEOWNER** and **HOMEOWNERS ASSOCIATION**. The words "**WE**", "**US**" and "**OUR**" refer to the **BUILDER**. The other words and phrases which appear in boldface uppercase type also have special meaning. Refer to the Section X, **Definitions**, so that **YOU** will understand the terminology applicable to this **LIMITED WARRANTY**.

This **LIMITED WARRANTY** establishes an agreed method for determining when a **CONSTRUCTION DEFECT** exists and a clear understanding of **OUR** responsibilities for remedying any such **CONSTRUCTION DEFECT**. This **LIMITED WARRANTY** also helps distinguish a **CONSTRUCTION DEFECT** that is **OUR** responsibility from those minor imperfections that can reasonably be expected in a **HOME** or the **COMMON ELEMENTS** or result from normal wear and tear or are routine **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance responsibilities.

This **LIMITED WARRANTY** contains the procedures **YOU** must use to notify **US** of a condition in **YOUR HOME** or the **COMMON ELEMENTS** which **YOU** believe may constitute a **CONSTRUCTION DEFECT**. In the event a condition occurs in the **HOME** or the **COMMON ELEMENTS** that **YOU** believe may constitute a **CONSTRUCTION DEFECT**, **YOU** agree to submit any request for warranty performance under this **LIMITED WARRANTY**. Based on the information **YOU** provide, and where **WE** deem it necessary information obtained from **OUR** onsite investigation inspection and/or testing of the **HOME** or the **COMMON ELEMENTS**, **WE** will determine whether **WE** agree with **YOU** that the condition constitutes a **CONSTRUCTION DEFECT**. If **WE** determine that the condition reported by **YOU** is a **CONSTRUCTION DEFECT**, **WE** will remedy the condition in accordance with the remedies prescribed in this **LIMITED WARRANTY**. **WE** will make this determination in accordance with Section III, **OUR Coverage Obligations**, contained in this **LIMITED WARRANTY**.

If **WE** determine that a condition does not constitute a **CONSTRUCTION DEFECT** that is **OUR** responsibility and therefore deny **YOUR** request for warranty performance, **YOU** have the right to initiate binding arbitration that will irrevocably determine whether the condition constitutes a **CONSTRUCTION DEFECT** that is **OUR** responsibility. If this binding arbitration determines that the condition does constitute a **CONSTRUCTION DEFECT** that is **OUR** responsibility, **WE** will resolve the problem in accordance with the remedies prescribed in this **LIMITED WARRANTY**. The arbitrator will make a determination based on the language contained in Section III, **OUR Coverage Obligations**.

Enclosed with this **LIMITED WARRANTY** is a Limited Warranty Validation Form. The Limited Warranty Validation Form provides the dates on which the warranty coverage period begins and expires. It is important that this form is retained with the **LIMITED WARRANTY**. Liability under this **LIMITED WARRANTY** is limited to the amount shown on the Limited Warranty Validation Form.

All express or implied warranties other than this **LIMITED WARRANTY**, including any oral or written statement or representation made by **US** or any other person, and any implied warranty of habitability, merchantability or fitness, are hereby disclaimed by **US** and are waived by **YOU**. In addition, **YOU** waive the right to seek damages or other legal or equitable remedies from **US**, **OUR** subcontractors, agents, vendors, suppliers, design professionals and materialmen, under any other common law or statutory theory of liability, including but not limited to negligence and strict liability. **YOUR** only remedy in the event of a **CONSTRUCTION DEFECT** in or to the **HOME** or the **COMMON ELEMENTS** or to the real property on which the **HOME** or the **COMMON ELEMENTS** is situated is the coverage provided to **YOU** under this **LIMITED WARRANTY**. There may be instances where an additional PWC administered Builder's Limited Warranty is issued together with this **LIMITED WARRANTY**. If both of these warranties are issued to **YOU**, **YOU** agree to request warranty performance under either warranty relative to warrantable issues on the **HOME** or the **COMMON ELEMENTS**. **YOU** may not collect twice relative to the same defect and amounts paid or expended by **US** for warranty performance under either warranty will reduce the limit of liability remaining under both warranties simultaneously.

WE have contracted with **PWC** for certain administrative services relative to this **LIMITED WARRANTY**. **PWC's** sole responsibility is to provide administrative services. Under no circumstances or conditions is **PWC** responsible for fulfilling **OUR** obligations under this **LIMITED WARRANTY**.

If any provision of this **LIMITED WARRANTY** is determined to be unenforceable, such a determination will not affect the remaining provisions. If this **LIMITED WARRANTY** or any provision herein is determined to be unenforceable as to a **HOMEOWNERS ASSOCIATION** or a specific **HOMEOWNER**, such a determination will not affect the enforceability of this **LIMITED WARRANTY** or such provision as to any other **HOMEOWNERS ASSOCIATION** or any other **HOMEOWNER**. The issue of enforceability, as well as all other issues, will be determined by Binding Arbitration as provided for in this **LIMITED WARRANTY**.

I. Coverage Limit

The amount shown on the Limited Warranty Validation Form is **OUR** limit of liability. It is the most **WE** will pay or expend for all covered **CONSTRUCTION DEFECTS** regardless of the number of requests for warranty performance made against this **LIMITED WARRANTY**. Once **OUR** limit of liability has been paid, no further requests for warranty performance can be made against this **LIMITED WARRANTY** or any other **PWC** administered Builder's Limited Warranty issued for the **HOME** or the **COMMON ELEMENTS**.

II. Warranty Coverage

Coverage under this **LIMITED WARRANTY** is expressly limited to **CONSTRUCTION DEFECTS** which occur during the **WARRANTY PERIOD** indicated on the Limited Warranty Validation Form and are reported by **YOU** in accordance with the notification requirements of Section VII, **Procedure to Request US To Perform Under This LIMITED WARRANTY**.

Coverage During the **WARRANTY PERIOD** indicated on the Limited Warranty Validation Form that is attached to and made part of this **LIMITED WARRANTY**, **WE** warrant the **HOME** and the **COMMON ELEMENTS** will be free of **CONSTRUCTION DEFECTS**. To be eligible for coverage **WE** must receive written notice from **YOU** of the alleged **CONSTRUCTION DEFECT** as soon as it is reasonably possible after **YOU** have become aware or should have become aware of a **CONSTRUCTION DEFECT** but in no event later than thirty (30) days after the expiration of the coverage.

III. OUR Coverage Obligations

All notices of alleged **CONSTRUCTION DEFECTS**, and complaints under this **LIMITED WARRANTY** must be made by **YOU** in writing. Telephonic or face-to-face discussion will not protect **YOUR** rights under this **LIMITED WARRANTY** (see Section VII, **Procedure to Request US To Perform Under This LIMITED WARRANTY**).

In the event **YOU** allege a **CONSTRUCTION DEFECT** occurs during the **WARRANTY PERIOD**, upon receiving written notice from **YOU**, **WE**, or a third party designated by **US** or acting on **OUR** behalf, will inspect, investigate and/or test (including destructive testing) the alleged **CONSTRUCTION DEFECT** to determine if a **CONSTRUCTION DEFECT** exists. Upon confirmation of a **CONSTRUCTION DEFECT**, **WE**, or a third party designated by **US** or acting on **OUR** behalf, will (1) repair or replace the **CONSTRUCTION DEFECT**, (2) pay to **YOU** the actual amount it would cost **US** to repair or replace the **CONSTRUCTION DEFECT** or (3) **PAY** to **YOU** an amount equal to the diminution in fair market value caused by the **CONSTRUCTION DEFECT**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** authorized representative's sole option.

WE will have been considered to have breached this **LIMITED WARRANTY** only if **WE** fail to resolve a **CONSTRUCTION DEFECT** in accordance with the terms and conditions of this **LIMITED WARRANTY**.

A. Standards By Which the Presence of a CONSTRUCTION DEFECT Will Be Determined
In the event YOU believe that a flaw in the HOME or the COMMON ELEMENTS constitutes a CONSTRUCTION DEFECT, the following factors will be considered by US in determining whether the condition constitutes a CONSTRUCTION DEFECT. Should either YOU or WE elect to initiate binding arbitration, these factors will be considered by the arbitrator in rendering a decision:

1. Any performance standards or guidelines or other documents or manuals that contain OUR building standards, that were provided to YOU at or prior to closing on the HOME, or in the case of the HOMEOWNERS ASSOCIATION, prior to transferring title to all the COMMON ELEMENTS. Absent such standards, the Residential Construction Performance Guidelines published by the National Association of Home Builders, in effect at the time of closing on the HOME, or in the case of the HOMEOWNERS ASSOCIATION, at the time of transferring title to all the COMMON ELEMENTS shall apply. Absent a specific standard in the documents identified above, building practices and standards in use in the region of the country in which the HOME or the COMMON ELEMENTS are located shall apply;
2. Consideration as to whether the magnitude of the flaw or imperfection:
 - materially affects the structural integrity of the HOME or COMMON ELEMENTS; or
 - has an obvious and material negative impact on the appearance of the HOME or COMMON ELEMENTS; or
 - jeopardizes the life or safety of the occupants; or
 - results in the inability of the HOME or the applicable COMMON ELEMENTS to provide the functions that can reasonably be expected in such a HOME or COMMON ELEMENT.
3. Consideration as to whether a condition is the result of normal wear and tear (conditions that are normal wear and tear, or are caused by normal wear and tear are not CONSTRUCTION DEFECTS);
4. Consideration as to whether the condition was caused by, or in any way resulted from, the failure of the HOMEOWNER or HOMEOWNERS ASSOCIATION to perform normal or routine maintenance (any condition that is determined to be a HOMEOWNER or HOMEOWNERS ASSOCIATION maintenance issue, or any condition that results from improper or inadequate HOMEOWNER or HOMEOWNERS ASSOCIATION maintenance, is not a CONSTRUCTION DEFECT);
5. Consideration as to whether the condition was caused by the HOMEOWNER or HOMEOWNERS ASSOCIATION or their representatives, other than US, after the HOMEOWNER took possession of the HOME or the COMMON ELEMENTS (WE and YOU conducted a walk through inspection just prior to closing on the HOME. Damage that was caused by YOU or YOUR representatives is not a CONSTRUCTION DEFECT, for example, a large, visible scratch on marble tile in the entry foyer that was not noted in the walk through inspection, but was reported after furniture was moved into the HOME, will not be considered a CONSTRUCTION DEFECT);
6. Recognition that any condition resulting directly or indirectly from or worsened by changes, additions, alterations or other actions or omissions by the HOMEOWNER or HOMEOWNERS ASSOCIATION or their agents, other than US, will not be considered a CONSTRUCTION DEFECT (this includes changes to the topography, drainage or grade of the property);
7. Any Exclusions contained in this LIMITED WARRANTY.

IV. Homeowner Maintenance Obligations

Maintenance of the HOME and the COMMON ELEMENTS is YOUR responsibility. All homes and common elements require periodic maintenance to prevent premature deterioration, water intrusion and to ensure adequate performance of the SYSTEMS. WE will make a "Homeowner Maintenance Manual" or similar publication available to YOU upon request. Whether from this document or others that are readily available to YOU, YOU must understand and perform the maintenance that the HOME and COMMON ELEMENTS require. As stated in other sections of this LIMITED WARRANTY, WE are not responsible for HOME or COMMON ELEMENTS maintenance issues or for damage that results from YOUR failure to maintain the HOME or the COMMON ELEMENTS.

V. Coverage Limitations

When WE or a third party designated by US or acting on OUR behalf, repair or replace a CONSTRUCTION DEFECT the repair or replacement will include the repair or replacement of only those surfaces, finishes and coverings that were damaged by the CONSTRUCTION DEFECT that were part of the HOME or the COMMON ELEMENTS when title was first transferred by US. Surfaces, finishes and coverings that require repair or replacement in order for US or a third party designated by US to repair or replace CONSTRUCTION DEFECTS will be repaired or replaced. The extent of the repair and replacement of these surfaces, finishes or coverings will be approximately the same condition they were in prior to the CONSTRUCTION DEFECT, but not necessarily to a like new condition.

When repairing or replacing surfaces, finishes and coverings, the repair or replacement will attempt to achieve as close a match with the original surrounding areas as is reasonably possible, but an exact match cannot be guaranteed due to such factors as fading, aging and unavailability of the same materials.

In the case where a CONSTRUCTION DEFECT exists and the HOME is rendered uninhabitable and the CONSTRUCTION DEFECT is repaired or replaced, the repair or replacement shall include the reasonable cost of the HOMEOWNER'S alternative shelter until the HOME is made habitable.

VI. Exclusions

- A. This LIMITED WARRANTY does not cover:
1. Any CONSTRUCTION DEFECTS or other damages resulting, either directly or indirectly, from the following causes or occurring in the following situations:

 - s. Changes, additions, or alterations made to the **HOME** or the **COMMON ELEMENTS** by anyone after the **WARRANTY PERIOD** begins, except those made or authorized by **US**;
 - t. Any defect in material or workmanship supplied by anyone other than **US** or **OUR** agents, or subcontractors;

2. Any costs arising from, or any **CONSTRUCTION DEFECT** resulting from the actual, alleged or threatened discharge, dispersal, release or escape of **POLLUTANTS**. **WE** will not cover costs or expenses arising from the uninhabitability of the **HOME** or the **COMMON ELEMENTS** or health risk due to the proximity of **POLLUTANTS**. **WE** will not cover costs, or expenses resulting from the direction of any governmental entity to test, clean-up, remove, treat, contain or monitor **POLLUTANTS**;
 3. Any costs arising from, or any **CONSTRUCTION DEFECT** resulting from the effects of electromagnetic fields (EMF's) or radiation;
 4. Any damage to personal property that does not result from a **CONSTRUCTION DEFECT**;
 5. Any "**CONSEQUENTIAL OR INCIDENTAL DAMAGES**";
 6. Any damage to **CONSUMER PRODUCTS**;
 7. Any **CONSTRUCTION DEFECT** as to which **YOU** have not taken timely and reasonable steps to protect and minimize damage after **WE** or **OUR** authorized representative have provided **YOU** with authorization to prevent further damage;
 8. Any damage to the extent it is incurred after or as a result of **YOUR** failure to notify **US** in a reasonably timely manner after **YOU** have become aware or should have become aware of the **CONSTRUCTION DEFECT** or condition causing such damage;
 9. Any costs or obligations paid or incurred by **YOU** in violation of Section VII. C. below;
 10. Any non-conformity with local building codes, regulations or requirements that has not resulted in a **CONSTRUCTION DEFECT**. While **WE** acknowledge **OUR** responsibility to build in accordance with applicable building codes, this **LIMITED WARRANTY** does not cover building code violations in the absence of a **CONSTRUCTION DEFECT**;

11. Any deviation from plans and specifications that has not resulted in a **CONSTRUCTION DEFECT**.
- B. **OUR LIMITED WARRANTY** does not cover any **CONSTRUCTION DEFECT** which would not have occurred in the absence of one or more of the excluded events or conditions listed in Exclusions, Section VI. A.1 a. – A.1.q., A.2. or A.3. above, regardless of:
 1. the cause of the excluded event or condition; or
 2. other causes of the loss or damage; or
 3. whether other causes acted concurrently or in any sequence with the excluded event or condition to produce the loss or damage.

VII. Procedure to Request US To Perform Under This LIMITED WARRANTY

If **YOU** become aware of a condition that **YOU** believe is a **CONSTRUCTION DEFECT** under this **LIMITED WARRANTY**, **YOU** have the following responsibilities:

A. Notification

YOU must notify **US** in writing as soon as it is reasonably possible after **YOU** have become aware or should have become aware of a **CONSTRUCTION DEFECT**, but in no event may **YOUR** written notice of a **CONSTRUCTION DEFECT** or **YOUR** written request for warranty performance be postmarked or received by **US** later than thirty (30) days after this **LIMITED WARRANTY** has expired.

If the written notice is postmarked or received by **US** more than thirty (30) days after the expiration of this **LIMITED WARRANTY**, **WE** shall have no obligation to remedy the **CONSTRUCTION DEFECT**. In order to establish a record of timely notification, **WE** recommend that written notice should always be sent by Certified Mail, return receipt requested.

B. Cooperate With US

YOU must give **US** and any third parties acting on **OUR** behalf reasonable help in inspecting, investigating, testing (including destructive testing), monitoring, repairing, replacing or otherwise correcting an alleged **CONSTRUCTION DEFECT**. Help includes, but is not limited to, granting reasonable access to the **HOME** or **COMMON ELEMENTS** for the forgoing purposes. If **YOU** fail to cooperate or provide such reasonable access to the **HOME** or **COMMON ELEMENTS**, **WE** will have no obligation to do any of the foregoing.

C. Do Not Make Voluntary Payments

YOU agree not to make any voluntary payments or assume any obligations or incur any expenses for the remedy of a condition **YOU** believe is a **CONSTRUCTION DEFECT** without prior written approval from **US**, or other parties authorized to act on **OUR** behalf. **WE** will not reimburse **YOU** for costs incurred where **YOU** did not obtain prior written approval.

However, **YOU** may incur reasonable expenses in making repairs in an **EMERGENCY CONDITION** without prior written approval, provided the repairs are solely for the protection of the **HOME** or **COMMON ELEMENTS** from further damage or to prevent an unsafe living condition and provided **YOU** notify **US** as soon as is reasonably possible. To obtain reimbursement for repairs made during an **EMERGENCY CONDITION**, **YOU** must provide **US** with an accurate written record of the repair costs.

D. Sign A Release

When **WE** or a third party designated by **US** or acting on **OUR** behalf have completed repairing, replacing or paying **YOU** as to any **CONSTRUCTION DEFECTS** or other related damage to the **HOME** or the **COMMON ELEMENTS DEFECTS**. The release shall be applicable to the **CONSTRUCTION DEFECTS** and shall not prevent **YOU** from notifying **US** should **YOU** become aware of a subsequent **CONSTRUCTION DEFECT**.

E. If YOU Disagree With US

If **YOU** believe **WE** have not responded to **YOUR** request for warranty performance to **YOUR** satisfaction or in a manner that **YOU** believe this **LIMITED WARRANTY** requires, **YOU** may provide written notice to **PWC** requesting Mediation. Upon **PWC's** receipt of written notice from **YOU**, **PWC** may review and mediate **YOUR** request by communicating with **YOU**, **US**, and any other individuals or entities that **PWC** believes may possess relevant information. If after forty-five (45) days, **PWC** is unable to successfully mediate **YOUR** request for warranty performance, or at any earlier time when **PWC** determines that **YOU** and **WE** are at an impasse, **PWC** will notify **YOU** that **YOUR** request for warranty performance remains unresolved and that **YOU** may elect to initiate Binding Arbitration. Binding Arbitration as described in the following section is the sole remedy for the resolution of disputes between **YOU** and **US** as set forth in the following section.

VIII. Binding Arbitration Procedure

Any disputes between **YOU** and **US**, or parties acting on **OUR** behalf, including **PWC**, related to or arising from this **LIMITED WARRANTY**, the design or construction of the **HOME** or the **COMMON ELEMENTS** or the sale of the **HOME** or transfer of title to the **COMMON ELEMENTS** will be resolved by binding arbitration. Binding arbitration shall be the sole remedy for resolving any and all disputes between **YOU** and **US**, or **OUR** representatives. Disputes subject to binding arbitration include, but are not limited to:

- A. Any disagreement that a condition in the **HOME** or the **COMMON ELEMENTS** is a **CONSTRUCTION DEFECT** and is therefore covered by this **LIMITED WARRANTY**;
- B. Any disagreement as to whether a **CONSTRUCTION DEFECT** has been corrected in compliance with this **LIMITED WARRANTY**;
- C. Any alleged breach of this **LIMITED WARRANTY**;
- D. Any alleged violation of consumer protection, unfair trade practice, or any other statute;
- E. Any allegation of negligence, strict liability, fraud, and/or breach of duty of good faith, and any other claims arising in equity or from common law;
- F. Any dispute concerning the issues that should be submitted to binding arbitration;
- G. Any dispute concerning the timeliness of **OUR** performance and/or **YOUR** notifications under this **LIMITED WARRANTY**;
- H. Any dispute as to the payment or reimbursement of the arbitration filing fee;
- I. Any dispute as to whether this **LIMITED WARRANTY**, or any provision hereof, including, but not limited to any waiver hereunder, is unenforceable;
- J. Any other claim arising out of or relating to the sale, design or construction of **YOUR HOME** or the **COMMON ELEMENTS**, including, but not limited to any claim arising out of, relating to or based

on any implied warranty or claim for negligence or strict liability not effectively waived by this **LIMITED WARRANTY**.

The arbitration shall be conducted by Construction Arbitration Services, Inc., or such other reputable arbitration service that PWC shall select, at its sole discretion, at the time the request for arbitration is submitted. The rules and procedures of the designated arbitration organization, that are in effect at the time the request for arbitration is submitted, will be followed. A copy of the applicable rules and procedures will be delivered to YOU upon request.

This arbitration agreement shall be governed by the United States Arbitration Act (9 U.S.C. §§ 1 – 16) to the exclusion of any inconsistent state law, regulation or judicial decision. The award of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

Each party shall bear its own attorneys fees and costs (including expert costs) for the arbitration. The arbitration filing fee and other arbitration fees shall be divided and paid equally as between YOU and US. This filing fee shall be no more than the amount charged by the arbitration service to PWC for each arbitration. Contact PWC to determine the arbitration filing fee in effect at the time an arbitration is being requested. The arbitrator shall, as part of any decision, award to the party prevailing at the arbitration any applicable filing fees or other arbitration fees paid by that party.

The process for YOU to initiate arbitration is described below.

Step 1 YOU complete a Binding Arbitration Request Form and mail it to PWC along with the appropriate arbitration filing fee. A Binding Arbitration Request Form is attached to this LIMITED WARRANTY. YOUR Binding Arbitration Request Form must be received no later than ninety (90) days after this LIMITED WARRANTY expires. YOU must still notify US of an alleged CONSTRUCTION DEFECT as soon as it is reasonably possible after YOU have become aware or should have become aware of the CONSTRUCTION DEFECT, but in no event later than thirty (30) days after expiration of this LIMITED WARRANTY. Please Note that while YOU have thirty (30) days after this LIMITED WARRANTY expires to notify US and ninety (90) days after it expires to file for arbitration, this time period does not extend the WARRANTY PERIOD for CONSTRUCTION DEFECTS. Additionally, no investigation, inspection, testing, repair, replacement, or payment, nor any promise of same by US under this LIMITED WARRANTY, nor any dispute resolution efforts, shall extend the term of this LIMITED WARRANTY or extend or toll any statutes of limitations or any of YOUR rights or remedies.

Step 2 PWC Will Arrange the Arbitration Proceeding. The arbitrator or arbitration organization will notify YOU of the time, date and location of the arbitration hearing. Most often the hearing will be conducted at the HOME or the COMMON ELEMENTS or some other location that is agreeable to all the parties to the dispute. In scheduling the hearing the arbitrator will set a time and date that is reasonably convenient to all the parties.

Step 3 The Arbitration Hearing. The parties at the arbitration hearing will include the arbitrator, YOU, US and/or a third party designated by US or acting on OUR behalf. Any party to the proceeding may be represented at the hearing. All persons who are parties to the arbitration, as well as representatives and witnesses, are entitled to attend hearings.

After evidence is presented by YOU, US or OUR representatives, a decision will be rendered by the arbitrator. The decision is final and binding on YOU and US. The arbitrator first will determine whether any claimed or alleged CONSTRUCTION DEFECT exists and whether it is OUR responsibility. Second, if the arbitrator finds US responsible for a CONSTRUCTION DEFECT, the arbitrator will determine the scope of any repair or replacement, OUR cost of any such repair or replacement, and the diminution in fair market value, if any, caused by such CONSTRUCTION DEFECT. Based upon the arbitrator's decision, WE shall choose whether WE shall (1) repair, replace the CONSTRUCTION DEFECT, (2) pay to YOU the actual amount it would cost US to repair or replace the CONSTRUCTION DEFECT or (3) PAY to YOU an amount equal to the diminution in fair market value caused by

the **CONSTRUCTION DEFECT**. The decision to repair, replace, or to make payment to **YOU** is at **OUR** or **OUR** authorized representative's sole option. In addition, the arbitrator shall render a decision resolving any other disputed matters or issues related to or arising from this **LIMITED WARRANTY**, the design or construction of the **HOME** or the **COMMON ELEMENTS** or the sale of the **HOME** or transfer of title to the **COMMON ELEMENTS**.

Step 4 **OUR Arbitration Performance Obligations.** **WE** will comply with the arbitrator's decision no later than 60 days from the date of the award or other such date as may be specified or allowed in the decision. However, delays caused by circumstances beyond **OUR** or **OUR** representative's control shall be excused.

Step 5. **If YOU believe WE Have Failed To Comply With The Award.** **YOU** should contact **PWC** at its mailing address specified in this **LIMITED WARRANTY** if **YOU** believe **WE** have not complied with the arbitrator's award. **PWC** will mediate this dispute and if it cannot be resolved, will advise **YOU** that a compliance inspection arbitration is available to determine whether **WE** have performed adequately under the original arbitration award. **PWC** will communicate these findings to both **US** and **YOU**. If it is determined that **WE** have not properly performed, **WE** will be obligated to immediately comply.

PWC's sole responsibility is to administer this **LIMITED WARRANTY** on **OUR** behalf and as such **PWC** assumes no other liabilities in connection with this **LIMITED WARRANTY**. Under no condition or circumstance is **PWC** responsible for fulfilling any of **OUR** obligations under this **LIMITED WARRANTY**.

IX. General Conditions

A. Separation of This LIMITED WARRANTY From The Contract Of Sale

This **LIMITED WARRANTY** is separate and independent of the contract between **YOU** and **US** for the construction and/or sale of the **HOME** or transfer of the **COMMON ELEMENTS**. The provisions of this **LIMITED WARRANTY** shall in no way be restricted or expanded by anything contained in the construction and/or sales contract or other documents between **YOU** and **US**.

B. Transfer to Subsequent HOMEOWNERS

This **LIMITED WARRANTY** will transfer to new owners of the **HOME** for the remainder of the **WARRANTY PERIOD**. **YOU** agree to provide this **LIMITED WARRANTY** to any subsequent purchaser of the **HOME** as a part of the contract of sale of the **HOME**. **OUR** duties under this **LIMITED WARRANTY** to the new **HOMEOWNER** will not exceed the limit of liability then remaining, if any.

C. Transfer of Manufacturer's Warranties

WE assign to **YOU** all the manufacturer's warranties on all appliances, fixtures and items of equipment that **WE** installed in the **HOME**. Should an appliance or item of equipment malfunction **YOU** must follow the procedures set forth in that manufacturer's warranty to correct the problem. **OUR** obligation under this **LIMITED WARRANTY** is limited to the workmanlike installation of such appliances and equipment. **WE** have no obligation for appliances and equipment defined as **CONSUMER PRODUCTS**.

D. Recovery Rights

If **WE** or a third party designated by **US** or acting on **OUR** behalf repairs, replaces or pays **YOU** as to a **CONSTRUCTION DEFECT**, or other related damage to the **HOME** or the **COMMON ELEMENTS** covered by this **LIMITED WARRANTY**, **WE** are entitled, to the extent of **OUR** payment, to take over **YOUR** related rights of recovery from other people and organizations, including but not limited to, other warranties and insurance. **YOU** have an obligation not to make it harder for **US** to enforce these rights. **YOU** agree to sign any papers, deliver them to **US**, and do anything else that is necessary to help **US** exercise **OUR** rights.

E. General Provisions

1. If any provision of this **LIMITED WARRANTY** is determined to be unenforceable, such a determination will not affect the remaining provisions. If this **LIMITED WARRANTY** or any provision herein is determined to be unenforceable as to a **HOMEOWNERS ASSOCIATION** or a specific **HOMEOWNER**, such a determination will not affect the enforceability of this **LIMITED WARRANTY** or such provision as to any other **HOMEOWNERS ASSOCIATION** or any other **HOMEOWNER**. The issue of enforceability, as well as all other issues, will be determined by Binding Arbitration as provided for in this **LIMITED WARRANTY**.
2. This **LIMITED WARRANTY** and the binding arbitration process are binding on **YOU** and **US**. It is also binding on **YOUR** and **OUR** heirs, executors, administrators, successors, and assigns, subject to paragraph B of the **General Conditions**.
3. As may be appropriate, the use of the plural in this **LIMITED WARRANTY** includes the singular, and the use of one gender includes all genders.

X. Definitions
